Twin Hills Apple Blossom Educational Foundation Meeting Minutes

December 18, 2025

Meeting called to order by Amy Ryan 4:08pm

In Attendance: Shawna Whitestine Sarah Erickson, Amy Ryan, Kelsey Correia, Dana Paterson
Via zoom- Erin Elliott, Katrina Young

Previous meeting minutes approved by: all board approval

Superintendent Report: Big thank you to the foundation for the new budgeting process. Multiple meetings with Sarah and Amy in creating this new process, so kudos for everyone for their efforts. As we move forward, continuing to streamline how funds are given to schools and teachers. Planning one year in ahead will help support budgeting this as we move forward.

Principal's Report Twin Hills: Twin Hills bake sale was a huge success, profiting just under $700. The Band concert was great! Hidden elves around campus and kids are enjoying hunting for them. With ELOP money, drama club has started, and the choir program is becoming a musical theater program– potentially having a performance soon! Advanced culinary course being added after winter break. New after school chess club also has begun with ELOP money as well. January 7- challenge day. 7th and 8th graders will be in attendance. Outdoor Ed at the end of January. 8th graders are beginning their Analy prep and learning about classes.

Principal's Report Apple Blossom: 20 point increase in ELA testing from this time last year. Lots of tours continue to happen. 19 kids interested in TK. 6 new students starting after break. Spirit week has been going on this week- put on by the 5th grade student council.
January See's candy fundraiser & Feb 6 potentially for school dance- 5th grade fundraiser.

Treasurer Report: family donations continue to come in. Halloween carnival supported 2500 to each school's outdoor ed program. Bank account total as of Dec 1– 75,360.62 k in the bank! This will be going towards each school's new funding process for next year.

Foundation Introduction: New funding breakdown created with support of superintendent, with clear transparency for how much money each school is getting from THABEF and where it's being allocated. Each school is getting equal amounts of funds, but using in different ways as each school needs. 37,400 total being given to schools in total. Teachers will also be given additional funds. This is a new way of handling funds, so we are still figuring out specific details but it is pretty much complete.
Skate night was great! Adding another skate night to the calendar. PG&E employees can volunteer and PG&E will donate $350 to the non-profit of their choice– so we had a $350 donation come in from one of our families!

Calendar of Events: second Saturday in May- TH choir performing at 6 flags.

AOB: sunshine committee flyer in the making and hopefully coming out soon

Next THABEF scheduled for: January 15th at 4pm, Apple Blossom room 3
