RECITALS

WHEREAS, the Colorado General Assembly has enacted the Charter Schools Act, C.R.S. §§ 22-30.5-101 *et seq.* (the “Act”), allowing for the creating and operating of charter schools within the state by its terms and for certain purposes as enumerated in C.R.S. § 22-30.5-102(2) & (3); and

WHEREAS, on or before September 1, 2024, a renewal application was submitted by School asking the District to renew its charter for a period of five (5) years; and

WHEREAS, on January 28, 2025, the District Board of Education (“District Board”) adopted a resolution (the “Resolution”) (attached hereto and incorporated by reference herein as **Attachment 1**) approving the School’s charter school renewal for a term of five (5) years.

NOW THEREFORE, in consideration of the foregoing Recitals and the mutual understandings, releases, covenants and payments contained herein, the Parties agree as follows:

SECTION ONE: ESTABLISHMENT OF SCHOOL

1.1 Term.

This Contract is effective as of July 1, 2025, and shall continue through June 30, 2030. Although this Contract renews the operation of the School for an additional period of five (5) years, any financial commitment on the part of the District contained in this Contract is subject to annual appropriation by the District and the Parties agree that the District has no obligation to fund the financial obligations under this Contract other than for the current year of the Contract term. The District has not irrevocably pledged and held for payment sufficient cash reserves for funding the School or for providing services herein for any subsequent fiscal year during the remaining term of the Contract. A School Contract may be renewed for an additional period upon application for renewal in accordance with the state law and District Board approval of the renewal of the application.

1.2 Charter School Corporate Status.

The School is incorporated as a Colorado non-profit corporation. The School shall continue to operate as a Colorado non-profit corporation and shall assure that its operation is in accordance with its Articles of Incorporation and Bylaws.

- A. Compliance with Contract. The School will be bound by and operated in a manner consistent with the terms of this Contract so long as such terms are in accordance with state, federal and local law.

- B. Corporate Purpose. The purpose of the School as set forth in its Articles of Incorporation will be limited to the operation of a charter school pursuant to the Act.
- C. Charter School Legal Status. The School is incorporated as a Colorado non-profit. The School shall continue to operate as a Colorado non-profit corporation and shall assure that its operation is in accordance with its Articles of Incorporation and Bylaws. The School shall notify the District promptly of any change in its corporate and/or tax exemption status. The School is organized and maintained as a separate legal entity from the District for all purposes of this Contract. As provided by the Act, the School shall constitute a public school in Colorado. Notwithstanding its existence as a separate legal entity, the educational programs conducted by the School are considered to be operated by the School as part of the District. As such, the School is subject to Colorado laws and District policies that apply to all public schools unless waived in accordance with Section 4.5 of this Contract. Further, the School is a public entity within the meaning of C.R.S. § 24-10-106, and is therefore entitled to the protections of the Colorado Governmental Immunity Act. The School also is a local public body within the meaning of C.R.S. § 24-6-402(1)(a), and is additionally subject to the Sunshine Law and the Open Records Act.
- D. Dissolution. Upon dissolution of the School, assets of the School remaining after paying the School's debts and obligations incurred in connection with activities authorized by this Contract, and not requiring return or transfer to donors or grantors, will become the property of the District or another charter school within the District, as determined by the District and the School in advance of dissolution. The School will execute all necessary documents required to convey such items. At the time of donation, any property requiring return or transfer to the donor or grantor shall be clearly marked and properly inventoried. Upon dissolution, all such documentation shall be provided to the District.
- E. Non-Commingling. Assets, funds, liabilities and financial records of the School shall be kept separate from assets, funds, liabilities, and financial records of any other person, entity, or organization including any education management provider whose services are retained by the School as well as other charter schools who retain the services of the same education management provider.

2.2 School Rights and Responsibilities.

- A. Records. The School agrees to comply with all federal, state, and District record keeping and reporting requirements including those pertaining to students, governance, and finance. The School shall be notified in a timely manner following adoption of new or materially modified District policies concerning the maintenance, retention, and disclosure of student records. The School's obligation herein includes maintaining up-to-date information about enrolled students in the District's student information system. In addition, the School and the District shall ensure that records for students enrolling in the School or other District schools are transferred in a timely manner, but not to exceed fourteen (14) business days following request for the same unless prior approval for a delay is provided by the requesting entity. Financial records shall be reported online in accordance with the Financial Transparency Act and any other federal and state laws addressing financial transparency and reconciled at least monthly. - b) Any complaints filed against the School by any governmental agency including, but not limited to OCR, CCRD, and EEOC.

Lack of inclusion in **Attachment 2** does not excuse noncompliance or non-performance by the School.

Required reports include, but are not limited to, those listed below along with projected due dates for the current school year. The District will annually update the list of required reports and due dates and provide this information to the School.  - ii. Either party shall notify the other party that a dispute exists between them within 30 (thirty) days from the date the dispute arises. Such notification shall be in writing and shall identify the Section of the Agreement that is in dispute and the grounds for the position that such Section is in dispute. The matter shall be immediately submitted to the Lead Administrator and the Superintendent of the School District, or their respective designees, for further consideration and discussions to attempt to resolve the dispute.

 - iv. The matter may be submitted to mediation by notice given by the requesting party (the "moving party") in writing to the other party within thirty (30) days.
 - v. If a Party requests mediation, the Parties shall submit the matter to an independent mediator, who shall be agreed upon by the Parties within fifteen (15) calendar days following the moving party's written request for mediation. If the parties are unable to agree upon a mediator within that time, the Parties shall jointly obtain a list of available mediators from the Judicial Arbiter Group, Denver, Colorado and have it delivered to the non-moving party, who shall strike one, return the list to the moving party, and so forth, until one name remains. The remaining person shall be selected as the mediator. This striking process shall be completed within ten (10) days after delivery of the list to the non-moving party.

- vi. The mediation shall be scheduled and concluded within one hundred twenty (120) days of the moving party's written request for mediation, with final written findings entered by the mediator and served on both Parties within said 120-day timeframe. The mediator shall also apportion all costs reasonably related to the mediation equally between both Parties. The mediation process shall be closed to the public and all information submitted during mediation shall be confidential to the extent permitted by law. If the dispute is still not resolved at the conclusion of the mediation, the mediator shall make an advisory recommendation to the District Board, which shall in turn make a decision on the matter and release the mediator's written findings within thirty (30) days of its receipt of the advisory recommendation. The decision of the District Board shall be final; provided, however, that the School may appeal to the State Board concerning those matters within the State Board's jurisdiction in accordance with governing law.
- I. School Violations of Law or this Contract. If the School is subject to nonrenewal or revocation for any of the reasons listed in C.R.S. § 22-30.5-110(3), or any of the other reasons listed in this Contract, is in material violation of state or federal law or regulations, or otherwise materially breaches the Contract, the District may, but is not required to, impose other remedies prior to initiating revocation procedures in accordance with Section 11.3. Remedies include, but are not limited to, those listed below. These remedies may be applied individually, in succession, or simultaneously. Prior to taking any of the actions below, the District shall send a notice as provided in subsection J below.
 - i. Withholding Funds. The District may withhold a portion of the School's monthly payment for failure to comply with the financial reporting requirements set forth in this Contract as allowed by C.R.S. § 22-30.5-105(2)(c)(IV). The District may withhold such funds only until such time as the School complies with the financial reporting requirements. Any action taken pursuant to this subsection is subject to review as provided in C.R.S. § 22-30.5-112(8).
 - ii. Plan Submission. The District may require the submission of a plan to remedy the deficiency. Upon the written request of the District, the School shall develop a plan to remedy the failure or deficiency and submit it to the District for review and comment. The plan may be revised at the discretion of the School. The District may require the School to review and revise the plan if it reasonably determines that the plan is not effective in remedying the deficiency. This remedy may be applied if the School fails (a) to make progress toward achieving its goals and objectives as described in this Contract after a reasonable period of time, (b) to achieve District accreditation requirements, (c) to implement its educational program as described in this Contract after a reasonable period of time, or (d) fails to complete two or more required reports by the established deadlines.
 - iii. Seeking Technical Assistance. The District may require the School to seek technical assistance from a provider if the School is required to prepare and implement a priority improvement plan or turnaround plan. If the School has an education management provider, the School shall seek technical assistance from a provider other than the School's education management provider.

- iv. Exercise of Emergency Powers. The District may request that the Commissioner issue a temporary or preliminary order in accordance with C.R.S. §§ 22-30.5-701 *et seq.*, if the conditions of an emergency exist, as defined therein.
- J. Procedural Guidelines for School Violations of Law or this Contract. Prior to applying a remedy other than seeking an order under the Emergency Powers set forth in C.R.S. §§ 22-30.5-701 *et seq.*, the District shall, to the extent practicable, engage in the following process:
 - i. The District shall give the School written notice of an alleged breach of contract (including without limitation, a violation of applicable law). The notice shall state the alleged breach, the basis for the finding, the time by which the District expects the alleged breach to be remedied, and the expected remedy.
 - ii. The District shall give the School a reasonable opportunity to contest the District's determination that a breach has occurred. In a non-emergency situation, this means the Lead Administrator or designee shall be given an opportunity to meet with the Superintendent or designee to discuss the notice within five (5) business days.
 - iii. If the breach is not cured within the time specified in the notice, the District may apply remedies 2.2.I (i) through (iv).
- K. District Violations of School Law or this Contract. If the School believes that the District has violated any provision of this Contract or applicable law, the School may initiate dispute resolution procedures in accordance with Section 2.2.H, file an appeal with the State Board, or seek other remedies provided by law.
- L. Emergency Powers. If the District seeks a preliminary order under the Emergency Powers set forth in C.R.S. §§ 22-30.5-701 *et seq.*, it shall follow the procedures set forth therein.

Any material modification of the Articles of Incorporation or the Bylaws shall be made in accordance with the procedures described in Section 2.2.G of this Contract. As used herein, a "material modification" shall include a modification that significantly increases the number or percentages of votes required to take major actions, that changes the selection method or qualifications of the Charter Board or changes the purpose of the entity.

3.2 Corporate Purpose.

The purpose of the School as set forth in its Articles of Incorporation shall be limited to the operation of a charter school pursuant to the Colorado Charter Schools Act, C.R.S. §§ 22-30.5-101 *et seq.* and purposes ancillary thereto and in support thereof.

The School shall also post on its website in a timely manner information about Charter Board members, Charter Board meetings, financial information and audits, relevant School documents, the School's process for resolving public complaints, and other information that may be of interest to students, parents, and community members. The School shall conduct meetings consistent with principles of transparency, the Colorado Open Meetings and Open Records laws, and shall adopt and strictly enforce a conflict of interest policy including a policy to avoid conflicts of interest between the School and any education management provider whose services are retained by the School.

3.4 Complaints.

- A. The School shall establish and maintain a process for resolving public complaints, including but not limited to complaints regarding curriculum, which shall include an opportunity for complainants to be heard. The School shall submit to the District for approval (which approval shall not be unreasonably withheld, conditioned, or delayed) its process for resolving public complaints, including but not limited to complaints regarding curriculum, which must provide an opportunity to be heard and an appeal process that provides for a final administrative appeal to be heard by the Charter Board. Any material changes to the process shall be submitted to the District for approval prior to implementation, which approval shall not be unreasonably withheld, conditioned, or delayed.
- B. To the extent that the District received a complaint regarding the School, District agrees to notify the School within ten (10) days of receipt by the District and shall include information about the substance of the complaint, taking into consideration any complainant's request for anonymity. Thereafter, any such complaint shall be addressed consistent with Subsection 3.4.A. above. The District shall be notified of the Resolution of the complaint within thirty (30) business days of resolution by notification to the District's Choice Office.

3.5 Contracting for Educational Services.

Unless approved by the District in writing, which approval shall not be unreasonably withheld, the School shall not enter into a contract or subcontract for the management or administration of special education program and related services. Such permission is not required if School desires to enter into a contract or subcontract for the management or administration of its instructional program or services so long as, at a minimum, such contract or subcontract satisfies the requirements set forth in **Attachment 4**. If the School fails to comply with this Section, it shall be a material breach of the Contract.

3.6 Contracting for Operational and Administrative Services.

- A. Pursuant to relevant law, the School may contract with third party providers for operational and administrative services. The School shall follow applicable laws, as they apply to charter schools,

related to procuring and contracting for goods and services and adhere to best practices, including standards related to arms-length negotiations and arrangements and conflicts of interest. The School will adopt policies and procedures relating to the procurement and contracting of goods and services. The District may offer guidance on such policies and review contracts on a case by case basis as requested by the School.

- B. The District acknowledges that the School may contract with an education management provider or a charter school management consultant for operational and administrative services. This Contract and the District's obligations hereunder are conditioned upon School developing an agreement with such education management provider or charter school management consultant that satisfies the requirements set forth in **Attachment 4**. If School fails to comply with this provision, it shall be a material breach of the Contract.

3.7 Volunteer Requirements.

Any requirement adopted by the School that requires parents to commit to or accrue a number of volunteer hours shall be subject to a waiver process that considers individual family circumstances, and the School shall not condition the continued enrollment of any student on the commitment of the student's parents to provide any number of volunteer hours or donations in lieu thereof. A copy of the School's volunteer policy and any changes thereto shall be provided to the District.

3.8 Conflict of Interest.

Members of the Charter Board or any governing committee established for the School shall comply with state law and District policies and regulations regarding ethics and conflict of interest. Subject to approval of the District as applicable, if the School enters into a contract with an education management provider and/or a charter school management consultant, then School acknowledges and agrees that its board members shall not be employed by such provider/consultant or such provider's/consultant's affiliate and shall not be employed with another charter school who retains the services of such consultant.

SECTION FOUR: OPERATION OF SCHOOL AND WAIVERS

4.1 Operational Powers.

The School shall be fiscally responsible for its own operations, and shall have authority independently to exercise the following powers (together with such powers as provided for elsewhere in this Contract and as allowed by the Act): contracting for goods and services; preparation of budgets; selection, supervision, evaluation, and determination of compensation for personnel; promotion and termination of personnel; leasing facilities for the School; accepting and expending gifts, donations, or grants of any kind in accordance with such conditions prescribed by the donor as are consistent with law and this Contract; and adoption of policies and Bylaws consistent with the terms of this Contract.

4.2 Evaluations and Trainings.

- A. Lead Administrator Evaluation. The Charter Board shall conduct a performance evaluation of the Lead Administrator at least annually.

- B. Employee Evaluations. The Lead Administrator or his/her designee shall conduct performance evaluations of the School's employees at least annually in accordance with the School's personnel policies.
- C. Training. The Charter Board shall adopt a policy for its annual training plan. Further Charter Board members will satisfactorily complete the online charter school governing board training modules recommended by the Department, or comparable training, within a year of: (a) executing this Contract (for those members currently serving on the Board or provide evidence of prior completion) or (b) being seated on the Board (for all future Board members), whichever comes first. Failure to complete this requirement will be noted in the Annual Performance Report Compiled by the District.

4.3 Transportation and Food Services.

- A. Transportation. The District and the School acknowledge and agree that transportation is not provided to students attending the School by the District, unless separately arranged by contract with the District. In all circumstances, the School shall be responsible for providing transportation services, if any, to students attending the School. The District and the School agree that enrollment at the School is a choice and as such students with disabilities who choose to attend School are generally not eligible for transportation services.
- B. Food Services. If the School will be providing food service, the School shall provide free lunches to its students so long as the District provides free lunches to its students in accordance with applicable federal and state law and District policy.

4.4 Insurance.

The School shall purchase insurance protecting the School and Charter Board, employees, and volunteers (if allowable by policy), and District where appropriate, consisting of comprehensive general liability insurance, errors and omissions liability insurance (school entity liability insurance), and such other insurance as identified below which identifies the minimum coverages for the current school year:

Comprehensive general liability - \$2,000,000 Per Occurrence/\$5,000,000 Annual Aggregate.

Sexual Misconduct or Molestation - \$5,000,000.

Officers, directors and employees errors and omissions - \$2,000,000.

Property insurance - As required by landlord.

Motor vehicle liability (if appropriate) - \$1,000,000.

Crime coverage: \$100,000.

Bonding (if appropriate):

Minimum amounts: \$25,000.

Maximum amounts: \$100,000.

Workers' compensation - (as required by state law).

The District shall provide at least sixty (60) days' prior written notice if these coverage limits are changed, and all changes shall be commercially reasonable. Insurance terms and conditions must be reasonably

acceptable to the District and underwritten by insurers that are legally authorized in the State of Colorado and that are rated by A.M. Best Company not lower than "A-VII." Use by the School of the Colorado School Districts Self Insurance Pool will not require preapproval by the District.

The School shall provide certificates of insurance to the District's Risk Director by August 15 annually. An endorsement and waiver of subrogation as noted below shall be provided to the District's Director of Risk.

- **Endorsement:** These insurance policies shall name the Douglas County School District RE-1, its officers, directors, board of education, and employees as additional insureds and shall provide for written notice to District before cancellation or non-renewal of such insurance.
- **Waiver of Subrogation:** A waiver of subrogation must be included as an attached endorsement for the following policies, as applicable: commercial general liability, motor vehicle, workers' compensation, and sexual abuse or molestation.

All of the insurance policies purchased by the School shall state that coverage shall not be suspended, voided, cancelled, reduced in coverage or in limits, except after thirty (30) calendar days prior written notice by electronic or certified mail, return receipt requested, sent to the School and the District's Risk Director. The School shall notify the District's Risk Director within ten (10) calendar days if for any reason there is a lapse in insurance coverage. The School is solely responsible for any deductibles payable under the policies purchased by the School. Both Parties shall secure policies that are primary and noncontributory to insurance obtained by the other party and/or any obligation of indemnification under this contract.

4.5 Waivers.

A. State Laws and Regulations.

- i. Automatic Waivers. Pursuant to C.R.S. § 22-30.5-103, automatic waivers are those automatically granted upon the establishment of a charter contract. Pursuant to C.R.S. § 22-30.5-104(6), the State Board will adopt, by rule, a list of automatic waivers for which the School is *not* required to submit a replacement plan, or statement, to the Colorado Department of Education, to specify the manner in which the School intends to comply with the intent of the state statute or State Board rule. The list in effect as of the Effective Date is attached in **Attachment 5**.
- ii. Waiver Requests. Waivers are neither necessary nor appropriate when a statute or rule by express terms does not apply to a charter school, nor when a District power or duty has been fully delegated, as more specifically stated in this Contract, to the School. The School is expected to only seek waivers if a statute or rule applies to the School and the waiver is consistent with the School's operational or educational needs.
- iii. Procedures for Non-automatic Waiver Requests. If School complies with the timely provision of the School's rationale in support of waiver request(s) from state law and regulations, then District Board agrees to jointly request waiver of the state laws and regulations that are listed in **Attachment 6**. To the extent the State Board does not grant the requested waivers or

imposes conditions upon the School with respect to such waivers, it is agreed that representatives of the Parties shall meet to negotiate the effect of such State Board action.

- iv. Subsequent Waiver Requests. The School may request additional non-automatic waivers. Upon receipt of such request, the District shall have thirty (30) calendar days to review the request and, thereafter, shall present the matter before the District Board at its next regular meeting. The District Board shall, unless otherwise agreed by the Parties, have thirty (30) calendar days to consider the matter prior to rendering a decision at a regular meeting. The District agrees to jointly request such a waiver from the State Board, if the District's Board first approves the request. State Board approval of requests to waive State law or regulations shall not be unreasonably withheld. To the extent the State Board does not grant the requested waivers or imposes conditions upon the School with respect to such waivers, it is agreed that representatives of the Parties shall meet to negotiate the effect of such State Board action. Any such requests for waivers must include a replacement plan articulating how the School plans to comply with the intent of the statute, rule, or policy for which waiver is required.

B. District Policies.

- i. Waivers of District Policies Applicable During Contract Term. School agrees to comply with the limitations and requirements of Board File Policy LBD-R-3 with respect to waivers of District policies. District and School agree that waivers identified at **Attachment 7** shall be enforced during the Contract's term.
- ii. Subsequent Waiver Requests. The School may request additional waivers after the effective date of this Contract. Any such request must comply with the requirements of Board File Policy LBD-R-3. Upon receipt of such request, the District shall have thirty (30) calendar days to review the request and, thereafter, shall present the matter before the District Board at its next regular meeting. The District Board shall, unless otherwise agreed by the Parties, have thirty (30) calendar days to consider the matter prior to rendering a decision at a regular meeting. Waivers of District policies may be granted only to the extent permitted by state law. Waiver of District policies shall not be unreasonably withheld. Any such requests for waivers must include a statement articulating how the School plans to comply with the intent of the statute, rule, or policy for which waiver is required. To the extent additional waivers are granted or waivers are otherwise amended, they shall be attached to this Contract at **Attachment 8** which shall be amended to reflect the additional waiver(s) and the effective date(s).
- iii. Revocation of Waivers. For reasonable cause and after providing notice to the School, the District's Board may revoke waivers previously granted.

4.6 Bidding Requirements.

Unless purchased from or through the District, contractual services and supplies, materials and equipment shall be procured through a system of competitive bidding, as required by the School's policy, which will comport with best practices for charter schools and state law.

4.7 Traffic Planning.

Charter School site location and the process of student loading and unloading is critical for safe and efficient traffic operations both on school property and the surrounding roadway network. Charter School staff, parents and students need to be aware of this reality and participate in providing a safe and organized flow of traffic. School will follow the Traffic Management Plan (TMP) in effect for its building(s).

The TMP must be readily available to all parents and students. Any physical changes to the school site (such as building expansion, parking lot revision, stacking lane revision, etc.) or substantial changes in enrollment will require an amendment to the TMP, in addition to local government land use approvals. TMP's and Traffic Impact Analyses are site specific, therefore, if School changes locations, a new TMP and Traffic Impact Analysis will be required. Any amendments to the TMP under these circumstances shall be coordinated with and approval sought from the local government jurisdiction.

SECTION FIVE: SCHOOL ENROLLMENT AND DEMOGRAPHICS

5.1 School Grade Levels.

The School may serve students in grades Pre-K-8 in two school buildings located within the geographic boundaries of the District located at 4085 Lark Sparrow Street, Highlands Ranch, CO 80126 and 2121 Dad Clark Drive, Highlands Ranch, CO 80126 (K-8 Homeschool location and Pre-K). In the event that the Homeschool and Pre-K classes relocate, the School will provide notice of a change in location of the Homeschool and Pre-K classes to the District consistent with the requirements of this Contract, including any requirements of Section 10.1.

5.2 Student Demographics.

As required by the Colorado Charter Schools Act, C.R.S. § 22-30.5-104(3), School enrollment procedures shall be conducted by the School in a nondiscriminatory manner. The School shall implement a recruitment and enrollment plan that ensures that it is open to any child who resides in the District. The School is committed to the goal of enrolling and retaining a student population that will be reasonably representative of the percentage of students that are eligible for free or reduced lunch, English language learners, and special education programs within the District average, taking into account the demographics of other public schools within a reasonable proximity to the School. The Parties acknowledge that the School's good faith effort to enroll and retain said representative populations may not, in and of itself, ensure achievement of this goal, and that as a public school, the School cannot turn away students that meet its enrollment procedures as described in **Attachment 9**.

5.3 Maximum and Minimum Enrollment.

The School and the District agree that during the term of this Contract, the School's total enrollment shall not exceed the capacity of the School's facility and site. The minimum enrollment is determined to be the lowest enrollment necessary for financial viability, as reasonably determined by both Parties.

5.4 Eligibility for Enrollment.

The School shall limit enrollment of students accepted through the process outlined below, including enrollment procedures for students with disabilities, to those who meet the School's age and grade requirements, are not otherwise ineligible to enroll based on criteria in Article 33 of Title 22 or who meet the criteria in C.R.S. § 22-33-106(3)(f) in another District school. All enrollment decisions shall be made in accordance with applicable state and federal law and policy, and the requirements outlined in Section 5.6 below with respect to the admission process and procedures for enrollment of students with disabilities.

5.5 Enrollment Preferences, Selection Method, Timeline and Procedures.

- A. It is agreed that enrollment preferences and selection methods are left to the discretion of the School so long as School complies with the District's enrollment policies (specifically, JCA-JFB and JCA-JFB-R, except to the extent those may be inconsistent with this Contract) and the requirements of state and federal law, including allowance for equal educational opportunities.
- B. Only after consultation with the District during which District solicits and considers feedback from School, School agrees to adhere to District open enrollment timelines, and procedures, regarding public school enrollment as described in **Attachment 10**.

5.6 Admission Process and Procedures for Enrollment of Students with Disabilities

- A. The two-step process shall be implemented when considering whether a student who is eligible for special education services is able to enroll in School. The two-step process includes an admissions phase of the process and an enrollment phase of the process.
- B. The School shall conduct its admission process, including any lottery or similar process, without inquiry into the disability status of students. The School's application materials should not in any way include questions about disability status or whether or not a student has an IEP or Section 504 Plan.
- C. School may not inquire into whether a student has an IEP or Section 504 Plan until the student has been admitted into the enrollment phase of the process, meaning that no such inquiry shall be made until the student has been successful in any lottery or similar process and School has offered a space to the student and the parent(s)/guardian(s) has accepted the offer. Following a student's admission into the enrollment phase of the process, the School may inquire about disability status and request a copy of the student's IEP or Section 504 Plan.
- D. After receipt by School of the student's IEP, School shall cooperate with the District's Special Education Director or designee in any initial review of a student's IEP to address whether the student's IEP can be appropriately implemented at School.

1. If it is determined that student's IEP can be appropriately implemented at School after the initial review of student's IEP, student shall be enrolled to attend School.
 2. If it is initially determined that student's IEP may not be able to be appropriately implemented at School, an IEP team meeting shall be convened to determine whether the student's IEP can be appropriately implemented at School.
 - a. If the IEP team determines that student's IEP can be appropriately implemented at School, student shall be enrolled to attend School.
 - b. If the IEP team determines that student's IEP cannot be appropriately implemented at School, student's enrollment to attend School may be denied and the IEP shall include a specific explanation of the IEP team's determination or a separate prior written notice that meets the requirements of state and federal law shall be provided to Parents.
- E. Admission of applicants with an IEP or Section 504 Plan shall be in compliance with District requirements and procedures concerning the education of students with disabilities. Every student who is admitted with an IEP or Section 504 Plan from a previous school shall be placed directly in a program that meets the requirements of such IEP or Section 504 Plan, unless and until a review staffing by the IEP team or Plan review meeting is held and the IEP or Section 504 Plan is changed.
- F. School recognizes and agrees that it is solely and exclusively responsible for providing services and accommodations to students who have a disability within the meaning of Section 504 and the ADA, but are not eligible for special education and related services under the IDEA, and that nothing in this Contract shall be construed to require the District to provide services or accommodations to such students.
- G. An application for attendance at School may be denied for a student with disabilities in the same manner and for the same reasons as such application may be denied for a student without disabilities.

5.7 Participation in Other District Programs.

No student may be jointly enrolled in the School and another District school or program without the written agreement of the District and the School. Such written agreement shall include the manner in which the costs of instruction shall be divided between the School and the District. Payment by the School to the District, if any, pursuant to any such agreement shall be deemed payment for a purchased service under the Charter Schools Act.

5.8 Non-Resident Admissions.

Subject to its enrollment guidelines, the School shall be open to any child who resides within the District and to any child who resides outside the District, subject to compliance with applicable Colorado public

schools of choice statutes, District policy (unless otherwise waived) and this Contract. If the School has more applicants than it has space, preference shall be given to those students who reside within the District. The School shall handle denial of admission in a manner consistent with state law and District policy/regulations. Once accepted for enrollment, a non-District resident student may reenroll for subsequent school years until completing his or her schooling at the School.

5.9 Student Movement.

Any movement of students between the School and any District school, including the school serving the student's resident address that is not operated pursuant to a charter school contract, shall be in accordance with applicable law and District policy.

5.10 Expulsion and Denial of Admission.

The School agrees that it shall comply with all District policies/regulations concerning student attendance, standards of conduct and discipline, unless and until the School adopts its own written policies in accordance with this Contract and applicable law. Where the School's Administration and/or Charter Board recommends a student for expulsion, the proceedings shall be referred to the District for handling through the District's expulsion processes. However, the Charter Board, or its designee, shall make findings of fact and recommendations which shall be provided to the District's Superintendent or designee for use and consideration when the District implements its expulsion processes. Any decision to expel a Charter School student by the District Board shall specify which District schools the student is expelled from attending and which schools, if any, the student may attend as an alternative. Any general education services required by law to be provided to suspended or expelled School students shall be the sole responsibility of the School, in cooperation with the District, with all costs for such services to be borne by the School. Any special education and related services required by law to be provided to suspended or expelled students shall be the sole responsibility of the School, in cooperation with the District, with all costs for such services to be borne by the School.

The District's Board shall have final authority regarding appeals in student expulsion cases.

5.11 Continuing Enrollment.

Pursuant to Colorado state law, students who enroll in the School shall remain enrolled in the School through the highest grade served by the School, absent expulsion, graduation, court ordered placement, or placement in a different school pursuant to an IEP and the School shall be considered the student's home school for purposes of choice enrollment. Students wishing to transfer from the School to another school in the District may do so only through the District's within-District choice enrollment and transfer procedures.

SECTION SIX: EDUCATIONAL PROGRAM

6.1 Vision.

The vision set forth in the Renewal Application is accepted by the District, as amended by this Contract, which is: Platte River Academy Vision: To be the school of choice for parents and staff, developing

exemplary citizens by equipping students with core foundational knowledge enabling them to be culturally literate, prepared for high school, and virtuous in character.

6.2 Mission.

The mission set forth in the Renewal Application is accepted by the District, as amended by this Contract, which is: To provide a content-rich academically rigorous education with a well-defined, sequential curriculum in a safe, orderly and caring environment.

The goals, objectives and pupil performance standards set forth in the Application are accepted by the District, as amended by this Contract, and subject to the following requirements:

- A. Accreditation. The School shall be accredited in accordance with written District guidelines and state law. The School acknowledges that these indicators may change over time and that the District agrees to provide the School with opportunity for input into any proposed changes before they are finalized. The School shall comply with the educational accountability and or accreditation provisions of Colorado law, as amended from time to time, including but not limited to: the Educational Accountability Act of 2009, C.R.S. §§ 22-7-101 *et seq.*; the Education Reform Act, C.R.S. §§ 22-7-401 *et seq.*; the School Accountability Reporting Act, C.R.S. §§ 22-7-601 *et seq.*; Educational Accreditation Act of 1998, C.R.S. §§ 22-11-101 *et seq.*; and the Accreditation Rules of the State Board, including but not limited to tailoring educational programming to meet the individual needs of "exceptional children" as defined in such rules, unless waived.

- C. District Finance, Governance, and Operations Standards. The School shall meet or exceed District standards for charter schools in the areas of finance, governance and operations. The School acknowledges that these indicators may change over time and that the District agrees to provide the School with prior notice and an opportunity for input into any proposed changes before they are finalized. The School and the District agree that the School shall not be required to adopt any changes in District policy under this Section during the term of this Contract, unless required to by state or federal law.

Finance, governance, and operations indicators may be incorporated into accreditation indicators in A. above. If these indicators are addressed independent of accreditation, the language in Section 2.2.B and 2.2.E will need to be modified.
- D. Opportunity for Comment. Reasonable progress towards all goals in this Contract shall be evaluated through the Colorado School Performance Framework, any additional federal requirements, and any other agreed-upon measures and metrics. The School will be given an opportunity for input and comment before the District finalizes its assessment of the School's achievement on the objectives listed above.

- E. Student Welfare and Safety. The School shall comply, except as waived, with all District approved policies and regulations, and comply with all applicable federal and state laws, concerning student welfare, safety and health, including, without limitation, District policies and laws addressing the reporting of child abuse, accident prevention and disaster response and laws governing incidents of school violence under C.R.S. § 24-10-106.3, and any state regulations governing the operation of school facilities.
- F. Academically Exceptional Students. The School shall identify academically low-achieving, at-risk students, gifted and talented, and other "exceptional children" as defined by law, including in regulations adopted by the State Board, and shall provide its educational program to these students in a manner that appropriately serves their needs in accordance with applicable law, as set forth in the Application and this Contract.

6.4 Educational Program Characteristics.

The School shall continue to implement and maintain the following characteristics of its educational program, subject to modification with the District's written approval, which approval shall not be unreasonably withheld, conditioned, or delayed:

- Standards that meet or exceed Colorado Academic Standards
- Core Knowledge Curriculum
- Character Education
- Community Partnerships
- Parent Engagement
- Multi-tiered System of Support

6.5 GED and On-Line Programs.

The School's educational program as contained in the application and currently operated and as reviewed by the District does not include an on-line program pursuant to C.R.S. §§ 22-33-104 *et seq.*, or a GED and the School is accordingly prohibited from offering such online or GED programs.

6.6 Curriculum, Instructional Program and Pupil Performance Standards.

- A. The School shall have the authority and responsibility for designing and implementing its educational program, subject to the conditions of this Contract. The educational program, pupil performance standards and curriculum designed and implemented by the School shall meet or exceed the Colorado Academic Standards, shall be designed to enable each pupil to achieve such standards, and shall be consistent with the School's vision and mission.
- B. With respect to each subject area not tested under the state's standardized testing program for which the District has developed embedded assessments designed to measure achievement of standards, the School shall notify the Lead Administrator in writing prior to July 1 of the fiscal year following the fiscal year in which such embedded assessments were developed as to whether it will use the District's embedded assessments or whether it will use its own embedded assessments. If the School intends to use its own embedded assessments, it shall submit its

proposed assessment program for review with its written notice to the Lead Administrator. If School uses the District's embedded assessments, it shall adhere to all District timelines for developing (if applicable) and administering assessments.

6.7 Tuition and Fees.

The School shall provide resources and support to English language learners to ensure that English language learners are given meaningful access to grade level content, acquire proficiency in English, and achieve grade level standards. The School shall follow the District's procedures for identifying, assessing, monitoring and exiting English language learners.

6.9 Education of Students with Disabilities.

- A. The School recognizes and agrees that it is solely and exclusively responsible for providing services and accommodations to students who have a disability within the meaning of Section 504 and the ADA, but are not eligible for special education and related services under the IDEA, and that nothing in this Contract shall be construed to require the District to provide services or accommodations to such students.
- B. School shall provide special education services to students eligible for special education services under the Individuals with Disabilities Education Act (IDEA) consistent with the enrolled student's IEP.
- C. Special education services at the School shall be commensurate with those provided at other District schools. If the School hires its own special education teacher(s) they will be subject to review of licensing by District personnel.
- D. The cost for special education services provided by the District pursuant to this Section is described in the DCSD Purchased Services Agreement, negotiated between the School and District on a yearly basis. In addition to these costs, the School shall be responsible for providing and paying the cost of defense for any and all charges, complaints or investigations concerning special

education by the Office for Civil Rights (OCR), the Colorado Department of Education (state complaints), the Department's Federal Complaints Officer, or IDEA due process proceedings and the District shall be available for assistance and consultation. The District and the School agree that enrollment at the School is a choice and as such students with disabilities are generally not eligible for transportation services.

- E. The School agrees to comply with all Board policies and regulations and the requirements of federal and state laws and regulations concerning the education of children with disabilities, and shall provide for the attendance of any School employees who should be present at any meetings at which IEPs are developed or modified. If the School and the District disagree as to the correct interpretation or application of a statute or regulation concerning the education of students with disabilities, the District's position shall control.
- F. The School shall use District special education forms and procedures and School shall document on these forms compliance with the requirements of federal and state law, including procedural due process. The District shall respect the School's curriculum, instructional program, and mission in the development of IEPs for students enrolled in the School.
- G. The School's special education teachers may participate in monthly staff meetings sponsored by the District and newly hired special education teachers shall attend District orientation sessions during the fall semester following their employment and be supported by a mentor selected by the District throughout the first year of employment.
- H. The District or the School may identify from time to time changes to the educational program of the School that (a) are reasonably necessary to comply with applicable law for educating students with disabilities, or (b) provide cost savings or other benefits in connection with educating students with disabilities. After good faith discussion of these changes with the School, the District shall have the right to require such changes necessary to comply with law, and shall have the right to request other changes on behalf of students with disabilities.
- I. Special education programs and services shall be available to each student as part of the regular school day in accordance with the least restrictive environment mandate of federal and state law.

The student may try out at the school in the District designated by the District in accordance with the law and applicable Colorado High School Activities Association "CHSAA" rules. The School and the student shall comply with all applicable rules of CHSAA, the District and the school of participation; all eligibility requirements; and all responsibilities and standards of conduct, including related classroom and practice requirements. Where such participation requires payment of a fee, the student or the School shall be responsible for payment of the fee.

Neither the District nor the School are required to provide transportation of the School's students to other schools in the District to enable them to participate in extracurricular and athletic practices, rehearsals, and meetings, or to otherwise expand transportation provided for such activities and events. The School and/or parents of students enrolled in the School shall be responsible for transportation for such activities for all students of the School, including students with disabilities, as necessary for such participation. In the event the District provides transportation for an extracurricular group or athletic team to participate in a competition, students of the School shall be provided District transportation from the same departure and return points as provided to the other District student participants in the activity. Nothing herein shall be construed to require modification by either party of any calendar or schedules for extracurricular programs.

6.11 Collaboration with District.

- A. The School shall provide reasonable notice to the District before entering into any inter-governmental agreements with other government entities.
- B. The School may take part in cooperative purchasing discounts and/or promotions made available to other District schools through the District or by third-party contracting organizations.

- A. Funding.
 - i. The District shall provide funding to the School in an amount equal to 100% of the District's Per Pupil Revenue (PPR) as the same may be established from year to year, adjusted in accordance with the State Finance Act or other matters impacting the PPR for each District resident student enrolled in the School. So long as the School is not in material breach of this Contract, this funding will be made available to the School in twelve (12) monthly installments, commencing July of each fiscal year. Funds shall be disbursed within five (5) business days of being received by the District. If the School fails to open during any school year, those funds paid to the School prior to October 1 shall be refunded by the School to the District. The term "enrolled" as used in this provision shall be deemed to mean enrolled as of the official counting dates or periods and in accordance with the School Finance Act of 1994, found at C.R.S. §§ 22-54-101 *et seq.* and the State Department of Education regulations. If the State Auditor disallows counting of some of the School's students, then its funding for a following school year will be reduced by the same amount.
 - ii. In addition to the foregoing provisions, to the extent the District experiences any reduction in state equalization support by a legislative rescission or other action, proportionate reductions will be made to the School's funding by adjustment or set-off in subsequent months.
 - iii. On or before March 15 of each year of the charter, the School and the District will begin negotiations concerning funding for the ensuing fiscal year in order that the amounts may be determined in conjunction with the District's and the School's budget development and

adoption processes. In future fiscal years, it is agreed that the amount of funding provided to the School from the District shall not be less than that required by law or as may be agreed to by the Parties.

- iv. The School will be able to apply for federal and state grant funds under the same conditions as other District schools, including approval by the District's Grant Coordinator. If requested, the District will provide special education services in accordance with such fees, as may be agreed to between the Parties. Any state reimbursement for transportation of special needs students by the District will be retained by the District.
- v. The funding of that portion of the PPR paid by the District to the School shall be established based on the official student enrollment count for students enrolled in the School for each year as approved and/or accepted by the State Auditor reduced by an appropriate proportionate reduction in state equalization support as a result of legislative action, payable in 12 equal monthly payments. This amount shall not be increased or decreased due to any change in monthly enrollment during the year. Provided, however, and to the extent allowed by applicable law, the District reserves the right upon 30 calendar days prior written notice to the School to adjust the payments to be made to the School in the event of a substantial reduction in the School's monthly student count as may be determined by the District considering the interests of the School and the District in collaboration with the School, in which event the pro rata share of funds shall be retained by the District. In the event the District should, for any reason, lose the state funding allocated to any student who has withdrawn from the School, said funding shall be deducted from subsequent payments to the School.
- vi. The School must provide an address of record, the name of the contact person for fiscal matters and where funds are to be sent at least 30 calendar days in advance of when funds are to be made available.
- vii. The School will make no supplemental budget requests to the District to cover unanticipated expenditures or debts.

B. Bond and Mill Levy Funds.

- i. Bond Issues. Pursuant to C.R.S. § 22-30.5-404, the District shall have the sole determination of whether or not capital construction is includable in a Bond issue for the School. District will comply with statutory requirements for making such determination.
- ii. Mill Levy. The District shall share mill levy funds with the School in accordance with applicable law and District policy.

7.2 Disbursement of Per Pupil Revenue.

- A. Adjustment to Funding. The District's disbursement of funds shall be adjusted as follows: In December or January funding will be adjusted factoring in the final October one day count and adjusted per pupil funding as determined by the Colorado Department of Education. To the

extent that the District experiences any reduction or increase in state equalization support by a legislative rescission, one day count audits or other action, proportionate reductions or increases shall be made to the School's funding.

7.3 Budget.

On or before April 15 each year, the School shall submit to the District its proposed balanced budget for the following school year for District review for statutory compliance and compliance with the terms and conditions of this Contract. The budget shall be prepared in accordance with C.R.S. § 22-30.5-111.7(1)(a) and C.R.S. § 22-30.5-112(7) and the state-mandated chart of accounts. The budget as approved by the Charter Board and any subsequent approved revisions shall be submitted to the District along with the Charter Board resolution approving the budget or budget revision. Proposed budgets that spend down reserves shall include a narrative addressing 1) why reserves are being spent 2) the duration of the reduction and 3) the date when the school will return to a balanced budget. A material violation of this Section may result in the District initiating remedies described in Section 2.2.H.

7.4 Enrollment Projections.

The School shall provide the District with its latest and best estimates of its anticipated enrollment for the next school year by March 15, along with any discussion or plans under consideration for any increase or decrease of enrollment greater than 5 percent (5%) of the official membership for the current school year. The Parties agree that the purpose of this Section is to provide information to allow the District to prepare its future budgets, and that any information provided under this Section shall not be used by the District for the purpose of funding pursuant to Sections 7.1 and 7.2 above or for restricting the School's enrollment or otherwise inhibiting the growth of the School.

7.5 TABOR Reserve.

The School's ending fund balance shall comply with the emergency reserve requirements of Article X, Section 20 of the Colorado Constitution ("TABOR Reserve"). The School, will establish a TABOR Reserve account and ensure that balances are appropriate, in keeping with Colorado Constitutional requirements and consistent with state and District policies and law.

7.6 Contracting.

The School shall not extend the faith and credit of the District to any third person or entity. The School acknowledges and agrees that it has no authority to enter into a contract that would bind the District, and the School's authority to contract is limited by the same provisions of law that apply to the District. Unless otherwise agreed in writing by the District, each contract or legal relationship entered into by the School shall include the following provisions:

- A. The contractor acknowledges that the School is not an agent of the District, and accordingly contractor expressly releases the District from any and all liability under this agreement.
- B. Any financial obligations of the School arising out of this agreement are subject to annual appropriation by the Charter Board.

7.7 Annual Audit and Trial Balance.

The School shall undergo an independent financial audit conducted in accordance with governmental accounting standards performed by a certified public accountant each fiscal year. A draft of the results of the audit shall be provided to the District in written form by October 15 of each year. The School shall pay for the audit. The final audit shall be provided to the District on or before October 31. If, for causes within the School's control, the audit is not provided to the District by October 15 and October 31 of each year as outlined above, it shall be considered a material breach of contract, and the School shall have ten (10) business days, or such other time as the Parties may agree, to cure such breach. If the failure to provide the audit to the District by October 31 is due to causes beyond the School's control, the School shall nevertheless use its best efforts to provide the audit to the District at the earliest possible time. The School shall comply with all deadlines as set by CDE and the District. Any requests for extensions must be approved by the District.

7.8 Quarterly Reporting.

The School shall prepare quarterly financial reports for the District in compliance with C.R.S. § 22-45-102(l)(b) in substantially the same format as shown in **Attachment 11**, and as which may be changes from time to time, and post required reports pursuant to C.R.S. §§ 22-44-301 *et seq.* Quarterly reports shall be submitted to the District electronically to the Choice Programming Office.

7.9 Non-Commingling.

Assets, funds, liabilities and financial records of the School shall be kept separate from assets, funds, liabilities, and financial records of any other person, entity, or organization.

7.10 Loans.

No loans may be made by the School to any person or entity other than reasonable employee advances, in the case of hardship or to other related or controlled entity without District approval, which approval shall not be unreasonably withheld, conditioned, or delayed. School may not enter into financial relationships with other charter schools who have retained the services of the School's education management provider.

7.11 District Loans.

Schools may not borrow funds from the District without approval from the District Board. TABOR reserves must be maintained throughout the fiscal year. If the School has an unplanned emergency that could result in borrowing, the District Chief Financial Officer should be notified to discuss the financial issue, forecast and revised business plan.

Such negotiations shall be initiated by March 30 of the year preceding that to which the costs apply and shall be concluded promptly. Unless set forth in this Contract or a separate written agreement, such costs are reflected in the applicable DCSD Purchased Services Agreement as amended yearly. If the School and the District do not reach an agreement regarding the payment of direct costs prior to the end of a fiscal year, the District may withhold an amount equal to the total amount of direct costs incurred in the prior year until such an agreement is reached.

9.2 District Services.

Except as provided by applicable written agreement between the School and the District, or as may be required by law, the School shall be responsible for all costs associated with its school operations, including the cost of contracting for goods and services. The DCSD Charter School Purchased Services Agreement providing for the District to provide services or support to the School shall be negotiated annually and subject to all terms and conditions of this Contract, except as may otherwise be agreed in writing. Negotiations of the Charter School Services Agreement shall be initiated by March 30 of the fiscal year preceding that to which the purchased services apply, unless otherwise agreed to by both Parties, and shall be promptly concluded thereafter.

SECTION TEN: FACILITIES

10.1 School Facility.

The School shall be responsible for the construction, renovation and maintenance of any facilities owned or leased by it. The School shall provide the District with a copy of the lease, deed, closing statement or other facility agreement granting the School the right to use the same within 5 business days of closing, refinancing or leasing. The District shall have access at all reasonable times to any such facilities for purposes of inspecting the same and as provided in Section 2.1 above. If the School leases or owns other property, they will be fully responsible for that property.

The School may use District facilities in accordance with District policies KF and KF-R, Community Use of School Facilities.

10.3 Long-Range Facility Needs.

10.4 Location Subject to District Approval

During the term of this Contract, the School shall not establish any educational programs at any location other than 4085 Lark Sparrow Street, Highlands Ranch, CO 80126 and 2121 Dad Clark Drive, Highlands Ranch, CO 80126 (K-8 Homeschool location and Pre-K). School shall provide District with timely notice of changes necessitated by such exigencies, identify any needed waivers of District policy or state statute, and provide other details of the plan for providing services and returning to ordinary operations. School shall reasonably cooperate with District in addressing any concerns District may have with changes made or to be made by School.

SECTION ELEVEN: CHARTER RENEWAL, REVOCATION AND SCHOOL-INITIATED CLOSURE

11.1 Renewal Timeline and Process.

The School shall submit its renewal application by no later than September 1 of the year prior to the year in which the School's Charter expires. The District Board shall rule by resolution on the renewal application no later than February 1 of the year in which the charter expires, or by a mutually agreed upon date following a public hearing where the School shall have the opportunity to address the District Board about its renewal request. If the District Board decides to not renew the Contract, it shall detail the reasons in its resolution.

11.2 Renewal Application Contents.

In addition to contents required by law, the renewal application should include comments and additional information provided by the School about its progress toward meeting the District's accreditation indicators. The format of the renewal application shall be provided to the School by the District prior to July 1 of the year in which the application is due.

11.3 Criteria for Renewal or Non-Renewal and Revocation.

The District may terminate the Contract and revoke the charter for any of the grounds provided by state law, including C.R.S. § 22-30.5-110(3), as they exist now or may be amended or material breach of this Contract. Grounds for termination, revocation, or denial also include but are not limited to the following:

- A. Pursuant to C.R.S. § 22-11-210(1)(d), the School is accredited with a priority improvement plan or turnaround plan for a combined total of five (5) consecutive years or any lesser number of years established by the State Board after which closure or restructuring is required.
- B. The School is accredited with a turnaround plan and does not attain a higher accreditation rating at its next performance review in accordance with C.R.S. § 22-11-406(3).
- C. The District shall comply with all guidelines found in C.R.S. § 22-30.5-110 and any other relevant provisions regarding renewal, non-renewal and revocation.

11.4 Termination and Appeal Procedures.

The District shall provide the School written notice of the grounds for termination and the date of the termination hearing before the District Board. Prior to providing this notice, the District shall, to the extent practicable, send the School a notice of concern and a notice of breach, the content of which are described in Section 2.2.I (i). Termination shall not take effect until the School has exhausted its opportunity to appeal such decision to the State Board. The District may impose other appropriate remedies (see Section 2.2.I) for breach.

11.5 School-Initiated Closure.

Should the School choose to terminate this Contract before the end of the Contract term, it may do so in consultation with the District at the close of any school year and upon written notice to the District given at least ninety (90) days before the end of the school year. Notice would ideally be given by January 1 to allow families to take advantage of District choice enrollment dates.

11.6 Dissolution.

In the event the School should cease operations for whatever reason, including the non-renewal or revocation of this Contract, the School agrees to continue to operate its educational program until the end of the school year or another mutually agreed upon date. The District shall supervise and have authority to conduct the winding up of the business and affairs for the School; provided, however, that in doing so, the District does not assume any liability incurred by the School beyond the funds allocated to it by the District under this Contract. Should the School cease operations for whatever reason, the District

maintains the right to continue the School's operations as a District facility until the end of the school year. The District's authority hereunder shall include, but not be limited to, 1) the return and/or disposition of any assets acquired by purchase or donation by the School during the time of its existence, subject to the limitations of Section 11.7 below and 2) reassignment of students to different schools. School personnel and the Charter Board shall cooperate fully with the winding up of the affairs of the School including convening meetings with parents at the District's request and counseling with students to facilitate appropriate reassignment.

11.7 Return of Property.

In the event of termination or dissolution, all property owned by the School that was purchased in whole or in part with funding provided by the District, including, but not limited to, real property, shall be returned to and shall remain the property of the District. Notwithstanding the above, the District shall not have the right to retain property leased by the School, unless the District chooses to comply with the terms of that lease. All non-consumable grants, gifts and donations or assets purchased from these revenue sources shall be considered the property of the School unless otherwise identified by the donor in writing. Assets purchased exclusively with tuition paid by parents for a preschool program operated by or in conjunction with the School shall not be subject to this paragraph. Assets not purchased with public funding provided by the District may be donated to another mutually agreeable not for-profit organization.

SECTION TWELVE: GENERAL PROVISIONS

12.1 Order of Precedence.

In the event of any conflict among the organic documents and practices defining this relationship, it is agreed that this Contract shall take precedence over policies of either Party and the Application; applicable policies of the District Board that have not been waived shall take precedence over policies and practices of the School and the Application; and policies of the School and mutually-acceptable practices developed during the term of the charter contract shall take precedence over the Application.

Either party may revoke this Contract if a material provision is declared unlawful or unenforceable by any court of competent jurisdiction or the Parties do not successfully negotiate a replacement provision. The Parties agree, that upon any material changes in law that may materially impact the relationship of the Parties, the Parties shall as soon as reasonably practical after the effective date of such change in law, amend this Contract to reflect such change in law.

12.6 No Third-Party Beneficiary.

The enforcement of the terms and conditions of this Contract and all rights of action relating to such enforcement shall be strictly reserved to the District and the School. - A. Standard of Compliance. In the event of any disagreement or conflict concerning the interpretation or enforcement of this Contract, the Application, and District policies, procedures, regulations, or other requirements, unless waived, and compliance by the School therewith shall be required and measured in the same manner as may be applied and expected by the District of otherwise-comparable District schools.

2. EMP agreements must be negotiated at 'arms-length.' The School's board and EMP must have independent legal counsel to represent their interests in reaching a mutually acceptable management agreement.
3. No provision of the EMP agreement shall interfere with the charter board's duty to exercise its statutory, contractual and fiduciary responsibilities governing the operation of the School. No provision of the EMP agreement shall prohibit the charter board from acting as an independent, self-governing public body, or allow decisions to be made other than in compliance with the Colorado Sunshine Law.
4. An EMP agreement shall not restrict the charter board from waiving its governmental immunity or require a charter board to assert, waive or not waive its governmental immunity.
5. No provision of an EMP agreement shall alter the charter board's treasurer's legal obligation to direct that the deposit of all funds received by the School be placed in the School's account.
6. EMP agreements must contain at least one of the following methods for paying fees or expenses: 1) the charter board may pay or reimburse the EMP for approved fees or expenses upon properly presented documentation and approval by the charter board; or 2) the charter board may advance funds to the EMP for the fees or expenses associated with the School's operation provided that documentation for the fees and expenses are provided for charter board ratification.
7. EMP agreements shall provide that the financial, educational and student records pertaining to the School are School property and that such records are subject to the provisions of the Colorado Open Records Act. All School records shall be physically or electronically available, upon request, at the School's physical facilities. Except as permitted under the charter contract and applicable law, no EMP agreement shall restrict the District's access to the School's records.
8. EMP agreements must contain a provision that all finance and other records of the EMP related to the School will be made available to the School's independent auditor.
9. The EMP agreement must not permit the EMP to select and retain the independent auditor for the School.
10. If an EMP purchases equipment, materials and supplies on behalf of or as the agent of the School, the EMP agreement shall provide that such equipment, materials and supplies shall be and remain the property of the School.

12. EMP agreements must contain a provision that clearly allocates the respective proprietary rights of the charter board and the EMP to curriculum or educational materials. At a minimum, EMP agreements shall provide that the School owns all proprietary rights to curriculum or educational materials that (i) are both directly developed and paid for by the School; or (ii) were developed by the EMP at the direction of the School's governing board with School funds dedicated for the specific purpose of developing such curriculum or materials. EMP agreements may also include a provision that restricts the School's proprietary rights over curriculum or educational materials that are developed by the EMP from funds from the School or that are not otherwise dedicated for the specific purpose of developing School curriculum or educational materials. Insurance coverage must take into account whether or not staff at the School are employees of the EMP or the School.

15. Marketing and development costs paid by or charged to the School shall be limited to those costs specific to the School program, and shall not include any costs for the marketing and development of the EMP. Other reimbursable costs of EMP charged to the School, including, but not limited to, overhead, corporate, and travel costs, shall be defined with reference to specific dollar amounts.

Non-Automatic Waivers: Statute Description and Rationale and Replacement Plan

C.R.S. § 22-9-106 Local Board of Education-Duties – Performance Evaluation System; C.R.S. § 22-2-112(1)(q)(I) Commissioner-Duties

Rationale: The Platte River Academy Directors, or designee, must have the ability to perform evaluations of all personnel, including teachers. Should any other designated administrators or assistant principals not have a principal licensure, this should not preclude him or her from administering the evaluations under the direction of PRA's Directors. The Board of Directors must also be able to perform the evaluation for the school's head administrators, or Directors. Additionally, Platte River Academy will not be required to report their teacher evaluation ratings as part of the commissioner's report as required by C.R.S. 22-2-112(1)(q)(I), but will still report on in-field/out-of-field.

Replacement Plan: Platte River Academy will use its own evaluation system as agreed to in the charter contract with Douglas County School District. Platte River Academy's evaluation system will continue to meet the intent of the law as outlined in statute. Staff will be annually trained in this evaluation system. The methods used for the school's evaluation system will include quality standards that are clear and relevant to the administrators' and teachers' roles and responsibilities, be based on research-based practices guiding the science of reading, have the goal of improving student academic growth, and meet the intent of the quality standards established in C.R.S. §§ 22-9-101 et seq. The school will not be required to report its teacher evaluation data through applicable state collections; however, teacher performance ratings data will be reviewed by the school and used to inform hiring practices and professional development.

[LINK to view Supporting Documentation for PRA's Performance Evaluation System, including timelines and rubrics.](#)

Core course level participation will continue to be reported pursuant to C.R.S. § 22-11-503.5, as this is a non-waivable statute.

Duration of Waivers:

We formally request the waiver be in effect for the duration of our contract with Douglas County School District. Therefore, the waiver is requested through **June 30, 2030**.

Financial Impact: The school anticipates that the requested waivers will have no financial impact on the Douglas County School District or the Platte River Academy budget.

How the Impact of the Waivers Will be Evaluated: Since teacher performance has a critical impact on the performance of the entire school, the impact of this waiver will be measured by the same performance criteria and assessments that apply to the school, as set forth in the charter contract. The Board of Directors of the school and school leaders will annually evaluate the effectiveness of their evaluation system and make adjustments as they may deem appropriate.

Expected Outcome: If granted, Platte River Academy will be able to implement its rigorous academic program and evaluate its teachers in accordance with its evaluation system, which was developed to produce a high level of accountability that is consistent with the school's goals and objectives. This ultimately benefits all stakeholders including staff, parents and students.

Non-Automatic Waivers: Statute Description and Rationale and Replacement Plan
C.R.S. § 22-32-109(1)(b) Local Board Duties – Concerning Competitive Bidding
Rationale: Platte River Academy operates independently from other schools in the Douglas County School District and the district as a whole. Therefore, PRA should have the authority to determine, develop, adopt, and implement its own operational policies, rules and regulations related to financial policies and practices, as determined within PRA Board policies and subject to the limitations in the Charter School Agreement.
Replacement Plan: Platte River Academy’s Board of Directors has adopted policies and procedures concerning competitive bidding, as required by applicable law, and for selecting successful bidders on projects/contracts. The Platte River Academy Board of Directors and School Leadership will ensure the process is open, transparent, and in compliance with all applicable rules and regulations.
Duration of Waivers: We formally request the waiver be in effect for the duration of our contract with Douglas County School District. Therefore, the waiver is requested through June 30, 2030.
Financial Impact: As a result of following established protocols for obtaining and securing competitive bids for contracted services, Platte River Academy demonstrates fiscal responsibility. Douglas County School District will experience no financial impact as a result of this waiver.
How the Impact of the Waivers Will be Evaluated: The impact of this waiver will be measured by the academic and non-academic assessments set forth in this Charter School Agreement.
Expected Outcome: Platte River Academy expects that, because of this waiver, it will be able to responsibly manage its own financial affairs.

Non-Automatic Waivers: Statute Description and Rationale and Replacement Plan

C.R.S. § 22-63-201 Employment Certificate Required

Rationale: Platte River Academy should be granted the authority to hire teachers and Principals/Directors that will support the school's goals and objectives. Platte River Academy recognizes that individuals with valuable professional expertise in areas other than teaching provide a great benefit to students. This will enable Platte River Academy to employ a person with professional expertise in a particular subject area, while ensuring that the person receives the necessary training and develops the necessary skills to succeed. When hiring leaders or educators, Platte River Academy seeks to attract experienced candidates from a wide variety of backgrounds, including, but not limited to teachers from out-of-state, teachers with a lapsed Colorado certificate, persons with several years of successful teaching experience in a setting not requiring a license, as well as persons with business or professional experience.

Replacement Plan:

Regardless of licensing status, all Platte River Academy educators will meet the guidelines set forth in the Colorado state ESSA plan, specifically (1) endorsement on a Colorado teaching license; (2) holding at least a BA or higher in the relevant subject area; (3) completing 36 semester credit hours in the subject matter in which s/he teaches; or (4) passing a State Board approved content exam in the relevant subject area. Special Education Teachers will hold the requisite state license and endorsement. Additionally, all school employees will meet applicable fingerprinting and background check requirements. Platte River Academy will report the number of in-field/out-of-field teacher designations, years of experience of teachers, or any other requirements promulgated by CDE.

Duration of Waivers:

We formally request the waiver be in effect for the duration of our contract with **Douglas County School District**. Therefore, the waiver is requested through **June 30, 2030**.

Financial Impact: The school anticipates that the requested waivers will have no financial impact on the Douglas County School District or the Platte River Academy budget.

How the Impact of the Waivers Will be Evaluated: The impact of this waiver will be measured by the same performance criteria and assessments that apply to the school, as set forth in the Charter Agreement.

Expected Outcome: By effectively managing its own personnel affairs, the school will be able to employ educators and staff members who have specific skill sets to deliver the mission of Platte River Academy.

Non-Automatic Waivers: Statute Description and Rationale and Replacement Plan

C.R.S. § 22-63-202 Teacher Employment, Contracts in Writing-Duration-Damage Provision
C.R.S. § 22-63-203 Probationary Teachers-Renewal and Non-renewal of Employment Contract

Rationale: To most effectively manage its own personnel, Platte River Academy must be granted the authority to select its own teaching staff, develop its own employment agreements and terms and conditions of employment.

Replacement Plan: Platte River Academy will be responsible for its own personnel matters, including employing its own staff and establishing its own terms and conditions of employment, policies, rules and regulations, and terminating its own employees including probationary teachers. Therefore, the school requests that these statutory duties be waived or delegated from the Douglas County School District to the Principal(s) or authorized administrator(s) of school or Board of Directors of Platte River Academy.

The school may, as appropriate, hire certified teachers and principals. However, in some instances, it may be advantageous for the school to be able to hire qualified teachers and/or administrators without a certificate and who possess unique background and/or skills that fill the need of Platte River Academy.

The success of Platte River Academy will depend in large part upon its ability to select and employ its own staff and to terminate individual staff members should they not perform in accordance with this Charter School Agreement and the goals and objectives of the school. All Platte River Academy staff will be employed on an at-will basis. Platte River Academy has written teacher agreements with the terms of non-renewal and renewal of employment agreements, and payment of salaries upon termination of employment of a teacher.

Duration of Waivers:

We formally request the waiver be in effect for the duration of our contract with **Douglas County School District**. Therefore, the waiver is requested through **June 30, 2030**.

Financial Impact: The school anticipates that the requested waivers will have no financial impact on the Douglas County School District or the Platte River Academy budget. Platte River Academy must operate within its budget and the cost of employing staff has been included in that budget. Platte River Academy reports the budget to DCSD each year.

How the Impact of the Waivers Will be Evaluated: The impact of this waiver will be measured by the same performance criteria and assessments that apply to the school, as set forth in the Charter Agreement.

Expected Outcome: As a result of these waivers, the school will be able to effectively manage its own personnel affairs. Having the flexibility to employ, evaluate and retain a diverse professional staff based on their unique skills and/or individual backgrounds allows the school to provide high quality programming without disruption.

Non-Automatic Waivers: Statute Description and Rationale and Replacement Plan

C.R.S. § 22-63-206 Transfer of Teachers

Rationale: Platte River Academy is granted the authority under the Charter School Agreement to select its own teachers. No other school or the Douglas School District should not have the authority to transfer its teachers into Platte River Academy or transfer teachers from Platte River Academy to any other schools.

Replacement Plan: Platte River Academy will hire teachers on a best qualified basis. Platte River Academy will not participate in the district's transfer policies and procedures; however, to the extent that teachers are transferred to other positions or grades within the school, there shall be no discrimination shown toward any teacher in the assignment or transfer of that teacher because of sex, sexual orientation, marital status, race, creed, color, religion, national origin, ancestry, or membership or non-membership in any group or organization. Race includes hair texture, hair type, or a protective hairstyle that is commonly or historically associated with race.

Duration of Waivers:

We formally request the waiver be in effect for the duration of our contract with **Douglas County School District**. Therefore, the waiver is requested through **June 30, 2030**.

Financial Impact: The school anticipates that the requested waivers will have no financial impact on the Douglas County School District or the Platte River Academy budget.

How the Impact of the Waivers Will be Evaluated: The impact of this waiver will be measured by the same performance criteria and assessments that apply to Platte River Academy, as set forth in the Charter Agreement.

Expected Outcome: As a result of this waiver, Platte River Academy will be able to manage its own personnel affairs, carry out its educational program, and fulfill its mission as set forth in the Charter School Agreement.

ATTACHMENT 7: WAIVERS OF DISTRICT POLICIES

Automatic Waiver Request for Platte River Academy

Automatic district waivers still require a developed plan, process, or policy on record. DCSD has streamlined this process with its “Automatic Waiver Request Template” document. This document allows charter schools to reference their replacement policy using existing material (e.g., Staff or Student Handbook, Application, Policy Handbook, etc.). This process is not intended to be exhaustive, rather it aims to help protect the autonomy of the charter school. Please create additional entries on this template by copying and pasting as needed. All waiver requests must be presented on this template. If you are identifying a plan or process that is located in a handbook, website, or document, please indicate a specific page number or section with the appropriate link.

PRA retains the authority to determine the educational program, learning resources, and textbooks to be used in the school. According to its approved charter and stated mission, Platte River Academy will implement a rigorous educational program that aligns to both the Core Knowledge Sequence and the Colorado Academic Standards, and is supported by research-based instructional materials. The selection process of all instructional materials is conducted by a team of educators, led by PRA's Director of Academics.

PRA's Mission is to provide a content-rich academically rigorous education with a well-defined, sequential curriculum in a safe, orderly and caring environment.

PRA recognizes and strongly supports the need for and intent of the above-listed policies. Our internal processes for selecting and using instructional materials parallels those of DCSD; however, due to our unique curriculum, there are some resources used at PRA that do not adhere directly to these policies as written. Therefore, PRA retains the sole responsibility to select and monitor all instructional materials used with our K-8 students as it relates to our curriculum and learning objectives.

Several topics listed within the [Core Knowledge Sequence](#) are considered to be "controversial," and may not be taught in other K-8 programs. Policy 7.1 within [PRA's Policy Book](#) specifically addresses this point (pp.30-31).

- DFA: [Cash Management and Investment Policy 03.05.19](#)

Rationale:

PRA is responsible for its own fiscal management and budgeting, based on similar policies, with minor variants. The DCSD has assurance of financial oversight in our annual audit.

Replacement Plan:

These policies are governed by the PRA Board of Governing Board Policies 9-1, 9-2, 9-3, 9-4. Additionally all investments made on behalf of PRA comply with C.R.S. 11-51-902 including Cash Management while in holdings with PRA's investment management company.

Financial Impact:

PRA anticipates that the requested waivers will have no financial impact upon the Douglas County School District Re 1. PRA must operate within its own budget and the cost of employing staff and maintenance of its own physical plant which has been included in that budget, but therefore prefers local control with respect to this district policy in following its own policies.

How the Impact of the Waivers Will be Evaluated:

Per Colorado State Statutes, PRA will complete an annual audit which is reported to the Douglas County School District.

Expected Outcome:

As a result of these waivers, PRA will be expected to maintain its own policies in respect to this district policy, as it has done so previously.

- EF: [Nutrition Services and the National School Lunch/Breakfast Programs](#)

Rationale:

While PRA fully supports the need and intent behind this policy, PRA does not participate in the DCSD National School Lunch program through district services for breakfast or lunch. However, Platte River Academy does participate in the Healthy School Meals for All program to provide hot lunch services via catering partners who operate under health department regulations and complies with the Nutritious Food Choices policy outlined in C.R.S. 22-32-134.5 (*healthy beverage requirement*), C.R.S. 22-32-136.3 (*trans fat ban*), 1 CCR 301-79 (*State Board of Education – healthy beverages rules*)

Healthy School Meals for All: effective 2023-2024 school year

- House Bill 22-1414
- Healthy School Meals for All State Board Rules

Replacement Plan: The [Charter Choice Collaborative](#) serves as Platte River Academy's School Food Authority to provide Healthy School Meals for All. Because PRA does not have the facilities to prepare full menus, Michael's of Denver (My Kid's Lunch) caters lunches for all students daily that meet the National School Lunch and Healthy School Meals for All regulations. All students who attend PRA's main campus are offered a hot lunch for no charge daily. The school shares a monthly menu with parents so they can prepare and plan lunches for their child in advance.

Information regarding Lunch service at PRA is on our website:

<https://www.prak8.org/parents/lunch>

[Family Handbook](#) (Lunch) p. 17

Financial Impact:

Transitioning to this model of hot lunch service for our students has had a financial impact. It was necessary to purchase equipment and hire additional staff in order to efficiently serve lunches at PRA. Although the school is reimbursed for lunches served through CDE, some of the costs were not eligible for reimbursement. In spite of these expenses, the community at Platte River Academy is committed to making daily lunch options available to every student.

How the Impact of the Waivers Will be Evaluated:

PRA staff encourage families to complete and submit the required forms to indicate income-based need for financial assistance for school-related expenses. When families do elect to complete the forms and submit them to DCSD, the district maintains and shares the list of families with school administrators. We support these families with expenses related to participation in all aspects of programming at PRA (e.g., field trips,

fees, uniforms, supplies, extra curricular activities, etc). We maintain a record of all aspects of these transactions involving families who qualify for assistance due to income.

Expected Outcome:

Meeting the basic health and safety needs of our students is a top priority; we consider providing meals for students just one way to demonstrate our commitment to supporting every learner. By making sure our students have access to healthy food options, we provide the best possible circumstances for learning.

Rationale:

PRA recognizes and supports the need and intent for these policies; however, we retain the responsibility of developing a comprehensive and efficient system of maintaining and retaining our own personnel records. PRA will comply with all public records and privacy act requirements at all times.

[PRA Governing Board Policies](#); Section 5 (Personnel) pp. 14-17

PRA Staff Handbook (Personnel Records)

Replacement Plan:

All matters relating to Staffing/Human Relations will be conducted according to the Staffing Philosophy and Goals stated in GB Policy 5.1 (pp.14-15). Accordingly, PRA retains the responsibility of developing a comprehensive and efficient system of maintaining and retaining personnel records. PRA will comply with all public records and privacy act requirements. Specifically, Staff Conflicts of Interest are addressed within Policy 5.3 (pp.15-16). Any circumstances that require intervention are handled on a case by case basis by Administration.

Financial Impact:

There are limited financial consequences related to these policies; however a cost may be incurred if any responses to staff conflict of interest require legal consultation and/or action.

How the Impact of the Waivers Will be Evaluated:

PRA's Board and Administration will continue to monitor DCSD's policies related to HR practices and adjust internal policies/waivers as necessary. Likewise, PRA's internal systems and practices are reviewed and updated annually and communicated with staff via the Staff Handbook. Administrators seek legal counsel with all updates to make sure PRA is in compliance with the most current employment laws.

Expected Outcome:

Clarity of expectations and transparency for all PRA employees to support ethical decision-making is the expected outcome.

- JH: [Student Attendance 09.15.2020](#)
- JICA: [Student Dress 09.15.2020](#)

Rationale:

The matters of Student Attendance and Student Dress are central to PRA's mission *to provide a content-rich academically rigorous education with a well-defined, sequential curriculum in a safe, orderly and caring environment.*

PRA's Governing Board and Administration have written specific policies delineating our expectations around student attendance and student dress, and this information is shared annually with all stakeholders through the following publications:

[PRA Governing Board Policies](#) (Attendance: 6.11[pp.26-30]; Student Conduct/Dress Code: 6.2 [p.17])

[PRA Proactive Discipline Plan](#) (Attendance: 18-22; Dress Code: 23)

[PRA Family Handbook](#) (Attendance: 6-7; Dress Code: 12)

[PRA Dress Code](#) - [PRA Website](#) / Dress Code

Replacement Plan:

All specifics related to the expectations for these areas are clearly described within the policies and accompanying communications linked/cited above.

Financial Impact:

There is no direct financial impact as a result of these policies.

How the Impact of the Waivers Will be Evaluated:

PRA's Administration maintains records of all student incidents related to Attendance and Dress Code and reports results quarterly to PRA's Board. Trends in incidents are compared to previous school years; actions may be taken in response to any concerning trends revealed in data. Additionally, PRA has a Dress Code Committee, comprised of staff and parents, that meets twice annually to evaluate the effectiveness of the Dress Code. Student adherence to the dress code expectations as well as consistency of enforcement are assessed during these meetings.

Expected Outcome:

Clarity of expectations and transparency for all PRA students, staff and families to support consistent adherence to these standards is the expected outcome. The purpose of maintaining stand alone policies that outline attendance and dress code is to maintain consistency at PRA regarding the school's expectations.

Non-Automatic Waivers: Policy Description and Rationale and Replacement Plan**Policy Citation and Title**

- JICDE: [Bullying Prevention and Education 05.23.2023 \(Previously JICB\)](#)
- JICDE-R: [Bullying Prevention and Education](#)

Rationale:

Colorado school districts are required by law to adopt a specific policy concerning bullying prevention and education (C.R.S. 22-32-109.1(2)(a)(I)(K)). Each school district must ensure that its policy, at a minimum, incorporates approaches, policies, and practices outlined in the Colorado Bullying Prevention and Education Model Policy. Districts should consult with their own legal counsel to determine appropriate language that meets local circumstances and needs. Districts have discretion to determine the specifics of their bullying prevention policies and supports.

Platte River Academy fully supports the need for a policy that explicitly defines bullying, clarifies bullying behaviors, and outlines student and staff responsibilities and processes related to ensuring student wellbeing at school. We believe that schools have an obligation to provide a safe and caring learning environment. At PRA, it's written into our mission: ... *to provide a content-rich academically rigorous education with a well-defined, sequential curriculum in a safe, orderly and caring environment.*

With CDE releasing the *Colorado Bullying Prevention and Education Model Policy* in early 2022, and DCSD updating their Prevention of Bullying Policy in May of 2023, PRA deemed it necessary to update our own policy that closely reflects our school's students, culture and systems.

PRA's Governing Board approved and enacted the revised Prevention of Bullying Policy in January of 2024 based on the draft and recommendations provided by a committee created for this work. Upon the Board's approval, PRA's administration communicated the changes with the school community throughout the 2nd semester of the 2023-24 school year.

Moving forward, the updated policy is shared with all stakeholders through the following methods:

[PRA Proactive Discipline Plan](#) (Bullying: pp.14-17)

[PRA Family Handbook](#) (Behavior: p.8)

[PRA Website:](#)

[Bullying, Harassment, Discrimination slides](#)

[Prevention of Bullying Policy](#) ~ NOTE: This policy will be included in the Governing Board's updated Policy Manual later this year.

[Safety & Security](#)

Replacement Plan:

All specifics related to the expectations related to Bullying behavior, PRA's education and prevention plan, and the school's response to bullying are clearly described within the policies and accompanying communications linked/cited above.

Financial Impact:

There is no direct financial impact as a result of these policies.

How the Impact of the Waivers Will be Evaluated:

PRA's Administration maintains records of all student incidents related to all manners of behavior, including Bullying, and reports results quarterly to PRA's Board. Trends in

incidents are compared to previous school years; actions may be taken in response to any concerning trends revealed in data. School administrators take every precaution to protect student confidentiality when sharing discipline data with the Board or any member of the community.

Additionally, PRA's Director of Academics assembles a team of educators annually to assess the systems and processes in place related to preventing bullying. Student feedback, via school surveys, supports the team's efforts to evaluate practices.

Expected Outcome:

Clarity of expectations and transparency for all PRA students, staff and families to support consistent adherence to these standards is the expected outcome. The purpose of maintaining this stand alone policy related to bullying is to maintain consistency at PRA regarding bullying definitions and approaches to intervention strategies.

ATTACHMENT 8: WAIVERS OF DISTRICT POLICIES

To the extent additional waivers are granted or waivers are otherwise amended.

ATTACHMENT 9: SCHOOL'S ENROLLMENT PROCEDURES

Enrollment Policy

- (a) **New Enrollees.** New enrollees for the upcoming school year will be drawn by lottery from the official Intent to Enroll list for that class/grade with vacancies, notwithstanding any exceptions as identified below. Vacancies for the upcoming school year are created by confirmed information from current families who do not plan on returning. The lottery will be held each year within one week after the District's Open Enrollment Application period ends. It is the prospective parent's responsibility to ensure that the information on the Intent to Enroll Form is accurate. Families that are residents of Douglas County will be given preference within the lottery drawing over those families that do not live in Douglas County.
- (b) **Vacancies During the School Year.** Until March 15 of the school year, Platte River Academy will use its best efforts to fill any vacancies in order to stay within ten (10) student full-time equivalents (FTEs) of the October 1 count. Platte River Academy shall fill vacancies by lottery using the official Intent to Enroll list. Families that are residents of Douglas County will be given preference within the lottery drawing over those families that do not live in Douglas County.

- Exceptions on a case-by-case situation as presented/appealed to the Governing Board at a Regular Meeting and given a subsequent vote of approval.

(d) Repealed August 13, 2020.

(e) Preschool Priority

- Fifty percent of the kindergarten spots that remain available in a given year after students are placed by priority based on the first four priority categories listed in subsection (c) of this section shall be reserved for preschool priority placement, except that this percentage will be reduced in a given year if needed to hold a minimum of five seats open for the general lottery.
- Preschool priority will be given to a student who i) is currently enrolled in the PRA preschool program, ii) is the appropriate age for entry into the kindergarten program, and iii) is enrolled in the PRA preschool program for the full school year prior to kindergarten (except that full year preschool enrollment is not required for students who are enrolling in kindergarten for the 2021-2022 school year).
- If the number of eligible preschool students seeking kindergarten enrollment exceeds the number of kindergarten spots reserved for preschool priority placement, then a separate preschool lottery shall be held to fill the reserved preschool priority placement spots.
- If a PRA preschool student is enrolled due to preschool priority and subsequently leaves the PRA preschool program prior to the end of

the academic year, the preschool student shall be unenrolled from the kindergarten program.

- If a PRA preschool student is not enrolled in kindergarten due to preschool priority placement, the preschool student will be entered into the regular lottery.

Amended August 13, 2020.
