This Charter School Contract (“Contract”) is made by and between Douglas County School District RE-1 (the “District”) and DCS MONTESSORI CHARTER SCHOOL, a Colorado non-profit public charter school (the “School”) (collectively, the “Parties”) and is entered into and executed by authorized representatives on the dates identified below.

RECITALS

WHEREAS, the Colorado General Assembly has enacted the Charter Schools Act, C.R.S. §§ 22-30.5-101 *et seq.* (the “Act”), allowing for the creating and operating of charter schools within the state by its terms and for certain purposes as enumerated in C.R.S. § 22-30.5-102(2) & (3); and

WHEREAS, on or before September 1, 2024, a renewal application was submitted by School asking the District to renew its charter for a period of five (5) years; and

WHEREAS, on January 28, 2025, the District Board of Education (“District Board”) adopted a resolution (the “Resolution”) (attached hereto and incorporated by reference herein as **Attachment #1**) approving the School’s charter school renewal for a term of five (5) years.

NOW THEREFORE, in consideration of the foregoing Recitals and the mutual understandings, releases, covenants and payments contained herein, the Parties agree as follows:

SECTION ONE: ESTABLISHMENT OF SCHOOL

1.1 Term.

This Contract is effective as of July 1, 2025, and shall continue through June 30, 2030. Although this Contract renews the operation of the School for an additional period of five (5) years, any financial commitment on the part of the District contained in this Contract is subject to annual appropriation by the District and the Parties agree that the District has no obligation to fund the financial obligations under this Contract other than for the current year of the Contract term. The District has not irrevocably pledged and held for payment sufficient cash reserves for funding the School or for providing services herein for any subsequent fiscal year during the remaining term of the Contract. A School Contract may be renewed for an additional period upon application for renewal in accordance with the state law and District Board approval of the renewal of the application.

1.2 Charter School Status.

The School is a public, nonsectarian, nonreligious, non-home-based school and shall continue to operate as such during the term of this agreement. DCS Montessori shall not be affiliated with any nonpublic sectarian school or religious organization. The School shall continue to operate in accordance with its governance policies and procedures for its Board of Directors, DCS Montessori Charter School’s bylaws, relevant policies, and applicable law.

- A. Compliance with Contract. The School will be bound by and operated in a manner consistent with the terms of this Contract so long as such terms are in accordance with state, federal and local law.

- B. Charter School's Purpose. The purpose of the School is limited to the operation of a charter school pursuant to the Act.
- C. Charter School Legal Status. The School shall notify the District promptly of any change in its legal status. The School is organized and maintained as a separate legal entity from the District for all purposes of this Contract. As provided by the Act, the School shall constitute a public school in Colorado. Notwithstanding its existence as a separate legal entity, the educational programs conducted by the School are considered to be operated by the School as part of the District. As such, the School is subject to Colorado laws and District policies that apply to all public schools unless waived in accordance with Section 4.5 of this Contract. Further, the School is a public entity within the meaning of C.R.S. § 24-10-106, and is therefore entitled to the protections of the Colorado Governmental Immunity Act. The School also is a local public body within the meaning of C.R.S. § 24-6-402(1)(a), and is additionally subject to the Sunshine Law and the Open Records Act.
- D. Dissolution. Upon dissolution of the School, assets of the School remaining after paying the School's debts and obligations incurred in connection with activities authorized by this Contract, and not requiring return or transfer to donors or grantors, will become the property of the District or another charter school within the District, as determined by the District and the School in advance of dissolution. The School will execute all necessary documents required to convey such items. At the time of donation, any property requiring return or transfer to the donor or grantor shall be clearly marked and properly inventoried. Upon dissolution, all such documentation shall be provided to the District.
- E. Non-Commingling. Assets, funds, liabilities and financial records of the School shall be kept separate from assets, funds, liabilities, and financial records of any other person, entity, or organization including any education management provider whose services are retained by the School as well as other charter schools who retain the services of the same education management provider.

SECTION TWO: DISTRICT-SCHOOL RELATIONSHIP

The notification shall be made within ten (10) business days of receipt of the complaint by the District and shall include information about the substance of complaint, together with copies of any written communications or evidence, taking into consideration any complainant's request for anonymity.

The District shall give due consideration to any appeal made by the School to the plan assignment, provided that the School has submitted valid and reliable data for consideration in accordance with a reasonable deadline established by the District. The District shall present any appeal it reasonably determines to be

valid to the Department as required by law. The District shall provide to the School in a timely manner the final plan assignment determination that the School shall implement, the final accreditation status assigned to the School and the District's assessment of the progress made by the School toward the goals and objectives set forth in Section 6.3 of this Contract.

- F. Access to Student Records. Upon request of the District, the School shall timely make available to the District information regarding special education and related services for students of the School, and additionally, shall provide cumulative files of a student or students to the extent necessary in order to comply with reporting requirements imposed by applicable state or federal law. The District shall timely make available to the School cumulative files and/or student information, including but not limited to information regarding special education and related services for students of the School. Each party shall use such information exclusively for fulfillment of its educational responsibilities or for compliance with the law and shall not use student information acquired from the other party for any other purpose.

2.2 School Rights and Responsibilities.

- A. Records. The School agrees to comply with all federal, state, and District record keeping and reporting requirements including those pertaining to students, governance, and finance. The School shall be notified in a timely manner following adoption of new or materially modified District policies concerning the maintenance, retention, and disclosure of student records. The School's obligation herein includes maintaining up-to-date information about enrolled students in the District's student information system. In addition, the School and the District shall ensure that records for students enrolling in the School or other District schools are transferred in a timely manner, but not to exceed fourteen (14) business days following request for the same unless prior approval for a delay is provided by the requesting entity. Financial records shall be reported online in accordance with the Financial Transparency Act and any other federal and state laws addressing financial transparency and reconciled at least monthly. All records shall be maintained at the School and shall be open to inspection, consistent with law, during reasonable business hours. The School further agrees to assist the District in accessing or reviewing any records as part of its oversight responsibility or to address its compliance requirements.
- B. Notification Provided to the District.
- i. Timely Notice. The School shall timely notify the District (and other appropriate authorities) in the following situations:
- a) The discipline of employees at the School arising from misconduct or behavior that may have resulted in harm to students or others, or that constituted serious violations of law including an incident of school violence, as that term is defined by C.R.S. § 24-10-106.3; or
 - b) Any complaints filed against the School by any governmental agency including, but not limited to OCR, CCRD, and EEOC.

- C. Compliance. The School shall comply with all federal and state laws, local ordinances, and District policies applicable to charter schools, except to the extent that the School has obtained waivers from state law and District policies in accordance with Section 4.5. A list of some but not all, of the federal and state laws with which the School must comply are listed in **Attachment 2**. Lack of inclusion in **Attachment 2** does not excuse noncompliance or non-performance by the School.
- D. Reports. The School shall provide to the District in a timely manner any reports necessary and reasonably required for the District to meet its oversight and reporting obligations. Required reports include, but are not limited to those listed below along with projected due dates for the current school year. Timely written notification shall be provided when due dates are changed or additional reports are to be provided. The District will annually update the list of required reports and due dates and provide this information to the School. Failure to provide any report containing material information within ten (10) calendar days after the date due is a material violation of this Contract, and the District may take actions outlined in Section 2.2.H. If any date identified in this Section and its Subsections falls on a Saturday, Sunday or a legal holiday, the report shall be due on the next following business day.

 - ii. Either party shall notify the other party that a dispute exists between them within 30 (thirty) days from the date the dispute arises. Such notification shall be in writing and shall identify the Section of the Agreement that is in dispute and the grounds for the position that such Section is in dispute. The matter shall be immediately submitted to the Lead Administrator Head of the School and the Superintendent of the School District, or their respective designees, for further consideration and discussions to attempt to resolve the dispute.
 - iii. In the event these representatives are unable to resolve the dispute informally pursuant to this procedure within thirty (30) days after the date of notification by one to the other of the existence of such dispute.
 - iv. The matter may be submitted to mediation by notice given by the requesting party (the "moving party") in writing to the other party within 30 days.
 - v. If a Party requests mediation, the Parties shall submit the matter to an independent mediator, who shall be agreed upon by the Parties within fifteen (15) calendar days following the moving party's written request for mediation. If the parties are unable to agree upon a mediator within that time, the Parties shall jointly obtain a list of available mediators from the Judicial Arbiter Group, Denver, Colorado and have it delivered to the non-moving party, who shall strike one, return the list to the moving party, and so forth, until one name remains. The remaining person shall be selected as the mediator. This striking process shall be completed within ten (10) days after delivery of the list to the non-moving party.
 - vi. The mediation shall be scheduled and concluded within one hundred twenty (120) days of the moving party's written request for mediation, with final written findings entered by the mediator and served on both Parties within said 120-day timeframe. The mediator shall also apportion all costs reasonably related to the mediation equally between both Parties. The mediation process shall be closed to the public and all information submitted during mediation shall be confidential to the extent permitted by law. If the dispute is still not resolved at the

conclusion of the mediation, the mediator shall make an advisory recommendation to the District Board, which shall in turn make a decision on the matter and release the mediator's written findings within thirty (30) days of its receipt of the advisory recommendation. The decision of the District Board shall be final; provided, however, that the School may appeal to the State Board concerning those matters within the State Board's jurisdiction in accordance with governing law.

- I. School Violations of Law or this Contract. If the School is subject to nonrenewal or revocation for any of the reasons listed in C.R.S. § 22-30.5-110(3), or any of the other reasons listed in this Contract, is in material violation of state or federal law or regulations, or otherwise materially breaches the Contract, the District may, but is not required to, impose other remedies prior to initiating revocation procedures in accordance with Section 11.3. Remedies include, but are not limited to, those listed below. These remedies may be applied individually, in succession, or simultaneously. Prior to taking any of the actions below, the District shall send a notice as provided in subsection J below.
 - i. Withholding Funds. The District may withhold a portion of the School's monthly payment for failure to comply with the financial reporting requirements set forth in this Contract as allowed by C.R.S. § 22-30.5-105(2)(c)(IV). The District may withhold such funds only until such time as the School complies with the financial reporting requirements. Any action taken pursuant to this subsection is subject to review as provided in C.R.S. § 22-30.5-112(8).
 - ii. Plan Submission. The District may require the submission of a plan to remedy the deficiency. Upon the written request of the District, the School shall develop a plan to remedy the failure or deficiency and submit it to the District for review and comment. The plan may be revised at the discretion of the School. The District may require the School to review and revise the plan if it reasonably determines that the plan is not effective in remedying the deficiency. This remedy may be applied if the School fails (a) to make progress toward achieving its goals and objectives as described in this Contract after a reasonable period of time, (b) to achieve District accreditation requirements, (c) to implement its educational program as described in this Contract after a reasonable period of time, or (d) fails to complete two or more required reports by the established deadlines.
 - iii. Seeking Technical Assistance. The District may require the School to seek technical assistance from a provider if the School is required to prepare and implement a priority improvement plan or turnaround plan. If the School has an education management provider, the School shall seek technical assistance from a provider other than the School's education management provider.
 - iv. Exercise of Emergency Powers. The District may request that the Commissioner issue a temporary or preliminary order in accordance with C.R.S. §§ 22-30.5-701 *et seq.*, if the conditions of an emergency exist, as defined therein.
- J. Procedural Guidelines for School Violations of Law or this Contract. Prior to applying a remedy other than seeking an order under the Emergency Powers set forth in C.R.S. §§ 22-30.5-701 *et*

seq., the District shall, to the extent practicable, engage in the following process:

- i. The District shall give the School written notice of an alleged breach of contract (including, without limitation, a violation of applicable law). The notice shall state the alleged breach, the basis for the finding, the time by which the District expects the alleged breach to be remedied, and the expected remedy.
 - ii. The District shall give the School a reasonable opportunity to contest the District's determination that a breach has occurred. In a non-emergency situation, this means the Lead Administrator or designee shall be given an opportunity to meet with the Superintendent or designee to discuss the notice within five (5) business days.
 - iii. If the breach is not cured within the time specified in the notice, the District may apply remedies 2.2.I (i) through (iv).
- K. District Violations of School Law or this Contract. If the School believes that the District has violated any provision of this Contract or applicable law, the School may initiate dispute resolution procedures in accordance with Section 2.2.H, file an appeal with the State Board, or seek other remedies provided by law.
- L. Emergency Powers. If the District seeks a preliminary order under the Emergency Powers set forth in C.R.S. §§ 22-30.5-701 *et seq.*, it shall follow the procedures set forth therein.

SECTION THREE: SCHOOL GOVERNANCE

3.1 Governance.

The School's governance documents and bylaws shall not conflict with the School's obligation to operate in a manner consistent with this Contract. The Charter Board will adopt and operate under policies that provide for governance of the operation of the School in a manner consistent with this Contract. The Charter Board shall operate in accordance with these documents. Any material modification of the governance documents and bylaws shall be made in accordance with the procedures described in Section 2.2.G of this Contract. As used herein, a "material modification" shall include a modification that significantly increases the number or percentages of votes required to take major actions, that changes the selection method or qualifications of the Charter Board or changes the purpose of the entity.

3.2 Corporate Purpose.

The purpose of the School as set forth in its governance documents shall be limited to the operation of a charter school pursuant to the Colorado Charter Schools Act, C.R.S. §§ 22-30.5-101 *et seq.* and purposes ancillary thereto and in support thereof.

3.3 Transparency.

The School shall make Charter Board-adopted policies, meeting agendas and minutes, Charter School's School Accountability Committee meeting agendas and minutes, and related documents readily available for public inspection including posting of such information on the School's Website. The School shall also

post on its website in a timely manner information about Charter Board members, Charter Board meetings, financial information and audits, relevant School documents, the School's process for resolving public complaints, and other information that may be of interest to students, parents, and community members. The School shall conduct meetings consistent with principles of transparency, the Colorado Open Meetings and Open Records laws, and shall adopt and strictly enforce a conflict of interest policy including a policy to avoid conflicts of interest between the School and any education management provider whose services are retained by the School.

3.4 Complaints.

- A. The School shall establish and maintain a process for resolving public complaints, including but not limited to complaints regarding curriculum, which shall include an opportunity for complainants to be heard. The School shall submit to the District's Choice Programming Office for approval (which approval shall not be unreasonably withheld, conditioned, or delayed) its process for resolving public complaints, including but not limited to complaints regarding curriculum, which must provide an opportunity to be heard and an appeal process that provides for a final administrative appeal to be heard by the Charter Board. Any material changes to the process shall be submitted to the District's Choice Programming Office for approval prior to implementation, which approval shall not be unreasonably withheld, conditioned, or delayed.
- B. To the extent that the District received a complaint regarding the School, District agrees to notify the School within ten (10) days of receipt by the District and shall include information about the substance of the complaint, taking into consideration any complainant's request for anonymity. Thereafter, any such complaint shall be addressed consistent with Subsection 3.4.A. above. The District shall be notified of the Resolution of the complaint within thirty (30) business days of resolution by notification to the District's Choice Office.

3.5 Contracting for Educational Services.

Unless approved by the District in writing, which approval shall not be unreasonably withheld, the School shall not enter into a contract or subcontract for the management or administration of special education program and related services. Such permission is not required if School desires to enter into a contract or subcontract for the management or administration of its instructional program or services so long as, at a minimum, such contract or subcontract satisfies the requirements set forth in **Attachment 4**. If the School fails to comply with this Section, it shall be a material breach of the Contract.

3.6 Contracting for Operational and Administrative Services.

- A. Pursuant to relevant law, the School may contract with third party providers for operational and administrative services. The School shall follow applicable laws, as they apply to charter schools, related to procuring and contracting for goods and services and adhere to best practices, including standards related to arms-length negotiations and arrangements and conflicts of interest. The School will adopt policies and procedures relating to the procurement and contracting of goods and services. The District may offer guidance on such policies and review contracts on a case by

case basis as requested by the School.

- B. The District acknowledges that the School may contract with an education management provider or a charter school management consultant for operational and administrative services. This Contract and the District's obligations hereunder are conditioned upon School developing an agreement with such education management provider or charter school management consultant that satisfies the requirements set forth in **Attachment 4**. If School fails to comply with this provision, it shall be a material breach of the Contract.

3.7 Volunteer Requirements.

Any requirement adopted by the School that requires parents to commit to or accrue a number of volunteer hours shall be subject to a waiver process that considers individual family circumstances, and the School shall not condition the continued enrollment of any student on the commitment of the student's parents to provide any number of volunteer hours or donations in lieu thereof. A copy of the School's volunteer policy and any changes thereto shall be provided to the District.

3.8 Conflict of Interest.

Members of the Charter Board or any governing committee established for the School shall comply with state law and District policies and regulations regarding ethics and conflict of interest. Subject to approval of the District as applicable, if the School enters into a contract with an education management provider and/or a charter school management consultant, then School acknowledges and agrees that its board members shall not be employed by such provider/consultant or such provider's/consultant's affiliate and shall not be employed with another charter school who retains the services of such consultant.

SECTION FOUR: OPERATION OF SCHOOL AND WAIVERS

4.1 Operational Powers.

The School shall be fiscally responsible for its own operations, and shall have authority independently to exercise the following powers (together with such powers as provided for elsewhere in this Contract and as allowed by the Act): contracting for goods and services; preparation of budgets; selection, supervision, evaluation, and determination of compensation for personnel; promotion and termination of personnel; leasing facilities for the School; accepting and expending gifts, donations, or grants of any kind in accordance with such conditions prescribed by the donor as are consistent with law and this Contract; and adoption of policies and Bylaws consistent with the terms of this Contract.

4.2 Evaluations and Trainings.

- A. Lead Administrator Evaluation. The Charter Board shall conduct a performance evaluation of the Lead Administrator at least annually.
- B. Employee Evaluations. The Lead Administrator or designee shall conduct performance evaluations of the School's employees at least annually in accordance with the School's personnel policies.

- C. Training. The Charter Board shall adopt a policy for its annual training plan. Further Charter Board members will satisfactorily complete the online charter school governing board training modules recommended by the Department, or comparable training applicable to the governance model implemented by the Charter Board of Directors and the Montessori philosophy, within a year of: (a) executing this Contract (for those members currently serving on the Board or provide evidence of prior completion) or (b) being seated on the Board (for all future Board members), whichever comes first. Failure to complete this requirement will be noted in the Annual Performance Report Compiled by the District.

4.3 Transportation and Food Services.

- A. Transportation. The District and the School acknowledge and agree that transportation is not provided to students attending the School by the District, unless separately arranged by contract with the District. In all other circumstances, the School shall be responsible for providing transportation services, if any, to students attending the School. The District and the School agree that enrollment at the School is a choice and as such students with disabilities who choose to attend School are generally not eligible for transportation services.
- B. Food Services. Since the District is School's contracted School Food Authority, School may not opt out of providing free lunches to its students so long as the District provides free lunches to its students.

4.4 Insurance.

The School shall purchase insurance protecting the School and Charter Board, employees, and volunteers (if allowable by policy), and District where appropriate, consisting of comprehensive general liability insurance, errors and omissions liability insurance (school entity liability insurance), and such other insurance as identified below which identifies the minimum coverages for the current school year:

Comprehensive general liability - \$2,000,000 Per Occurrence/\$5,000,000 Annual Aggregate.

Sexual Misconduct or Molestation - \$5,000,000.

Officers, directors and employees errors and omissions - \$2,000,000.

Property insurance - As required by landlord.

Motor vehicle liability (if appropriate) - \$1,000,000.

Crime coverage: \$100,000.

Bonding (if appropriate):

Minimum amounts: \$25,000.

Maximum amounts: \$100,000.

Workers' compensation - (as required by state law).

The District shall provide at least sixty (60) days' prior written notice if these coverage limits are changed, and all changes shall be commercially reasonable. Insurance terms and conditions must be reasonably acceptable to the District and underwritten by insurers that are legally authorized in the State of Colorado and that are rated by A.M. Best Company not lower than "A-VII." Use by the School of the Colorado School

Districts Self Insurance Pool will not require preapproval by the District.

The School shall provide certificates of insurance to the District's Risk Director by August 15 annually. An endorsement and waiver of subrogation as noted below shall be provided to the District's Director of Risk:

- **Endorsement:** These insurance policies shall name the Douglas County School District RE-1, its officers, directors, board of education, and employees as additional insureds and shall provide for written notice to District before cancellation or non-renewal of such insurance.
- **Waiver of Subrogation:** A waiver of subrogation must be included as an attached endorsement for the following policies, as applicable: commercial general liability, motor vehicle, workers' compensation, and sexual abuse or molestation.

All of the insurance policies purchased by the School shall state that coverage shall not be suspended, voided, cancelled, reduced in coverage or in limits, except after thirty (30) calendar days prior written notice by electronic or certified mail, return receipt requested, sent to the School and the District's Risk Director. The School shall notify the District's Risk Director within ten (10) calendar days if for any reason there is a lapse in insurance coverage. The School is solely responsible for any deductibles payable under the policies purchased by the School. Both Parties shall secure policies that are primary and noncontributory to insurance obtained by the other party and/or any obligation of indemnification under this contract.

4.5 Waivers.

A. State Laws and Regulations.

- i. Automatic Waivers. Pursuant to C.R.S. § 22-30.5-103, automatic waivers are those automatically granted upon the establishment of a charter contract. Pursuant to C.R.S. § 22-30.5-104(6), the State Board will adopt, by rule, a list of automatic waivers for which the School is *not* required to submit a replacement plan, or statement, to the Colorado Department of Education, to specify the manner in which the School intends to comply with the intent of the state statute or State Board rule. The list in effect as of the Effective Date is attached in **Attachment 5**.
- ii. Waiver Requests. Waivers are neither necessary nor appropriate when a statute or rule by express terms does not apply to a charter school, nor when a District power or duty has been fully delegated, as more specifically stated in this Contract, to the School. The School is expected to only seek waivers if a statute or rule applies to the School and the waiver is consistent with the School's operational or educational needs.
- iii. Procedures for Non-automatic Waiver Requests. If School complies with the timely provision of the School's rationale in support of waiver request(s) from state law and regulations, then District Board agrees to jointly request waiver of the state laws and regulations that are listed in **Attachment 6**. To the extent the State Board does not grant the requested waivers or imposes conditions upon the School with respect to such waivers, it is agreed that

representatives of the Parties shall meet to negotiate the effect of such State Board action.

- iv. Subsequent Waiver Requests. The School may request additional non-automatic waivers. Upon receipt of such request, the District shall have thirty (30) calendar days to review the request and, thereafter, shall present the matter before the District Board at its next regular meeting. The District Board shall, unless otherwise agreed by the Parties, have thirty (30) calendar days to consider the matter prior to rendering a decision at a regular meeting. The District agrees to jointly request such a waiver from the State Board if the District's Board first approves the request. State Board approval of requests to waive State law or regulations shall not be unreasonably withheld. To the extent the State Board does not grant the requested waivers or imposes conditions upon the School with respect to such waivers, it is agreed that representatives of the Parties shall meet to negotiate the effect of such State Board action. Any such requests for waivers must include a replacement plan articulating how the School plans to comply with the intent of the statute, rule, or policy for which waiver is required.

B. District Policies.

- i. Waivers of District Policies Applicable During Contract Term. School agrees to comply with the limitations and requirements of Board File Policy LBD-R-3 with respect to waivers of District policies. District and School agree that waivers identified at **Attachment 7** shall be enforced during the Contract's term.
- ii. Subsequent Waiver Requests. The School may request additional waivers after the effective date of this Contract. Any such request must comply with the requirements of Board File Policy LBD-R-3. Upon receipt of such request, the District shall have thirty (30) calendar days to review the request and, thereafter, shall present the matter before the District Board at its next regular meeting. The District Board shall, unless otherwise agreed by the Parties, have thirty (30) calendar days to consider the matter prior to rendering a decision at a regular meeting. Waivers of District policies may be granted only to the extent permitted by state law. Waiver of District policies shall not be unreasonably withheld. Any such requests for waivers must include a statement articulating how the School plans to comply with the intent of the statute, rule, or policy for which waiver is required. To the extent additional waivers are granted or waivers are otherwise amended, they shall be attached to this Contract at **Attachment 8** which shall be amended to reflect the additional waiver(s) and the effective date(s).
- iii. Revocation of Waivers. For reasonable cause and after providing notice to the School, the District's Board may revoke waivers previously granted.

4.6 Bidding Requirements.

Unless purchased from or through the District, contractual services and supplies, materials and equipment shall be procured through a system of competitive bidding, as required by the School's policy, which will comport with best practices for charter schools and state law.

4.7 Traffic Planning.

Charter School site location and the process of student loading and unloading is critical for safe and efficient traffic operations both on school property and the surrounding roadway network. Charter School staff, parents and students need to be aware of this reality and participate in providing a safe and organized flow of traffic. School will follow the Traffic Management Plan (TMP) in effect for its building(s).

The TMP must be readily available to all parents and students. Any physical changes to the school site (such as building expansion, parking lot revision, stacking lane revision, etc.) or substantial changes in enrollment will require an amendment to the TMP, in addition to local government land use approvals. TMP's and Traffic Impact Analyses are site specific, therefore, if School changes locations, a new TMP and Traffic Impact Analysis will be required. Any amendments to the TMP under these circumstances shall be coordinated with and approval sought from the local government jurisdiction.

SECTION FIVE: SCHOOL ENROLLMENT AND DEMOGRAPHICS

5.1 School Grade Levels.

The School may serve students in grades Pre-K-8 at the DCS Montessori property location with addresses at 311 Castle Pines Parkway, Castle Pines, CO 80108 and at 241 Max. Dr., Castle Pines, CO 80108 within the geographic boundaries of the District. The parties acknowledge that the Montessori Educational Foundation of Douglas County currently owns the land, building, fixtures, and certain equipment used by DCS Montessori.

5.2 Student Demographics.

As required by the Colorado Charter Schools Act, C.R.S. § 22-30.5-104(3), School enrollment procedures shall be conducted by the School in a nondiscriminatory manner. The School shall implement a recruitment and enrollment plan that ensures that it is open to any child who resides in the District. The School is committed to the goal of enrolling and retaining a student population that will be reasonably representative of the percentage of students that are eligible for free or reduced lunch, English language learners, and special education programs within the District average, taking into account the demographics of other public schools within a reasonable proximity to the School. The Parties acknowledge that the School's good faith effort to enroll and retain said representative populations, may not, in and of itself, ensure achievement of this goal, and that as a public school, the School cannot turn away students that meet its enrollment procedures as described in **Attachment 9**.

5.3 Maximum and Minimum Enrollment.

The School and the District agree that during the term of this Contract, the School's total enrollment shall not exceed the capacity of the School's facility and site. The minimum enrollment is determined to be the lowest enrollment necessary for financial viability, as reasonably determined by both Parties.

5.4 Eligibility for Enrollment.

The School shall limit enrollment of students accepted through the process outlined below, including

enrollment procedures for students with disabilities, to those who meet the School's age and grade requirements, are not otherwise ineligible to enroll based on criteria in Article 33 of Title 22 or who meet the criteria in C.R.S. § 22-33-106(3)(f) in another District school. All enrollment decisions shall be made in accordance with applicable state and federal law and policy, and the requirements outlined in Section 5.6 below with respect to the admission process and procedures for enrollment of students with disabilities.

5.5 Enrollment Preferences, Selection Method, Timeline and Procedures.

- A. It is agreed that enrollment preferences and selection methods are left to the discretion of the School so long as School complies with the District's enrollment policies (specifically, JCA-JFB and JCA-JFB-R, except to the extent those may be inconsistent with this Contract) and the requirements of state and federal law, including allowance for equal educational opportunities.
- B. School agrees to adhere to District open enrollment timelines and procedures as described in Attachment 10.

5.6 Admission Process and Procedures for Enrollment of Students with Disabilities

- A. The two-step process shall be implemented when considering whether a student who is eligible for special education services is able to enroll in School. The two-step process includes an admissions phase of the process and an enrollment phase of the process.
- B. The School shall conduct its admission process, including any lottery or similar process, without inquiry into the disability status of students. The School's application materials should not in any way include questions about disability status or whether or not a student has an IEP or Section 504 Plan.
- C. School may not inquire into whether a student has an IEP or a Section 504 Plan until the student has been admitted into the enrollment phase of the process, meaning that no such inquiry shall be made until the student has been successful in any lottery or similar process and School has offered a space to the student and the parent(s)/guardian(s) has accepted the offer. Following a student's admission into the enrollment phase of the process, the School may inquire about disability status and request a copy of the student's IEP or Section 504 Plan.
- D. After receipt by School of the student's IEP, School shall cooperate with the District's Special Education Director or designee in any initial review of a student's IEP to address whether the student's IEP can be appropriately implemented at School.
 - 1. If it is determined that student's IEP can be appropriately implemented at School after the initial review of student's IEP, student shall be enrolled to attend School.
 - 2. If it is initially determined that student's IEP may not be able to be appropriately implemented at School, an IEP team meeting shall be convened to determine whether the student's IEP can be appropriately implemented at School.

- a. If the IEP team determines that student's IEP can be appropriately implemented at School, student shall be enrolled to attend School.
 - b. If the IEP team determines that student's IEP cannot be appropriately implemented at School, student's enrollment to attend School may be denied and the IEP shall include a specific explanation of the IEP team's determination or a separate prior written notice that meets the requirements of state and federal law shall be provided to Parents.
- E. Admission of applicants with an IEP or Section 504 Plan shall be in compliance with District requirements and procedures concerning the education of students with disabilities. Every student who is admitted with an IEP or Section 504 Plan from a previous school shall be placed directly in a program that meets the requirements of such IEP or Section 504 Plan, unless and until a review staffing by the IEP team or Plan review meeting is held and the IEP or Section 504 Plan is changed.
- F. School recognizes and agrees that it is solely and exclusively responsible for providing services and accommodations to students who have a disability within the meaning of Section 504 and the ADA, but are not eligible for special education and related services under the IDEA, and that nothing in this Contract shall be construed to require the District to provide services or accommodations to such students.
- G. An application for attendance at School may be denied for a student with disabilities in the same manner and for the same reasons as such application may be denied for a student without disabilities.

5.7 Participation in Other District Programs.

No student may be jointly enrolled in the School and another District school or program without the written agreement of the District and the School. Such written agreement shall include the manner in which the costs of instruction shall be divided between the School and the District. Payment by the School to the District, if any, pursuant to any such agreement shall be deemed payment for a purchased service under the Charter Schools Act.

5.8 Non-Resident Admissions.

Subject to its enrollment guidelines, the School shall be open to any child who resides within the District and to any child who resides outside the District, subject to compliance with applicable Colorado public schools of choice statutes, District policy (unless otherwise waived) and this Contract. If the School has more applicants than it has space, preference shall be given to those students who reside within the District. The School shall handle denial of admission in a manner consistent with state law and District policy/regulations. Once accepted for enrollment, a non-District resident student may reenroll for subsequent school years until completing his or her schooling at the School.

5.9 Student Movement.

Any movement of students between the School and any District school, including the school serving the student's resident address that is not operated pursuant to a charter school contract, shall be in accordance with applicable law and District policy.

5.10 Expulsion and Denial of Admission.

The School agrees that it shall comply with all District policies/regulations concerning student attendance, standards of conduct and discipline, unless and until the School adopts its own written policies in accordance with this Contract and applicable law. Where the School's Administration and/or Charter Board recommends a student for expulsion, the proceedings shall be referred to the District for handling through the District's expulsion processes. However, the Charter Board, or its designee, shall make findings of fact and recommendations which shall be provided to the District's Superintendent or designee for use and consideration when the District implements its expulsion processes. Any decision to expel a Charter School student by the District Board shall specify which District schools the student is expelled from attending and which schools, if any, the student may attend as an alternative. Any general education services required by law to be provided to suspended or expelled School students shall be the sole responsibility of the School, in cooperation with the District, with all costs for such services to be borne by the School. Any special education and related services required by law to be provided to suspended or expelled students shall be the sole responsibility of the School, in cooperation with the District, with all costs for such services to be borne by the School.

The District's Board shall have final authority regarding appeals in student expulsion cases.

5.11 Continuing Enrollment.

Pursuant to Colorado state law, students who enroll in the School shall remain enrolled in the School through the highest grade served by the School, absent expulsion, graduation, court ordered placement, or placement in a different school pursuant to an IEP and the School shall be considered the student's home school for purposes of choice enrollment. Students wishing to transfer from the School to another school in the District may do so only through the District's within-District choice enrollment and transfer procedures.

- A. The School recognizes and agrees that it is solely and exclusively responsible for providing services and accommodations to students who have a disability within the meaning of Section 504 and the ADA, but are not eligible for special education and related services under the IDEA, and that nothing in this Contract shall be construed to require the District to provide services or accommodations to such students.

The School agrees to comply with all Board policies and regulations and the requirements of federal and state laws and regulations concerning the education of children with disabilities, and shall provide for the attendance of any School employees who should be present at any meetings at which IEPs are developed or modified. If the School and the District disagree as to the correct interpretation or application of a statute or regulation concerning the education of students with disabilities, the District's position shall control.

- A. Funding.
 - i. The District shall provide funding to the School in an amount equal to 100% of the District's Per Pupil Revenue (PPR) as the same may be established from year to year, adjusted in accordance with the State Finance Act or other matters impacting the PPR for each District resident student enrolled in the School. So long as the School is not in material breach of this Contract, this funding will be made available to the School in twelve (12) monthly installments, commencing July of each fiscal year. Funds shall be disbursed within five (5) business days of being received by the District. If the School fails to open during any school year, those funds paid to the School prior to October 1 shall be refunded by the School to the District. The term "enrolled" as used in this provision shall be deemed to mean enrolled as of the official counting dates or periods and in accordance with the School Finance Act of 1994, found at C.R.S. §§ 22-54-101 *et seq.* and the State Department of Education regulations. If the State Auditor disallows counting of some of the School's students, then its funding for a following school year will be reduced by the same amount.
 - ii. In addition to the foregoing provisions, to the extent the District experiences any reduction in state equalization support by a legislative rescission or other action, proportionate reductions will be made to the School's funding by adjustment or set-off in subsequent months.

- iii. On or before March 15 of each year of the charter, the School and the District will begin negotiations concerning funding for the ensuing fiscal year in order that the amounts may be determined in conjunction with the District's and the School's budget development and adoption processes. In future fiscal years, it is agreed that the amount of funding provided to the School from the District shall not be less than that required by law or as may be agreed to by the Parties.
- iv. The School will be able to apply for federal and state grant funds under the same conditions as other District schools, including approval by the District's Grant Coordinator. If requested, the District will provide special education services in accordance with such fees, as may be agreed to between the Parties. Any state reimbursement for transportation of special needs students by the District will be retained by the District.
- v. The funding of that portion of the PPR paid by the District to the School shall be established based on the official student enrollment count for students enrolled in the School for each year as approved and/or accepted by the State Auditor reduced by an appropriate proportionate reduction in state equalization support as a result of legislative action, payable in 12 equal monthly payments. This amount shall not be increased or decreased due to any change in monthly enrollment during the year. Provided, however, the District reserves the right upon 30 calendar days prior written notice to the School to adjust the payments to be made to the School in the event of a substantial reduction in the School's monthly student count as may be determined by the District considering the interests of the School and the District in collaboration with the School, in which event the pro-rata share of funds shall be retained by the District. In the event the District should, for any reason, lose the state funding allocated to any student who has withdrawn from the School, said funding shall be deducted from subsequent payments to the School.
- vi. The School must provide an address of record, the name of the contact person for fiscal matters and where funds are to be sent at least 30 calendar days in advance of when funds are to be made available.
- vii. The School will make no supplemental budget requests to the District to cover unanticipated expenditures or debts.

B. Bond and Mill Levy Funds.

- i. Bond Issues. Pursuant to C.R.S. § 22-30.5-404, the District shall have the sole determination of whether or not capital construction is includable in a Bond issue for the School. District will comply with statutory requirements for making such determination.
- ii. Mill Levy. The District shall share mill levy funds with the School in accordance with applicable law and District policy.

7.2 Disbursement of Per Pupil Revenue.

- A. Adjustment to Funding. The District's disbursement of funds shall be adjusted as follows: In December or January funding will be adjusted factoring in the final October one day count and adjusted per pupil funding as determined by the Colorado Department of Education. To the extent that the District experiences any reduction or increase in state equalization support by a legislative rescission, one day count audits or other action, proportionate reductions or increases shall be made to the School's funding.

7.3 Budget.

On or before April 15 each year, the School shall submit to the District its proposed balanced budget for the following school year for District review for statutory compliance and compliance with the terms and conditions of this Contract. The budget shall be prepared in accordance with C.R.S. § 22-30.5-111.7(1)(a) and C.R.S. § 22-30.5-112(7) and the state-mandated chart of accounts. The budget as approved by the Charter Board and any subsequent approved revisions shall be submitted to the District along with the Charter Board resolution approving the budget or budget revision. Proposed budgets that spend down reserves shall include a narrative addressing 1) why reserves are being spent 2) the duration of the reduction and 3) the date when the school will return to a balanced budget. A material violation of this Section may result in the District initiating remedies described in Section 2.2.H.

7.4 Enrollment Projections.

The School shall provide the District with its latest and best estimates of its anticipated enrollment for the next school year by March 15, along with any discussion or plans under consideration for any increase or decrease of enrollment greater than 5 percent (5%) of the official membership for the current school year. The Parties agree that the purpose of this Section is to provide information to allow the District to prepare its future budgets, and that any information provided under this Section shall not be used by the District for the purpose of funding pursuant to Sections 7.1 and 7.2 above or for restricting the School's enrollment or otherwise inhibiting the growth of the School.

7.5 TABOR Reserve.

The School's ending fund balance shall comply with the emergency reserve requirements of Article X, Section 20 of the Colorado Constitution ("TABOR Reserve"). The School will establish a TABOR Reserve account and ensure that balances are appropriate, in keeping with Colorado Constitutional requirements and consistent with state and District policies and law.

7.6 Contracting.

The School shall not extend the faith and credit of the District to any third person or entity. The School acknowledges and agrees that it has no authority to enter into a contract that would bind the District, and the School's authority to contract is limited by the same provisions of law that apply to the District. Unless otherwise agreed in writing by the District, each contract or legal relationship entered into by the School shall include the following provisions:

- A. The contractor acknowledges that the School is not an agent of the District, and accordingly contractor expressly releases the District from any and all liability under this agreement.
- B. Any financial obligations of the School arising out of this agreement are subject to annual appropriation by the Charter Board.

7.7 Annual Audit and Trial Balance.

The School shall undergo an independent financial audit conducted in accordance with governmental accounting standards performed by a certified public accountant each fiscal year. A draft of the results of the audit shall be provided to the District in written form by October 15 of each year. The School shall pay for the audit. The final audit shall be provided to the District on or before October 31. If, for causes within the School's control, the audit is not provided to the District by October 15 and October 31 of each year as outlined above, it shall be considered a material breach of contract, and the School shall have ten (10) business days, or such other time as the Parties may agree, to cure such breach. If the failure to provide the audit to the District by October 31 is due to causes beyond the School's control, the School shall nevertheless use its best efforts to provide the audit to the District at the earliest possible time. The School shall comply with all deadlines as set by CDE and the District. Any requests for extensions must be approved by the District.

7.8 Quarterly Reporting.

The School shall prepare quarterly financial reports for the District in compliance with C.R.S. § 22- 45-102(l)(b) in substantially the same format as shown in **Attachment 11**, and as which may be changes from time to time, and post required reports pursuant to C.R.S. §§ 22-44-301 *et seq.* Quarterly reports shall be submitted to the District electronically to the Choice Programming Office.

7.9 Non-Commingling.

Assets, funds, liabilities and financial records of the School shall be kept separate from assets, funds, liabilities, and financial records of any other person, entity, or organization.

7.10 Loans.

No loans may be made by the School to any person or entity other than reasonable employee advances or to other related or controlled entity, without District approval, which approval shall not be unreasonably withheld, conditioned, or delayed. School may not enter into financial relationships with other charter schools who have retained the services of the School's education management provider.

7.11 District Loans.

Schools may not borrow funds from the District without approval from the District Board. TABOR reserves must be maintained throughout the fiscal year. If the School has an unplanned emergency that could result in borrowing, the District Chief Financial Officer should be notified to discuss the financial issue, forecast and revised business plan.

SECTION EIGHT: PERSONNEL

8.1 Employee Status.

All employees hired by the School shall be employees of the School and not the District. All employee discipline decisions shall be made by the School. The District shall have no obligation to employ School employees who are released or leave the School.

- A. Background/Fingerprinting. The School shall establish and implement procedures for conducting background checks (including a check for criminal records) of all employees to the extent required by state and federal applicable laws, rules and regulations, including but not limited to C.R.S. § 22-30.5-110.5 and C.R.S. § 22-30.5-110.7. This includes ensuring that all independent contractors and companies that place employees in the School complete the requisite background checks.

8.2 Affordable Care Act.

The School is not a part of a “Controlled Group” with the District for purposes of the Patient Protection and Affordable Care Act (“PPACA”). To the extent permitted by law, the School shall indemnify and hold the District and its Board members, employees, and agents harmless from and against all damages, losses, and expenses arising out of or resulting from the School’s failure to comply with PPACA and its related regulations. The School’s indemnification obligation hereunder shall survive the termination of this Contract.

8.3 PERA Membership.

All the School employees shall be members of the Public Employees Retirement Association (“PERA”) and subject to its requirements. The School shall be responsible for the cost of the employer’s respective share of any required contributions.

8.4 Equal Opportunity Employer.

8.5 Employee Welfare and Safety.

The School shall comply with all District policies/regulations, and all applicable federal and state laws concerning employee welfare, safety and health issues, including but not limited to the requirements of federal law for a drug-free workplace and statutorily required training concerning the Child Protection Act of 1987, C.R.S. §§ 19-3-301 *et seq.* and C.R.S. § 24-10-106.3.

8.6 Employee Records.

The School shall be responsible for establishing and maintaining personnel records for its employees in

compliance with all applicable District policies/regulations, and applicable federal and state laws, concerning the maintenance, retention and disclosure of employee records, including but not limited to the requirements of the Colorado Open Records Act, §§ 24-72-201 *et seq.*

8.7 Employee Conduct.

All School employees shall comply with applicable District staff conduct policies, including non-discrimination policies, unless expressly waived in writing pursuant to Section 4.5 of this Contract, and applicable state law, concerning staff conduct and staff conflicts of interest.

SECTION NINE: SERVICE CONTRACT WITH THE DISTRICT

9.1 Direct Costs.

The School and the District agree to negotiate payment to the District of the School's share of the direct costs incurred by the District for charter schools pursuant to C.R.S. § 22-30.5-1 12(2)(b.5). Such negotiations shall be initiated by March 30 of the year preceding that to which the costs apply and shall be concluded promptly. Unless set forth in this Contract or a separate written agreement, such costs are reflected in the applicable DCSD Purchased Services Agreement as amended yearly. If the School and the District do not reach an agreement regarding the payment of direct costs prior to the end of a fiscal year, the District may withhold an amount equal to the total amount of direct costs incurred in the prior year until such an agreement is reached.

9.2 District Services.

Except as provided by applicable written agreement between the School and the District, or as may be required by law, the School shall be responsible for all costs associated with its school operations, including the cost of contracting for goods and services. The DCSD Charter School Purchased Services Agreement providing for the District to provide services or support to the School shall be negotiated annually and subject to all terms and conditions of this Contract, except as may otherwise be agreed in writing. Negotiations of the Charter School Services Agreement between the District and School shall begin by March 30 of the fiscal year preceding that to which the purchased services apply, unless otherwise agreed to by both Parties, and shall be promptly concluded thereafter.

SECTION TEN: FACILITIES

10.1 School Facility.

The School shall be responsible for the construction, renovation and maintenance of any facilities owned or leased by it. The School shall provide the District with a copy of the lease, deed, closing statement or other facility agreement granting the School the right to use the same within 5 business days of closing, refinancing or leasing. The School has or shall comply with C.R.S. § 22-32-124, and shall obtain all applicable use permits or certificates of occupancy necessary for the facilities owned or leased by it to be used and occupied as a school. The District shall have access at all reasonable times to any such facilities for purposes of inspecting the same and as provided in Section 2.1 above. If the School leases or owns other property, they will be fully responsible for that property.

10.2 Use of District Facilities.

The School may use District facilities in accordance with District policies KF and KF-R, Community Use of School Facilities.

10.3 Long-Range Facility Needs.

If the District considers the submittal of ballot issues to its voters regarding future tax increases for either bonded indebtedness or capital construction, it shall invite the School to participate in discussions regarding such possible ballot issues to also meet the long-range capital facility needs of the School.

10.4 Location Subject to District Approval

During the term of this Contract, the School shall not establish any educational programs at any location other than at 311 Castle Pines Parkway, Castle Pines, CO 80108 and at 241 Max. Dr., Castle Pines, CO 80108. The School may move its location only with the written approval of the District. Any requested change in location shall be consistent with the application and the School's mission.

10.5 Emergency Facility Closures

During any period in which curriculum or program delivery systems are materially modified due to a disaster declaration, public health order, or other cause rendering ordinary use of the school facility impractical, the School shall provide appropriate services consistent with requirements of CDE or any other requirements of federal, state, or local law or regulation. School shall provide District with timely notice of changes necessitated by such exigencies, identify any needed waivers of District policy or state statute, and provide other details of the plan for providing services and returning to ordinary operations. School shall reasonably cooperate with District in addressing any concerns District may have with changes made or to be made by School.

SECTION ELEVEN: CHARTER RENEWAL, REVOCATION AND SCHOOL-INITIATED CLOSURE

11.1 Renewal Timeline and Process.

The School shall submit its renewal application by no later than September 1 of the year prior to the year in which the School's Charter expires. At least fifteen (15) calendar days prior to the date on which the District Board will consider whether to renew the charter, District personnel shall provide to the District Board and School a written recommendation, including the reasons supporting the recommendation, concerning whether to renew the charter. The District Board shall rule by resolution on the renewal application no later than February 1 of the year in which the charter expires, or by a mutually agreed upon date following a public hearing where the School shall have the opportunity to address the District Board about its renewal request. If the District Board decides to not renew the Contract, it shall detail the reasons in its resolution.

11.2 Renewal Application Contents.

In addition to contents required by law, the renewal application should include comments and additional

information provided by the School about its progress toward meeting the District's accreditation indicators. The format of the renewal application shall be provided to the School by the District prior to July 1 of the year in which the application is due.

11.3 Criteria for Renewal or Non-Renewal and Revocation.

The District may terminate the Contract and revoke the charter for any of the grounds provided by state law, including C.R.S. § 22-30.5-110(3), as they exist now or may be amended or material breach of this Contract. Grounds for termination, revocation, or denial also include but are not limited to the following:

- A. Pursuant to C.R.S. § 22-11-210(1)(d), the School is accredited with a priority improvement plan or turnaround plan for a combined total of five (5) consecutive years or any lesser number of years established by the State Board after which closure or restructuring is required.
- B. The School is accredited with a turnaround plan and does not attain a higher accreditation rating at its next performance review in accordance with C.R.S. § 22-11-406(3).
- C. The District shall comply with all guidelines found in C.R.S. § 22-30.5-110 and any other relevant provisions regarding renewal, non-renewal and revocation.

11.4 Termination and Appeal Procedures.

The District shall provide the School written notice of the grounds for termination and the date of the termination hearing before the District Board. Prior to providing this notice, the District shall, to the extent practicable, send the School a notice of concern and a notice of breach, the content of which are described in Section 2.2.I (i). Termination shall not take effect until the School has exhausted its opportunity to appeal such decision to the State Board. The District may impose other appropriate remedies (see Section 2.2.I) for breach.

11.5 School-Initiated Closure.

Should the School choose to terminate this Contract before the end of the Contract term, it may do so in consultation with the District at the close of any school year and upon written notice to the District given at least ninety (90) days before the end of the school year. Notice would ideally be given by January 1 to allow families to take advantage of District choice enrollment dates.

11.6 Dissolution.

In the event the School should cease operations for whatever reason, including the non-renewal or revocation of this Contract, the School agrees to continue to operate its educational program until the end of the school year or another mutually agreed upon date. The District shall supervise and have authority to conduct the winding up of the business and affairs for the School; provided, however, that in doing so, the District does not assume any liability incurred by the School beyond the funds allocated to it by the District under this Contract. Should the School cease operations for whatever reason, the District maintains the right to continue the School's operations as a District facility until the end of the school year. The District's authority hereunder shall include, but not be limited to, 1) the return and/or

disposition of any assets acquired by purchase or donation by the School during the time of its existence, subject to the limitations of Section 11.7 below and 2) reassignment of students to different schools. School personnel and the Charter Board shall cooperate fully with the winding up of the affairs of the School including convening meetings with parents at the District's request and counseling with students to facilitate appropriate reassignment.

11.7 Return of Property.

In the event of termination or dissolution, all property owned by the School that was purchased in whole or in part with funding provided by the District, including, but not limited to, real property, shall be returned to and shall remain the property of the District. Notwithstanding the above, the District shall not have the right to retain property leased by the School, unless the District chooses to comply with the terms of that lease. All non-consumable grants, gifts and donations or assets purchased from these revenue sources shall be considered the property of the School unless otherwise identified by the donor in writing. Assets purchased exclusively with tuition paid by parents for a preschool program operated by or in conjunction with the School shall not be subject to this paragraph. Assets not purchased with public funding provided by the District may be donated to another mutually agreeable not for-profit organization.

SECTION TWELVE: GENERAL PROVISIONS

12.1 Order of Precedence.

In the event of any conflict among the organic documents and practices defining this relationship, it is agreed that this Contract shall take precedence over policies of either Party and the Application; applicable policies of the District Board that have not been waived shall take precedence over policies and practices of the School and the Application; and policies of the School and mutually-acceptable practices developed during the term of the charter contract shall take precedence over the Application. If any provision of this Contract or any application of this Contract to the School is found contrary to law, such provision or application shall have effect only to the extent permitted by law. Either party may revoke this Contract if a material provision is declared unlawful or unenforceable by any court of competent jurisdiction or the Parties do not successfully negotiate a replacement provision. The Parties agree, that upon any material changes in law that may materially impact the relationship of the Parties, the Parties shall as soon as reasonably practical after the effective date of such change in law, amend this Contract to reflect such change in law.

- A. Standard of Compliance. In the event of any disagreement or conflict concerning the interpretation or enforcement of this Contract, the Application, and District policies, procedures, regulations, or other requirements, unless waived, and compliance by the School therewith shall be required and measured in the same manner as may be applied and expected by the District of otherwise-comparable District schools.

ATTACHMENT 4: EDUCATION MANAGEMENT PROVIDER (EMP) AGREEMENT REQUIREMENTS

1. The maximum term of an EMP agreement must not exceed the term of the charter. The School shall have the right to terminate the EMP agreement without cause or a financial penalty. The fee provision of the EMP agreement shall be renegotiated on an annual basis and shall not automatically adjust.
2. EMP agreements must be negotiated at 'arms-length.' The School's board and EMP must have independent legal counsel to represent their interests in reaching a mutually acceptable management agreement.
3. No provision of the EMP agreement shall interfere with the charter board's duty to exercise its statutory, contractual and fiduciary responsibilities governing the operation of the School. No provision of the EMP agreement shall prohibit the charter board from acting as an independent, self-governing public body, or allow decisions to be made other than in compliance with the Colorado Sunshine Law.
4. An EMP agreement shall not restrict the charter board from waiving its governmental immunity or require a charter board to assert, waive or not waive its governmental immunity.
5. No provision of an EMP agreement shall alter the charter board's treasurer's legal obligation to direct that the deposit of all funds received by the School be placed in the School's account.
6. EMP agreements must contain at least one of the following methods for paying fees or expenses: 1) the charter board may pay or reimburse the EMP for approved fees or expenses upon properly presented documentation and approval by the charter board; or 2) the charter board may advance funds to the EMP for the fees or expenses associated with the School's operation provided that documentation for the fees and expenses are provided for charter board ratification.
7. EMP agreements shall provide that the financial, educational and student records pertaining to the School are School property and that such records are subject to the provisions of the Colorado Open Records Act. All School records shall be physically or electronically available, upon request, at the School's physical facilities. Except as permitted under the charter contract and applicable law, no EMP agreement shall restrict the District's access to the School's records.
8. EMP agreements must contain a provision that all finance and other records of the EMP related to the School will be made available to the School's independent auditor.
9. The EMP agreement must not permit the EMP to select and retain the independent auditor for the School.
10. If an EMP purchases equipment, materials and supplies on behalf of or as the agent of the School, the EMP agreement shall provide that such equipment, materials and supplies shall be and remain the property of the School.
11. EMP agreements shall contain a provision that if the EMP procures equipment, materials and supplies at the request of or on behalf of the School, the EMP shall comply with competitive bidding processes and shall not include any added fees or charges with the cost of equipment, materials and supplies purchased from third parties.

12. EMP agreements must contain a provision that clearly allocates the respective proprietary rights of the charter board and the EMP to curriculum or educational materials. At a minimum, EMP agreements shall provide that the School owns all proprietary rights to curriculum or educational materials that (i) are both directly developed and paid for by the School; or (ii) were developed by the EMP at the direction of the School's governing board with School funds dedicated for the specific purpose of developing such curriculum or materials. EMP agreements may also include a provision that restricts the School's proprietary rights over curriculum or educational materials that are developed by the EMP from funds from the School or that are not otherwise dedicated for the specific purpose of developing School curriculum or educational materials. All EMP agreements shall recognize that the EMP's educational materials and teaching techniques used by the School are subject to state disclosure laws and the Open Records Act.

13. EMP agreements involving employees must be clear about which persons or positions are employees of the EMP, and which persons or positions are employees of the School. The EMP agreement shall prohibit the EMP from leasing employees to the School and shall prohibit co-employment of School and EMP employees.

14. EMP agreements must contain insurance and indemnification provisions outlining the coverage the EMP will obtain. The EMP's insurance is separate from and in addition to the insurance for the charter board that is required according to the charter contract. Insurance coverage must take into account whether or not staff at the School are employees of the EMP or the School.

15. Marketing and development costs paid by or charged to the School shall be limited to those costs specific to the School program, and shall not include any costs for the marketing and development of the EMP. Other reimbursable costs of EMP charged to the School, including, but not limited to, overhead, corporate, and travel costs, shall be defined with reference to specific dollar amounts.

16. If the School intends to enter into a lease, execute promissory notes or other negotiable instruments, or enter into a lease-purchase agreement or other financing relationships with the EMP, then such agreements must be separately documented and not be a part of or incorporated into the EMP agreement. Such agreements must be consistent with the School's authority to terminate the EMP agreement and continue operation of the School.

Statutory Citation and Title: C.R.S. § 22-9-106 Local Board of Education-Duties-Performance Evaluation System; C.R.S. § 22-2-112(1)(q)(I) Commissioner-Duties	
Rationale: The DCS Montessori Head of School must have the ability to perform the evaluation of all personnel. Should any other designated administrator not have a principal or administrator license, this should not preclude him or her from administering the evaluations under the direction of the Head of School. The DCS Montessori Board of Directors must also have the ability to perform the evaluation of the school leader. Additionally, DCS Montessori should not be required to report its teacher evaluation ratings as a part of the commissioner's report as required by C.R.S. § 22-2-112(1)(q)(I), but will still report on in-field/out-of-field.	
Replacement Plan: DCS Montessori uses its own evaluation system as agreed to in the Charter School Agreement with the district and therefore should not be required to report their teacher evaluation data. DCS Montessori's evaluation system will continue to meet the intent of the law as outlined in statute. The methods used for DCS Montessori's evaluation system includes quality standards that are clear and relevant to the administrator's and teachers' roles and responsibilities, and have the goal of improving student academic growth, and meet the intent of the quality standards established in SB 10-191. All evaluators will receive training in their school's evaluation system. The school will not be required to report its teacher evaluation data through applicable state collections; however, teacher performance ratings data will be reviewed by the school and used to inform hiring practices and professional development. Core course level participation will continue to be reported pursuant to C.R.S. § 22-11-503.5, as this is a non-waivable statute.	
Example:  DCSM Lower Elementary Teacher Evaluation	
Duration of Waivers:	

We formally request the waiver be in effect for the duration of our contract with <u>Douglas County School District</u> . Therefore, the waiver is requested through <u>June 30, 2030</u> .	
Authorizer	Date
Financial Impact: DCS Montessori anticipates that the requested waiver will have no financial impact upon the Douglas County School Board or the DCS Montessori budget.	
How the Impact of the Waivers Will be Evaluated: Since teacher performance has a critical impact on the performance of the school, the impact of this waiver will be measured by the academic achievements and assessments of the students as determined by applicable District and/or State standards.	
Expected Outcome: With this waiver, DCS Montessori will be able to evaluate its staff based on excepted academic achievement levels attainable with the Montessori system. This will benefit staff members, students, parents and the community.	

Statutory Citation and Title: C.R.S. § 22-32-109(1)(n)(I) Board of Education-Specific Duties School Calendar C.R.S. § 22-32-109(1)(n)(II)(B) Board of Education-Specific Duties Adoption of District Calendar C.R.S. § 22-32-109(1)(n)(II)(A) Board of Education – Teacher Pupil Contact Hours	
Rationale: DCS Montessori prescribes the actual details of its own school calendar to best meet the needs of its students. As such, the school has a calendar that may differ from the rest of the District. DCS Montessori will always meet at least the minimum required time and days as outlined in state law.	
Replacement Plan: DCS Montessori will annually determine its own school calendar, noting that in no case shall the calendar allow for instructional or contact times to fall below the state minimum requirements described in C.R.S. 22-32-109(1)(n)(II)(A) and elsewhere in the Colorado Statutes. To the extent possible, DCS Montessori develops a calendar that aligns with the calendar of the School District.	
Duration of Waivers: We formally request the waiver be in effect for the duration of our contract with <u>Douglas County School District</u> . Therefore, the waiver is requested through <u>June 30, 2030</u> .	
Authorizer	Date
Financial Impact: DCS Montessori anticipates that the requested waiver will have no financial impact upon the Douglas County School Board or the DCS Montessori budget.	
How the Impact of the Waivers Will be Evaluated: The impact of this waiver will be measured by the academic achievements and assessments of the students as determined by applicable District and/or State standards.	
Expected Outcome: With this waiver, DCS Montessori will be able to develop school calendars that maximize the potential of the Montessori model of education.	

Statutory Citation and Title C.R.S. § 22-63-203 Probationary Teachers, C.R.S. § 22-63-206 Transfer-Compensation, & C.R.S. § 22-63-202 Teacher Employment, Contracts in Writing-Duration-Damage Provision

Rationale: DCS Montessori should be granted the authority to develop its own employment agreements and terms and conditions of employment. DCS Montessori operates differently from other schools with a unique curriculum for which having the proper teaching staff is essential. Not every teacher who is successful at a traditional public school will be successful at DCS Montessori. In addition, DCS Montessori is granted the authority under the Charter School Agreement to select its own teachers. No other schools or the district should have the authority to transfer its teachers into the school or transfer teachers from DCS Montessori to any other schools, except as provided in the Charter School Agreement.

Replacement Plan: DCS Montessori has employment agreements with the terms of nonrenewal and renewal set forth in the agreement, including payment of salaries upon termination of employment. Employment offers are given in writing and will be at an at-will and annual basis. DCS Montessori hires teachers on a best qualified basis. There is no provision for transfers. As a result of these waivers, the school will be able to employ professional staff possessing unique skills and/or background, filling all staff needs.

Duration of Waivers:

We formally request the waiver be in effect for the duration of our contract with Douglas County School District. Therefore, the waiver is requested through June 30, 2030.

How the Impact of the Waivers Will be Evaluated: The impact of this waiver will be measured by the academic achievements and assessments of the students as determined by applicable District and/or State standards.

Expected Outcome: With this waiver, DCS Montessori expects that as a result of this waiver it will be able to operate its Montessori educational program in a more efficient and productive manner, and will be accountable for the performance of teachers and students in the charter school.

Statutory Citation and Title C.R.S. § 22-63-201 Employment-Certificate Required

Rationale: DCS Montessori requires the authority to hire Montessori trained teachers and Head of School that will further the school's Montessori Mission Statement. The Head of School will be a certified Montessori trained educator or administrator and will not function as district principal. The Head of

School will be responsible for a wide range of tasks and act as the school's executive office and assure that the school is applying the Montessori curriculum as envisioned by the Mission Statement.

Replacement Plan: DCS Montessori requires that teachers and the Head of School are certified by an accredited Montessori teacher-training program. All DCS Montessori employees meet the guidelines set forth in the Colorado state ESSA plan, specifically (1) endorsement on a Colorado teaching license; (2) holding at least a BA or higher in the relevant subject area; (3) completing 36 semester credit hours in the subject matter in which s/he teaches; or (4) passing a State Board approved content exam in the relevant subject area. All school employees will meet applicable fingerprinting and background check requirements. Special Education Teachers will hold the requisite state license and endorsement. DCS Montessori will report the number of in-field/out-of-field teacher designations, years of experience of teachers, or any other requirements promulgated by CDE.

Duration of Waivers:

ATTACHMENT 7: WAIVERS OF DISTRICT POLICIES

DCS Montessori Charter School

Automatic Waivers Rationale

Automatic district waivers still require a developed plan, process, or policy on record. DCSD has streamlined this process with this “Automatic Waiver Request Template” document. This document allows charter schools to reference their replacement policy using existing material (e.g., Staff or Student Handbook, Application, Policy Handbook, etc.). This process is not intended to be exhaustive, rather it aims to help protect the autonomy of the charter school.

Financial Impact: DCS Montessori anticipates that the requested waivers will have no financial impact upon the Douglas County School District Re 1. DCS Montessori must operate within its own budget and the cost of employing staff and maintenance of its

own physical plant which has been included in that budget, but therefore prefers local control with respect to this district policy in following its own policies.

How the Impact of the Waivers Will be Evaluated: Per Colorado State Statutes, DCS Montessori will complete an annual audit which is reported to the Douglas County School District.

Expected Outcome: As a result of these waivers, DCS Montessori will be expected to maintain its own policies in respect to this district policy, as it has done so previously.

Rationale: DCS Montessori reserves the right to determine construction needs, oversight, and bidding/contracting that best serve its community. DCS Montessori uses competitive bidding procedures similar to DCSD (as referenced in these policies), but uses different (and lower) thresholds for more formal bidding as stated in its policies.

Replacement Plan: The bidding aspects of these policies are described in DCS Montessori's Financial Controls, Policies and Procedures. Construction oversight is addressed in DCS Montessori Board of Directors Policy GP-14, and supplemented by Board of Directors Policy EL-4 on Building Security and maintenance.

ATTACHMENT 9: SCHOOL'S ENROLLMENT PROCEDURES

DCS Montessori Charter School

Enrollment Policy

Adopted: December 18, 1998

Revised: April 6, 2020

Effective: July 1, 2020

In order to comply with Federal, State, and District law, the following entrance policy will be followed:

All students will be admitted through a lottery process, with preference given in the following situations and order:

- 1) Siblings will be given preference if space is available in a particular grade. Siblings of in-district students will be accepted first, followed by siblings of out-of-district students. If a sibling space is offered, and accepted, and later declined by the parent, or the student is withdrawn, the student is no longer considered a sibling for future years.
- 2) Staff member children will be given preference not to exceed 10% of the population of the school, with in-district accepted first, followed by those of out-of-district.
- 3) Students new to the school with previous experience in a Montessori educational program will be given preference for grades 1st-6th, with in-district accepted first, followed by those of out-of-district.
- 4) Students who do not meet any of the above criteria will be accepted based on space availability in a particular grade level with in-district students being accepted first and out-of-district students being accepted second.

Clarification of Program

DCS Montessori's educational program begins at the 3 year old level. Once students are in the program, the students have the right to continue in DCS Montessori until the last grade offered by the school: 8th grade. DCS Montessori's Pre-K program, including 3 year olds and 4 year olds, is tuition based. In order to ensure access to our public education programs, DCS Montessori is committed to offering scholarships to its Pre-K program based on Free and Reduced lunch qualifications. That is, a child whose family qualifies for Free Lunch is eligible for a Full Scholarship, or a child whose family qualifies for a Reduced Lunch is eligible for a Partial (50%) Scholarship. Children will have to qualify on an annual basis for scholarships.
