Notes:

Meeting MINUTES
R. M. Moore Elementary School
School Council
12-12-2025

MEETING CALLED BY	Mrs. Kim Moody
TYPE OF MEETING	Scheduled Meeting in the Front Office Conference Room
PRINCIPAL	Mrs. Kim Moody
NOTE TAKER	Kelly Street
BOARD ATTENDEES	Clint Cooper (Hillside Community Church) Stephanie Johnson (Hillside Community Church) , Sam Watts (parent), Mollie Guy (Canton First Methodist Church), Jennifer Bohrer (parent), Kelly Street (ESOL/EIP teacher), Shelby Gibbs (Kindergarten Teacher)
RM Moore Admin Team	Shannon Thomas (Admin), Jennifer Dupoux (Admin),
Guest Attendees	

- I. Accountability Governance Model Shared by Mrs. Moody
- II. Title 1 Input and Revision Meeting presented by Mrs. Moody
 - i. Stakeholder Input Meeting
 - ii. Shared questionnaire and input for each goal
 - iii. Schoolwide Plan Goals
 - Goal #1 ELA
 - Goal #2 Math

Question: What are the assessments and why does it show different trends per grade level? Based on the tests presented per grade level will determine the goal

Clint Cooper- shared his application with power BI and

Question: How much input do we have?

Board set a minimum and we looked at data and were able to increase our goals.

Question: How do we see a trend without just focusing on Milestones?

We do use universal screeners throughout the year to help pinpoint the needs of students to help with the bigger picture of milestones

 - Action Steps:
 - a. Instruction
 - b. Professional Development
 - c. Parent Engagement
 - iv. Title 1 Part A Funding shared by Mrs. Dupoux

We utilize the funds the best we can for teachers in our building. We use our funds for 10 people, writing platforms.

- a. Professional Development
- b. Parent Engagement
- c. Additional Funding

Question: What grades have paraprofessionals?

Kindergarten and Pre-k we also have some SPED paraprofessionals that support students

Question: What about the other grade levels?

We have 13 ½ EIP teachers and 6 ½ ESOL teachers so almost each class has at least 1 support person per day.

Question: What about AI?

The district is looking into it for us and is trying to take a proactive approach of how we can use it in our school.

All information can be found on our school website if you would like to look.

- v. Title 1 survey results Shared by Mrs. Moody
 - a. Parent Engagement: We have offered many events this year during the day. We always look for more participants during engagement nights but appreciate having events such as Thanksgiving lunches.
 - b. School information shared. We believe it is due to club signups and we tried to fix that this year.
 - c. Analysis- we are always trying to increase our methods we have to reach our parents

Question: Do teachers use their personal phones or a texting app.

We use parent square and some use class dojo. It truly depends on parents as well.

Question: Are teachers encouraged to have conferences?

Absolutely, you can also reach out if you would like to have a meeting.

- i. Part 2: School Parent and Family Engagement Plan shared by Mrs. Doupox
 - a. Responsibilities for Improved Student Academic Achievement
 - i. School/Teacher- provide resources to parents
 - ii. Parent – utilize resources presented
 - iii. Student -practice 2 nights a week

Question: Are these for the whole classroom or just an individual student?

For engagement nights we look at what the goal we are aiming for and see what could help every student in that grade level. We can also tweak the game boards per student after looking at their data. Mrs. Bailey is here two days a week and can help provide more resources if needed and during the engagement nights.

Question: What happens if a student needs more support?

We can offer more support with the game boards presented at engagement nights and using our MTSS system in class to offer further. Differentiation has been a big goal for us this year to meet students where they are this year.
