Curriculum Development (603)

I. PURPOSE

The purpose of this policy is to provide direction for continuous review and improvement of the school curriculum.

II. GENERAL STATEMENT OF POLICY

Curriculum development shall be directed toward the fulfillment of the goals and objectives of the education program of the charter school.

III. RESPONSIBILITY

A. The executive director shall be responsible for curriculum development and for determining the most effective way of conducting research on the charter school's curriculum needs and establishing a long-range curriculum development program. Timelines shall be determined by the executive director that will provide for periodic reviews of each curriculum area.

IV. CHARTER SCHOOL ADVISORY COMMITTEE

A. The school board must establish an advisory committee to ensure active community participation in all phases of planning and improving the instruction and curriculum affecting state and charter school academic standards.

B. The Charter School Advisory Committee, to the extent possible, must reflect the diversity of the charter school and its school sites, include teachers, parents, support staff, students, and other community residents, and provide translation to the extent appropriate and practicable. Whenever possible, parents and other community residents must comprise at least two-thirds of committee members.

C. The Charter School Advisory Committee must pursue community support to accelerate the academic and native literacy and achievement of English learners with varied needs, from young children to adults, consistent with Minnesota Statutes, section 124D.59, subdivisions 2 and 2a.

D. The charter school may establish site teams as subcommittees of the Charter School Advisory Committee.

E. The Charter School Advisory Committee must recommend to the school board:

1. rigorous academic standards, student achievement goals and measures consistent with Minnesota Statutes, sections 120B.11, subdivision 1a, 120B.022 subdivisions 1a and 1b,

and 120B.35;

2. charter school assessments;

3. means to improve students' equitable access to effective and more diverse teachers;

4. strategies to ensure the curriculum is rigorous, accurate, antiracist, culturally sustaining, and reflects the diversity of the student population;

5. strategies to ensure that curriculum and learning and work environments validate, affirm, embrace, and integrate the cultural and community strengths of all racial and ethnic groups; and

6. program evaluations.

F. School sites may expand upon charter school evaluations of instruction, curriculum, assessments, or programs.

V. SCHOOL SITE TEAM

Each school must establish a site team to develop and implement strategies and education effectiveness practices to improve instruction, curriculum, cultural competencies, including cultural awareness and cross-cultural communication, and student achievement at the school site. The site team must include an equal number of teachers and administrators and at least one parent. The site team advises the board and the advisory committee about developing the annual budget and creates an instruction and curriculum improvement plan to align curriculum, assessment of student progress, and growth in meeting state and charter school academic standards and instruction.

VI. CURRICULUM DEVELOPMENT PROCESS

A. The executive director shall be responsible for keeping the school board informed of all state-mandated curriculum changes, as well as recommended discretionary changes and to periodically present recommended modifications for school board review and approval.

B. The executive director shall have discretionary authority to develop guidelines and directives to implement school board policy relating to curriculum development.
