

BOARD SELF-ASSESSMENT

The board may assess its own performance annually in terms of research-based principles of successful board operations, in relation to its annual goals and objectives, and Washington State School Board Standards. The board self-assessment will address performance in the key functions of school boards:

- A. Responsible school district governance;
- B. Communication of and commitment to high expectations for student learning;
- C. Creating conditions district-wide for student and staff success;
- D. Holding the district accountable for student learning; and
- E. Engagement of the community in education.

The results of the self-assessment will be reviewed and discussed by the board-superintendent team and may be used in setting goals for the subsequent year.
