OCCUPATIONAL EDUCATION

The Webster School Committee recognizes that students in kindergarten through grade 12 should:

1. Be afforded the opportunity to be informed about the world of work.

2. Be aware of the many vocations available to them.

3. Develop a respect for the dignity of work.

4. Be allowed the opportunity to develop an understanding regarding the technical, consumer, occupational, recreational, cultural aspects of industry and technology; they should also be afforded the opportunity to develop skills related to such aspects through creative problem solving experiences.
