

THE SCOTTY RAYMOND MEMORIAL AWARD FOR TECHNOLOGY

This award honors a graduating senior from Monroe Career and Technical Institute (MCTI) who demonstrates joy for life and love for others. The award can be used to pursue higher education or training in a technical field, or to acquire necessary tools and equipment to work in the student's desired field.

Award Details

One award of \$500 will be given for the 2026-27 school year.

Eligibility Requirements

Students must:

- Be a Monroe County resident
- Be a graduating senior from Monroe Career and Technical Institute
- Be from the electrical technology or outdoor power equipment technology department
- Be pursuing further education or training at an established school in a technical field OR beginning full-time work in the construction or transportation fields (career clusters at MCTI)

Application Requirements

- Short answer essay
- Two references (at least one from MCTI) who can speak to the applicant's character and technical interests

How to Apply Complete the Universal Scholarship application at <https://cfmcpa.org/scholarships/> between January 2 and March 1, 2026.
