

Closing 2025 With Concerts and Snow Fun!

Dear Greenville Families,

As we look ahead to 2026, we are reminded of how much has been accomplished so far this school year. A new year always brings a sense of excitement and possibility, a chance to celebrate our growth and to look forward with optimism to what's ahead.

Throughout 2025, we have been proud to watch all 500 of our Greenville students grow as learners, leaders, and community members. From joyful everyday moments to schoolwide traditions, Greenville has been filled with

energy, creativity, and connection. Whether through yoga, concerts, buddy activities, author visits, the turkey trot, kindergarten friendsgiving, Balloons Over Greenville, the Aztec Trade Fair, or countless classroom experiences, our school has been alive with learning and joy.

We are deeply grateful to all who make Greenville such a special place. Our faculty and staff continue to go above and beyond each day to support the academic, social, and emotional growth of every child while ensuring a safe and welcoming environment. We also extend sincere appreciation to our custodial team for their ongoing care and dedication to our buildings and grounds.

To our Greenville families, thank you for your partnership, trust, and support throughout the year. We truly value the strong home-school connection that helps our students thrive. We are also thankful for our PTA, whose commitment and generosity enrich our programs and strengthen our school community in so many ways. And of course, our greatest thanks go to our students—you are the heart of Greenville, and your curiosity, kindness, and enthusiasm inspire us every day.

Wishing our entire Greenville community a joyful, healthy, and exciting start to 2026!

Spirit Week Continues!

Next week all Greenville students and staff are invited to participate in Spirit Week. Click [here](#) to see the schedule of days.

Outside Attire: As the weather gets colder, we will continue to go outside each day unless it is too cold or rainy. Please send your children to school with a coat and closed shoes during the winter months so that they are comfortable when they go outside. Children will only be permitted to play in the snow if they have waterproof clothing.

Since 1993 the [Edgemont School Foundation](#) (ESF) has been a proud partner of the Edgemont school district, working hand in hand with all principals, administrators and teachers to enhance an Edgemont education. **Our newest project will be to design new classroom layouts and provide updated furniture for the outdated C Building classrooms at EHS.** These classrooms are used by all grades, primarily for Math instruction. Current student and teacher surveys show that the existing setup limits collaboration and makes it difficult for teachers to utilize modern learning techniques. As you consider year-end [donations](#), please remember ESF, knowing that all donations directly impact Edgemont students. Happy holidays! whenever necessary.

Mark Your Calendars

- December 24th - January 3rd - No School - Winter Break (School reopens January 5, 2026)
- January 19, 2026 - No School- Martin Luther King Jr. Day

Please click [here](#) for the dates of our 2025-2026 concerts.

The winter solstice is December 21. Ms. Piazza has organized some [Winter Read Alouds](#) for you to enjoy with your family at home. We hope you have a wonderful weekend.

We will see you on Monday for a short week, but in case we don't have the chance to tell you in person, we extend warm wishes to all of our families, whether you are celebrating Hanukkah, Christmas, Kwanzaa, or observing this time in other meaningful ways.

Have a wonderful weekend,

Ms. Ferrara and Dr. Huang
