Sauk Centre Public Schools
Comprehensive Achievement and Civic Readiness Goals and Strategies

	2025-2026 Goals	Strategies
All Students Ready for Kindergarten	75% or more of the enrolled kindergarten students participated in the district's "four star" rated Early Childhood program.	● **Pathway II Grant** ○ Funds are used to ensure more children are able to participate in early childhood programs. ● **Monthly Early Childhood Screening** ● **Early Childhood Literacy Training** ○ **All preschool teachers have been trained in Early Childhood LETRS.** ● **Variety of Preschool Class Options** ○ A variety of preschool class options are available for families. In addition, **a preschool wrap-around program** is offered for students enrolled in the Stepping Stones preschool class. ● **Consistent Outreach** ○ Outreach for our Early Childhood program is conducted consistently through social media, our website, early childhood screening, and other communication channels.
Close the Achievement Gap Among All Groups	Sauk Centre School District will continue working to reduce the math and reading achievement gaps for Special Education and Free/Reduced sub-groups based on annual MCA proficiency results.	● **Quarterly data retreats are held at both the elementary and secondary levels to analyze student data, identify appropriate interventions, and monitor growth over time.** ○ At the elementary level, the **Academic Team and Behavior Team meet weekly** to review incident data (behavior), intervention data (academic), and engage in collaborative problem-solving. ● **Professional Learning Communities** ○ Professional Learning Communities meet monthly with a goal of increasing student achievement through collaboration, strengthening instructional practices, and reviewing student work and data. ● **FastBridge is used in grades K–8 to monitor student progress in reading, math, and behavior.** ○ Students are assessed three times per year, and the data is used to track progress, identify those in need of intervention, and monitor growth over time. ● **ELL programming** supported through our **Achievement and Integration Plan** ● **Peer Coaching** ○ Supports teachers in implementing effective instructional strategies to better meet the needs of all learners. ● **Secondary Tier II Interventions:**

		○ Tier II Intervention class offered to grades 8-12 via ADSIS funding. ○ Tier II Math intervention support offered to grades 6-8 ○ Tier II Reading Intervention support offered to grades 5-8 ● **Elementary Tier II Interventions:** ○ **Tier II Behavior Supports:** SEL Interventionist, Pride Room, Check In/Check Out, Social Skills groups (individual and small group) ○ **Tier II academic supports:** School-wide Title - offering daily reading and math interventions, Daily WIN (What I Need) intervention block
All Students Career and College Ready by Graduation	100% of graduates will identify a post-secondary plan by graduation.	● Partnership with the Perkins Consortium provides career and college readiness opportunities for 9th grade and 10th grade students ● MN state standards are embedded into the curriculum. ● Required 9th grade Careers course for all students ● Embed durable skills into secondary courses ● Post-secondary plans developed with counselor
All Students Graduate	90% of the Class of 2025 will graduate.	● Tier 2 Intervention class offered to grades 9-12 via ADSIS funding to increase student engagement among students at risk for graduation. ● Counselor monitors incomplete and fail data at each mid-quarter/end of quarter and sets up student meetings to develop action plans ● Counselor holds group and individual senior meetings to keep students on track towards graduation ● Quarterly grade level meetings in grades 5-12 to identify struggling students and determine next steps ● Students not meeting credit criteria are identified and credit recovery plans are developed ● Student Assistance Team meets weekly to problem solve solutions for at risk students
Prepare Students to be Lifelong Learners	100% of students develop a student learning plan by graduation.	● Careers class required by all 9th graders to begin the student learning plan process ● Embed durable skills into secondary courses ● Student learning plans developed with counselor
