

Northern York County School District

Title 1 Reading - Parent Compact 2025/2026

As a reading specialist in NYCSD, I believe that school is an important experience for each student. As a role model and teacher, I agree to do the following:

- ❖ Assess the needs of your child.
- ❖ Teach and prepare your child to meet state-level academic standards.
- ❖ Strive to meet the individual academic needs of your child.
- ❖ Communicate regularly with you, the parents, and the classroom teacher about the needs and progress of your child.
- ❖ Provide you with the necessary assistance and resources to help your child at home.

As the parent or guardian, I realize that my child's school experience is very important, and my participation will help his/her achievement and attitude. I will strive to complete the following:

- ❖ Support learning by encouraging opportunities for reading at home.
- ❖ Read with and to my child every day.
- ❖ Attend Title 1 events and parent conferences to stay in touch with teachers about my child's progress.
- ❖ Assure that my child attends school regularly.
- ❖ Communicate questions and areas of need to my child's teacher(s)

As a student, I realize that my education is very important to me. It will help me to become a better person. I know that my teachers and parents support me, but it is my responsibility to do the following:

- ❖ Work hard to do my personal best in class and with daily assignments.
- ❖ Attend school regularly.
- ❖ Be responsible for my own behavior and attitude.
- ❖ Practice my reading by myself or with a family member.
- ❖ Try first but ask for help when I need it.

Please sign and return:

☐ I have read and understand the Parent Compact.
