BUSINESS DIRECTORY

FROM THE *Desk*
OF OUR EXECUTIVE DIRECTOR

Dear Members of the BCA Community,

It is my privilege to welcome you to the very first BCA Business Directory - a special resource created to highlight and support the many businesses owned by the parents and grandparents who are part of our school family.

As an independent Christian school, we believe deeply in the strength of community and the calling to use our God-given gifts in service to one another. This directory reflects that spirit. Within these pages, you will find a wide range of businesses - each one representing the dedication, creativity, and stewardship of families who partner with us in shaping the hearts and minds of our students.

By choosing to support these businesses, you are not only investing in high-quality goods and services, you are also strengthening the bonds that make BCA a thriving, faith-centered community. Your participation helps foster fellowship, encourages mutual support, and contributes to the sustainability of the families who walk alongside us in our shared mission.

I extend my sincere gratitude to every family who contributed to this directory and to all who make our school a place where Christ is honored in every endeavor—academic, spiritual, and vocational. May this guide be a blessing to you and a reminder of the richness that comes from being part of a community built on faith and partnership.

Thank you for your continued support, generosity, and commitment to our school.

With gratitude,

Anthony Torbett
