RE: Potential Timeline for Actions/Votes

The purpose of this memo is to inform the Board of a proposed timeline for necessary actions, including community votes tied to legal requirements, which will ensure timely decisions are made regarding the FY27 Budget.

Key Deadlines for Budget Approval: The Board must formally warn the election for the FY27 budget vote on Town Meeting Day between January 22nd and January 30th. The final internal deadline for the Board to vote on and warn the budget is January 28th.

If the Board votes to close a school(s) at our January 17th meeting, as warned, then a vote can be held on February 10th.

For the Budget to be voted on Town Meeting Day, the Board must warn the election between January 22 and January 30. We have a scheduled meeting on January 21st to approve a budget and warn the budget article.

We will continue to share information with the Board and community, and to update the FAQs in order to provide everyone with the information they need to make a decision.
