If, at any time during the school year your child is taught by a teacher for four or more consecutive weeks (such as a long-term substitute teacher) who is not “highly qualified,” you will receive timely notice from our school. Please contact me anytime during the school year if you would like more information about teachers who are working with your children. We wish to keep our parents informed on the quality education we deliver. Sharing staff qualifications is an excellent way to show our commitment to students. Staff members at any school define the education environment. We are devoted to finding the best quality educators to work with your children to ensure that school is a place where they can succeed.
