

FRENCHTOWN PARENT DROP-OFF PLAN BEGINNING 01/05/2026

With school construction beginning, there will be a change to the Frenchtown Drop-Off process starting on 01/05/2026.

From 8:25 AM - 8:40 AM, parents will be able to drop students off in the School Drop-Off Zone. From 8:40 AM - 9:00 AM, the school driveway will only be accessible to Buses, Before School Activity Vans, students needing additional support getting into the building, and school staff. Parents arriving at 8:40 AM will utilize the Parents Drop Off Queue until 9:00 AM, when they will be allowed to enter the school driveway and utilize the School Drop-Off Zone. **PARENTS - DO NOT BLOCK FRENCHTOWN ROAD WHEN LEAVING THE PARENT DROP-OFF QUEUE TO ACCESS THE SCHOOL ENTRANCE.**

Please pull as far forward as possible in the School Drop-Off Zone before letting your student(s) out. Students will only be allowed to exit parents' vehicles from the curb side once they pull up to the front curb of the school for safety reasons.

PARENTS - Utilize the "Parent Drop-Off Queue" as shown above (DO NOT DEVIATE FROM THE PLAN), pull as far forward in the Parent Drop-Off Queue as possible, drive slowly while in the School Drop-Off Zone, follow all directives given by police officers.
