Addendum No. 1 is to update information regarding the project information meeting of January 6th, 2026 for the Port Angeles School District RFQ for General Contractor GC/CM Services for the Franklin Elementary project.

The meeting will be held on site at the Franklin Elementary School, 2505 S. Washington Street, Port Angeles WA 98362 at **10 a.m.** Meet in the South parking lot off of Washington Street.

All contractor questions will be followed up in writing for official answers to all attendees and those registered on the plan holders list.

The following items will be covered in the meeting agenda:

- o Discuss RFQ requirements – questions / concerns
- o Discuss project schedule – questions / concerns
- o Discuss preliminary design concepts
- o Discuss project challenges (site, schedule, budget, laydown, traffic/parking etc)

A Site walk around the school grounds will take place following meeting.
