PBIS – Positive Behavioral Interventions & Supports

We love to celebrate good behavior!

Adults tend to perform better at their job when they feel appreciated and are rewarded for their hard work. Kids also feel more motivated to follow expectations when we notice and reward good behavior. We celebrate good behavior in many different ways.

- **The School Store:**

Students earn paw bucks when teachers see good behavior. Golden tickets are worth 10 paw bucks & are given when students go above & beyond. Students get to spend their bucks at the school store.

- **Teacher Carnival:**

Students can also spend bucks on fun experiences with staff like playing football, a scavenger hunt or crafting.

- **Monthly celebrations:**

Each month, teachers nominate a student to be Student of the Month from their class. Approximately 20 students are recognized for their hard work and good character. Classes also earn Big Linc, Lil' Linc, the Golden Plunger, Silver Spoon or Bronze Book for good behavior in areas of school.

- **Classroom rewards:**

Teachers work with their class to reach goals & celebrate with fun class rewards like beach day, PJ day, or outdoor games.
