

ANTHEM PROVIDER LOOKUP

How to Find a Provider

To confirm whether or not your physician is an Anthem in-network participating provider visit; <https://www.anthem.com/find-care/>

When using the online search tool (without logging-in) you will need to follow these steps to select the appropriate plan network;

- Click on **Basic Search as a Guest** until you receive your membership information
- Select **Medical Plan or Network** from the drop-down
- Select **New Hampshire**
- Select **Medical (Employer-Sponsored)**
- Under the Select a plan or network;
 - Silver Pathway X HMO - Select **Pathway X HMO**

Locating a Site of Service Provider

- Log in to [anthem.com](https://www.anthem.com) or use the Sydney Health app
- Select **Care** from the menu bar and choose **Find Care**
- Search by care provider type. For example, search **Lab** to have blood work done or **Imaging** for an MRI or x-ray
- In your search results, go to the left-hand column and select **Site of Service** under recognitions

Once the plan/network parameters have been selected, you can then narrow your search by City, County or Zip Code. You can also search by specialty, provider name, facility name or procedure type and Site of Service (SOS) locations.
