Adaptive Physical Education Class

Students in our OHS Adaptive Physical Education program are hard at work building fundamental exercise and strength-training skills.

The class meets daily, with two dedicated days each week in the High School Weight/Training Center, focusing on helping students develop healthy habits that will last a lifetime.

A big thank-you to our team of educators, Education Assistants, and student cadets who make this class possible!

Adaptive Physical Education Class

And one slide wasn't enough space because there was so much enthusiasm and excitement when we went to see the class. We also know they are eagerly anticipating the video segment of this student highlight to see the special showcase of their achievements.

We are very proud of each and every one of you - keep up the hard work!

District Highlights

The purpose of the Superintendent Report is to give the Board a high-level overview of the amazing things going on across the district.

Substitute Educator Day
November 21

#OREGONAchieves

November 21 was Substitute Educator Day Today we want to recognize the vital role our substitute teachers play in keeping classrooms running smoothly and ensuring students' education continues uninterrupted.

You are an important part of our schools and we appreciate your dedication to the Oregon School District.

OHS World Language Educators Attend WAFLT Conference

OHS world language educators recently attended the Wisconsin Association for Language Teachers (WAFLT) annual conference in Oshkosh, WI. The conference provided a weekend full of quality professional development and valuable team-building opportunities.

We greatly appreciate our OSD educators who are so dedicated to professional growth and learning!

OSD Counselors Attend WSCA Conference

Our OSD School Counselors recently attended the Wisconsin School Counselor Association (WSCA) conference. During this annual event, state school counselors have the opportunity to learn about the latest trends in school counseling, collaborate with other school counselors from around the state and hear from experts in our field around best practices.

Thanks to our counselors for taking the time to engage in meaningful learning that directly benefits our students. We appreciate you!
