

Procedure - Distribution of Materials

Individuals seeking to distribute information in schools will submit to the superintendent a statement of the recreational or educational value to students.

Dissemination of the information does not reflect the district's endorsement or sponsorship of the activity. All materials distributed must contain the statement "The district does not sponsor or endorse this event/information and the district assumes no responsibility for it."

The district or the school will not distribute materials that:

- A. Are obscene, lewd, or vulgar;
- B. Are libelous;
- C. Contain language that is intimidating, demeaning, harassing or threatening on the basis of race, ethnicity, creed, religion, color, national origin, age, honorably discharged veteran or military status, sex, sexual orientation, gender expression, gender identity, homelessness, immigration or citizenship status, marital status, the presence of any sensory, mental, or physical disability, neurodivergence, or the use of a trained dog guide or service animal by a person with a disability, including, but not limited to, racial, sexual, or ethnic slurs;
- D. Promote commercial enterprises;
- E. Promote the violation of existing laws, regulation or ordinances, or official school policy, rules or regulations; or
- F. Proselytize or disparage religious beliefs.

The building principal, whose decision is final, will review and determine whether the materials are approved for distribution to students.
