A Note from our Principal

This has been a fantastic time for our school community!

We're thrilled to announce a large donation from Royal Gold for our Community Schools Garden. We also want to give a huge thank you to Blue Lake Rancheria for coordinating a donation of materials from Pierson's Building Center for our Garden Club. These generous contributions will help our students grow and learn in a hands-on environment.

As the first quarter comes to a close on October 17th, please check PowerSchool to make sure your student has turned in all their assignments. Your support at home is crucial for their success.

Finally, a reminder that Site Council meets on the second Thursday of each month. We welcome you to join us and share your input. Your voice helps shape our school's future!

Respectfully
Mrs. Wagner
