Eligibility and Enrollment

You are eligible to participate in Big Lake Schools benefits if you work at least 20 hours per week. If you enroll for benefits, you may also cover your:

- Legal spouse
- Children up to age 26
- Unmarried children of any age who are mentally or physically disabled

Your benefits begin on the first of the month following your hire date.

Making Changes to Your Benefits

Each year, you have the opportunity to make changes to your benefits during open enrollment. You may make mid-year changes to your benefits only if you have a qualifying life event. Examples of qualifying life events include:

- Marriage or divorce
- Birth or adoption of a child
- Change in a dependent’s eligibility status
- Change in employment status for you or your dependents resulting in the loss/gain of coverage
- A significant change in the cost or coverage of your dependent’s benefits
- Change in the cost of dependent care (for dependent care flexible spending accounts only)
- Death of a dependent

Keep in mind, the changes you make must be directly related to the event.

If you (and/or your dependents) have Medicare or will become eligible for Medicare in the next 12 months, a Federal law gives you more choices about your prescription drug coverage. Please see pages 24-25 where Notice of Creditable Coverage and begin for more details.

Medical Coverage Costs

Below are the full-time, monthly premium costs for employees and/or families who elect health coverage.

Part-time employee rates are pro-rated and calculated based on contractual agreements. Please contact the HR department with questions.

*Premiums are shown per month effective **January 1, 2026**:

Step by Step Instructions for Enrollment in the Public Employees Insurance Program Advantage Plan

To help explain your options in the Public Employees Insurance Program, we have created the following guide.

Step 1 – Choose Your Plan Level

The Public Employees Insurance Program Advantage Plan has cost sharing features that will help you and your employer to better control health care costs while maintaining flexibility in access to doctors and clinics. The Public Employees Insurance Program offers two Plan choices:

- **Advantage (High)**
- **HSA (Low)**

Choose the Benefit Level that best fits your needs. The premium and cost sharing will vary based on the Benefit Level you choose. You may change your Benefit Level each year during your group's annual open enrollment.

Step 2 – Choose Your Health Plan/Network

The Public Employees Insurance Program offers two different Health Plans/Networks to choose from:

- **HealthPartners**
- **Blue Cross Blue Shield**

Choose the network carrier that best fits your needs. Your network selection will not affect the cost of the plan; nor will it affect the premium rate. The benefits are similar under each network. You may change your Health Plan/Network level each year during your group's annual renewal.

Step 3 – Choose Your Primary Care Clinic

Primary Care Clinics have been placed into one of four cost levels, depending on the care system in which the provider participates and that care system's total cost/quality of delivering health care. The amount of cost sharing that is paid for health care services varies depending upon the cost level of the Health Plan and Network that you choose.

- **Select a primary care clinic (PCC) for each family member**

Each family member must select a primary care clinic (PCC). Family members may choose different PCCs – even in a different cost level, but all family members must enroll with the same Plan Level and Network choice. Your enrollment form should include the primary care clinic # associated with your network carrier.

All primary care clinics are broken into four tier levels that determine the benefits received by that family member. A list of participating clinics is available online to help you make your primary care clinic selection. This list includes your primary care clinic's clinic number that you will need in order to enroll. You can change clinics by calling the phone number on your ID card.

Most medical care is coordinated through a Primary Care Clinic (PCC) and you will generally need a referral to see a specialist (referrals to a specialist's office will be covered at the same cost level as your PCC). **You may self-refer to certain specialists including OBGYN, chiropractors, routine vision, and mental health/chemical dependency practitioners, providing the practitioner is part of the carrier's self-referral network. No referrals needed for urgent care and emergencies.**

A statewide primary care clinic listing and health plan documents, including the Summary Benefit Comparisons (SBC's) for all plan levels, are available online at www.innovomn.com.

IMPORTANT! Once enrolled you will receive TWO ID cards. One card will be sent from your health plan (HP, BCBS,) which is to be used for **medical services**. The second card from CVS is to be used for all **pharmacy charges**. If you have questions please call us at 952.746.3101 or 800.829.5601 or email us at shawn@innovomn.com.

Important note: this chart describes coverage within the PEIP Advantage Plan’s service area. Covered out-of-area services have a different cost-sharing structure: claims will be processed at Cost Level 3 with the out-of-pocket maximums described in section O above, and with a separate out-of-area deductible (\$750 single/\$1,500 family). Most care must be received within the national network of the selected plan administrator.

Members pay the drug copayment described at section M above to the out-of-pocket maximum described at section N.

This Plan uses an embedded deductible: if any family member reaches the individual deductible, then the deductible is satisfied for that family member. If any combination of family members reaches the family deductible, then the deductible is satisfied for the entire family.

Members pay a \$1,750 single or \$4,000 family deductible (separate and distinct from the deductibles listed in section B above) and 30% coinsurance that will apply to the out-of-pocket maximums described in section N above. Members pay the drug copayment described at section M above to the out-of-pocket maximum described at section N.

Emergency Care and Urgent Care received in-service area or out-of-service area or in or out-of-network claims will process based on C and E above. Deductible will be applied to in-service area benefit.

*The family Deductible is the **maximum amount** that a family must pay in deductible expenses in any one calendar year. The family Deductible is not the amount of expenses a family must incur before any family member can receive benefits. Individual family members only need to satisfy their individual deductible once to be eligible for benefits. Once the family Deductible has been met, deductible expenses for the family are waived for the balance of the year.

The family Out-of-Pocket Maximum is the **maximum amount that a family must pay in any one calendar year. The per-family member embedded Out-of-Pocket Maximum is the maximum amount that a family must pay in any one calendar year on behalf of any individual family member.

Health Savings Account

Health Savings Account (HSA) - Administered by Health Equity

Flexible, affordable, and easy to use, a Health Savings Account (HSA) empowers you and your family to take charge of your health, money, and future.

A Health Savings Account is a personal account which the IRS has deemed as a tax advantaged bank account when used for medical expenses. This account is your personal property even beyond employment with Big Lake Schools. Big Lake School District partially funds your account and you may also voluntarily contribute to your account. Unused balances stay in your account tax-free. There are no “use it or lose it” rules.

Eligibility:

You must be enrolled in the PEIP HSA Compatible Plan.

HSA Contributions:

HSA contributions are tax-free, they earn interest tax-free and withdrawals are tax-free when used for qualified health related expenses. Neither your employer nor your HSA bank tracks how you use your HSA funds. Therefore, it is important that you keep track of your health related receipts as proof of any tax-free withdrawals.

Big Lake Schools HSA contribution:

Big Lake Schools will contribute to employees' Health Savings Account on a monthly basis. Contribution amounts are based on the difference between the district's contribution and the premium per month. In order to receive the contribution, you must have established your HSA and be employed at the time of each installment.

	2026 HSA Contribution Limits
Individual	\$4,400
Family	\$8,750
Catch-up Contributions (age 55 and older)	\$1,000 additional

Note: HSA limits include both employer and employee contributions.

To find information on eligible expenses for your HSA, go to www.irs.gov and search for Publication 502.

Health Savings Account

Your personal HSA Contributions:

You can make voluntary HSA contributions by either:

- Electing to reduce your taxable income through the Section 125 Premium Payment Plan. Big Lake Schools will deposit your election into your HSA account on a pre-tax basis.
- Depositing money (example: from your checking or savings account) directly to your HSA: Because contributions are tax-free, you would deduct this amount on your annual tax return Form 1040. You have until you file your income tax return (until April 15th) to contribute to your HSA for that tax year. Please seek tax advice from your tax professional.

Your maximum contribution is the difference between the IRS annual max and Big Lake Schools' contribution to your HSA.

You can contribute to the IRS annual maximum if:

- You are covered on a High Deductible Health Plan for the full calendar year.
- You are not covered for the full calendar year BUT you remain covered for the entire following year.
- If neither of these apply, you must pro-rate your contribution by the number of months you are covered by a qualified High Deductible Health Plan.

You may NOT contribute to an HSA or receive employer contributions if:

- You are enrolled in Medicare or TRICARE.
- You are "double covered" with a non-qualified High Deductible Health Plan.
- You can be claimed as a dependent on another person's tax return.
- You are eligible for a Health Care Flexible Spending Account (FSA) that is not a Limited Health Care FSA, or a Health Reimbursement Account (HRA) as a subscriber or dependent.

Examples of qualifying HSA withdrawals:

- Over-the-counter drugs, medicines, and products: Cold, cough, and flu medicine; allergy and sinus medication; sleep aids; acne medications; digestive aids; feminine products, etc.

Examples of Non-qualifying HSA withdrawals:

- Cosmetic surgery, teeth whitening, dietary supplements, etc.
- Claims incurred prior to establishing your HSA.
- Non-qualified withdrawals will be included as income and subject to a 20% penalty.

Additional information can be found at: <http://www.irs.gov/pub/irs-pdf/p969.pdf>

Flexible Spending Account

Flexible Spending Account (FSA) - Administered by Health Equity

Easy and convenient, a Flexible Spending Account (FSA) allows you and your family to save money on medical, dental, and vision expenses.

Big Lake School's FSA plan years runs from January 1, 2026 - December 31, 2026. Any remaining balance in your FSA at the end of the plan year will be forfeited and not carried over into the next year or converted into cash.

Upon your enrollment into the FSA, you have the opportunity to set aside funds each pay period on a pre-tax basis. These contributions are determined by you and can only be changed one time per year during open enrollment (or for a qualifying event). The full amount of the medical FSA is available for use as of the first of the year.

Although HSA participants are not eligible to participate in a full FSA, they may enroll in a Limited FSA. Under the Limited FSA, HSA participants can fund an FSA for any eligible dental and/or vision expenses as well as any post-deductible medical expenses over the IRS statutory limits for HSA eligibility, which is \$1,700 for single and \$3,400 for family in 2026.

FSA Contribution Limits

Healthcare FSA Spending Limit: \$3,400

Limited purpose FSA Spending Limit: \$3,400

Dependent Care Spending Limit: \$7,500

Dependent Care Reimbursement Flexible Spending Account (FSA)

Dependent Care Reimbursement Flexible Spending Account (FSA) - Administered by Health Equity

You can save money on your dependent care and day care expenses with a Dependent Care Reimbursement Flexible Spending Account (FSA). You have the opportunity to set aside funds each pay period on a pre-tax basis to help you pay for your eligible dependent care expenses, such as day care for your child or elder care. Per paycheck contributions, which are determined by you and can only be changed one time per year during Open Enrollment (or for a qualifying event), will be deposited into your FSA account. You pay no federal income or Social Security taxes on your contributions to an FSA - which means more money in your pocket.

Big Lake School's FSA plan year runs on a calendar year from January 1st to December 31st. Any remaining balance in your FSA at the end of the plan year will be forfeited and not carried over into the next year or converted into cash.

Child care or elder care services may qualify for reimbursement if they meet these requirements:

- The child must be under 13 years old or, if older, mentally or physically incapable of caring for himself or herself.
- Must be provided by a facility or caretaker with registered tax ID number.
- The services may be provided inside or outside your home, but not by someone who is your dependent for income tax purposes, such as an older child, your spouse, or a grandparent who lives with you.
- For more information on claiming the Dependent Care FSA Reimbursement and eligible Dependent Care Expenses, visit www.healthequity.com.

Dependent Care Spending Limit for Reimbursement

- \$7,500 if filing jointly
- \$3,750 if filing single

Plan Participation Requirements

You do not have to be enrolled in the company medical, dental or vision to enroll in an FSA. You manage your FSA funds; you may not use money from your Health Care FSA or Health Savings Account (HSA) to pay for dependent care expenses, or vice versa. You must re-enroll every year during Open Enrollment in order to participate in the FSA benefit plan.

Here's How an FSA Works

- You decide the annual amount (up to the maximum) you want to contribute to the Dependent Care FSA based on your estimated dependent/childcare/elder care expenses.
- Your contributions are deducted from each paycheck before income and Social Security taxes, and deposited into your FSA.
- You pay for dependent care eligible expenses when incurred and then submit a reimbursement claim form or file the claim online.
- You are reimbursed from your FSA. So, you actually pay your expenses with tax-free dollars.

Use It or Lose It...

Federal tax laws require that a Section 125 Plan operate on a "use it or lose it" basis. This means that if you do not use the entire amount available for reimbursement under your Dependent Care Reimbursement FSA for a Plan Year, you will forfeit the unused amount and have no further claim to those monies after the Plan Year (and any run-out period) ends.

Dental Coverage

Administered by : Delta Dental of MN

Eligibility for coverage is based upon employees working for 30+ hours/week.

Big Lake offers supplemental life insurance through New York Life. If you want to enroll or make changes, you may be subject to evidence of insurability provisions. For specific information, go to the staff intranet under Human Resources.

Employee Voluntary Life Insurance

Employees may purchase additional coverage in \$5,000 intervals from \$5,000 to \$500,000. Newly eligible employees can elect up to the Guarantee Issue of \$150,000 without needing evidence of insurability. Employees that are currently enrolled, can elect up to the Guarantee Issue without needing evidence of insurability. Late entrants (those that didn't elect coverage during initial eligibility) can elect coverage but will be subject to Evidence of Insurability on all amounts. Example: Voluntary Life allows current enrollees the opportunity to increase to the GI amount during annual enrollment. Any employee, spouse and child who enrolled during their initial eligibility period can increase coverage up to the guaranteed issue amount during annual enrollment without answering medical questions. This feature is especially important at two points of the employee lifecycle – when first eligible to enroll to lock-in this buy-up feature and during annual enrollment.

Spouse Voluntary Life Insurance

Voluntary Life can be purchased for your spouse in increments of \$5,000 to \$250,000. The amount of life insurance elected for your spouse cannot exceed 50% of the total amount of voluntary life insurance coverage elected by you.

For example, if you have \$100,000 in voluntary life insurance, coverage for your spouse cannot exceed \$50,000.

Child Voluntary Life Insurance

You can enroll in voluntary life for your child(ren).

Option 1: \$5,000. The maximum benefit for a dependent child who is less than 6 months old is \$500.

Option 2: \$10,000. The maximum benefit for a dependent child who is less than 6 month old is \$1,000.

Retirement

RETIREMENT

Teacher's Retirement Assoc. (TRA) is the define-benefit pension plan for Minnesota Teachers.

- Date effective 7/1/2023 through 6/30/2025: employer contribution rate 8.75%, employee deduction rate 7.75%
- Date effective 7/1/2025 and after: employer contribution rate 9.81%, employee deduction rate 8.00%

Public Employer Retirement Assoc. (PERA) is the defined-benefit pension plan for our other employees.

- Employer contribution rate 7.5%; employee deduction rate 6.5%

TAX DEFERRED SAVINGS

For our supplemental retirement plans, the 403(b) and 457 plans, employees may begin contributions at the onset of employment and update the contribution amount on the first payroll of each month. Employees may also begin contributions or change service providers twice annually: the first pay dates in October and February. The due date for payroll changes can be found on the payroll calendar on Staff Hub and is the Tuesday the week before the pay date.

What is a 403(b) Plan?

It is a tax-deferred retirement program that permits an employee to reduce his or her compensation on a pre-tax basis or post-tax (roth) basis (a "deferral") and have the deferral deposited into a 403(b) account that the employee sets up with a 403(b) vendor.

When are my contributions taxed?

Pre-tax amounts deferred into a 403(b) account, and any earnings on those deferrals, are generally not taxed until the employee makes a withdrawal from his or her 403(b) account following separation from service with the District. Please see your financial representative for taxability on post-tax (roth) deferrals and earnings.

How do I know which vendor to use?

The District maintains a list of approved 403(b) vendors. A copy of this list is available on the staff intranet under Human Resources. Employees should contact each vendor for information about the 403(b) products and services it offers.

When are forms due?

Upon hire or to enroll throughout the year, forms can be submitted for the 1st payroll in October and February.

Universal Life with Long-Term Care

Administered by : Trustmark

Financial security even after a loss

Protecting your loved ones is one of life’s greatest responsibilities. When a family loses someone, in addition to grief, survivors may suddenly be faced with costly expenses and debts, and even a loss of income. Universal LifeEvents can help.

Universal LifeEvents provides a higher death benefit during your working years, when your needs and responsibilities are the greatest. (See reverse for more on how Universal LifeEvents works.) You can choose a plan and benefit amount that provides the right protection for you.

Universal LifeEvents insurance can mean those left behind are still able to pursue their own dreams, and help ensure that the ending of one story won’t stop the beginning of another.

Solving the long-term care issue

At any point in your life, you may need long-term care services, which could cost hundreds of dollars per day. Universal LifeEvents includes a long-term care (LTC) benefit that can help pay for these services at any age. This benefit remains at the same level throughout your life, so the full amount is always available when you most need it.

Here’s how it works:

You can collect 4% of your Universal LifeEvents death benefit per month for up to 25 months to help pay for long-term care services.

No medical exams or blood work - just answer a few simple questions.

Flexible features available:

PLUS: if you collect a benefit for LTC, your full death benefit is still available for your beneficiaries, as much as doubling your benefit.

70	\$34.58-\$59.30

Sample rates are shown for illustrative purposes only. Rates may vary by age, smoking status, state, employer and features selected by you and/or by your employer. An application for insurance must be completed to obtain coverage.

Next Steps

Next Steps: How to enroll in your benefits.

Option 1: Self-Serve Enrollment on Employee Navigator

1. Go to www.employeenavigator.com. Click on the “Login” button to get started.
2. If this is your first time, click on the “register as a New User” link. If you have already registered and have your username and password, enter them to log in. If you forgot your password, you can request to reset it. A reset password email will be sent to your email address on file.
3. Your first and last name must match your Big Lake School District employee file. The Company Identifier is BigLakeSchools (leave out the spaces between the words). Your PIN is the last 4 digits of your Social Security Number. Enter your Birth Date in mm/dd/yyyy format. Click the Next button.
4. Your user name is your personal employee email address. We encourage you to save your password. You may need it again to view your benefits or make changes. Check the box to agree with terms of use.
5. After you login click “let’s Begin” to complete any required tasks
6. Once you have completed your tasks, click “start Enrollment” to begin your enrollment

Option 2: Enroll in benefits via assistance from a telephonic appointment with an Enrollment Counselor

1. Use the QR Code provided to the left to schedule your telephonic appointment. Please make sure you are providing an accurate email address and phone number.
2. Prepare for your appointment by reviewing your benefit guide and talking through options with your family.
3. Complete your enrollment: A counselor WILL CALL YOU at your scheduled appointment time to answer your questions and complete the enrollment process. In preparation for your meeting, please be ready to provide or confirm the following:
 - Date of Birth
 - Social Security Number
 - Address and Phone Number
 - Beneficiary Information (for Life Insurance)
 - Dependent Information: Name, DOB & SSN

Notice of Creditable Coverage

Important Notice from Big Lake School District 727 About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Big Lake School District 727 and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Big Lake School District 727 has determined that the prescription drug coverage offered by the medical plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens to Your Current Coverage if You Decide to Join a Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current the Big Lake School District 727 coverage will not be affected. Your current coverage will coordinate with Part D coverage.

If you do decide to join a Medicare drug plan and drop your current the Big Lake School District 727 coverage, be aware that you and your dependents may not be able to get this coverage back.

When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Big Lake School District 727 and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

Annual Notices

For More Information About This Notice or Your Current Prescription Drug Coverage...

Contact the person listed below for further information. **NOTE:** You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Big Lake School District 727 changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage Notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you’re eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren’t eligible for Medicaid or CHIP, you won’t be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2025. Contact your State for more information on eligibility –

Women’s Health & Cancer Rights Act

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women’s Health and Cancer Rights Act of 1998 (“WHCRA”). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under the plan. Therefore, the following deductibles and coinsurance apply:

Plan 1: Advantage Health Plan High Option (Individual: cost level 1: 0% deductible and \$250 deductible, cost level 2: 0% deductible and \$400 deductible, cost level 3: 0% deductible and \$750 deductible, cost level 4: 25% deductible and \$1,500 deductible; Family: cost level 1: 0% deductible and \$500 deductible, cost level 2: 0% deductible and \$800 deductible, cost level 3: 0% deductible and \$1,500 deductible, cost level 4: 25% deductible and \$3,000 deductible)

Plan 2: Advantage Health Plan HSA-Compatible (Individual: cost level 1: 0% deductible and \$1,750 deductible, cost level 2: 0% deductible and \$2,250 deductible, cost level 3: 0% deductible and \$3,250 deductible, cost level 4: 50% deductible and \$4,250 deductible; Per Family member : cost level 1: 0% deductible and \$3,500 deductible, cost level 2: 0% deductible and \$3,750 deductible, cost level 3: 0% deductible and \$5,250 deductible, cost level 4: 50% deductible and \$6,750 deductible; Family: cost level 1: 0% deductible and \$4,000 deductible, cost level 2: 0% deductible and \$4,500 deductible, cost level 3: 0% deductible and \$6,500 deductible, cost level 4: 50% deductible and \$8,500 deductible)

If you would like more information on WHCRA benefits, please call your Plan Administrator at (763) 262-5281 or j.janke@biglakeschools.org.

HIPAA Special Enrollment Rights

Big Lake School District 727 Health Plan Notice of Your HIPAA Special Enrollment Rights

Our records show that you are eligible to participate in the Big Lake School District 727 Health Plan (to actually participate, you must complete an enrollment form and pay part of the premium through payroll deduction).

A federal law called HIPAA requires that we notify you about an important provision in the plan - your right to enroll in the plan under its "special enrollment provision" if you acquire a new dependent, or if you decline coverage under this plan for yourself or an eligible dependent while other coverage is in effect and later lose that other coverage for certain qualifying reasons.

Loss of Other Coverage (Excluding Medicaid or a State Children's Health Insurance Program). If you decline enrollment for yourself or for an eligible dependent (including your spouse) while other health insurance or group health plan coverage is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

Loss of Coverage for Medicaid or a State Children's Health Insurance Program. If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children's health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after your or your dependents' coverage ends under Medicaid or a state children's health insurance program.

New Dependent by Marriage, Birth, Adoption, or Placement for Adoption. If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your new dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

Eligibility for Premium Assistance Under Medicaid or a State Children's Health Insurance Program – If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents' determination of eligibility for such assistance.

To request special enrollment or to obtain more information about the plan's special enrollment provisions, contact Jordan Janke - HR Coordinator at (763) 262-5281 or j.janke@biglakeschools.org.

Important Warning

If you decline enrollment for yourself or for an eligible dependent, you must complete our form to decline coverage. On the form, you are required to state that coverage under another group health plan or other health insurance coverage (including Medicaid or a state children's health insurance program) is the reason for declining enrollment, and you are asked to identify that coverage. If you do not complete the form, you and your dependents will not be entitled to special enrollment rights upon a loss of other coverage as described above, but you will still have special enrollment rights when you have a new dependent by marriage, birth, adoption, or placement for adoption, or by virtue of gaining eligibility for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan, as described above. If you do not gain special enrollment rights upon a loss of other coverage, you cannot enroll yourself or your dependents in the plan at any time other than the plan's annual open enrollment period, unless special enrollment rights apply because of a new dependent by marriage, birth, adoption, or placement for adoption, or by virtue of gaining eligibility for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan.

Notification of Possible Federal Public Service Loan Forgiveness Eligibility (PSLF)

Minnesota Statutes Section 136A. 1792, covers promotion of federal public service loan forgiveness programs. Please be aware that you may be eligible for federal public service loan forgiveness of the remaining balance due on certain federal student loans after you have made 120 qualifying payments on those loans while employed full-time by certain public service employers.

For detailed information including how to monitor your progress toward qualifying for PSLF, read the PSLF Questions and Answers documents at StudentAid.gov/publicservice or contact your federal loan servicer.

Protecting Your Health Information Privacy Rights

Big Lake School District 727 is committed to the privacy of your health information. The administrators of the Big Lake School District 727 Health Plan (the "Plan") use strict privacy standards to protect your health information from unauthorized use or disclosure.

The Plan's policies protecting your privacy rights and your rights under the law are described in the Plan's Notice of Privacy Practices. You may receive a copy of the Notice of Privacy Practices by contacting Jordan Janke - HR Coordinator at (763) 262-5281 or j.janke@biglakeschools.org.

Newborns' and Mothers' Health Protection Act

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

COBRA General Notice

Model General Notice of COBRA Continuation Coverage Rights (For use by single-employer group health plans)

** Continuation Coverage Rights Under COBRA **

Introduction

You're getting this notice because you recently gained coverage under a group health plan (the Plan). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it.** When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan through the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out-of-pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

What is COBRA continuation coverage?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you're an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you're the spouse of an employee, you'll become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Annual Notices

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

When is COBRA continuation coverage available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee; or
- The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. You must provide this notice to: Jordan Janke.

How is COBRA continuation coverage provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage, may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

Disability extension of 18-month period of COBRA continuation coverage

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage.

Second qualifying event extension of 18-month period of continuation coverage

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

Annual Notices

Are there other coverage options besides COBRA Continuation Coverage?

Yes. Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicare, Medicaid, [Children's Health Insurance Program \(CHIP\)](#), or other group health plan coverage options (such as a spouse's plan) through what is called a "special enrollment period." Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov/.

Can I enroll in Medicare instead of COBRA continuation coverage after my group health plan coverage ends?

In general, if you don't enroll in Medicare Part A or B when you are first eligible because you are still employed, after the Medicare initial enrollment period, you have an 8-month special enrollment period¹ to sign up for Medicare Part A or B, beginning on the earlier of

- The month after your employment ends; or
- The month after group health plan coverage based on current employment ends.

If you don't enroll in Medicare and elect COBRA continuation coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect COBRA continuation coverage and later enroll in Medicare Part A or B before the COBRA continuation coverage ends, the Plan may terminate your continuation coverage. However, if Medicare Part A or B is effective on or before the date of the COBRA election, COBRA coverage may not be discontinued on account of Medicare entitlement, even if you enroll in the other part of Medicare after the date of the election of COBRA coverage.

If you are enrolled in both COBRA continuation coverage and Medicare, Medicare will generally pay first (primary payer) and COBRA continuation coverage will pay second. Certain plans may pay as if secondary to Medicare, even if you are not enrolled in Medicare.

If you have questions

Questions concerning your Plan or your COBRA continuation coverage rights should be addressed to the contact or contacts identified below. For more information about your rights under the Employee Retirement Income Security Act (ERISA), including COBRA, the Patient Protection and Affordable Care Act, and other laws affecting group health plans, contact the nearest Regional or District Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit www.dol.gov/ebsa. (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.) For more information about the Marketplace, visit www.healthcare.gov.

Keep your Plan informed of address changes

To protect your family's rights, let the Plan Administrator know about any changes in the addresses of family members. You should also keep a copy, for your records, of any notices you send to the Plan Administrator.
