WHY ISD?

An ISD scholarship unlocks a world of opportunity. For 25 years, we have offered the rigorous and globally-renowned International Baccalaureate curriculum. ISD was the first in Bangladesh to become an IB World School, to offer the International Baccalaureate (IB)'s three flagship programs benefiting its youngest learners through to young adults preparing for college: Primary Years (PYP), Middle Years (MYP) and Diploma (DP).

Also, through our exceptional college counseling service, your child will have access to world-leading universities.

In a first for Bangladesh, your child will also benefit from exciting new partnerships with Barça Football Camp and Rohit Sharma's Cric Kingdom cricket academy.

ISD has also joined forces with US college Carnegie Mellon University, world leader in robotic education, which is already benefiting learners throughout our school.
