Bulldog Stadium

Bulldog Stadium

Bulldog Stadium

Technology Initiative

- 1:1 devices districtwide
 - *A 1:1 initiative is to put a device into the hands of each and every student during school hours. These plans are usually a few years in the making, involve technology and teacher oversight committees and detailed roll out plans.*
- Fiber optics connectivity
- Robust infrastructure to handle all “traffic” at each campus
- Improved access points

Safety and Security Initiative

- Modifying hardware on classroom and egress doors
- Additional security cameras
- Additional card reader hardware
- Impact resistant glass
