

Logo Elements Explained

Forest, River, and Lake

Symbolizing the natural beauty of our county and the large tracts of wilderness which have provided both natural resources and world renowned tourism destinations, as seen in past logos

Three Peaks/Trinity Alps

The three distinctive peaks of the Trinity Alps, the mountain range which gave our county its name

Three Peaks Woven Pattern

A traditional design used by the tribes of our county, representing local native knowledge and culture

Lamp of Knowledge

A traditional symbol of education and knowledge, our lamp is a working lantern in tribute to our counties origins in the various trades, labor, and exploration

Book of Education

A symbol of our continuing work in education and our vision for life-long learning passed from generation to generation

Official Name/Seal Border

The name of our Office, printed in the Noto Serif Capitals, a serif font chosen for its visual continuity to previous logos
