A Holiday Message and District Update from the Superintendent

As we approach the holiday season and the close of another calendar year, I would like to extend my sincere thanks to our students, families, staff, and community members for your continued partnership and support of the Lewiston-Porter Central School District.

This time of year offers an opportunity not only to celebrate but also to reflect on the many positive developments across our district.

Celebrating Student Achievement and the Arts

Our holiday concert season has once again been a tremendous success, showcasing the talent, dedication, and hard work of our students and the outstanding educators in our K-12 Music Department. From elementary performances to middle and high school ensembles, these concerts brought our community together. The concerts exemplify the importance of arts education as a cornerstone of a well-rounded learning experience. We are incredibly proud of our students and grateful to our music faculty for the joy they bring to our schools and community.

District-Wide Programs and Student Support

Across all grade levels, our schools continue to focus on strong instruction, student engagement, and well-being. We remain committed to providing meaningful academic opportunities and student academic support, and creating safe, inclusive learning environments where every student can grow and succeed. This work is made possible through the collaboration of our dedicated staff and the ongoing support of our families and community partners.

Capital Project Update – Investing in Our Future

We continue to make progress on our \$11.15 million capital improvement project, a significant investment in our facilities and student-athletic opportunities. We are pleased to share that bids for the solar component of the project came in most favorably. This portion of the project will help reduce long-term energy costs while supporting our commitment to environmental responsibility.

As a result of a robust bidding process across the entire project scope, we are now planning Phase III of this work. This next phase will build upon the improvements already completed and ensure our facilities continue to meet the needs of students, staff, and the broader community for years to come. Additional details will be shared as plans are finalized and presented to the Board of Education.

Looking Ahead

As we enter the holiday recess, we are grateful for the collective efforts that make Lewiston-Porter such a strong and vibrant school community. The partnership between our schools, families, and community remains essential to everything we do, and we look forward to continuing this important work together in the New Year.

On behalf of the Board of Education and the entire Lewiston-Porter Central School District, I wish you a very Merry Christmas, happy holidays, and a healthy, peaceful, and prosperous New Year. School resumes on Monday, 1/5. The school district is open during winter recess, and we do have practices and athletic contests. A reminder that many 12-month administrators, clerical staff, buildings and grounds employees use the recess period for their vacation time.

With gratitude and warm wishes

Go Lancers,

Paul J. Casseri
Superintendent of Schools
