
ADMINISTRATIVE REGULATIONS**CUR-17****SECTION: Curriculum****SUBJECT: Alcohol or Drug Related Offenses: Agreed
Upon Procedures****03-19-12
Page 1 of 2**

1. All students committing alcohol or drug related offenses shall be expelled and/or placed at the Alternative Education School for the number of academic days specified in CUR-16, Guidelines for Assessing Consequences Related to Tobacco, Alcohol, or Drug Related Offenses.
2. Students committing alcohol or drug related offenses shall be required to participate in substance abuse counseling at the Alternative Education School.
3. Counseling will be available at the Alternative Education School for parents of all students committing drug or alcohol offenses.
4. Students committing alcohol or drug related offenses involving distribution shall be prohibited from driving on district property and shall be suspended from attending or participating in extracurricular activities for the greater of 90 consecutive academic days or a period of time specified in an expulsion order.
5. Students who commit a serious act or offense while under the influence of alcohol or drugs, or possesses, uses, or is under the influence of alcohol or drugs shall be suspended from driving on campus or participating in extracurricular activities for:
 - A. 90 consecutive academic days or;
 - B. 30 consecutive academic days if followed by 60 consecutive academic days during which the student participates in mandatory drug testing.
 - Factors that may be used in determining “under the influence” include time, substance, behavior, admission. A student “under the influence” need not be legally intoxicated to trigger disciplinary action.
6. Sponsors of extracurricular activities have authority to develop and enforce higher standards of student behavior in accordance with Board Policy FNC (Local) and FO (Local). Student participation in mandatory drug testing does not establish a student’s right to participate in extracurricular activities.
7. Mandatory drug testing shall occur at the direction of the administration.
8. To be eligible to participate in mandatory drug testing the student and/or the student’s parent(s) or guardian(s) must complete a Mandatory Drug Testing Agreement Form provided by the district.
9. A student participating in mandatory drug testing who refuses to be drug tested as directed shall be prohibited from driving on district property and suspended
