BE A PART OF THE 4th GRADE CHORUS, BAND, OR ORCHESTRA!

We will be fitting students for instruments to play in band or orchestra next year. Band, Chorus, and Orchestra are not required classes, but are excellent and rewarding opportunities for 4th grade students to take part in. The district requires that all third grade students be fitted for an instrument, regardless of if they intend on playing an instrument in 4th grade.

Although we select instruments mainly based on a student's interest and performance when fitting instruments, there are a few factors we take into consideration when making the final decision of recommending an instrument for your child. **PLEASE scan the QR code below to fill out the digital student information form.** Here you will rank your child's top three instrument choices. In most cases, students will be placed on their first choice instrument, however, there are instances in which we may recommend a second or third choice instead. Families will receive verification of their child's recommended instrument prior to the last week in June.

You may also complete the back of this hard copy and return with your student if you cannot fill it out electronically.

If you are in financial need – please reach out to your music teacher or school principal.
 Any child who wishes to play an instrument will have the opportunity to play an instrument.

The district requires that an adult must fill this form out electronically or on paper even if your child is not interested in participating in chorus, band or orchestra.
