

We are happy to share February school break Magic Camp information from Iroquois alum Magician David Black! Register by January 16th and use code RedHawkEP50 to get \$50 off. Ages are 8-12 for the camp.

Magician David Black will make a donation to the Elma Primary PTO for each child that registers using the code!

WINTER MAGIC CAMP

February 16th - 20th 2026

9am - 3pm

Extraordinary Fun that makes great kids appear!

Amazing Kids Magic Camp is a winter break experience like no other. Making new friends, playing games, enjoying live shows, and learning magic are just the tip of the iceberg. Campers will develop skills and abilities that help them excel for the rest of the school year (and beyond).

Held at Nativity Lutheran Church in East Aurora

Amazing Kids Magic Camp is designed for kids aged 8 through 12 years. They will learn how to cut a lady in half, give their friends superhero powers, and make invisible objects appear in a magic pencil pouch, just to name a few. During the week, students will not only learn 8 secret principles that make all magic tricks possible; more importantly, they will discover the real secrets to becoming a true magician as each lesson reveals a valuable habit to help build their confidence and communication skills.

Register by January 16, 2026 and use code **RedHawkEP50** to receive a \$50 discount off tuition.
