Break on Through to the Other Side

"The secret of education is respecting the pupil."

-Ralph Waldo Emerson

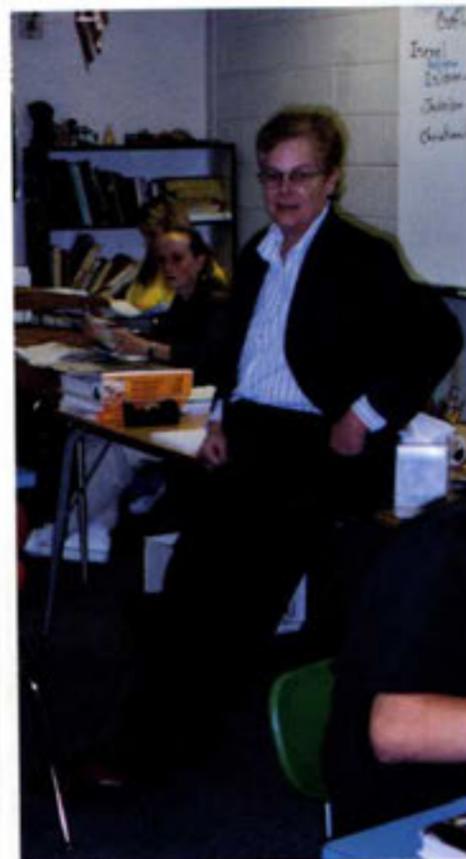

During the summer of 1999 the editors of this year's Rambler staff united at Pacific Lutheran University for Josten's annual yearbook camp. During their time at camp they were able to come up with the theme of the book for this year as well as design the cover. The actual painting of the cover was done by Jon McIntyre, former North Thurston graduate. The image was painted on the **legal** wall in downtown Olympia. The theme of the 1999-2000 Rambler is "break on through to the other side" based on a song by the 1960's band The Doors. It symbolizes the class of 2000 breaking through into the next millennium.

and realized that by starting us a little early, or a little late, their child could be part of the first class of the new millennium. It was important, even then. Our generation has carried a tremendous weight on our shoulders. Growing up we have always been aware that people were watching us, and counting on us to set an example for others. Because of this huge feeling of responsibility, we have strived to become dedicated and well-rounded students, set goals for ourselves, and become the people that later generations can look up to. We realize that our actions today will determine the outcomes of tomorrow.

This year the senior

class has been the greatest to ever come out of North Thurston. We are active involved students who want the best for our school and community. We are all different people who are able to get along and learn from each other. Being the class of the new millennium has united us in a very special way. We realize what an impact we can have on the world, and have high hopes of what we will accomplish. We've had tons of fun, and made friendships that we will never forget. It is finally the year 2000, the time that we thought would never come, and we still have the world at our fingertips. **Congratulations, WE MADE IT!!**

"Graffiti is a big part of this town's culture, and no one realizes it." Jon McIntyre, right. Jeff Springer, left, was speechless. "Thanks for the paint." Jon McIntyre.

Mrs. Smith in her freshman World Cultures class.

What do you think about Mrs. Smith?

"Mrs. Smith is a really neat teacher. She lets you voice your opinion."
-Nikki Bushue, 12.

"Mrs. Smith hasn't changed a bit, she was a great teacher and a great cross country coach."
-Mr. Benson History teacher.

"At first Mrs. Smith is a little intimidating but then she turns out to be a great teacher"
-Lisa McElwee, 11.

"Mrs. Smith has a gruff exterior but one of the biggest hearts at North Thurston."
-Mr. Basset, English teacher.

"She put up with a lot of my trouble"
-Colin Thompson, 11.

"She is a very caring person and tries to see the best in everyone."
-Mrs. Ditrich, History teacher.

This year's Rambler staff dedicates the 1999-2000 yearbook to Mrs. Sheri Smith. We believe that Mrs. Smith has been one of the most influential teachers at North Thurston. Most of us were able to have her as a World Cultures teacher as a freshman and then again as seniors in Psychology. Mrs. Smith began teaching in 1968 and in 1973 she began teaching PE at North Thurston. Mrs. Smith has taught a number of subjects including PE, Health, Pacific Northwest History, US History and currently teaches World Cultures and Psychology. She has also been involved in many activities including girls' track coach and cheer-leading advisor. Everyone who has had Mrs. Smith has loved her. We dedicate this yearbook to the wonderful Mrs. Sheri Smith. She will be missed when she decides to *break on through to the other side* and retire from teaching. Thank you so much for everything Mrs. Smith, you are the greatest!

LEADERS OF THE HERD

"Live the life, you're given"

Live the life,
you're given
Don't throw it away
You're somebody
Believe it,
know it
live it
Take it to the fullest
Think happy thoughts
You're not a mistake
Go out into the world
And demand your place
In the human race

-Sam Trocny

"When we borrowed Aaron Biggler's truck." -Mark Green.

"The smoke shows in the parking lot." -Jason Rundle.

"Being on Rally Squad." -Carlisa Jones.

"The Newman's party at the arena." -Mark Perea.

LOOKING BACK

What do you remember most of your time at North Thurston High School?

"The day Jenny Hodus and I learned how to use chainsaws." - Brooke Daye.

"Marching with Julianna and Annemarie." -Haley Joy Watson.

"Freshman year, when Matt Mills stuck an aluminum gum wrapper in the electric plug in the desk in Mr. Cummings class and it blew up." -Sara Powell.

"The day I met Vito Mortillaro." -Alex Little.

"The adopt-a-family projects." -Alyssa Stewart.

"Having good clean fun with my friends on Friday night." -Matt Murdock.

What We Think

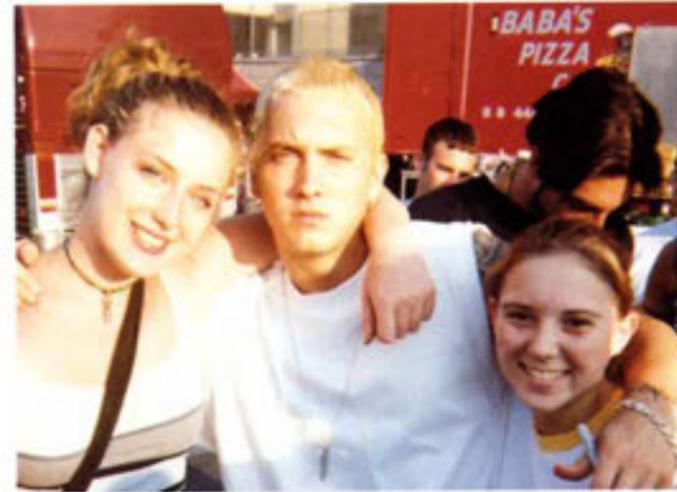

They say high school is tough. I think it's fun. It's where we make lifelong friends. Where we meet our first lovers. It's a whole little world of it's own. A place where we learn not only about equations and formulas, but about the bigger picture. About life and the world we live in. In high school, we're exposed to all kinds of people. All kinds of races and backgrounds. We recognize what makes each of us different. And with open minds, accept and appreciate that which makes each of us unique. They say high school is tough. I think it's fun.

This year's yearbook staff strived to represent the entire school as a whole, not just select groups. Every person has their own individual sense of style, which otherwise

may be overlooked. Fashion is all about self ex-

pression, and

shouldn't determine the kind of person you are or how you are judged.

EXPRESS YOURSELF

There are approximately 1600 students attending North Thurston, each one with their own individual qualities. With so many different types of people in one place, it's interesting to see all the different and creative ways that people express themselves. For instance, some of us are gifted with a pencil and can draw a very detailed masterpiece such as Matt Perkins while others write deep poetry like Sam Treouy. Some of us get tattoos and piercings like Noelle Kappert, while others become skilled at trick bike riding like Aaron Kaylor. All and all we are a very diverse student body and it shows.

Jillian Andrews and friends get a little silly at a going away party for Stacy Jurss.

Aaron Kaylor expresses himself not only through his appearance, but also his bike riding.

Flowers are one of the most popular tattoos here at NTHS as displayed on Marie Alkire's back.

Matt Perkins captures the essence of a musician's life.

Apparently the sun rises on Noelle Kappert's back.

Nicole at different times has had her eyebrow, lip, tongue, and labret pierced.

Tattoos are a popular form of expression, as displayed by Willy Frank.

Q:How do you express yourself?

A: Danny Neitzelt-

"I dance and do performing arts. I'm in *The Miracle Worker* and will be dancing at the Miss Washington Pageant and in Disneyland."

Chris Fenstermaker-

"I don't intentionally in everyday life, but I do act." He's been in *The Crucible*, *Diary of Anne Frank*, and *The Miracle Worker*.

Miriam Rendon-

"I volunteer at the fire department."

Jamie Kvaternik-

"I run. Once I ran a marathon because I was mad."

Leadership was made up of a creative and diverse group of seniors. They worked hard on all of the school activities and pep assemblies. This year's leadership class wanted to make a mark since we are the class of 2000. We wish leadership the best for years to come.

Working hard guys?

Mrs. Duval is making sure everything runs smoothly in the leadership class.

I Want To Be Like . . .

Megan Cramer: "My idol is my mom, she is the perfect mom. She is completely selfless and always puts her children first. I love her and I hope I can be as good of a mom as she is."

Andrew Johnston: "Somebody I look up to is Bill Romenowski from the Denver Broncos. He's the best linebacker in the NFL and he never stops working hard."

Robert Grandins: "Casey Keller, he's the greatest goal keeper in the world, and he came from North Thurston."

Who do Juniors look up to?

Lisa McElwee: "I admire and look up to my Grandpa Jim. He is smart and has been very successful in life. I hope to be like him when I am older."

Annamarie Power: "Dennis Jones, he's a good role model and he's always there if you need someone to talk to."

Jackie's grandpa

Maura's mom

Jackie Diercks: "My grandpa is a great man and I can look up to him because he's been through so many things."

Elliot Marsh: "Warren Miller, he gets paid to ski and make movies."

PLANES TRAINS AND AUTOMOBILES

Nathan Steinman prefers man power.

When I was young I had to walk a mile to school everyday.

Matt says this baby can get up to 20 m.p.h. on the green.

There are many forms of transportation at North Thurston High School. Driving, riding the bus, carpooling and even mom are most commonly used, but among the others are skateboarding, biking and walking. Some drivers at North Thurston don't abide by certain rules in the parking lot, get ticketed and soon after are forced to find other means of transportation. Some freshman have found out the hard way, not to walk to lunch near puddles or else they run immediate risk of a total body drench by passing upperclassmen. They will appreciate their cars even more though after this experience, until they realize the price of gas.

Becky and Stephany chat while they wait for mom.

20⁰⁰ TIME 2000 CAPSULE!

"I would put Cherry Coke in the time capsule because we might not have it ten or twenty years from now."
-Nikki Bushue

"I put a computer in the year-book time capsule because computers play a large role in education and now the future."
-Kyle Thaut

"In a few years we won't be using regular CDs we'll be using mini CDs."
-Misty White

"RSVP pens are a fad at North Thurston. I would put one in the time capsule so future students can see what the alumni used to write with when they went here."
-Crystal Zink

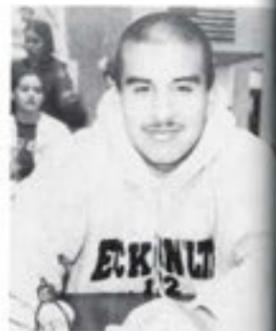

"I chose the twinkie because I wondered if it would last long enough to be found again."
-Jason Anderson

The annual staff asked several students what they would put in the time capsule for our high school's 2000 school year. We have proven worthy of the expectations that have been put upon us. We're the generation of the millenium and it is only once in 1000 years that anyone gets that chance. We should share pieces of our past so future generations can understand and we can remember the good times. Time capsules are a fun way to reminisce 20 years down the road. Here are some of the things students wanted to put in our millenium time capsule.

"I would put my wakeboard in the time capsule because someday it could become the #1 sport in America."
-Crystal Zink

"I would put this bottle of visine in the time capsule because I have allergies. It gets the red out."
-Willie Frank

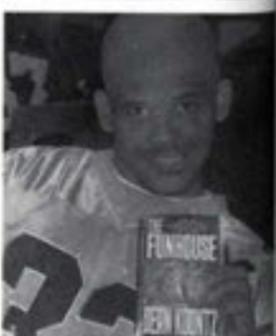

"Cameras are always changing. They are becoming better and easier to use."
-Nicole Larsen

"I chose a magazine for the time capsule because I spent many Rams Read periods looking at all the 'purty' pictures, and besides - Reading is fundamental."
-Tim Lease

"I would put my favorite book in the capsule. The title of the book is *The Funhouse*."
-Cameron Sadler

"I love how he always comes on time for dinner."
-Athena Griffin

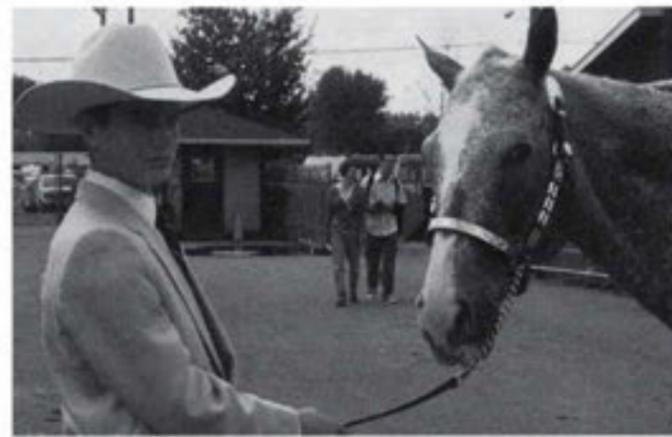

"I would eat it, but it's too hairy."
-Jacob Heitzmann

"My ferret is cute and cuddly. I love him a lot."
-Amy Hobbs

Who's Really Your Best Friend?

"I know my horse is the best thing in my life."
-Josh Hayward

"I like my llamas very much. They can run fast and they are very smart."
-Matt Skillings

Pets are important in the lives of many. Studies suggest that pets help prolong the lives of their owners. The students at our school have a wide variety of pets. Ranging from cats to llamas, and we would like to share with you the love and appreciation these students have for their pets.

"I love my cat, her name is Goldie."
-Annie Gjertson

"My goats are cool. They are really furry."
-Evan Hamilton

"My dog is weird. He's afraid of the vaccum cord."
-Casey McClanahan

We Are Family

Jenny and Beth Norris are seniors and are eight minutes apart. Beth, the younger of the two, says the best thing about being a twin is that she is never alone.

Brittany and Justin Winders are six minutes apart while their sister Belinda is one year younger. The thing the twins hate most is when people ask them if they are identical!

Seniors Ann and Grace Miley are 45 minutes apart. Grace, the youngest, says that their bond as twins is growing.

Brotherly Love! The Wilkenson family, senior Mike, junior Curtis, and freshman Philip, all dressed up. Philip says that he looks up to his older brother for support.

Family is an important part of North Thurston. Now a days there are many different kinds of families. There isn't just the traditional mother, father, and children. There are step parents, step children, and half siblings. What is the definition of family anyway? Twins are a rare thing. It is something special. We at NT have four pairs. Siblings! What a word. We love to hate them. Always remember: Be nice to your siblings. They are the closest link to your past and the ones most likely to stick with you in the future! Family doesn't just have to be your blood relatives, it's people that you care about.

The Patchin twins are two minutes apart. Both Kristen and Stephanie are glad that they had each other when they first moved to Washington.

2+2=4: Mr. and Mrs. Moench, both math teachers, have two children here at NTHS, senior Andy and freshman Shaudelle.

The Gylys' junior Paul and freshman Laura helping their mother Kim enter absences into the computer.

Say ah! Our nurse Liz Huston with her son, senior Nick Vonneudegg.

Show Me The Money \$\$\$

Smoking or non? Junior Michelle Reif hostessing at Sharie's Restaurant.

Work is an essential part of life. A lot of the people in school make time to work. Some work during the school day through D.O., while others work after school. Although work isn't always fun, it is a form of preparation for the future. You'd be amazed at what you can learn by flipping burgers! Yeah, like how not to!

Paper or plastic? Senior Sean Burke bagging groceries at the Hawk's Prairie Safeway.

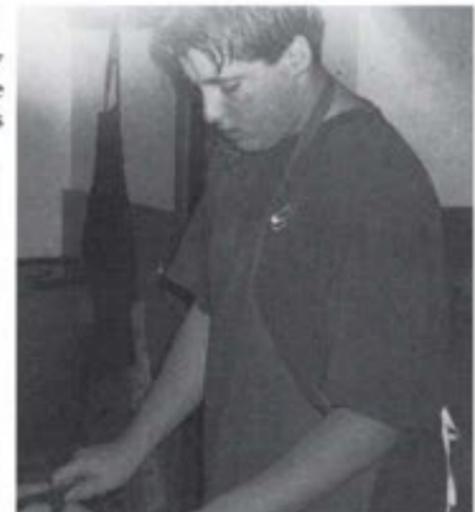

Sophomore Andrew Gates feeding pigs at Dob's Creek farm in Olympia.

Seniors Clint Lemay and Jason Rundle busy making pizzas at Brewery City.

Senior Callie Bishop takes a break from her job at Farmer's Market to take a pic.

Junior Chris Rohloff is preparing a meal for a customer at the China Clipper Restaurant.

What do you want to do when you grow up?

"I'm interested in broadcasting." -Heather Barnes, 10.

"Med School is going to be tough but I'd like to be a brain surgeon." - Jacob Cundy, 9.

"I want to be an architect." -Stephanie Foglia, 9.

"I'm going to be a pro-skateboarder." -Matt Gibeau, 9.

"I'm interested in psychology." - Amber Lafreniere, 9.

"I want to be an orthopedic surgeon." -Shane Whisler, 10.

"I'd either like to be a cancer researcher or an actress." - Melissa Hepburn, 9.

"I would take the city bus to McDonald's and then go shopping at the dollar store. Then I'd play Heads-Up Seven Up, then send her home." - Ryan Larson

"Seven girls and myself going to the rodeo, dinner at McDonald's where I'd buy them whatever they want (as long as all they want is water)." - Aaron Bigler

"My idea of the perfect date would be dinner at your favorite restaurant, a scary movie, then a drive to a surprise place, just for the two of you." - Debbie Kagy

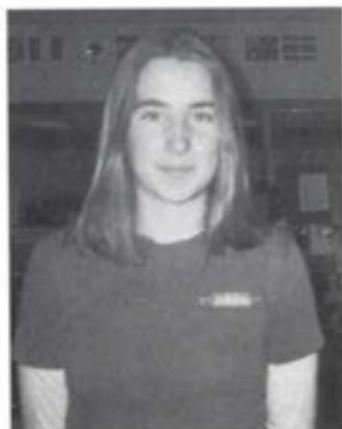

Sophomores on Dating

What is your idea of a Perfect Date? What would you do? Where would you go?

"First, I'd take my fly honey to Micky D's where we would dine on #1's, super sized, cause I ain't cheap. Then we would go to my house to watch cartoons." - Brian Burmester

"I would like to go hiking or biking up at Mt. Rainier." - Leah Terhune

"My perfect date would be a carnival on a warm summer night. We'd play games, have ice-cream, and ride the ferris wheel last. The night would then conclude with a quiet, peaceful walk in a park or beach."

EVERYONE HAS A HERO...

"I would meet James Bond or Elizabeth Hurley."
-Andrew Petre, Sophomore

"I would meet Kurt Cobain."
-Carly Wimer, Freshman

"I would meet Frank Sinatra because he's really cool."
-Darby Moeller, Sophomore

If you had the chance to meet anyone, past or present, real or fictional who would it be?

"If I could meet anyone, it would be Martin Luther King, Jr."
-Nick Ferguson, Junior

"I would meet Gummo, he's my idol."
-Matt Jenkinson, Senior

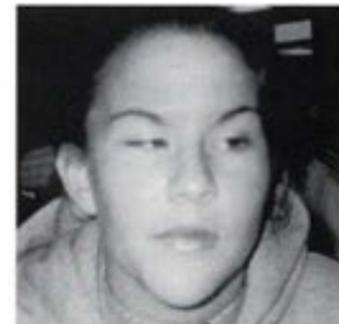

"I would meet Joseph Fiennes or Garth Brooks."
-Crystal Madera, Senior

"I would meet Jet Lee or Pamela Anderson."
-Matt Jung, Senior

"If I could meet anyone, it would be Lucille Ball."
-Julie Saville, Junior

"I would meet Edward Scissorhands."
-Samantha Dennis, Sophomore

"I would meet Josh Eagen's mom!"
-Curtis Buschor, Freshman

Rams Getting Involved

"I'm a volunteer at the Lacey Timberland Library. At last year's Grand Re-opening Party, I was dressed up as Liz Lizard from the Magic School Bus series to entertain the kids. I greeted them and ran the hourly drawings for toy lizards. I couldn't talk, only pantomime, and the costume was hot, but it was fun! One little kid (Ben McCarty's youngest brother) grabbed my thumb and drug me around the library for about half an hour." - Laura J. Bartholomew.

"The best thing about volunteering is helping people who are less fortunate than myself." - Julianna Smith.

Julie Olson works on the pediatric floor and she enjoys working with the children.

Nicole Larsen loves meeting new people.

"I decided to volunteer at the animal shelter because I wanted to give something back to the community. Volunteering is a lot of fun. At the shelter I clean cages, groom the animals, answer people's questions and assist the workers. The thing I like most about volunteering is helping people find a new pet to love and give a good home. Helping the animals find good homes makes me feel very happy." - Ericka Larsen.

The program I volunteer for is called "Safe Area For Everyone" (S.A.F.E.) which helps teens stay drug and violent free. I decided to join so I could help the community understand the consequences of drug use and violence and show them that that's not what's going to solve their problems, but only make them worse. As a part of the program, we listen to speakers who have a history of drug use or were once involved with violence. The youth were the ones who encouraged me to be a part of this program. I would like to thank S.A.F.E. for letting me get involved with the community as a group." - William Rios.

"Last summer I decided to volunteer at Madigen Army Medical Center, Red Cross (M.A.M.E). I volunteered for about two months or 300 hours, the most obtained by any other teen volunteer. I worked in an office in the Department of Medicine. I did tons of data updates and answered the phone. I also worked in the Neonatal Intensive Care Unit stocking rooms, folding baby clothes, and entering data in the computers. I wanted to volunteer so I could help people and hopefully make their lives a bit easier." - Leslie Pierce

David Clark- "A lot of people stay at school and I can't drive."

Shannon Zech & Carly Wimer- "School, we can't drive."

Amanda Squires- "School, I'm too lazy and don't feel like driving."

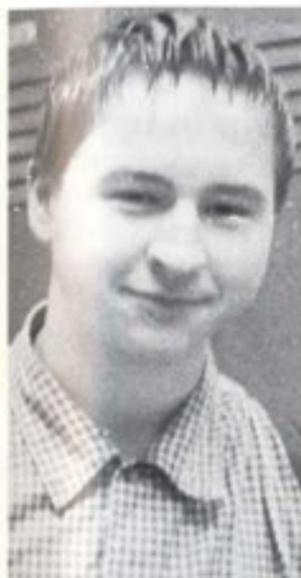

Dionna Dausener- "On the stairs, it's too noisy in the commons."

Kelsie Pattillo- "Every Wednesday I go to Taco Bell for 39 cent bean & cheese burritos."

Which do you prefer?
Cafeteria
or
Out To Lunch

Chris Bierman- "School, I don't have enough money to go out."

Nicole D'Abreu- "I would rather go out, but I don't drive so I bring my own lunch."

Meg Stuart- "AM/PM, it's better than the school."

Tatiana Selhorn- "I prefer to go out since I don't really like school lunches."

Crystal Zink- "Bagel Brothers, it's healthy and good."

"I volunteer at Faith Assembly of Lacey, and I help the pre-schoolers with their Sunday school crafts, songs and lessons. I volunteer because it's fun and it helps out my church, which is very important to me. I have volunteered for about two and a half years in the pre-school class." - Ben Thorne.

CHANCE OF A LIFETIME

Some of you have had the opportunity to meet Mrs. Norma Becchio this year in your Spanish class or just in the halls. Mrs. Becchio was an exchange teacher from Rafaela, Argentina. She had the chance to exchange classes with Mrs. Backman first semester through the Fulbright Exchange Program. Mrs. Becchio feels it

is important as an English teacher in Argentina, to have experienced an English culture. By doing this she will give an authentic English perspective to her students back home. When Mrs. Becchio first arrived in Washington she was very pleased with the beautiful scenery, green parks and laid back teaching environ-

ment. Mrs. Becchio was asked, if she could meet someone dead or alive, who would it be and why? She replied, "Ghandi, because he fought in a peaceful way, and was a very humble yet important person." Her favorite food is pasta and she greatly enjoys music and her five-year-old daughter.

Mrs. Becchio and her daughter, Camila, are enjoying a boatride in Argentina.

FAR AND AWAY

~Thurston Students Explore Germany & Spain in 1999~

Every year thousands of people travel to far and away countries. Last year two groups from NTHS went to Europe. One group went to Spain over spring break. Mrs. Backman guided 10 students through the Spanish speaking country. The group visited many

cities such as Madrid, Sevilla, and Grenada on their eleven day trip. The other group went to Germany right before school ended. They stayed with families in Kirchhain for two weeks. Then Frau Kiolet took them to Munich and then to Berlin for a week.

The students' time in Germany opened their minds to culture, food, and education. Many students are planning to return to visit their host families. Both trips were a chance of a lifetime and we should all be thankful that such trips are possible.

Frau Kiolet found yet another museum.

What a nice scenery shot.

Below: George, Melanie, Stephanie, Jacquie, Jacob and Lynell in Hard Rock Cafe, Berlin.

Above: Yet another picture taken of the German trip students at the exact same spot at the exact same time.

The one and only picture of Stephanie's true identity.

Below: Spain trip students gather for a picture in front of the Catedral de Sevilla.

The Culture Club

Radka Brenneravo is from Bratislava, Slovakia. Her favorite food is pizza and her first impression of the US was positive, due to the people and fun atmosphere. She came to learn more about the culture and the language.

Ana Domingez is one of the students from Mexico. She came here to learn more English and the culture. Tennis, soccer and basketball are the sports she likes to play.

Natalie Percsy is from Munich, Germany. She likes Chinese food, watching movies and hanging around with friends. She's been to the states twice before and thinks its pretty cool.

Edith Lemire is from Quebec, Canada. Her life wouldn't be complete without lasagna, volleyball, movies, shopping and old 60's and 70's music.

Alejandra Garza is from Saltillo, Mexico. She thinks people in Olympia are friendly which is why she likes being here. Playing basketball, listening to music, watching movies and playing cards are things she likes to do in her spare time.

Matin Takac is from Banska Bystrica, Slovakia. He came to America to get to know new people, learn more about the culture, improve his English and to see if he could live one year without his family.

Katrina Kroll is from Munster, Germany. Dancing, socializing and watching football games is what she likes to do in her spare time. To her, everything is bigger here (classes, streets, etc.).

There Is Something For You

Many sports such as snowboarding, skateboarding, motocross and inline skating have become increasingly popular in the past couple of years. They have affected the lifestyles of many teens today. From the clothes they wear to the food they eat are all influenced by these sports. It seems like some of these "alternative" sports have become almost, if not, as big as some of the traditional sports like football, basketball, and baseball among people across the country. "Alternative" sports are a chance for people who aren't interested in traditional sports to find something they like to do. For some of these sports it takes tremendous practice and skill to excel and a lot of these athletes aren't recognized for what they do. This is a chance for everyone see them do their thing.

Sophomore Scott Kirkeby has been playing hockey for 8 years. His dominating skills have earned him a spot on the Tacoma Rockets Association. He will play teams from Utah, Arizona, California, New Mexico and Texas from September to March. Traveling to all these states, will be a great opportunity for him as a hockey player and as a

person. Scott is a great hockey player and has a bright future ahead of him.

Following the introduction of the new league, the girls swim team proved a worthy opponent. With an incredible 7 - 1 season. They lead cross-town rivals, Timberline and River Ridge, into the district swimming and diving championship with 20 entered swimmers and one diver; then 9 swimmers were sent into the finals meet in which the top 12 swimmers met once again for awards and a spot in the newspaper. Sophomore Brittany Herrington was the only state qualifier but held the number two position in the Individual Medley and finished sixth in the 500.

Can You Dig It?

This year our varsity team went 20 and 9 in league. They ended up third under Black Hills and Shelton. Then they redeemed themselves at Sub-Districts with a 2-0 win over Black Hills to gain Sub-District champions and first seed going into Districts. The team had a close bond that grew all season. Beth Warner said, "I love how we can laugh together and make the worst situation fun. We're a really close group."

ORDER IN THE COURT!

This year the NTHS Boys Tennis team finished off their season by becoming the Lacey Champions with the best win/loss record of the area. Senior Matt Reus remained undefeated for the entire season with a record of 16-0, and Sophomore Jon Brodin also had a great record of 14-2. Later in the year, we sent two double teams to districts in the spring which is something no other school did. Also, Matt Reus and Jon Brodin teamed up together for state. This season the boys tennis team pulled together and performed really well. Gnarly job guys!

Ending on a High Note

What an *amazing* way to end Coach Dunn's years of coaching the fantastic lady rams. This year's team was a team like no other. Each player added something to the team both on and off the field. With this outstanding blend of enthusiastic soccer players both old and new, the team had an outstanding season with a 7 win 3 tie record. Their outstanding dedication and team-work paid off when they placed 2nd and made the state playoffs for the first time in Coach Dunn's ten years of coaching. Way to go girls & great coaching Coach Dunn! Among this talented group of athletic soccer stars seven girls were chosen to play on the all league team. Congratulations: Jessica Pierpoint, Jamie Aldridge, AJ Renaud, Haley Beach, Kristy Huwitt, Sarah Nelson and Neang Ross.

Don't give up Laura, you're almost there!

LIFE ON THE GRID IRON

Go! Rams! Go!
Another season of
exciting, action
packed Rams
football.

Football is a sport of extreme physical ability and talent. In this sport only the stongest survive and they will rule the field. This year's varsity squad was the best of the best and they did rule the field.

With

outstanding catches by Jake Kirkwood, inspirational running by Alex Pittelkau and phenominal play by everyone on the team helped the Rams win the league championship. This was not an easy path to go down with injuries and some hurtful loses but the team still pulled through and made it to the playoffs. After a draw between Tumwater, Timberline and us, we got the worst pick out of the three. With this pick, the players were a little disgruntled but were optimistic about the thoughtmaking it to state. They went out and played

their hardest and tried to make the best out of the situation. Even though we didn't make it to the state championships, this season was the start of a new era of Ram football at North Thurston. Great job guys!

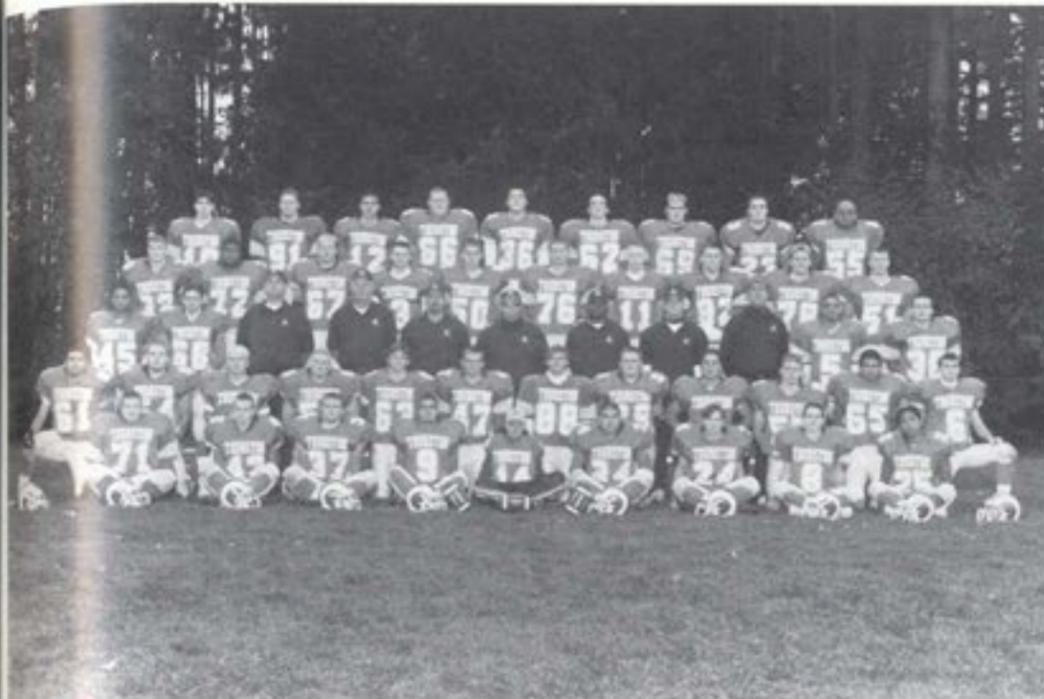

Come on guys, almost there.

Alex Pittelkau on the run!

Thanks for a great season Rams!!!

No Strings Attached

Mr. Sears observes his class, and is impressed with his students.

Mr. Sears second period orchestra class is an exciting place to be, students seem to enjoy his teaching.

Orchestra 1999-2000

Orchestra class is a great experience for the students here at North Thurston. The students are very diverse and very talented.

North Thurston High School Orchestra makes up a large part of North Thurston's performing arts department. The students in Orchestra are recognized for their talents during and outside of performance. NTHS has turned out well in many different competitions and will hopefully turn out well in many more for years to come.

The quality of the orchestra is made up, by a large part, of the outstanding quality of the students, who are very gifted and diverse. The senior students are very impressed with Mr. Sears teaching ability, and greatly appreciate his help.

"Orchestra has been wonderful! I would like to thank Matt Jung for the constant help! Matt & Mark, you are Gods at your instruments!"
-Matt Reus

Here a group of NTHS orchestra students practice together in the commons. "All part of the daily routine," said the students.

"I feel lucky to have had the opportunity to work with both Mr. Edlund and Mr. Sears throughout my highschool career." -Kim Voiles

Choir 1999-2000

The primary focus of the **Girl's Chorus** is to develop the fundamental skills necessary for good choral singing. The girls this year displayed a desire and ability to grow musically. Consequently, they enjoyed the successful concerts throughout the year. They also perform at large group and solo ensemble concerts.

The **Concert Chorale** faced the challenge of replacing a particularly strong group of graduating seniors. With enthusiasm and hard work, the Chorale quickly developed into a quality singing ensemble. The Chorale had a number of school concerts throughout the year. They also perform at District music competitions. This year, the Chorale will perform at the prestigious "Best in the Northwest" Choral Festival at the University of Portland.

The **Jazz Choir** is a highly select ensemble that performs many programs throughout the Lacey/Olympia area. They are one of the main ambassadors of the school, and provide quality entertainment to our community. The Jazz Choir also competes at the solo and ensemble contests, and hopes to be selected again this year to compete at the State ensemble contest. -Mr. Poff

RAMS WRESTLING FEDERATION

The North Thurston Wrestlers began their season strong in single competition, but not able to pull out wins due to forfeits. Injuries also have held up the team. Matt McKibben started off the season with a broken leg which kept him from wrestling until the end of December. Justin Winders was also out with a sprained ankle for three weeks. Once the team became healthy and had more experience they ended the season in a high state of mind. During the beginning of the each season the wrestlers host a camp called Kid Wrestling. The wrestling team teaches elementary students moves. At the Rams first home match the kids had their own matches to show of the moves they had learned. This gave them the chance to see how it feels to be on the mat in front of a crowd. Good luck to the little ones and congratulations to our own Rams for a great season.

Something in the Water ?!?

North Thurston races to beat the clock. Every single one of the swimmers are dedicated to the sport.

David Olson flies off the block, trying to outstart the other swimmers.

What is that in the water?!? It's no shark, it's a North Thurston High School swimmer, and boy are they fast this year! Coach Casey Alex had contributed a lot and the NTHS Swim Team is doing great. They hope to place themselves in the halls of North Thurston history.

~ Hang Time ~

The 1999-2000 Varsity Boys Basketball season should be a good one. We have five returning lettermen and four players up from the Junior Varsity team. Entering a new league for the first time (the PAC 9) is always exciting and I'm sure that this league will be one of the most competitive in the state. The PAC 9 will send four teams to the SW District tournament and we feel like we should be one of those teams. The SW District sends three teams to the State Tournament in Seattle and again, we like our chances of being a state tournament team. Way to go Rams!

When we come to a game, we note all of the spirit that our school shows. We hear the cheerleaders cheer, the players get pumped up for their success, the smell of the concession stand cooking. Even with all of these distractions, we are not phased. We come to dance and that is what we are going to do. It is all part of what makes this school, NTHS. So we have the power to win. North Thurston's drama department puts on at least three productions each year directed by Katherine Deneen. The first of this years performances was a play written by William Gibson, The Miracle Worker.

The Miracle Worker tells the story of young Hellen Keller and her desperate struggle to communicate with others, being that she was born blind and deaf. As a last hope, her family requests the help of Annie Sullivan, a partially blind teacher for disabled children. With time and effort, Annie succeeds in helping Hellen to be able to communicate with others.

North Thurston's drama department's future looks bright with a cast and crew consisting of many new and talented sophomores.

STEPPING INTO A NEW BEGINNING

To Our Daughter Tamika Holmes,

It's wonderful realizing a dream knowing that the little girl who once filled our life with joy and our hearts with love, has grown into a special woman.

I hope you know how proud we are of you. The choices you've made, the goals you've accomplished, and the respect that you've won. May God bless you and keep you happy.

Love,
Mom and Dad

Anastasia: The little blossom who illuminated us with the meaning of our lives.

Shane,

We are proud of all that you have accomplished, you are a great kid. You will always be successful in whatever you choose to pursue. Keep it up and you will never fail.

Love,
Mom and Dad

A bright future begins with a misty morning.

Rachel,

I am very proud of you and who you have become. I have been very blessed to be your mother and your friend. Remember what I've taught you as you venture through life. Hold on to your beliefs and morals for all eternity. Take all that you've become, to be all that you can be. Soar above the clouds and let your dreams set you free.

Love,
Mom

You are a terrific kid! Brother... son and all around good guy.

*Remember that overnight success usually takes about fifteen years.

*Don't leave car keys in the ignition.

*Arrive at work early and stay beyond quitting time.

*When facing a difficult task, act as though it is impossible to fail. If you're going after Moby Dick, take along the tartar sauce.

*Leave everything a little better than you found it.

*Remember to count your blessings.

We love you so very much.

Congratulations Kai on your graduation day And welcome to this New Dimension of your new life on the way!

It doesn't seem that long ago, you were our little baby boy with Alia age 3 & myself at age 6- you became our favorite toy!

Dressing you up in mom's make-up was how we got our joys

In straw hats & wigs, fake diamond rings
-dress & high heeled shoes
Little dance shows & the songs you'd compose
-you were the best performer we knew!

Sooo...you started to grow up and with our Luck -
Pay backs ended up being a blank!
Snakes in the Car -
Spiders let out of the Jar & Kai,
Those darn Bombs Really Stank!

Wow, You're 17 now & Holy Cow -
A North Thurston Graduate TOO!

You know that Alia, and I and mom and dad... are really proud of you!

In all honesty Kai- You're one of the greatest guys we know
Your brilliant mind & you're one of a kind sharp sense of humor flow

Your patience when teaching and aggression when competing -A perfect combination for success-

Your eagerness to learn & acceptance of change Will make you that much better than the rest.

Man - We Love you!

Congratulations, Heather!

Dear Fezzie-

Even in kindergarten, you had a strong sense of yourself - just look at the outfit! It's one of our favorite pictures because it's so You - sweetly gentle, confident & wise beyond your years. Back then, the year 2000 seemed a million worlds away. We are "big much" proud of the person you've become & wish you God's very best in the years ahead. "In all your ways acknowledge Him, and He will direct your paths."

Love you,
Mom & Dad!

Monica,

It seems like only yesterday you were a wide eyed little girl heading off for her very first day of school. And somehow...almost magically... between then and now, that little girl has grown into a beautiful young woman!

With love and pride on your graduation day and always... for a beautiful daughter, sister and friend!

Erin,

We have enjoyed watching you grow more than we can say. We cherish your yesterdays, and we look forward to sharing your tomorrows. You have been a gift, and a joy. Love, Forever, Mom & Dad

As you look back through the last eighteen years,

and the joyous path it has been-

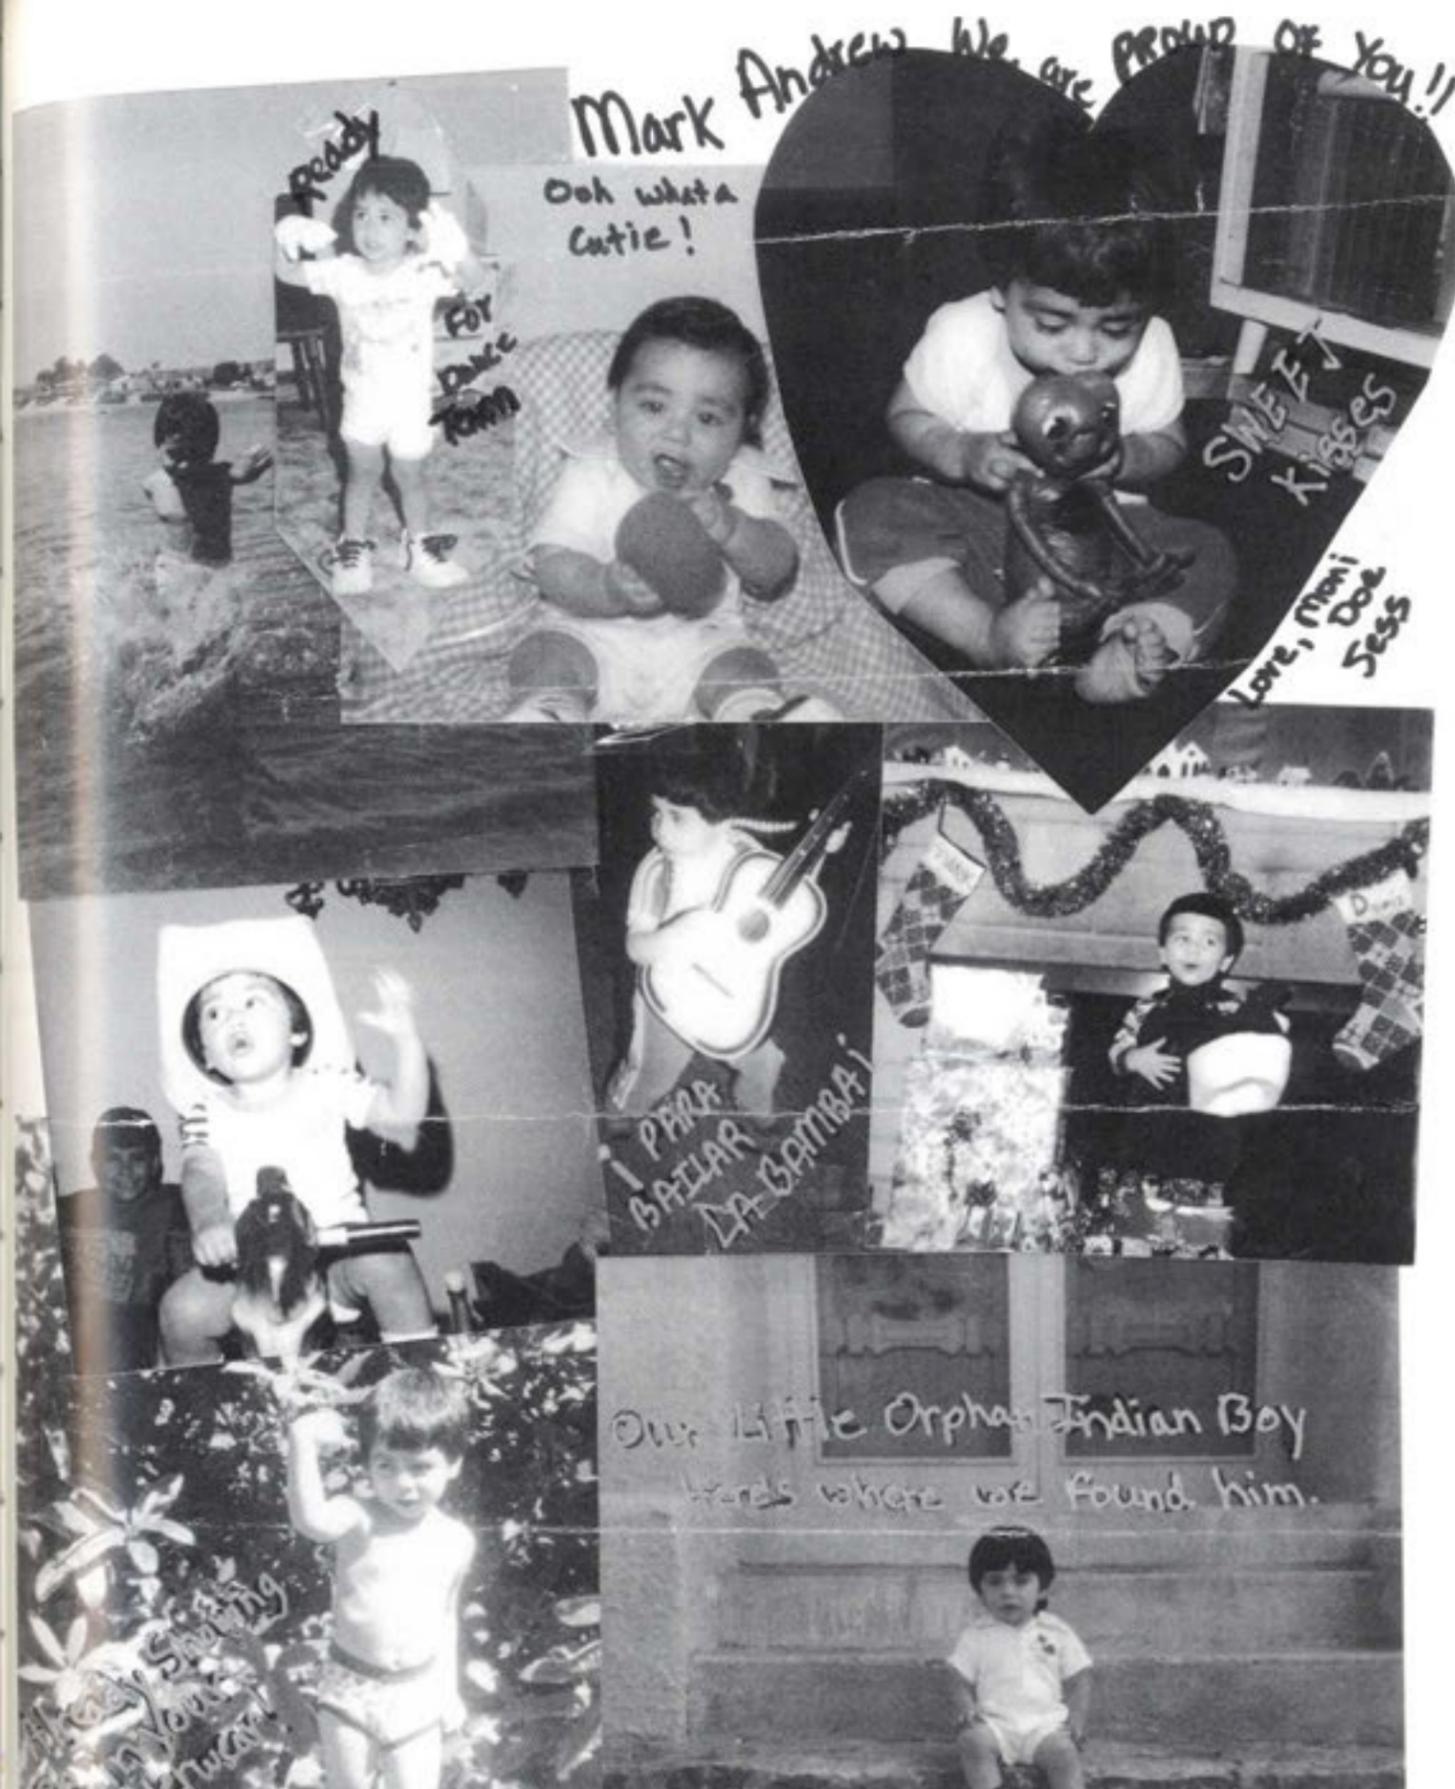

Look forward into the future,
as you journey through the millennium.

Miriam,

You're one of the most loyal, honest, compassionate people we know
and we're very proud to call you our daughter. We love you very much;
great things will come your way. Congratulations, class of 2000!

P.S. Michael and Meagan are proud of you too!

Dear Erica,

Congratulations on all
your achievements. We are
All proud of you and wish
you continued success.

Love,

Dad, Mary Ellen,

Reid and Kosta

It only seems like yesterday that we were taking you off to kindergarten and here you are a grown young man, graduating from high school. Your journey so far has not been without challenges but you have succeeded in spite of your setbacks. We are so proud of you, Cameron. Your future ahead is bright and we know you will succeed at whatever you put your mind to. Know that your family...

will always be here for you, Cam. Much love and happiness to you in your future. Congratulations!

Today Justin and Brittany are still required to wear their crash helmets when operating a motor vehicle. You used your head then, we hope you use your head in the future.

Congradulations, Love Dad and Linda

Congratulations James!

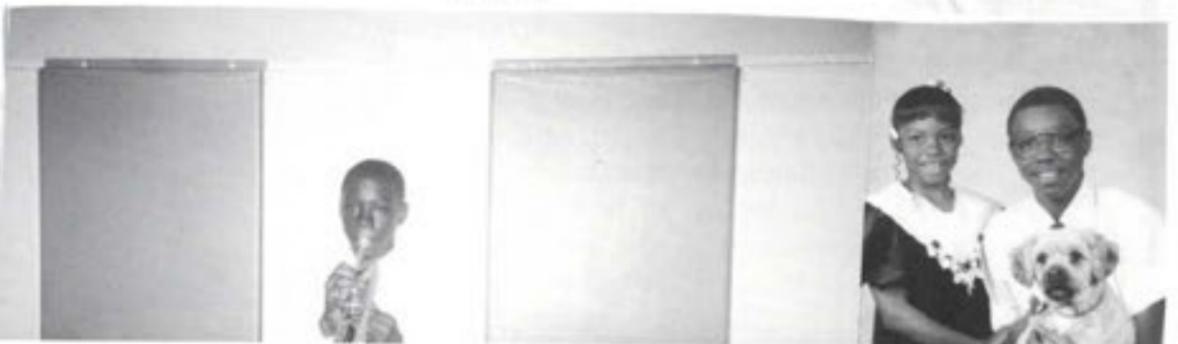

The years have gone by so quickly. It seems like yesterday you were just a little boy full of energy and enthusiasm. Now you're a young man with many accomplishments to look back on and an array of exciting possibilities and accomplishments to look forward to. As you journey through life, continue to have faith in God. Your faith in God will sustain you through the good and bad times. James, remember that the price of success is hard work and dedication.

We are so proud of you. You've come a long way and you have a long way to go. "The Lord will keep you from all harm; He will preserve your soul." —Psalm 121:7.

To Our Son Willie:

The day you were born, our family was complete; the circle was formed. You have grown into manhood with grace. You are a strong, brave, handsome man who is kind and gentle and very clear about who you are. We never worry that you will make bad choices because your heart is so strong and pure. We love your sense of what is right and wrong in this world, your belief in social justice and the fact that you have the strength of your ...

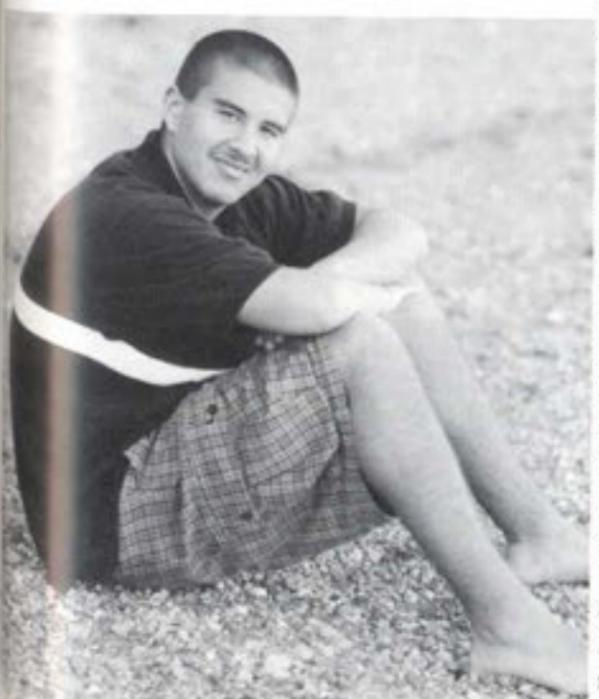

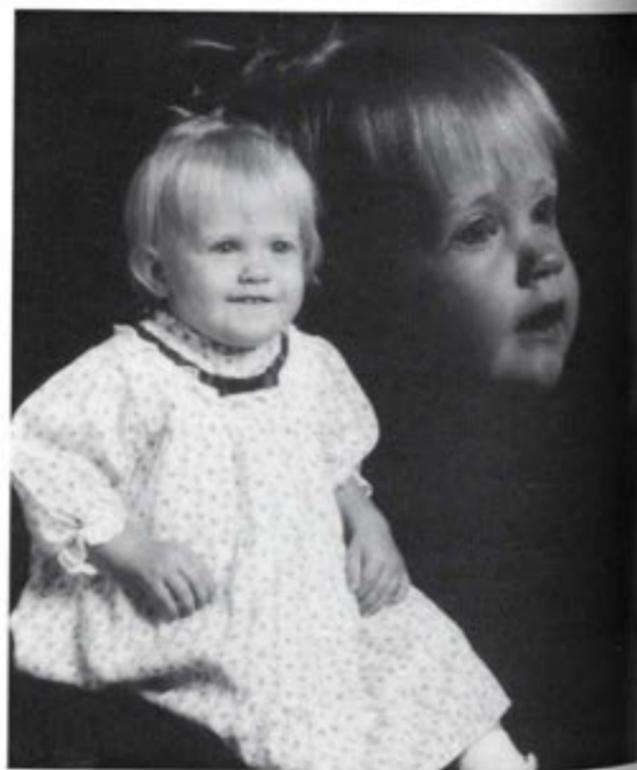

...convictions. You have taught us every day of your life about what is truly important. And you have brought your wonderful friends into our lives and we have built a family with all of them: Joe, Levi, Kai, Ryan, Matt, Mark, Angel, Brandon, Mike, Nicki, Joey and so many others. One of your greatest gifts is your ability to be a true and loyal friend.

We love you all the way to the ends of the universe and back again...

VARENA; 2000

Yesterday is but a dream.
Tomorrow, a vision of hope.
Look to this day for Life.
CHERISH TODAY!

Chelsie,

From early on you had four wheels and were always on the go, always with big sis by your side. The two of you have come so far and done so well, we just wanted you both to know how proud we are and always will be. Remember to always follow your dreams and **BELIEVE** in yourself, that way you know you can't go wrong!!!

Love Always,
Mom & Dad

Stephanie -

From Kindergarten through High School you have earned our pride and respect.

Congratulations!

Love,

Mom & Dad

Jacque-

Congratulations! We are so proud of you and all your accomplishments throughout your high school years. Can't believe our baby-bear of five children is so grown up. We love you and know that...

...you will be successful in all that you do!

Love

Mom

&

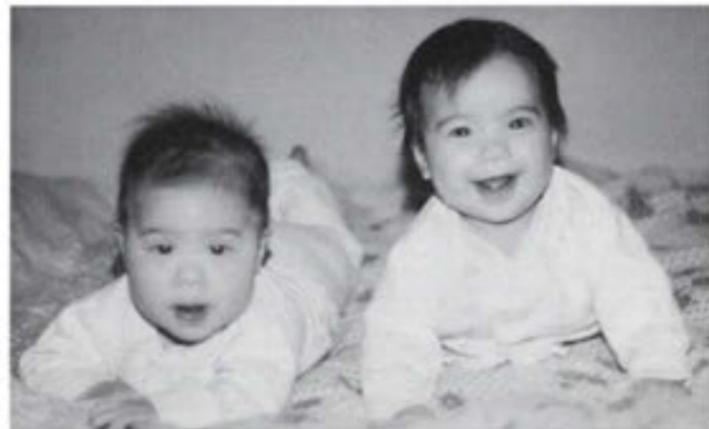

Dad

Beth,

You fill our lives with joy each and every day. We are so proud of you and hope the future will bring you happiness.

Love Always,
Mom & Dad

Dear Grace,

May aunty remind you who helped you from biting your nails when you really wanted to quit? That's right, our Father in heaven. Don't forget how special and precious you are in God's eyes and mine. Please observe proverb 4:23 for the rest of your life, "Above all else, guard your heart, for it is the wellspring of life." May God protect you from the Evil always.

Love,
Da-Niang

Dear Ann,

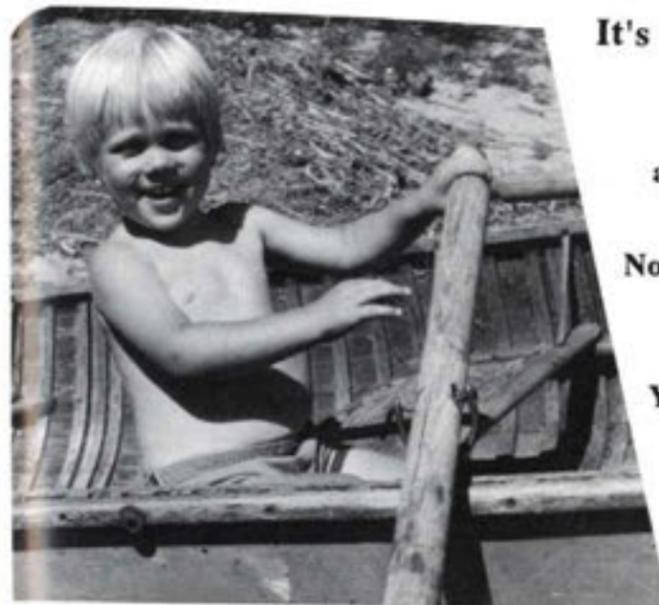

I still remember the time when you took the first sip of grape juice. That look on your little face, it still makes me laugh today. Thank you for bringing so much joy and meaning into my life.

Can't believe time goes so fast.

May I share proverb 3:3-6 with you, "Let not mercy and truth forsake you; Bind them around your neck. Write them on the tablet of your heart. And so find favor and high esteem in the sight of God and man. Trust in the Lord with all your heart and lean not on your own understanding; In all your ways acknowledge Him, And He shall direct your path."

Be faithful to Him who loves you so much. May our Father in heaven guide you - my little angel, for the rest of your life. Your only and favorite Aunt,

Da-Naing

It's been quite a voyage!

You've explored
and achieved much.

Now . . . with your sights
on the horizon,

Your adventure

has just
begun!

Congratulations!

To my LITTLE brother:

Who's all grown up, I am so proud of you. My job is done, and all I have to say now is: I taught you well!

With all my , your littler sis =)

*Love,
Mom & Dad*

John,

When you were young, you showed great promise. Many times it was a struggle, but with your determination and tenacity you hung in there. First, you crawled, then walked and now you can run. The opportunities of the future are yours for the taking. Our hope for you is that you live your life doing what you love, keeping your integrity and always remembering that we support you.

"Oh, the places you will go, the people you will meet, will forever help you grow as a man!"

All our love and support,

Mom, Dad, Debbie and
the Cats

Steven,

People are unreasonable, illogical and self-centered.

Love them anyway.

If you do good, people will accuse you of selfish, ulterior motives.

Do good anyway.

If you are successful, you will win false friends and true enemies.

Succeed anyway.

The good you do today will be forgotten tomorrow.

Do good anyway.

Honesty and frankness make you vulnerable.

Be honest and frank anyway.

The biggest people with the biggest ideas can be shot down by the smallest people with the smallest minds.

Think big anyway.

People favor underdogs but follow only top dogs.

Fight for the underdog anyway.

What you spend years building maybe destroyed overnight.

Build anyway.

People really need help, but may attack you if you help them.

Help people anyway.

Give the world the best you've got and you'll get kicked in the teeth.

Give the world the best you've got anyway.

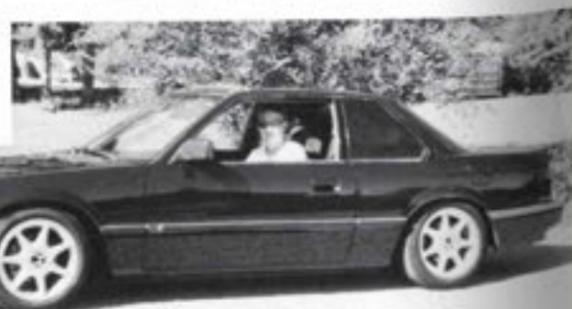

You may have to die for following and serving God.

Serve and follow anyway.

Son, we are very proud of you.

Love,

Dad, Mom, Sylvia and Shape'l

Jeff Skewis

This Millenium has been full of learning, laughing and loving.

Here's to even more fun during the next Millenium!

Love you lots!

Mom and Dad

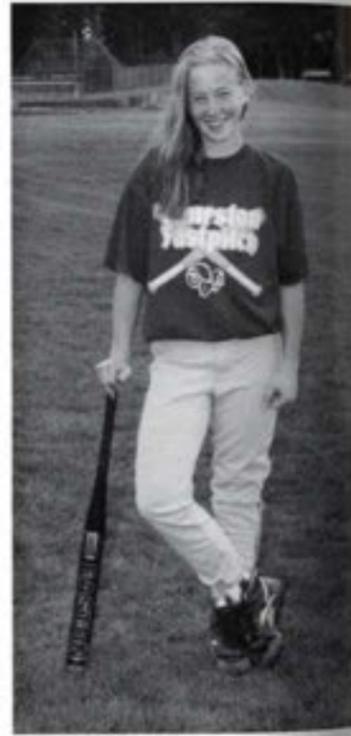

Congratulations Jonathan

As you strive towards your dreams of happiness and success, always remember that you are one of our dreams of happiness and success come true.

*Love,
Mom and Dad*

Proud, Dedicated, Intelligent

Melissa,

So far in your journey through life we have been able to support you in your achievements. When you took your first step we caught you before you fell, when you hit your first ball we were there to run with you to first base. We are proud of your ability to achieve anything you desire and know this desire will guide you as you continue down the path of life and accomplish your dreams. We are proud to have such a loving, caring and thoughtful daughter.

Love you,
Mom and Dad

I've been with you in good times and bad. We've done well together. Keep succeeding, have fun, give it your all, don't let anything stand in your way.

Love You,
Scott

Leslie,

Where to begin? Every year you continue to amaze us! You walked at 8 months and talked up a storm before you were a year old. Each stage has brought us so much joy, watching you grow into a beautiful young woman and accomplish great things.

We hardly know where to look next!

As you go out into the big world...remember, dear daughter, we will always be here for you. We take pride in being your parents and wish you much success in all that you aim for. So, take a deep breath, step up to the line and go for it!

You'll never know if you don't go...you'll never shine if you don't glow!

Love,
Dad, Mom and Rick

Evan,

Congratulations on your graduation! Another milestone on your life journey! As you explore more of what life has to offer, I know you will continue to find success wherever you go and whatever you do. Even though your hair is red, purple, blue or yellow and you have pierced holes in your tongue and lip, I am very, very proud of you, I and thankful you are my son, and I will always be here for you no matter what, my little angel.

Love, Mom

Matthew-

"The future is not a result of choice among alternative paths offered by the present, but a place that is created first in mind and will, created next in activity. The future is not some place we are going to, but one we are creating. The paths are not to be found, but made, and the activity of making them changes both the maker and the destination."

Keep creating, Keep shining, Keep reaching for the stars! We love you!

Your Family

Jeff.

From the first time we saw your face you gave us all joy and happiness. Your blonde hair and brown eyes melted our hearts.

You always love to go on family outings and were and still are a natural hiker!

As the years went by we watched you grow taller, stronger and more mature. Your love of the outdoors grew with you.

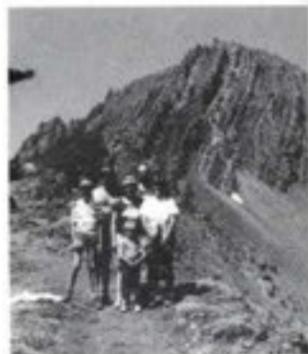

You have become a responsible, compassionate, kind and loving person. We are so proud to call you son, brother uncle and friend.

The years have gone too fast. As you get ready to graduate, we wish you health, happiness and success in all that you do. **We Love You!**

For the past eighteen years you have kept us entertained and have filled lives with love, laughter and plenty of challenges...Now you're graduating and moving on. And we know success will follow you as you follow your dreams so....

Go out and chase your dreams, spread your wings...and soar.

Congratulations we love you,
Mom, George, Jense & Justin

Life is full of ups and downs, but always know we are proud of you, and love you very much! Congratulation! Love, Mom and Dad and your family in Maine and Michigan.

Melanie,

It is hard to believe that my little girl is almost all grown up now. You have blossomed into a strong beautiful young woman. With all the positive strengths you hold, the path to your future is yours to choose. I am very proud of you.

Love,

Mom

D. J. Taylor

He used to listen to country music! We love you and are proud of you. You are a great son!

Mom & Dad

Tarell, aka: Pebbly Pooh, Smelly Tar...! What a gift you are! There simply isn't enough space to list everything you have done and accomplished that make us so proud of you. You have grown into a wonderful adult. Thank you for being our daughter.

Love,

Mom & Dad

Go forth into the world to share the gift of you.

All our Love,

Each year the annual staff works long, hard hours both during and after school to bring you, the student body, a book containing all your high school memories. This year's staff was amazing; filled with so many ambitious and creative minds. Everyone involved

had something to add to the class and the book. But none of this could have happened without

the fantastic support and leadership of Mrs. Winiecki and cooperation of Mr. Horn.

RIGHT: Lacey Collins is lookin' good and workin' hard.

Special thanks to Mr. Horn for all his cooperation and contributions to this year's yearbook.

The whole gang gathers together for one last picture.

Julianna and Melissa get creative while designing their layout.

Mrs. Winiecki is always hard at work helping and caring for her students.

LEFT: Kelsie Pattillo: GERMAN "We watch lots of cartoons, eat German food and go on field trips that relate things to German speaking countries."

LEFT: Talra Walton: DRAMA "You get to help backstage on plays. At meetings we always play lots of fun games and all the members are really nice."

ABOVE: Colin McPike: FILM "We watch movies and get ideas for making movies. It's very social and interactive."

ABOVE: Jane Bowman: VICA "We meet at night instead of during school. We also compete with other schools and win medals or scholarships."

BELOW: Megan McCormack: FFA "We wear Wranglers!!"

ABOVE: Haley Watson: KEY "We get to go help out others in the community"

BELOW: Vivian Merker: KNOWLEDGE BOWL "We get to compete with other schools in academic contests. If we're lucky Mrs. Larson gives us food."

ABOVE: Tina Fortuna: HONOR SOCIETY "They make us get involved in the community and it's the only club that you have to be selected for in order to join."

ABOVE: Suzanne Hamilton: FASHION "We include all styles in fashion shows and don't exclude anyone."

Looking for a club? There are plenty here at North Thurston from outdoor to fashion and everything in between. Clubs are a great high school activity. They add enjoyment, help you meet new people, look good on an application and get you out of second period. Each club is unique and fascinating in it's own way so we asked students...

"What makes your club different from all the others?"

LEFT: Rebecca Kramer: BIBLE "It's a place where we can get to know new people and help others."

LEFT: Laura Libby: INTERACT "It makes you feel good about yourself knowing that you've helped others."

ABOVE: Nikki Bushue: STUDENT SENATE "We get to totally say what goes on and change things around the school. -We can make things happen!-"

LEFT: Savannah Taylor: SPANISH "We go on fun trips. We went to La Taqueria and we're going to Oregon for Cinco de Mayo."

LEFT: Nichole Priest: AMNESTY INTERNATIONAL "We have a very unique and diverse group of people. We also help people throughout the world and in the US for humane causes."

ABOVE: Golf is a game of concentration, Beth Norris shows this as she prepares to putt on the 17th hole.

BELOW: Grace, Marie and Beth get a few last words of encouragement before the big game.

Fore! Watch out these girls are on fire. What began as a 3 girl team in '97 has tripled to 9 players in '00. The girls golf team had an outstanding season with a record of 7-1 and finished 2nd in the new Pac-9 League. Many players advanced on to post season playoffs. "I couldn't have been more proud of my girls team. In a sport known for its individual emphasis, they played and won as a team," said Coach Raben.

Top players this year were Seniors Grace Miley, Beth and Jenny Norris, and freshmen new comer Shannon Zech. Juniors Marie Diaz, Deanna Green, and Kelley Thompson had great scores to help the team to victory. Senior Lacey Kay and freshmen Jennifer Richardson both first year golfers show much improvement. Great job girls! Special thanks to the coach, John Raben, for his enthusiasm and hard work. Farewell to the Seniors (Lacey, Beth, Jenny, and Grace), and good luck to the players in the future.

BELOW: Lacey and Beth showing us how golf is played, or maybe not?

The boys golf team had an awesome season with a record of 3-5. A great improvement from last year. Top players on the team were Ricky Ray leading medalist, with an average of 39, also Adam Williams qualified for state and took 3rd in Districts, averaging low 40's. John McAslin was our long ball hitter and always came through in clutch situations. Dustin Doughty came in most of the year with some great scores averaging mid 40's, and John Strader, 4-year letterman, averaged low 40's.

What was your favorite part of being on the golf team?

"I liked meeting all the new girls and getting to practice."
-Jennifer Richardson

"I would have to say my favorite part of golf is putting."
-Ricky Ray

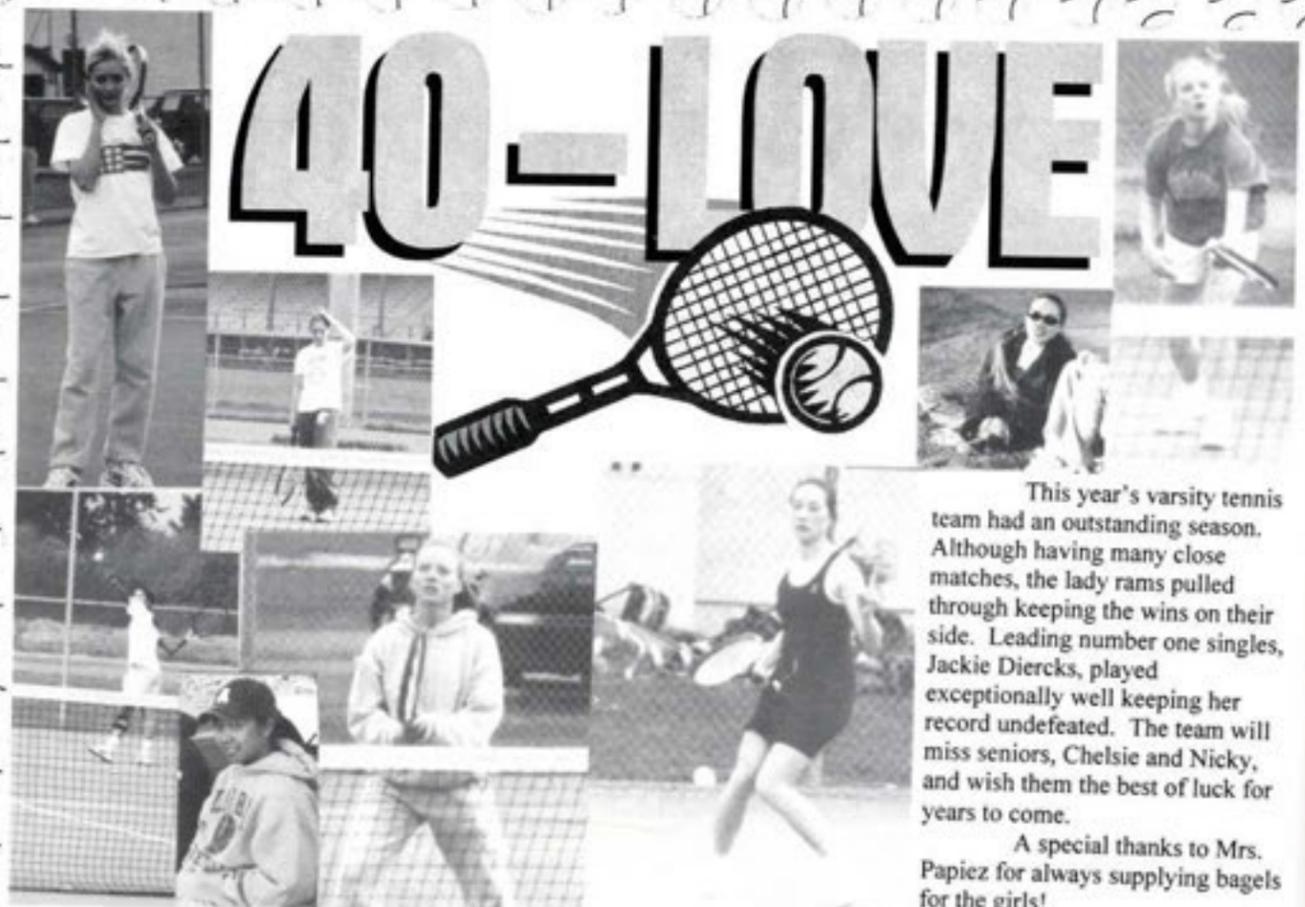

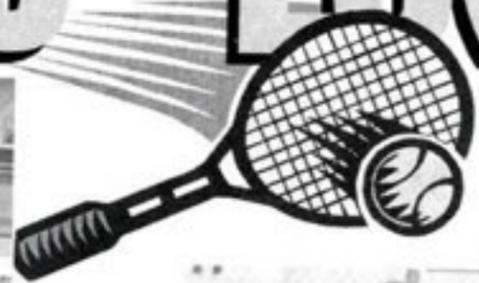

"My favorite part of golf was playing with my friends."

This year's varsity tennis team had an outstanding season. Although having many close matches, the lady rams pulled through keeping the wins on their side. Leading number one singles, Jackie Diercks, played exceptionally well keeping her record undefeated. The team will miss seniors, Chelsie and Nicky, and wish them the best of luck for years to come.

A special thanks to Mrs. Papiez for always supplying bagels for the girls!

A League of Their Own

Tiffany Willis (above) gives the look.

Mr. Benson (left) and Kelsie Giffin (right).

Pam Stevens and Jennifer Deyette are taking a moment to pose for the camera.

The North Thurston Rams Fastpitch team went into the season as the team to beat and they came out the same way. The new Pac-9 league was new but the Lady Rams success was not. Last season the lady rams finished 7th in state and only three seniors graduated. With an

experienced varsity team the team has been expected to go as far as the have. With the addition of the new assistant varsity coach Mr. Myers the rams have excelled greatly. With seniors, Tiffany Willis, Ann Grabler, Melanie Potter, Marie Fluke, Nikki Bushue and Melissa Kirkeby all

being veteran varsity players and five more underclassmen being multiple year varsity players the rams are very comfortable playing together. The Rams finished the season going into districts earning 2nd place in the Pac-9 league and a wish to take it all the way.

Jennifer bears down and concentrates on the next pitch.

Ann Grabler likes to jump around in the field like ballet.

The JV team has had a great season despite their size. This year there was a shortage of girls so there wasn't a C-Team. So all the girls stayed together for a fun and exciting season with great sportsmanship.

The Ram Varsity team psychin' themselves up before a game.

Our boys soccer teams ended a great season of soccer. With varsity having 10 wins, 3 losses and 3 ties; JV with 13 wins, 2 losses and 1 tie; and last, but not least, C team with 11 wins, 3 losses and 1 tie. Each team worked their very hardest to get to where they are now. At each practice and game we were all there trying our hardest and working as teams. I would also like to thank Coach Dunn, Coach Ramsey and Coach Caldwell. Without them this would not be possible. **GOOD JOB RAMS!!**

By Jonathan Santiago

"It was rewarding at the Centralia game to see the 'team' finally start playing as a team." Coach Dunn, Varsity

Track Season 2000

This year the Rams have ended their season with many outstanding performances. For starters, the Lady Tracksters clinched the Pac 9 title, while the boys ended a hard fought season. There were many personal records set throughout the season by everyone on the team. Good luck to all the Rams in their 2001 season!

Let's Play Ball!!!

The NTHS Varsity Baseball team of 2000 has come a long way this year. The boys worked hard and accomplished a lot by winning the first Pac-9 Baseball Championship in NTHS history. The record was 13-3. The team had a lot of fun, and the season was an all out success!

Varsity: Top Row-Jeff Burmester, Ryan Mc Neil, Coach Stoneberg, Coach Traynor, Doug Kramer, and Jake Kirkwood. Middle Row-John Andrade, Zack Fluke, Clay Warren, Brian Peterson, Loren Bell, Brian Burmester, and Ryan Zoller. Bottom Row-Joey Swanson, John Ngo, and Tim Jordan.

About the season:

"I will never forget when I hit a game winning long ball against South K. It was one of the best feelings!"

-J. Burmester

"We had a great team this year, so we were able to go really far! OTB!"

-John Ngo

"This has been my best year, and it was a great accomplishment being the Pac-9 Champs!"

-Doug Kramer

Coach Traynor gives Zack Fluke a pep talk before the big game.

Senior Jake Kirkwood plays flawlessly as the game begins to get exciting.

Clay Warren patiently waits for the ball.

Jeff Burmester getting psyched as he steps up to the plate.

Baseball~2000

J.V.: Top Row-Coach Rubadue, Chad Erickson, Dustin Ibarra, Matt Helland, Evan Zander, Brent Murphy, John Mc Calsin, and Coach Larsen. Bottom Row-Dan Maxwell, Alex Pittlekau, Jordan Barkley, Kyle Barkus, Eddie Smith, and Mitch Salzer.

Senior Doug Kramer rounds the bases after hitting a long ball.

Another NTHS player effortlessly slams the ball into the outfield.

Freshmen: Top- Rob Apte, Ben Laws, Alex Adams, Coach Smith, Brett Burton, Matt Weyrauch, and David Johnson. Bottom- Danny Green, Ross Hitchcock, Daniel Fowlkes, Forrest Baker, Jacob Heitzman, Jake Johnson, Brandon Shiflett, and Derrick Meredith.

MARGRET BERRY AS MLYNN

BROOKE DAYE AS SHELBY

AMY ILL AS ANELLE

HEATHER BARNES AS CLAREE

LARA GIBERSON AS TRUVY

NACE JONES AS OUISER

"THAT'S FUNNY. YOUR DRESS MATCHES THE COUCH!"
SHELBY CRACKS ANOTHER JOKE.

The North Thurston Drama program had a fabulous 1999-2000 theatrical season. A spring production of "Steel Magnolias" was well received by our audiences. Sophomore Nate Kirkwood designed the beauty salon where all of the southern ladies congregated to have their hair done at Truvy's House of Hair. Helped by her eager new assistant, Anelle (who is not sure if she is still married), the outspoken wise cracking Truvy dispenses free shampoo and advice to the town's rich curmudgeon, Ouiser, ("I'm not crazy I've just been in a bad mood for 40 years"); an eccentric millionaire, Miss Clairee, who has a raging sweet tooth; and the local social leader, M'Lynn, whose daughter, Shelby, (the prettiest girl in town) is about to marry a millionaire. Be sure to tune in next year to see productions of "Dracula," "Shooting Stars" (a basketball comedy), and "Oklahoma."

"WHO'S THE FAREST OF THEM ALL?"
IT WOULD HAVE TO BE MLYNN.

"YES! THE PLAY IS FINALLY OVER.
NOW WE CAN TAKE THESE WIGS OFF."

"DID YOU JUST SAY CHOCOLATE?"
CLAREE'S SWEET TOOTH SPEAKS OUT.

"Spring Fling" ~ Tolo 2000

Friends Erin Shoulders, Jenny Shorov, and Jessica Pierpoint are ready for a night of dancing.

Loren Bell, Ryan Zoller, and Curtis Wilkinson just kickin' it before Tolo-

Matt Jenkinson, Kim Fierst, Vito Mortillaro, Rachael Birge, Ben Peterson, Melissa Williams, Kyle Greaves, Julie Olson, Crystal Madera, and Ben Grantham stop to eat at Red Robin before leaving for the dance.

Sarah Getchman and her boyfriend, Ron Miller, taking a break from dancing at Tolo.

Nikki Vogliardo, Brian Andringa, Jamie Kvaternik, Ben Ford, Doug Kramer, Beth Havens, Ann Miley, and John Ngo take time for a picture before the dance at Nikki's house.

LA FIESTA DEL LAGO ~ Lakefair 2000

This year's Lakefair theme was "La Fiesta del Lago." The assembly featured an array of Hispanic cultural events, such as a Mexican Hat Dance by Mark Perea and his older sister. Jose Zelaya translated the assembly for the Spanish speaking audience. The students who volunteered to escort the Lakefair candidates were all of Hispanic origin. Lakefair Princess Marissa Hussey said, "I feel honored to represent North Thurston. It is an important role in the community, and I am glad I was chosen to play that role."

North Thurston's 2000 Lakefair Princess, Marissa Hussey smiles brightly as she poses with her parents!

Melissa and her escort.

Mark Perea and his older sister provided entertainment at the assembly, as they performed a traditional Mexican dance.

Jaylene and her escort.

Ebony and her escort.

Rebecca and her escort.

The six candidates, Marissa Hussey, Melissa Kirkeby, Ebony Jackson, Steffany Shenkel, Rebecca Kramer, and Jaylene Bjornestad anxiously await the announcement for Lakefair Princess.

Steffany and her escort.

"All Art is but an Imitation of Nature." SENECA

For many people, art is something fun and entertaining to look at, analyze, criticize, and create. Many people don't get a chance to show their art to other people. We are proud to have many people at N. Thurston who are talented artists. Once again, the North Thurston annual staff feel it is important for those artists out there to get the recognition they most certainly deserve. A lot of people don't realize their talent because they've never shown anyone or they took a class and discovered they were good at it. Art is a way to express emotions and relieve anxiety in a creative way. Each one of the artists we highlight on this page have their own technique and style. Who knows, maybe one of them may rise to become a famous artistic genius.

Pursuit of Excellence

JANE BOWMAN/THE OLYMPIAN

North Thurston's auto shop program upheld its reputation for excellence at the VICA competition in May.

About 50 trophies and banners occupy teacher Brian Stretch's classroom.

Mr. Stretch's students finished first in every category they entered: Auto Maintenance, Customer Service, Job Skills Demonstration and Auto Service.

Adam Graham is a sophomore in the Int. Auto class. He won second place at Regionals for Auto Maintenance Technology and is the State Champion. Matt McKenna is a junior and a first year student in Int. Auto. He won first place at Regionals and second at the state competition. Josh Hayward is also a junior and a first year student in Int. Auto. He won third place at Regionals and place third in state.

Bethany Grausam, senior and first year Adv. Auto student, placed first in Regionals for Customer Service. She also dominated at state qualifying her for Nationals in Kansas City, MO.

Jane Bowman, senior and first year Adv. Auto student, gave a speech about brakes to win first in the Job Skills Demonstration category. She also qualifies to compete in Nationals.

Danny Thomas, senior and second year Adv. Auto student, placed second in state for the Auto Service Technology category and will go to Nationals as an alternate. Byran Shiflett, senior and second year Adv. Auto student placed first qualifying him to compete in Nationals.

Out of the four skill areas, this is the second year in a row where the Auto Service and Auto Maintenance competitors have been State Champions. This is the first year for Customer Service and the first year for Job Skills Demonstration to be State Champions.

Teens allowed to donate bone marrow under new law

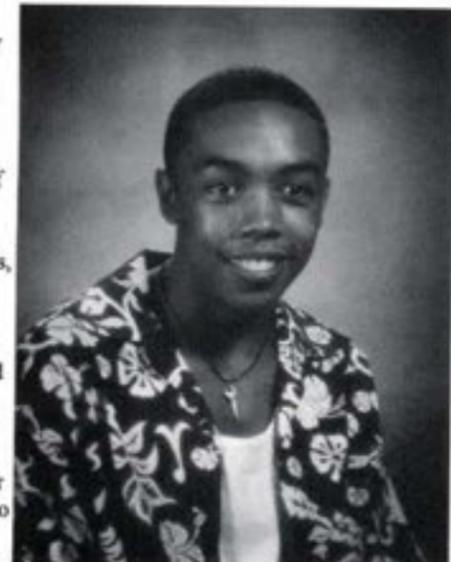

OLYMPIA — Sixteen-year old Alden Tucker hopes more teens will sign up to donate bone marrow as a result of a new law he helped spark in memory of a dying friend, Michael Penon.

"Because of your efforts, other teens may now be able to be tested," Gov. Gary Locke told the Lacey teen last week as he signed **Senate Bill 6172** into law. A sophomore at North Thurston High School, Tucker brought the idea for the pioneering legislation to **Sen. Karen Fraser, D-Lacey**, after he was turned

down as a marrow donor because he was a minor. The National Marrow Donor Program (NMDP) does not permit testing people younger than 18 unless they are a family member of the person in need of the marrow.

Fraser was moved by Tucker's attempt last year to save the life of Penon, 15, who was suffering from leukemia. While Tucker was eventually tested through private sources, he was not a match. Penon, of Hawaii, died without a donor in October 1999.

"Our society needs to give teens more credit for

Alden Tucker shown in 1999

their compassion and maturity," said Fraser. "This bill now opens the door for youths wanting to help save a life. Age should not be a barrier for this noble gesture."

As a result of Washington's law, the president of the American Bone Marrow Donor Registry (ABMDR) said his organization will establish guidelines for Washington teens to participate in its registry and is hopeful other states and registries will follow suit.

"We already give transplants from babies within families -- why not

teens?" said Dr. Peter Paulus of the ABMDR. "It is nothing out of the ordinary, and we don't allow just anybody to donate."

Bone marrow transplants can be used for more than 60 types of infectious blood diseases, and minority donors are especially needed, according to national registry statistics. Both Penon and Tucker shared the same ethnic background of black, Hispanic, and Asian, making a match more likely.

The new law goes into effect June 8.

Academic Awards Banquet at the Olympia Elks Club. Jerry Smith, Laura Bartholomew, Lynell Skewis, Mr. Morris, Greg Millar, Michael Steele

The "small but mighty" Academic Decathlon team, consisting of Laura Bartholomew, Greg Millar, Lynell Skewis, Michael Steele and, advisor, Mr. Morris, participated in the regional competition in Issaquah in February and the state competition at Timberline High School last March.

Larua Bartholomew and Greg Millar earned medals at the regional meet. Laura captured a gold and bronze medal at the state competition, highlighting a very successful year for the team.

FBLA club at state

FBLA

FBLA had a remarkable year having one of the largest memberships for a local chapter, dominating in their Regional Competition at Ocean Shores, having over 30 members place and continue on to State.

Even more support for Washington State FBLA was shown with Tyler Steele's Campaign for Regional Vice President, not to mention their officers who are ever so devoted, along with Ms. Horn who helped make everything possible.

Seniors' Final Thought

Rich Brun & Steve Morgan:
It was a trip!

David Sullivan:
To all the underclassmen
Even though it seems you're
here forever, time flies
when you're having
fun, so try and make the
best use of your time here.

Nick Vonneudegg:
High school was fun, but
class was a bore.

Melissa Hoepfner:
I think that North
Thurston has helped
me to build my future.

Matt Reus:
High school is
becoming an
individual while
ironically trying
to fit in.

Well, Well, Well another year has passed. Not just any year though. We the senior class of 2000 have been waiting four long years for this time to come. As we walk across the stage, we wonder where the time has gone. As we move on we have a final thought for the rest of you. Enjoy your freedom while you still have it. Good luck and have fun! We know we will!

Amanda Egolf: In 4 years all of the decisions we make
create our reputation regardless of how proud or ashamed
of them we are.

2000

Jeff Skewis:
N.T. Has been a lot
of fun. There are
a lot of really neat
people in the class
of 2000. I have
gained a lot of
knowledge
and a chance to be
successful in
the future.

1492 Thinking he has pioneered a westward route to the spice-rich East Indies, Christopher Columbus lands in the Bahamas. At the time of first European contact, about 90 million Native Americans live in North and South America.

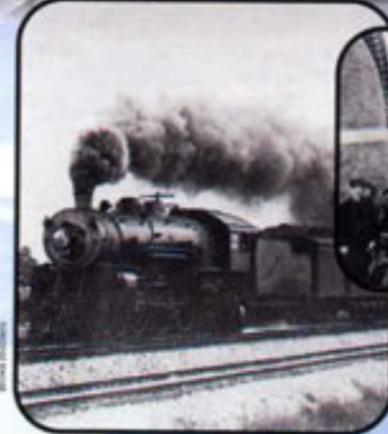

1519 Spanish explorer Hernando Cortés introduces horses from Spain into the New World, changing transportation and culture for Native Americans. Cortés carries out a harsh conquest of Montezuma and the Aztecs.

1000 Pilgrimages to religious sites are seen as acts of faith. Roads and towns develop along the pilgrim routes, expanding trade and communication in Europe. Beginning in 1096, Crusades to the distant Holy Land expose Europeans to Arab culture.

1800 Stagecoaches offer public passenger service, and covering 15 miles a day is considered a good speed. The coaches travel in stages, changing horses at each stop. As a result, the stagecoach line is born.

1825 Travel by rail revolutionizes land transportation. British engineer Richard Trevithick invents the first steam locomotive in 1804, but it is 1825 before railroads haul passengers.

1863 Subways provide a new way to get around in ever-more-crowded cities. The world's first underground railway opens in London in 1863. By 1904, New York City inaugurates its first rapid-transit subway.

1908 Henry Ford's moving assembly line makes cars affordable to the masses. Ford produces the first Model T in 1908. In 1964, the sporty Ford Mustang rolls out at \$2,368 and sets an all-time record for first-year sales of a new model.

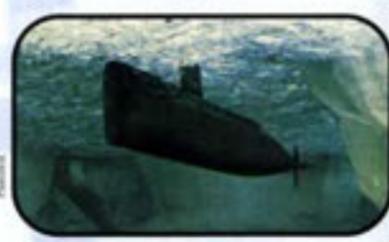

1903 Humans achieve powered flight. The first flight of Wilbur and Orville Wright's Flyer lasts 12 seconds and carries Orville to a height of 10 feet above the beach at Kitty Hawk, N.C.

- 1492 Leif Ericson reaches North America.
- 1118 Chinese invent magnetic compass.
- 1271 Marco Polo travels to China.
- 1492 Mercator creates his world map.
- 1776 First Congreve weapons are built.
- 1839 Vulcanized rubber is invented.
- 1869 Transcontinental railroad spans U.S.
- 1492 Columbus first appear in Venice.
- 1176 London Bridge is built.
- 1482 Portuguese explorers start slave trade.
- 1620 Mayflower lands at Plymouth Rock.
- 1804 Lewis and Clark explore American West.
- 1808 Practical internal combustion engine appears.
- 1858 Public rides first escalator.
- 1813 First drive-in gas station opens.
- 1847 Lindbergh flies solo, nonstop over Atlantic.
- 1937 Hindenburg zeppelin crashes.
- 1961 Russia first orbit Earth.
- 1956 Supersonic passenger flight begins.
- 1969 Pioneer 10 spacecraft leaves solar system.
- 1967 Pathfinder and Sojourner explore Mars.
- 1859 Cleveland, Ohio, pioneers traffic lights.
- 1885 Parking meters appear.
- 1962 Jet airplane passenger service begins.
- 1955 McDonald's starts drive-through service.
- 1968 NASA develops space shuttle.
- 1964 "Channel" links U.K. to France.
- 1968 Piloted balloon circles globe nonstop.

1600 Pirates terrorize the seas between 1690 and 1730. One of the most notorious pirates is Edward Teach, known as "Blackbeard." The fictional Captain Jack first appears in the 1904 play "Peter Pan" which inspires books, musicals and films throughout the century.

1791 The first practical wheelchairs provide new mobility for those unable to walk. Early models of wheelchairs have three wheels and hand cranks to propel the chair forward.

1776 During the Revolutionary War, a submarine is used in battle for the first time. Built by American David Bushnell, the one-person vessel is powered by a hand-cranked propeller. Twentieth-century submarines are complex, nuclear-powered craft used for defense and scientific purposes.

1783 France's Montgolfier brothers launch the first hot-air balloon. Filled with smoke, the silk balloon rises to 6,000 feet. Later that year, the first passengers go aloft—a rooster, a duck and a sheep.

1700 Birchbark canoes provide transportation for many Native Americans. The canoes are made with a light wood frame covered with pieces of bark sewn together and made watertight with melted pitch.

1912 On her maiden voyage, the great steam passenger ship *Titanic*, thought to be unsinkable, goes down after hitting an iceberg in the North Atlantic. Of the more than 2,200 persons aboard the ship, about 1,500 perish.

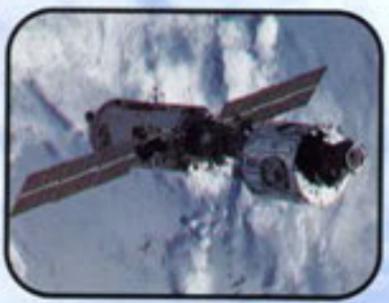

1901 First built in 1903, the Harley-Davidson becomes America's best-known motorcycle in the 1950s. Raw power and a distinctive rumble appeal to rebels of the 1950s and 1960s and to business executives of the 1990s.

1956 Freeways change the nature and pace of travel in America. In 1956, President Eisenhower authorizes construction of the Interstate Highway System. By the 1990s, this nationwide network includes more than 42,500 miles of highways.

1969 Man walks on the moon. Apollo 11 astronauts Neil Armstrong and Buzz Aldrin plant the American flag 238,000 miles from Earth as an estimated 600 million people on Earth watch on television.

1998 Orbital construction of the International Space Station (ISS) begins in 1998 when space shuttle *Endeavour* crew members connect the station's first two sections. ISS is to become the largest cooperative space mission in history.

Food

1000 As the millennium begins, European peasant food is plain and often scarce. Feasting on meat is reserved for the wealthy. Table utensils include only a knife; most people just eat with their hands. Slabs of dense bread, called trenchers, serve as plates.

1529 Chocolate from the New World takes Europe by storm. Brought to Spain from Mexico, chocolate is so costly that Europeans water it down for use as a drink. Natives of Mexico have prized chocolate since ancient times.

1762 John Montagu, 4th Earl of Sandwich, instructs his servants to bring him his meat between two pieces of bread. This way he can eat with one hand while continuing to play cards with the other. The term "sandwich" is born.

1654 Europe's first coffeehouse opens in England. By 1700, there are 2,000 coffeehouses in London alone. Early coffeehouses are important places to transact business. Lloyd's Coffeehouse evolves into Lloyd's of London, the giant insurance brokerage.

1840 Domestic ice chests provide early refrigeration. Blocks of ice are cut, delivered to homes and sold for use in kitchen ice chests. It is the early 1930s before reliable electric home refrigerators are in common use.

1937 America's first large self-service supermarket opens, followed by the invention of the grocery shopping cart in 1937. During the Depression, supermarkets become a significant part of the food distribution network.

1877 Alexander Campbell, Brooklyn, is the first to deliver milk in glass bottles. For many years the neighborhood milkman is the most common way to obtain fresh milk, before the age of supermarkets.

1980 Choices expand in school lunch programs. A growing number of public schools begin featuring national fast-food outlets and soft drink brands in the school lunchroom.

1954 Swanson creates the TV dinner, sold in boxes designed to look like television sets. Frozen dinners are possible because of Clarence Birdseye's 1929 invention of early methods for freezing food.

Sports and Games

1100 Archery competition is a common pastime in the Middle Ages. Archery skill is so important that English kings ban football because it takes men away from archery practice.

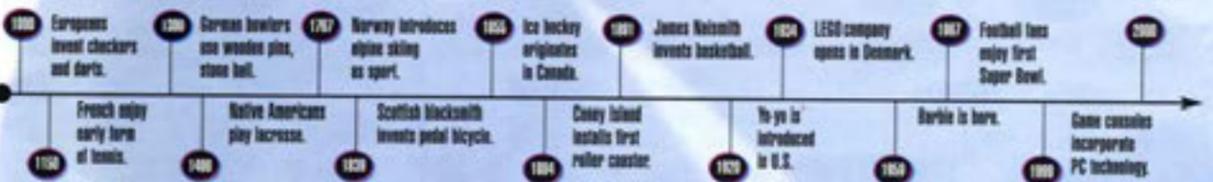

1557 Europeans use engraved wooden blocks to print playing cards, one of the first uses of printing in Europe. Playing cards come to Europe from the Middle East during the Crusades.

1552 Golf is a popular sport in Scotland. In 1552, Saint Andrews is a favorite place for golfing. Mary, Queen of Scots is reportedly the first woman golfer and helps spread golf's popularity in Europe.

1999 Soccer is first played in America, using a sheep's bladder as a ball. As the millennium closes, millions of American youth play in organized soccer leagues. In 1999, the U.S. women's soccer team wins the World Cup.

1846 Baseball is first played as an organized sport at Hoboken, N.J., when the New York Club defeats the Knickerbocker Baseball Club on June 19. More than 100 years later, Jackie Robinson breaks the color barrier in major league baseball in 1947.

1937 Parker Brothers introduces Monopoly, which becomes one of the world's most successful board games. By the late 1990s, the popular game is available on interactive CD.

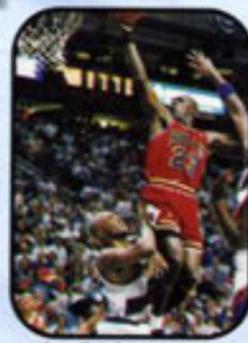

1984 Athens, Greece, hosts the first modern Olympics. Winter Games are not held until 1924. At the 1998 Winter Olympics, American figure skaters Tara Lipinski and Michelle Kwan win the gold and silver medals respectively, and China's Li Chen wins the bronze.

2200000

1959 Game shows become widely popular TV fare in the 1950s. One of the top 10 shows of 1959, NBC's "The Price Is Right," still draws large audiences in 1999 on CBS, where it is the longest-running game show in television history.

1999 Michael Jordan, considered by many to be basketball's greatest player, retires from the NBA. His talents lead the Chicago Bulls to six NBA championships in the 1990s.

Communication

1200 Sign language is a means of communication for some early cultures. It bridges language differences between societies and eventually evolves into a formal alphabet for communication by the hearing impaired.

1466 Johann Gutenberg invents a way to mass-produce the written word. He devises the first Western movable-type system and a new kind of printing press. Gutenberg's inventions speed the spread of knowledge and literacy.

1594 William Shakespeare's "Romeo and Juliet" is first performed. London's Globe Theater opens in 1599, where many of his plays are staged. By 1600, the great playwright pens at least 20 plays.

1500 Literacy is reserved for the clergy and a few students. Monks and scribes laboriously copy books by hand using goose-quill pens. Books are such rare treasures that in some libraries they are chained to the shelf.

1702 The first regularly printed newspaper is a four-page weekly publication, the *Relation*, printed in Germany. It is 1702 before the first daily newspaper appears, *The Daily Courant* of London.

1826 Frenchman Nicéphore Niépce creates the first permanent photograph. His partner, Louis Daguerrre, carries Niépce's work further by inventing a process of capturing images on metal plates.

1810 American Christopher Sholes invents the typewriter. To keep rapid typists from jamming the keys, Sholes designs the keyboard so that frequently combined letters are located far apart. This layout lasts into the computer age.

1775 One if by land, two if by sea. Lanterns signal the advance of British troops, and Paul Revere rides to warn American colonists of the attack. His famous ride also signals the beginning of the American Revolution.

1100000

1869 Austria introduces the first postcards. For only pennies, postcards keep people in touch before telephones are common. Calling cards, commercial valentines and other printed personal greetings are popular customs.

1876 Inventor Thomas Edison patents a practical electric light bulb. Electric lights have a profound effect on society, increasing opportunities for reading, writing, socializing and working.

1876 Alexander Graham Bell patents the telephone. By the end of the millennium, missing a phone call is almost impossible as answering machines take instant messages. Cell phones, beepers and voice mail expand communication options.

1896 Guglielmo Marconi invents the radio, providing a way for sound to travel long distances without the use of wires. During the 1920s and 1930s, radio is the primary source of news and family entertainment for most Americans.

1926 Movie making experiences a "golden age" in the late 1930s and early 1940s. In 1939, *Gone With the Wind* and *The Wizard of Oz* premiere. *Citizen Kane* follows in 1941, and *Casablanca* in 1942. Studio giants are MGM, Paramount, RKO and Warner Brothers.

1926 Television is invented in 1926, and regular network TV broadcasts begin after World War II. One of TV's most popular shows is CBS's "I Love Lucy," premiering in 1951. Television transforms almost every aspect of life in the twentieth century.

1956 Elvis Presley's unique blend of blues, country, rock and gospel draws adoring fans and makes him "the King" of rock and roll. In 1956, his debut album becomes the first in history to sell a million copies.

2200000

1980 Millions of people worldwide cruise the Information Highway via the Internet, and instantaneous e-mail communication becomes common. As the millennium ends, computer, TV, video and telephone technologies begin to converge.

Fashion

1100 Medieval knights wear a short wool tunic and a coat of chain mail. Gauntlets (heavy leather gloves) and sword complete the attire, which is so costly only wealthy men can afford to be knights.

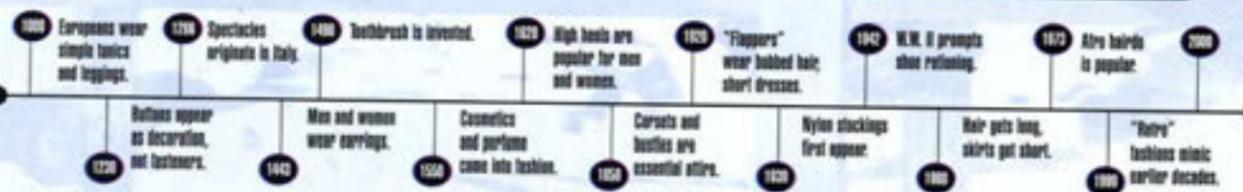

1278 Crusaders return from the Middle East with new ideas, including that of the glass mirror. In 1278, the glass mirror is produced in Venice, Italy, and Europeans see themselves clearly for the first time.

1200

Medieval men's shoes have long, pointed toes. Individuals of higher social status are allowed to have longer points on their shoes, some as long as 18 inches. Moss stuffed into the toe maintains its shape.

1558 Queen Elizabeth is the fashion trendsetter, popularizing the wide skirt, jeweled wig, high bald forehead, and decorative ruff around the neck. She is rumored to have 3,000 dresses.

1670 Men and women wear elaborate powdered wigs made of human hair, horsehair and goat hair. Because the large wigs are heavy and hot, some people shave their heads and wear a cloth cap under the wig to absorb perspiration.

1853 Young Levi Strauss comes to America in the 1850s and makes riveted canvas work pants for California gold miners. When he switches from canvas to blue denim, Strauss unknowingly creates one of America's greatest contributions to fashion.

1960s With flowers in their hair and everywhere, hippies express their philosophy of world peace and love. Hippies favor bell-bottom jeans, granny dresses, bare feet, long hair, beads, headbands and bright colors.

1851 The Industrial Revolution brings mass-produced textiles, standard clothing sizes and the first ready-to-wear garments. In 1851, Isaac Singer invents the home-use sewing machine.

1100000

1956 Indoor malls are popular with teens not only for shopping, but also for socializing. The first enclosed mall is built in 1956. In 1992, the Mall of America, the largest mall in the U.S., opens in Minnesota.
