OF NORTH THURSTON

"He's a great teacher. I love him. He's a great coach too." - Brandon Rose

"He's always there for his students." - Coach Patchin

"He's taller and skinnier than I am, but I have a better sun tan." - Mr. Franklin

DEDICATION

A great teacher is concerned with more than just teaching in the classroom. They are involved in school activities and gain the trust of their students and staff. This year Mr. Bill Broeker is being honored for all of his contributions to North Thurston High School.

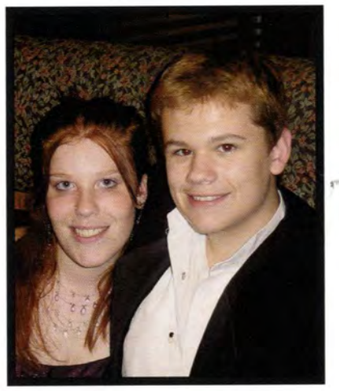

Mr. Broeker is very deserving of this dedication, not only because of his thirty year committment to teaching mathematics, but for also being a part of the Ram Football Coaching Staff and advisor for Bible Club. We proudly dedicate this year's Rambler to a very respectable man, whose lessons to students go further than just math equations. Thank you Mr. Broeker for all you've done for the Rams, and for adding a flare in the halls with your Hawaiian shirts!

SENIORS OF 2005

What was your favorite memory of High School?

"Freshmen Block was the best memories because we were such a close knit group of people who later became the best of friends throughout our high school experience." - Tim Sevier

"My sophomore year, when I was on danceteam, we worked and practiced so hard that summer and ended up getting first place at Lakefair and beat Oly's drill team." -Jade Della

"My freshmen year on Sadies it snowed. When we showed up, no one was there because it was cancelled. We had a car full of people laying on each other, and Bryan Anderson's dad decided to do doughnuts on the way home, and the night ended with a huge snow ball fight." - Krystal Stanford

"Sophomore year when some crazy kid started dancing with the ram and almost fell and busted his bottom. Ahhh...those are some great memories." - Alfred Lacanlale

"When my friend Andrea Pareigis had a Halloween party and we initiated freshmen and sophomores into our group."- Jaymiann Duke

"Sophomore year when we beat ~~Timberline~~ "Snoop" at the Homecoming football game." - Nick Morganthaler

What have you gained from bowling and what advice do you want to leave with the girls returning next year?

- Brittaney McChlanahan

"I have learned what it is like to be on a true team, and I want to tell the girls for next year that even though it's just a game, allow your self to have fun, and don't forget to bring the up dawg!"
- Kyla Ballentine

This year's girl bowling team had a flood of newcomers. Their year started off well with an undefeated record, ending up 11-5 overall. The girls made it to Districts once again this year. They have gone every year since the existence of bowling at North Thurston. The year ended bitter sweet, with the two senior captains saying good bye forever to the team they have been on for four years. The girls did very well and plan to continue thier success in the future years to come. Much luck to you lady rams!

THE CREATORS

This year's Annual staff was filled with many newcomers. There were only six returning members, who over the summer took first place at Josten's yearbook camp for best yearbook idea. Ms. Bennett, last year's same advisor, joins the staff once again. This is one of the biggest staffs in many years...which only adds to the ongoing fantastic ideas this class produces, creating an awesome book for the equally awesome people at this great insitution.

There students can learn and get a hands on experience in various areas of jobs that they are intereted in pursuing. What is Color Guard?

Most of us know color guard as the visual aspect of the band performance, but little do we know it is a lot of work. Color guard comes back school after hours on Mondays, Wednesdays and Fridays. You may think it looks easy, but you can ask every member and I bet they say it is hard work. Not only do they have to keep up with all the practices, they also have to do homework and follow all the Color Guard rules. The number one rule is DON'T DROP YOUR FLAG!!!!

Color guard is working hard while we are having fun on our Wednesday night.

Laura is trying to listen to Mr. Johnson while the others are playing around.

Here is Arthur Gottlieb twirling his flag at the halftime show during one of the home football games.

Here is Jenny S. having fun making her flag wave for the home audicunce.

Heather is wating for the beautiful sounds of the North Thurston band so she can show what she is made of.

Adrienne Olson is performing with the rest of the band.

Now who says Color Guard doesn't have a sense of humor? Here is Amanda showing her happy side.

Doesn't Chloe looks like she is having fun here?

Within our large school, there is a small group of teachers and other staff members who have to deal with seeing their children more than the usual. Although these students meet their neccesities at school, it's difficult for them to go on about during their school day without hearing " that's Mr. or Mrs. daughter or son".

Dear Linda and Brandy,

It has been four years already and graduation is now here. Can you believe it!!! It seems like just yesterday it was freshman year and high school seemed like it would never come to an end. Well now the end is here. I hope we always stay in touch. I love you both and I wish you both the best of luck in the future years to come. And Senior year was the best with you guys.

Your Friend Always and Forever,

Katie Kannada

Paige, your laughter is contagious and your ability is real. We're so proud of you! As you watch your dreams come true, know that we always believed in you!

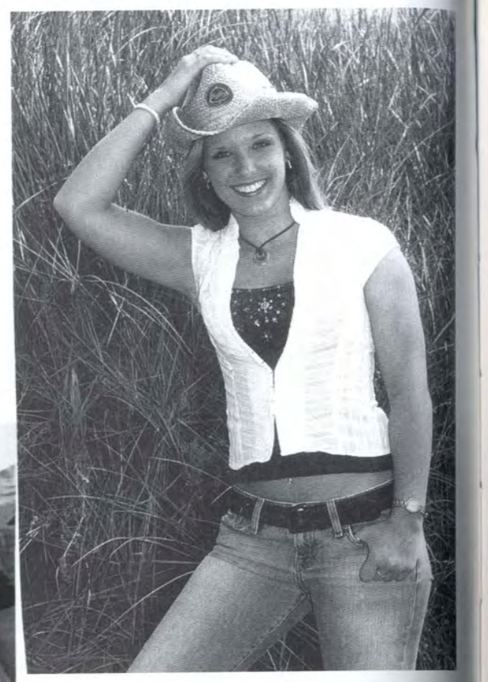

-We love you, Mom and Dad

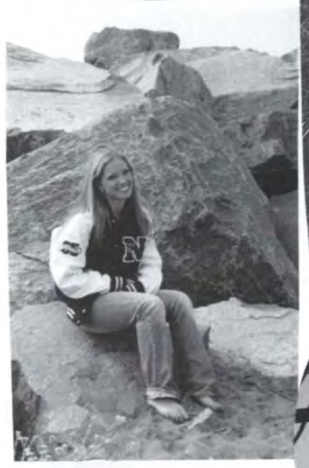

Krystal,

It seems like yesterday, while we watched in awe as you climbed the rope all the way to the ceiling on your first try in gym class, how you showed at age 4, your strong, independent and fun loving spirit. After watching many gymnastic competitions, we were amazed how you moved on opening numerous doors to other challenges, participating in leadership roles and other activities with confidence while maintaining high academic goals. You have given us endless memories and so much to be proud of. You've grown into a wonderful person with a smile that would brighten any room showing how much you care to those around you. As you move on to the next phase of your life, we can only hope that you maintain these high qualities you have worked so hard to achieve. We love you so much and wish you and all your friends lots of *peace and happiness* and always remember to keep the faith and believe in yourself so that you can keep on ***flyin!!!***

"For I know the plans I have for you," declares the Lord, "Plans to prosper you and not to harm you, plans to give you hope and a future." Jeremiah 29:11

Go with God's plan Brandy, and keep the same faith you had with papa.

We Love you ,

Dad, Mom, Ashley, and James

For our Sweet Samantha
Who has become a fine young woman.

Ten tiny fingers and then tiny toes
A rosebud mouth and cute button nose
Soft wisps of blonde hair
And a sweet blue eyed stare.

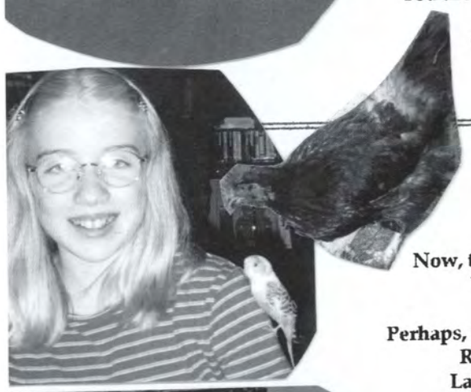

Where is our little girl?
with the soft golden curls
who served imaginary tea to her daddy and me.

Now she's a young woman, almost grown
Set to take charge of her world on her own
and we are so proud of the young woman we see.

You are smart, you are ready and you are our daughter.
We love you so much
Congratulations on your Graduation Samantha

Love, Mom

You're on your way.
We made it through all the changes
And unseen twists.

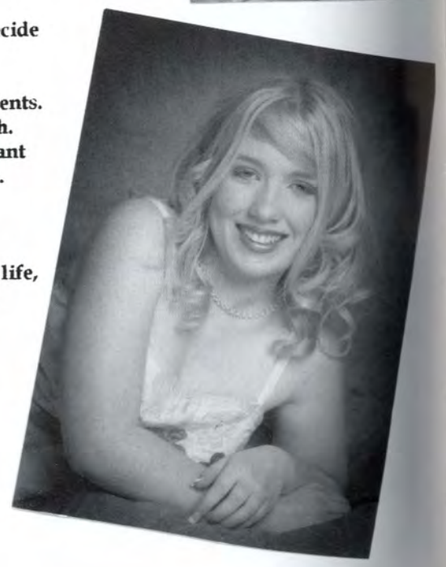

Now, this is the moment where you decide
What is it that makes life fun?

Perhaps, it's a mix of things, ideas and events.
Remember along the way to laugh.
Laughter at times is just as important
as all the things you can possess.

I gave you a foundation,
not an anchor.
And, don't get so busy making a life,
that you forget to live one.

As always,
Your Proud Dad

Jennifer, Jennifer... Where do I start? You came out of nowhere and into my heart... It seems only yesterday you were brand new, now all of a sudden the growing is through.
Where did the time go? I LOVE YOU
Mamma Llama

Hangin' at Home '03

Such a short time ago,
you were just a tiny little guy...so shy and quiet..
A sweet baby...so content just to watch the world happening around you.
You barely spoke,
happy to allow your sister to do that for you!
But, after a few years,
you began to open up...
and there's been no turning back since!
Your enthusiasm and sweet nature have been a blessing to our family, and you can find no parents more proud than we are.
We are truly thankful for The gentleman you have become, and we know that the Lord has huge plans for your life. Keep looking to Him as your Rock and Fortress, and you will find joy and happiness.
We love you Bo, you will always be our baby boy...

Daniel,

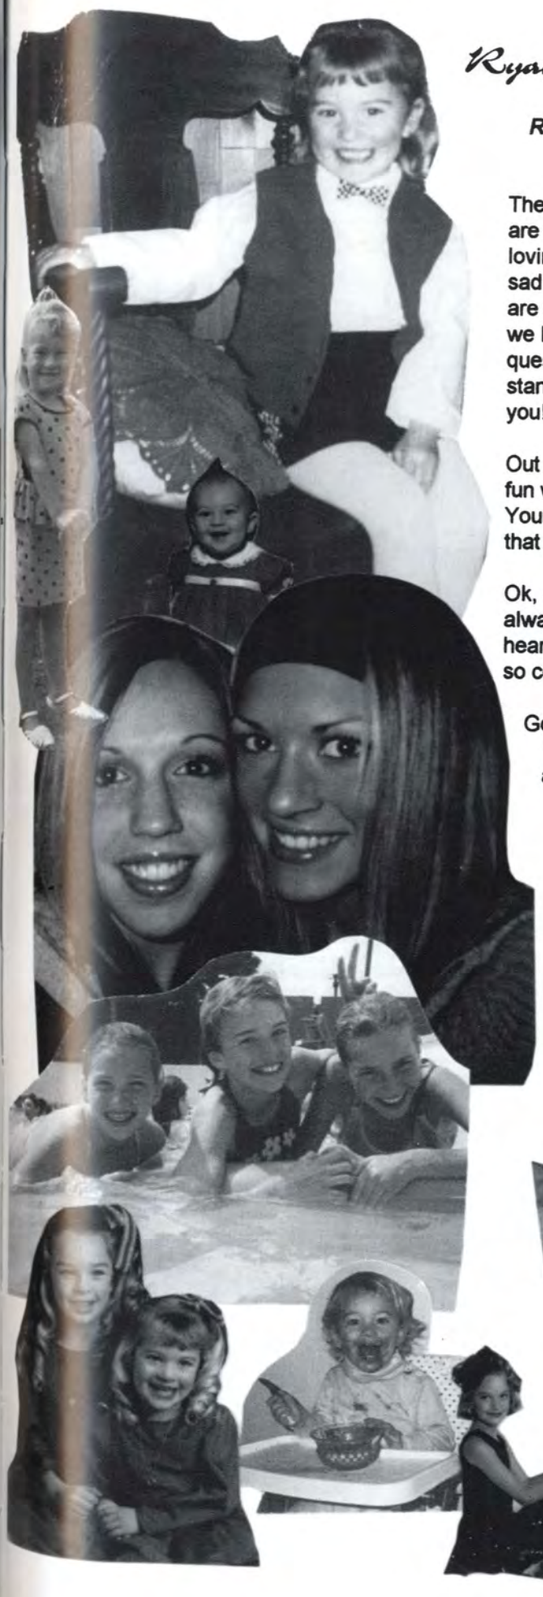

Keep away from those that try to belittle
Your ambitions
Small people always do that
But the really great ones make you feel that you too can be great
So draw a crazy picture,
Write a nutty poem, sing a mumble-gumble song,
Whistle through your comb, do a loony dance
Across the Kitchen floor
Put something silly in the world
That hasn't been there before
If you can imagine it,
You can achieve it,
If you dream it,
You can become it

Out on the court you have fun while being competitive. Your drive and spirit proves that hard work does pay off!

Ok, so your room is not always so perfect, but your heart is! And, your laugh, it's so contagious!

A great joy came into our lives the day you were born, a joy that has only increased as we have watched you grow into the beautiful and talented young woman you have become. We are so proud of you for all that you are - and all that you've accomplished. We can't wait to see your life continue to unfold in wonderful and unexpected ways. We ask only a few things:

** Hold fast to that honesty and integrity, that kindness and decency - and the love that makes you such a special person.*

** Keep playing, writing and righting wrongs.*

We love you!

Remember that we will always be there when you need an ear to listen, a few words of encouragement, a big hug to know you are loved or just a few bucks in your pocket to make to thru the weekend!

Hayley,

Congratulations on graduation from high school. We are so proud of you. You are a wonderful daughter and home will feel quite empty when you leave for college. We are already missing you.

Love,

Mom and Dad

To my precious daughter Rachel
I can't believe you are so grown up
it seems like only yesterday you were
so small and needed mommy to hold
your hand. I turn around and you have
became a beautiful young lady. I am
so proud of you. I want you to know
you can do anything you want to in
life. Keep your faith and good heart.

All my love,

Mommy

Jeffrey,

The time has gone so quickly. It's amazing how you have grown into a responsible caring adult.
Baseball, swimming, hunting or fishing you have always made it fun and entertaining.
Your future is at your fingertips. Grab it and hang on, it's going to be a exciting ride.

Love ya,

Dad, Mom, Josh and your buddy Sam.

Heather Byre

Heather,

It's been so much fun watching you grow. You have amazed me every step along the way- from teaching yourself to read and write when you were three, to our late night deep, philosophical and political talks.

You have become a stunning, beautiful young woman- both inside and out. You're strong, independent, and outspoken- easy going, kind, and true- wise beyond your years- and one of the funniest people I know.

Thank you for all the joy and laughter you've brought into our lives. I've always known you came here to do great things, and that wherever you go and whatever you do- everyone around you will be better off just by you being there.

Love, Mom

Congratulations Heather.

Grammy and Poppa are so very proud of you! You are so intelligent, reliable and loving. You are always ready to help us. We know you will achieve your goals.

Always loving you! - Grammy and Poppa

Dear Vanessa,

What a joy it has been watching you grow into a beautiful, talented and caring young woman. We are so proud of all your accomplishments. You are an amazing person! As you begin life's next journey, never change and always follow your dreams. We look forward to watching the next chapter of your life unfold. Know that we will always be here for you.

Thank you for making us proud!

Love,
Dad, Mom, Chrysteen and Cheeka

Jeremiah 29:11

Joash,
Have we told you how much we love you? We love you more than words can express or actions can demonstrate. We are and forever will be proud of you. You truly delight us. We're excited about what your future holds.
Dream large, Joash, and put God before all of them.

Love,
Dad and Mom

Timo,
You have explored so many interests and succeeded in so many ways. From school, to work, to sports, to family and friends you've made us smile with your humor and kindness.
We know you will bring your talents and succeed at whatever you do with the future that is ahead of you. We are so proud to call you son and brother.
Much love,
Mom, Dad and Heather

Brooke-

Here I watched you grow from a seed to a blossomed rose.

Now it's time to spread your wings and take the flight
to the highest peak.
Through thick and thin and trial and error, everything in
life will get much better.
Spread your wings and continue to fly.
This is the first day of the rest of your life.

Love,
Mom, Dawn and Nick

HILLARY, HILL, BUG, HUNCH, BEAN, THE L.O.C.

BY ANY NAME, YOUR MOM AND I ARE SO PROUD OF YOU. WATCHING YOU GROW FROM THAT LITTLE GIRL WHO WOULDN'T TALK TO THE HARD WORKING, MATURE, RESPONSIBLE LEADER THAT YOU ARE TODAY HAS BEEN AWESOME TO WATCH. NOW, AS YOUR JOURNEY INTO ADULTHOOD CONTINUES, STAND FAST ON ALL OF THE THINGS THAT HAVE MOLDED YOU. YOUR FAITH IN GOD, YOUR LOVE OF FRIENDS AND FAMILY, AND YOUR UNWAVERING DESIRE TO DO WHAT IS RIGHT. REMEMBER THESE THINGS ALWAYS AND YOUR SUCCESS IS GUARANTEED.

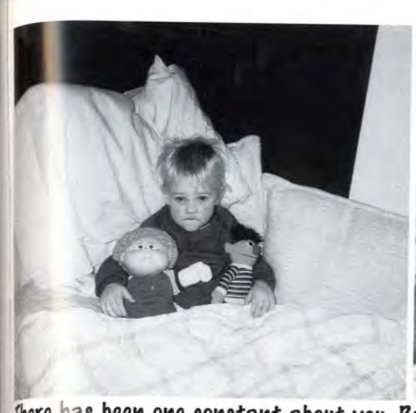

THANKS HILLARY FOR GIVING US SOMETHING TO BE PROUD OF THESE PAST 17+YEARS. WE BOTH LOOK FORWARD TO SEEING WHAT THE FUTURE HAS IN STORE FOR YOU.

WE LOVE YOU FOREVER,

MOM AND DAD

There has been one constant about you, Ryan, since the day you were born - you have always kept me laughing. From slipping off the bed at one week old into the wastepaper basket, making up your own lyrics to songs, to crazy character impersonations, you have kept me in stitches. When things get hard in life, you have taught me a great lesson, always keep your sense of humor and it will all work out.

Stay true to your dreams and values, Ryan, and you can achieve anything you want in life. I am very proud of you and love you very much.

I remember vividly a question you would ask over and over again as a toddle from your car seat (which you should keep on asking), "Are we there yet?" Almost, Ryan, almost....

YOU MEAN THE WORLD TO ME; ALL MY LIFE THERE HAS NEVER BEEN A TIME THAT I COULDN'T COUNT ON YOU, FOR ANTHING. AMANDA COLLINS

You have always had a kind heart
A caring generous soul just to start

Rescued Zoie from a mighty recliner crash
Resulting from the famous wrestling match

You look up to Sissy, high energy and all
Who made you Auntie Am to Jameson, such a doll

Enjoys riding quads in the desert sand
And cruising in the 65 Impala throughout the land

A 99 Honda Civic is your ride, instead of the Chevy Belair
So outrunning ambulances to hesitant merging, motorists beware

Our little girl dancing around the house, doesn't seem that long ago
Now you're the NTHS Dance team captain, 2 years in a row

High School is done, college is near
From teacher to orthodontist, only you can make it clear

You're our very special, beautiful Rose
That we have been so blessed to watch grow

Remember what is inside
As that is what will carry you far and wide

We are so very proud of you
For everything you've done and everything you'll do

Jennifer (My Shopping Buddy)-Congratulations-YOU did it! The time has gone by so quickly. I know that, at times, it was not easy for you to attend two schools where your parents worked; but, look what happened when you went to Chinook without us. You learned real quickly not to throw snowballs. You are so streng (stubborn) and believe in standing up for what you feel is right. I have no doubt you will be very successful at whatever you choose to do. Even though we didn't always see eye-to-eye on things-you have an amazing ability to see both sides of everything. Sometimes, I felt I was on a debate team. But, I would not have changed a moment, because it has helped mold you into the smart and beautiful young lady you are today. I am very proud of the decisions you have made and I have enjoyed the ride. I love you, Jen, with all my heart and I am very proud to call you my daughter. I wish you only the best as you leave NTHS behind and begin the next phase of your life. I will always be here for you. Love you, Mom.

Jen-Jen, You have been the greatest sister any girl could ever have. You have made my freshman year so much easier and a lot more fun. I'm not going to miss you, because you are still going to be just a knock away, but when you eventually do move out I'm going to miss you and all of your clothes I won't get to wear, haha. I'm real proud of you for making it through your high school career even though there were those ups and downs, I really admire that. I hope that you are successful throughout life and make the best of it!!
--Jessica a.k.a. Derby--P.S. I'm still a princess.

Jennifer, I don't know where to start. You have made me so proud of you. I knew in the beginning you were going to be a great person. The greatest thing in the world has been watching you grow into a responsible adult, but it's also one of the most difficult to deal with. There are times when I wish you were my little Jen-Jen. I remember pushing you on your Sesame Street riding toy, teaching you to lean into the turns at speeds that made mom a little nervous, wiring your Barbie corvette so you had the fastest power wheels on the block, but the time you turned down Uncle Paul's red '68 Mustang (because you wanted a Honda) almost prompted a DNA test. Grandpa Ken bailed you out of that one. Grandma Mitsuko would be so proud of your grades, swimming accomplishments, and Homecoming Queen. You were always her little Miss America. Love Dad.

Ms. Deneen has been a teacher here at North Thurston High School for 10 years. She is a great teacher with many goals, hopes, and dreams for her students. She is never afraid to be there when they need her most. She is dedicated to making her students learn, work hard, and move on to bigger and better things. I recently attended a rehearsal of the NERD and ask two of her cast members Derek Rutter and Spencer Franzen what they could say about Ms. Deneen. Here is a little exerpt from that conversation:

Spencer: She's a slave driver!

Derek: Ok...What Spencer meant to say was she's very dedicated to her craft and she works hard to inpart that value unto her students.

Spencer: No, Derek, I meant she's a slave driver.

Derek: Ok, I think we can both agree she is dedicated to her work and loves her students.

Spencer: Yeah, tough love.

The cast poses for an after preformance picture. Cast members are Derek Rutter as Willum Cubbert, Samantha Zyck as Tansy McGinnis, Ty Kolb as Axel Hammond, Spencer Franzen as Warnock "Ticky" Walgrave, Lynsi Burton as Clelia Waldgrave, Von Agustin as Thor Waldgrave, Travis Tingvall as Rick Steadman(The Nerd).

The Nerdiest thing I have ever done is I used to dress up as a Pokemon Trainer and go to The Pokemon Legue at Toys 'R' Us and play the card game. - **Travis Tingvall**

"What makes Ms.Deneen a Nerd?... OH where to begin, oh how about she sweeps her room while dancing. Yeah, like, she picks up every little molecule of dirt. Ooh I know all she ever talks about is her dance classes. There really is no real way to classify Ms. Deneen as a Nerd, she just is and that is all there is to it."
