*north thurston

lacey, washington*

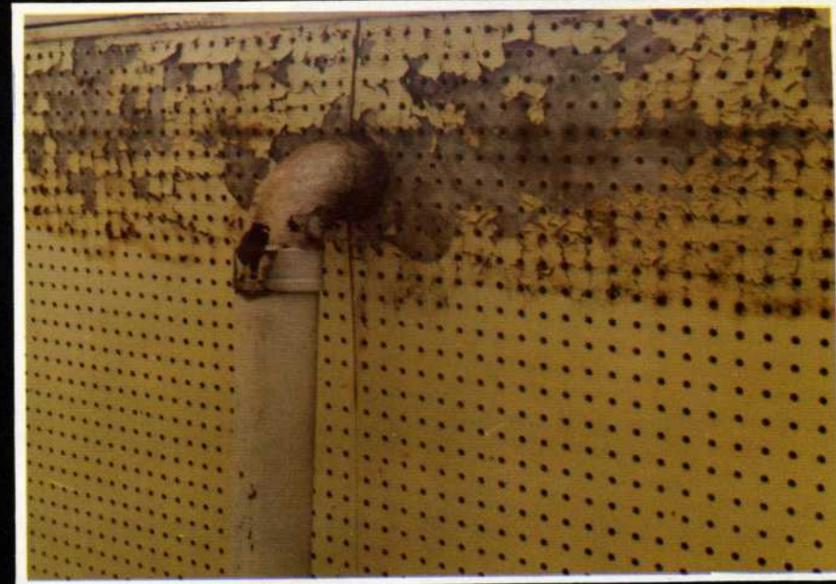

Since this is the last full school year that this North Thurston High School building will be used, we've decided to direct our theme toward the way things were, the way they are now, and the way they may be in the years to come.

North Thurston was built in 1954. It has seen all types of students since then; Then leather-jacketed, rockin-n-rollin kids of the 50's, the beaded, long-haired students of the 60's, the independent young adults of the 70's, and the energetic young people of the 80's. This building has suffered a lot of wear and tear throughout the years and it's time to move on to a new school and leave this one to rest. But in the future, even when there are no traces of this building left, the memories and spirit of North Thurston-ites will live on forever.

**IF THEY DON'T GET TO IT SOON, ...**

**... IT MIGHT COME DOWN BY ITSELF**

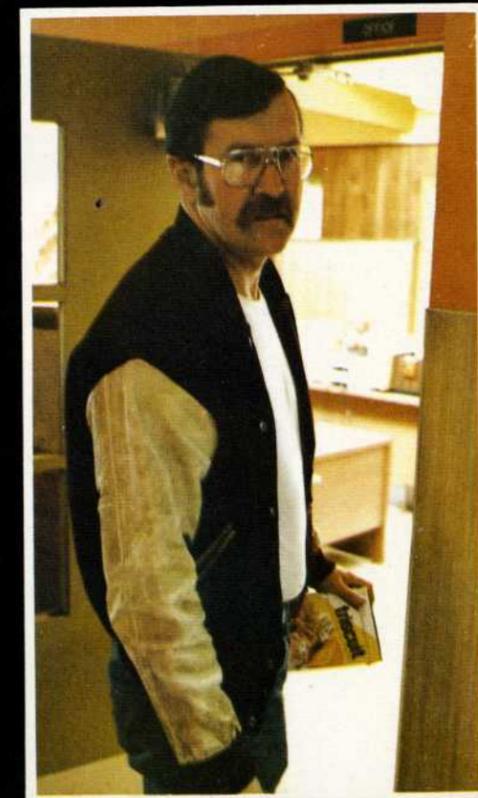

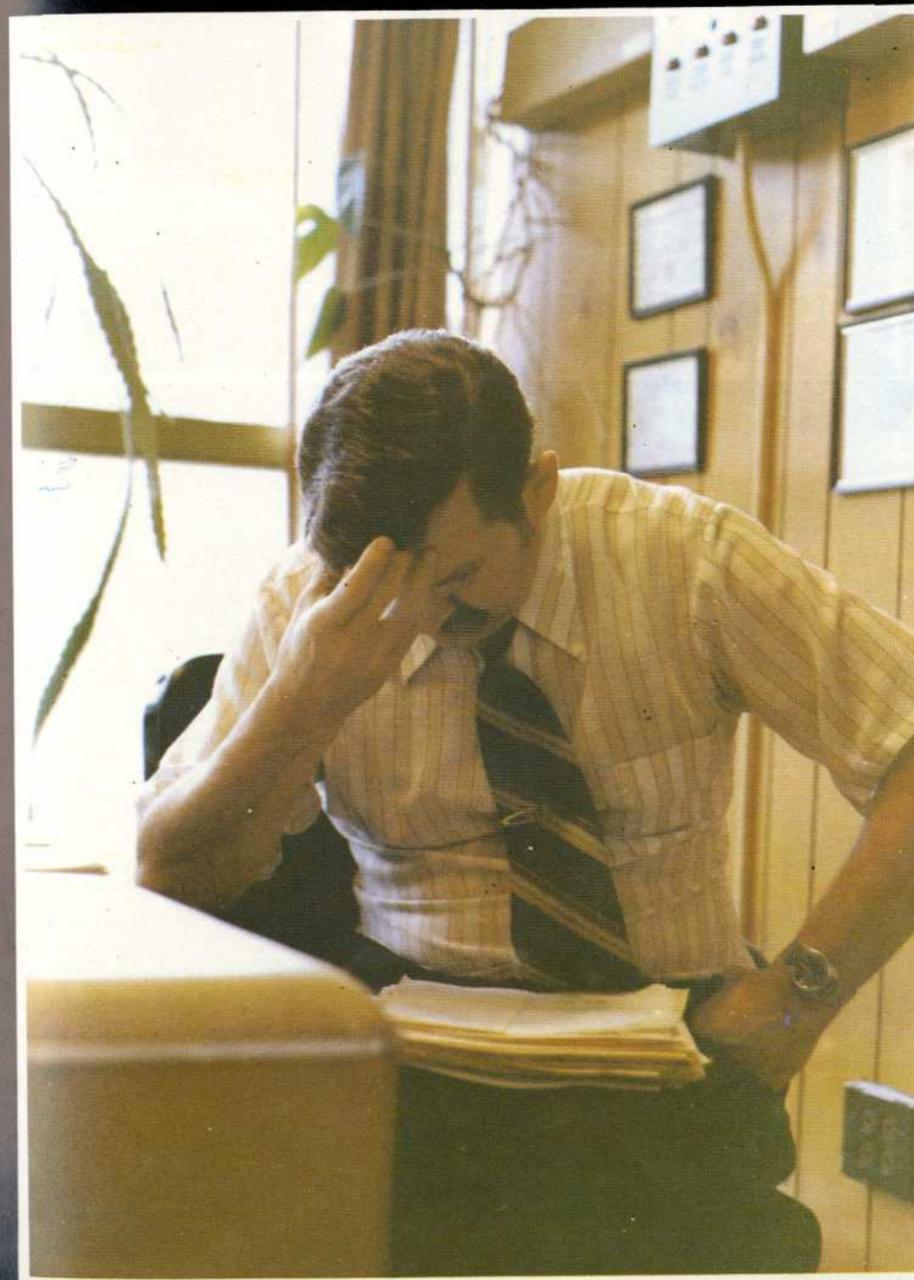

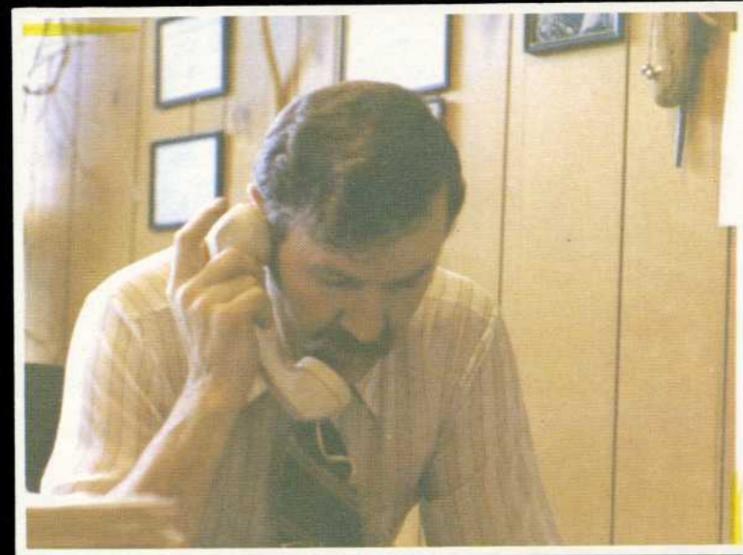

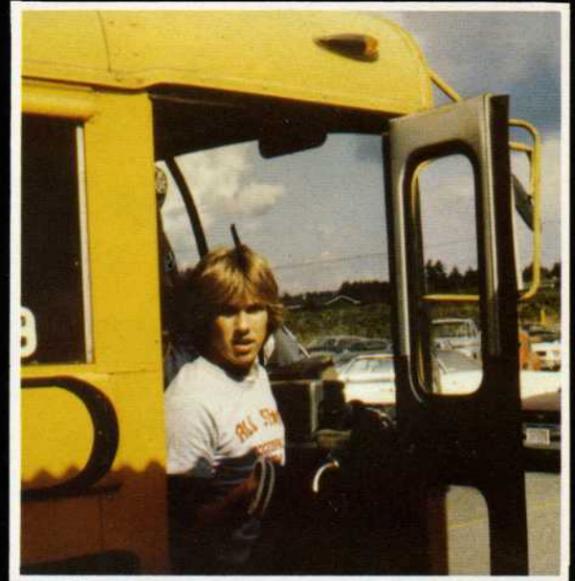

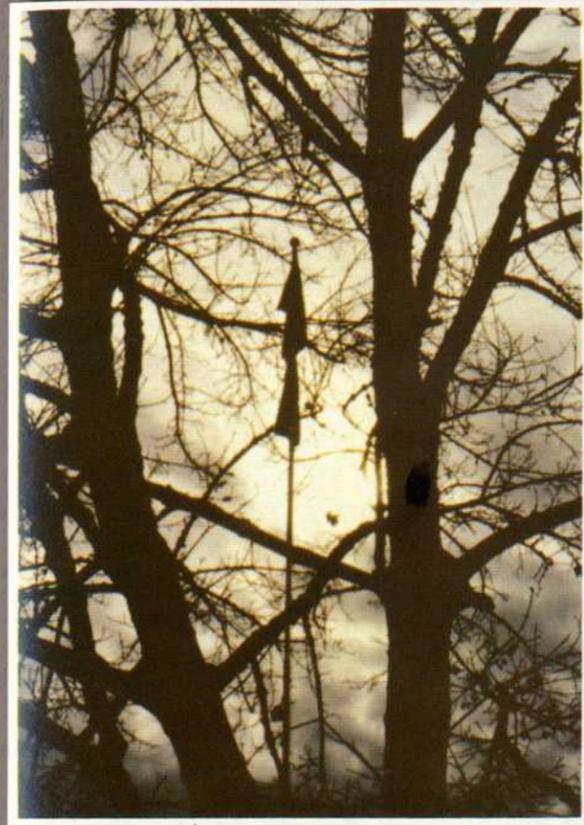

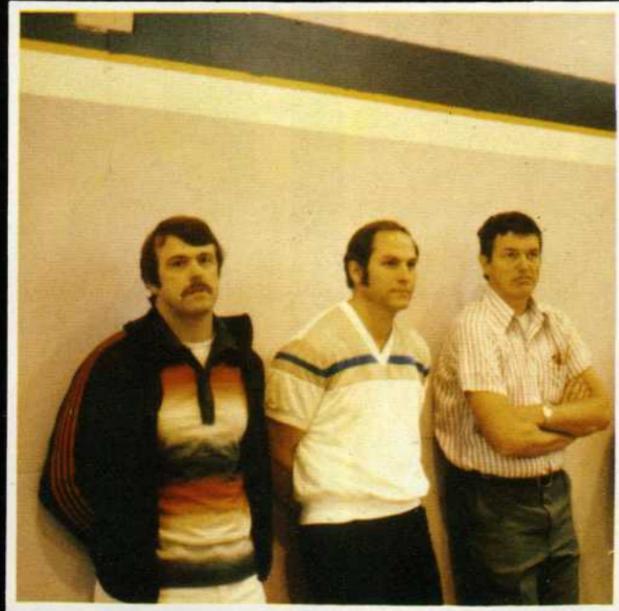

# Dedication

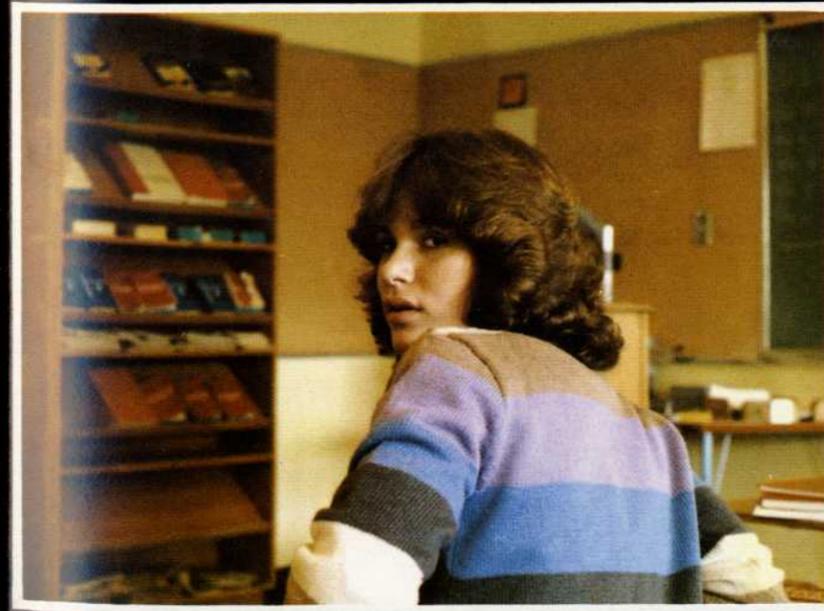

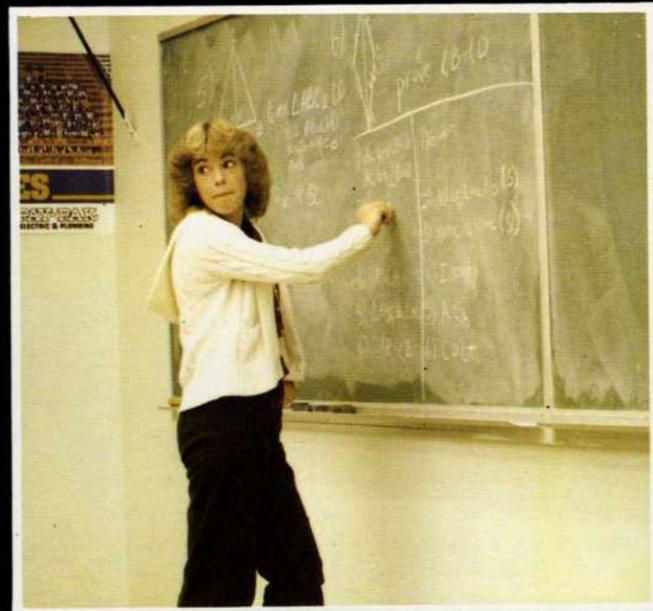

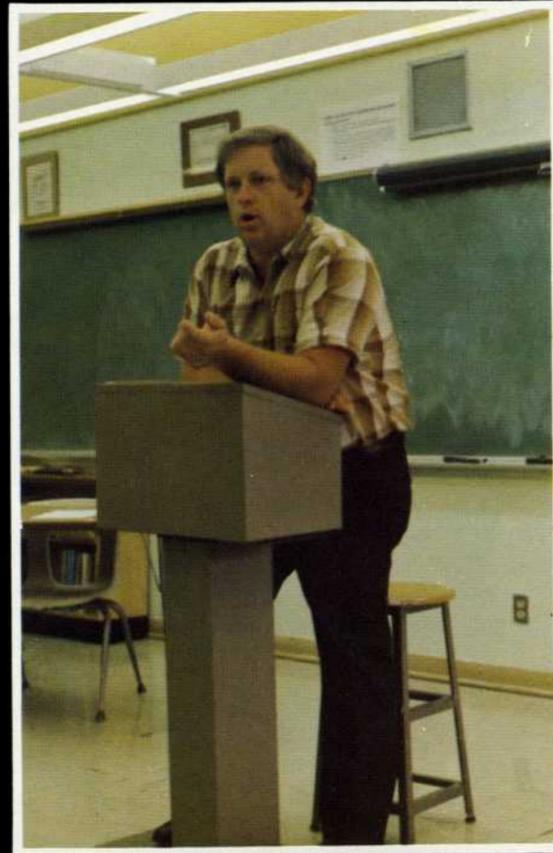

This 1982 annual is dedicated to a man who knows what dedication is all about.

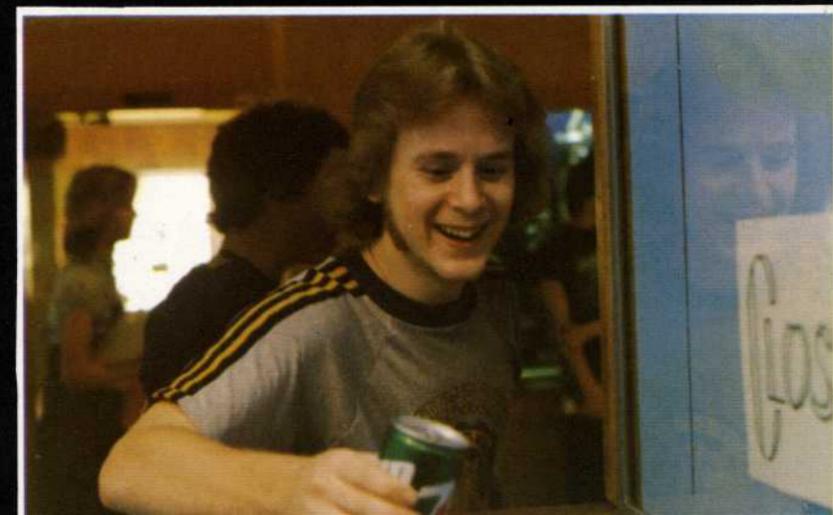

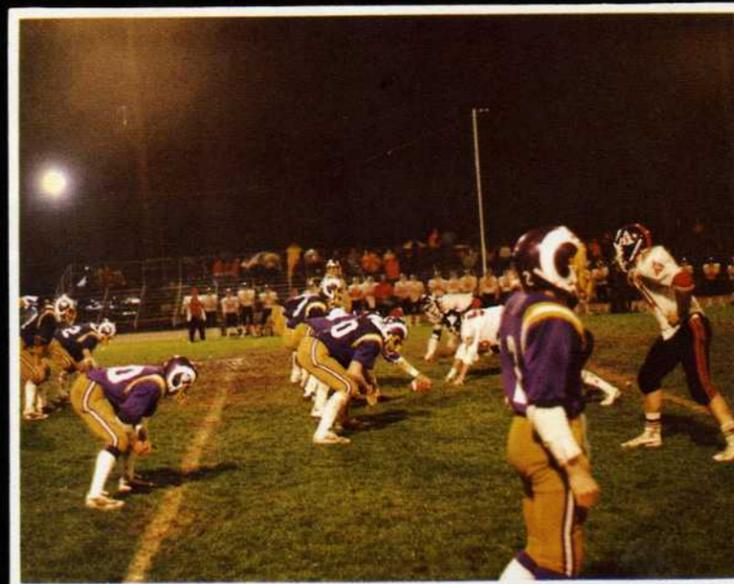

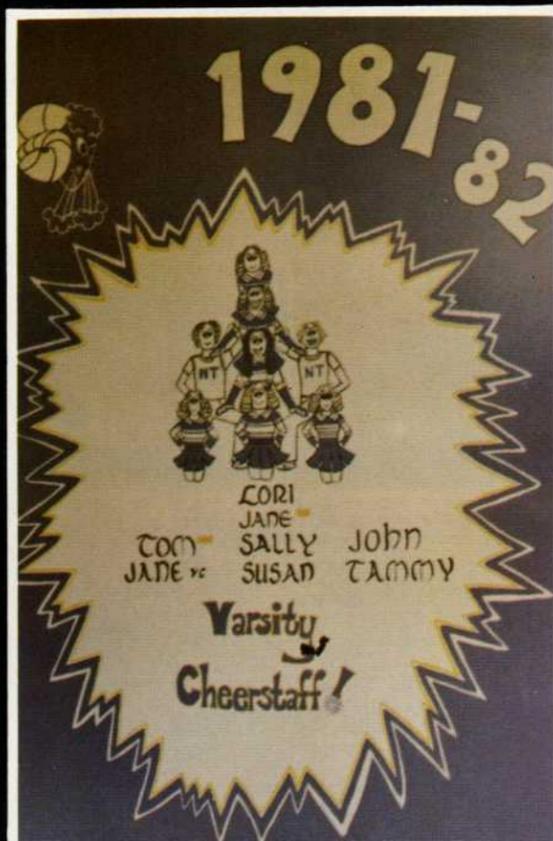

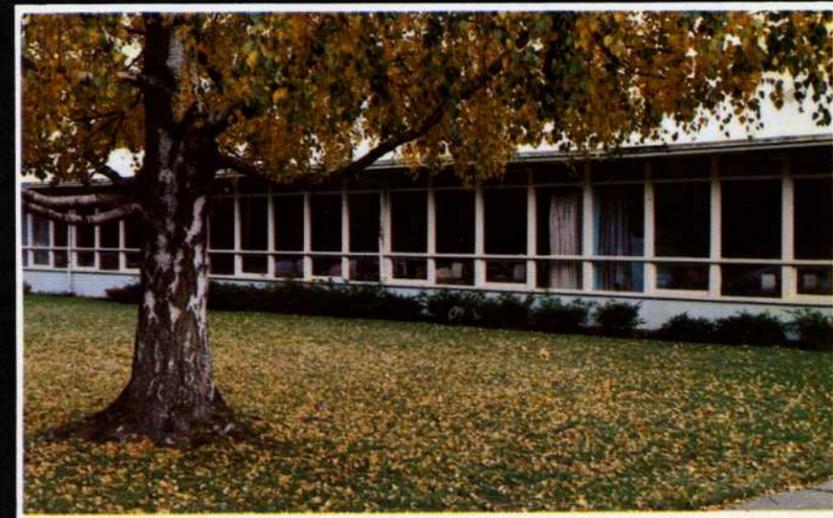

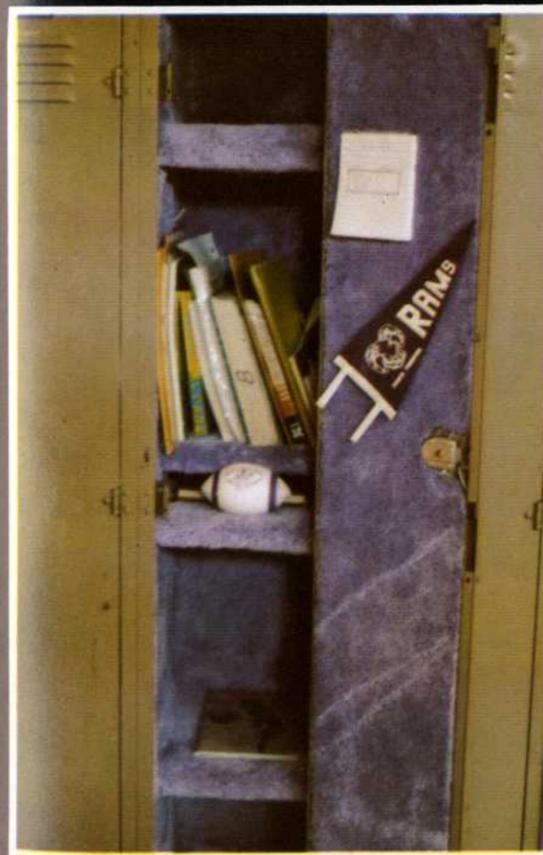

Kay Thomas has been working at N.T. since Day 1. He started out as a Social Studies teacher, and after 14 years he became a counselor so he could better relate to the students at North Thurston. In 1970 he was promoted to his present position as Assistant Principal. Since then he's been striving to better the school system for teachers and students alike. He is an invaluable asset to the spirit of our school and the fulness of his contribution will benefit all the students for years to come.

The annual staff proudly dedicates the 1982 Rambler to Assistant Principal Kay Thomas.

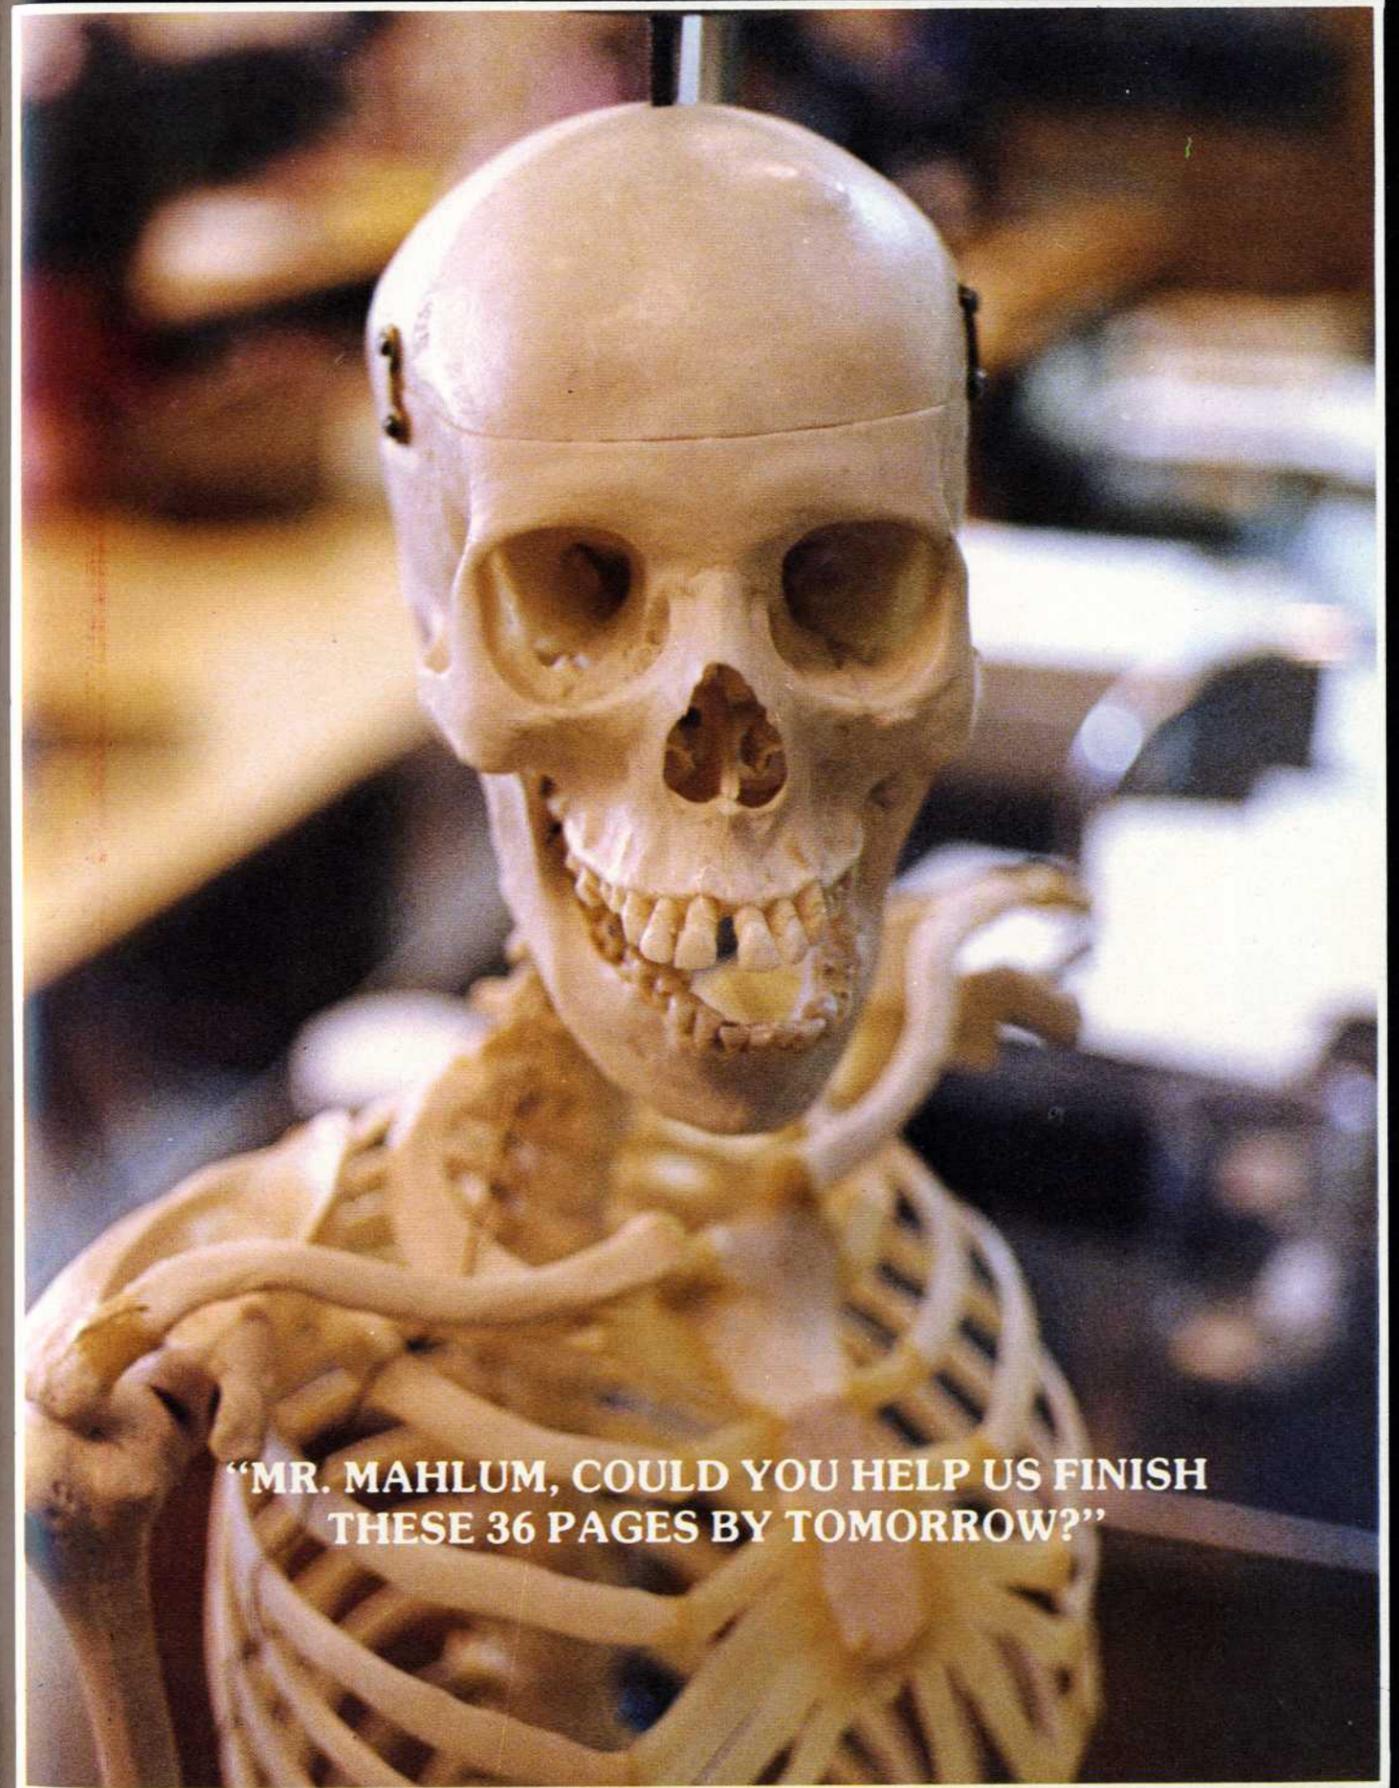

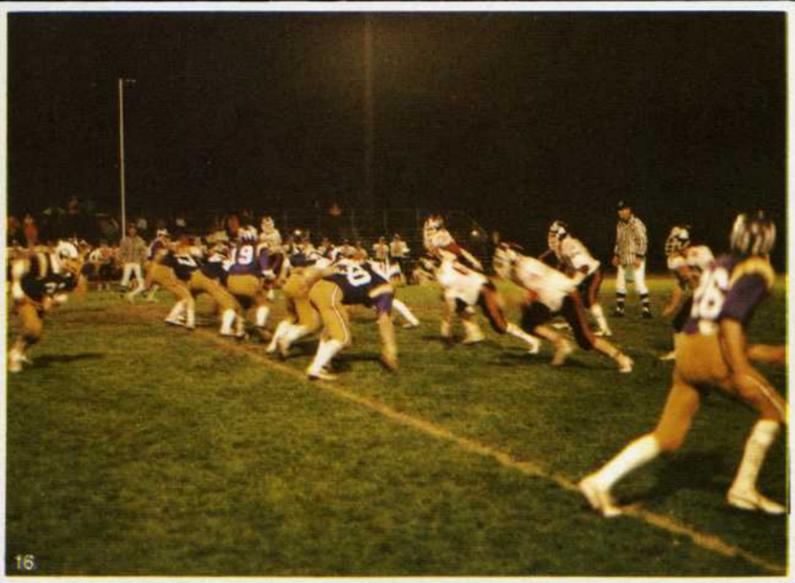

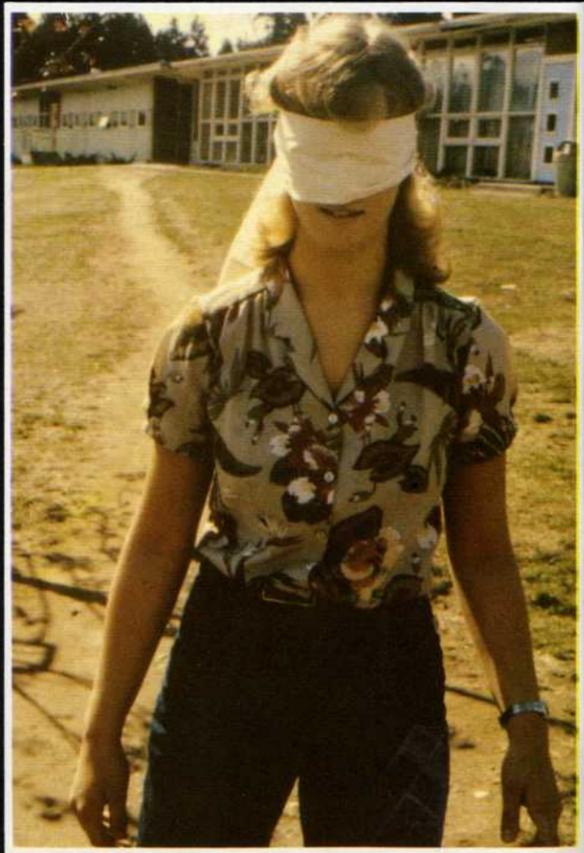

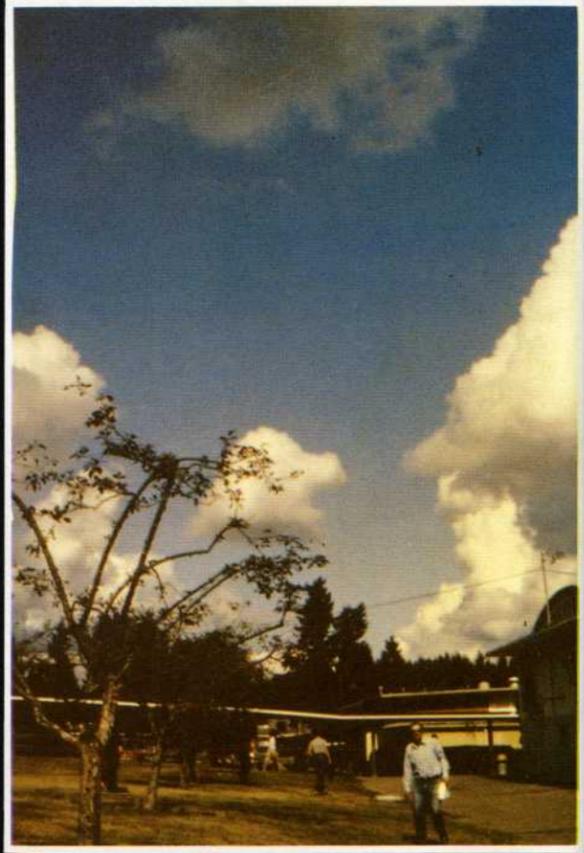

The Annual Staff had a hard time this year trying to cover all the activities and at the same time, keep up with the growing new school.

Despite many setbacks, the staff did very well and made their deadlines, much to the surprise of Mr. Mahlum, who never saw them work until the day the pages were to be mailed. The staff hopes that the students of North Thurston appreciate the efforts and enjoy the 1982 Rambler. The 1982 Annual Construction Crew, L to R: Kris Bauer, Blueprinting; Halle Ives, Construction; Jane Van Camp, Asst. Engineer; Dave Schultz, Construction; Jeff Blume, Engineer; Todd Ostrander, Inspector; John Orem, Mechanics; Sherry Schaefer, Construction; Ken Anderson, Mechanics; Don Mahlum, Foreman; Dan Gifford, Mechanics.

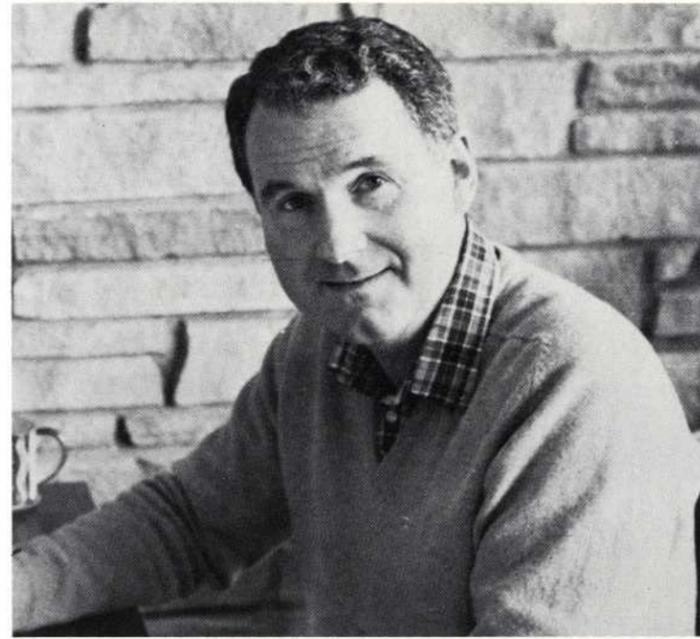

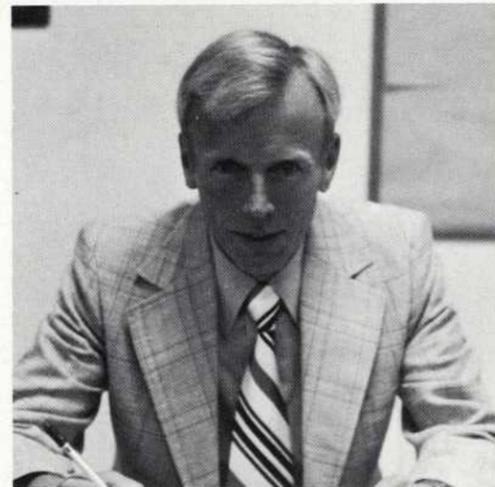

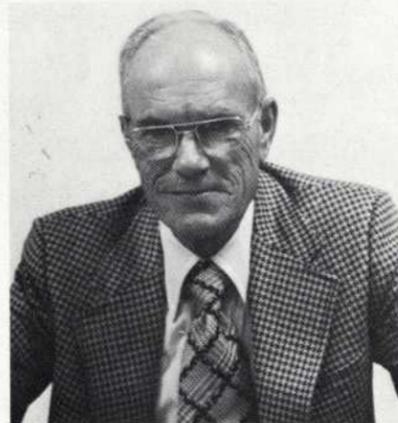

**"MR. MAHLUM, COULD YOU HELP US FINISH THESE 36 PAGES BY TOMORROW?"**

Does the fact that the football teams' record was only 2-7 mean that they weren't successful? Not at all. Yes, there were a few things that could have made them a better team, but there were a lot of things that made them an excellent team.

For a real change, there was some real senior leadership. This really held the team together, and showed the juniors and sophomores how to act in the future. The leadership will definitely continue into next season.

Another change was some actual dedication. Several players began weightlifting as soon as the 1980 season ended, and kept going. A good group also showed up at the annual All-Star football camp. In practice, everybody put out their hardest, which helped everyone improve.

Throughout the season, the Rams got much better, and came very close to winning some games that were very close. Being in one of the toughest divisions in the state didn't help much, either. At different points in the season, five teams from the Black Hills were ranked in the state top 10, including Olympia, the #1 team in state. By the end of the season, the Rams were playing good football, and many of the players wished they could "replay" the first half of the season. The 1981 Ram football team deserves all the credit in the world, for a job well done, and nothing short of a great year in all respects.

As you all know, our victorious basketball team did a superb job and won enough games to qualify for districts. They worked very hard this year and won the respect and admiration of the entire student body. 1982 Varsity Boys Basketball team, bottom row, l. to r., Paul Stuart, manager, Pete Feliciano, Mike Armstrong, Jim Luthy, Jon Strohmaier, Curt Jackson, Jerry Sinks, manager, Coach Smith. # HOME COMING

Opposite Page, Top Left: It's students like these that give North Thurston it's flawless reputation. Top Right: . . . Happy Days are here again . . . Bottom Left: Caesar offers words of wisdom. Bottom Right: LaVerne and Shirley at their best. This Page, Top: "Love me, love my toga." Center Left: "Hey, sweetie, your pillow case is showing." Center Right: G.I. Mary (better known as Militant Marm) . Bottom: "No, Mr. Basset, we weren't cheating."

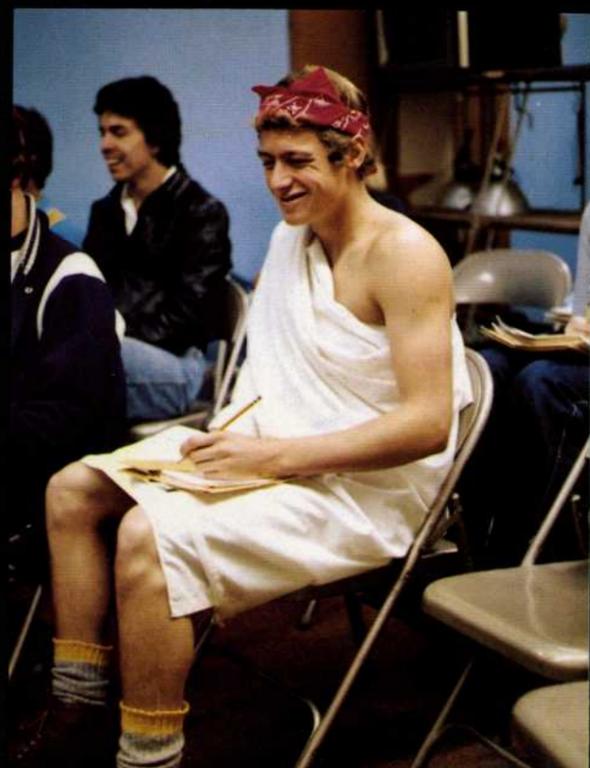

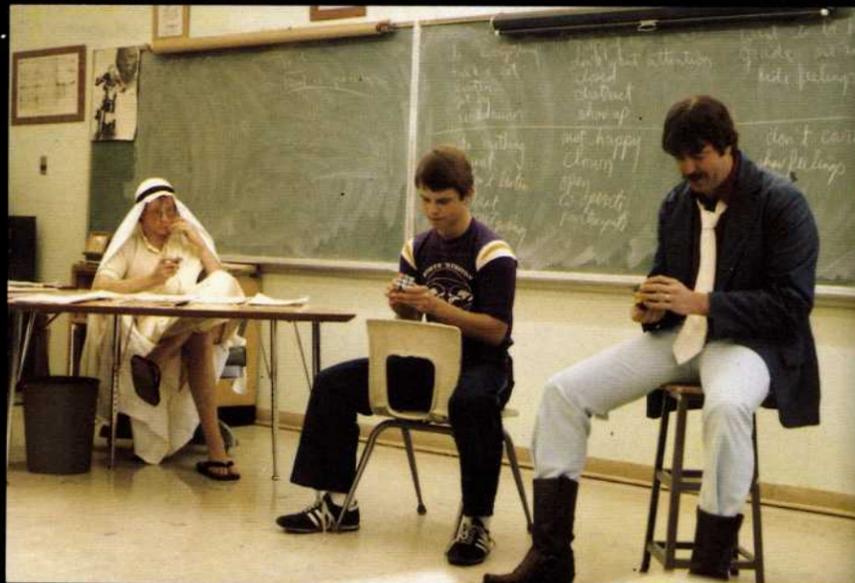

This year's Homecoming was a complete success, with the Seniors winning the noise competition, and the Juniors being awarded 20 points for having the best float. The 1981 Homcoming Court was as follows:

King — Warren West, Queen — Terri Moes, Senior Escort — Chris Pleasant, Senior Princess — Kelly Fowe, Junior Escort — Jim Leingang, Junior Princess — Sherry Schaefer, Sophomore Escort — Rusty Sauls, Sophomore Princess — Jenny Goodman, Freshman Escort — Kevin Whyte, Freshman Princess — Diane Dunaway.

Top: Due to immense popularity of Rubiks cube, OPEC cabinet meeting is delayed. Center Left: Despite Terri's stunning beauty, Marshall is uninterested. Center Right: Fresh out of Vogue we have Jeff Blume modeling the latest in Paris Fashions. Bottom Left: Haw, haw, I done the wrong assignment! Bottom Right: "Why is it we can't go anywhere these days without someone taking our picture?" Opposite Page, Top: Wanna buy a duck? Center Left: Tammy attacks the invader from Oly high. Center Right: Joan and Mary try to start a new trend by wearing bedsheets to school. Sabrina doesn't approve. Bottom Left: Dana, you didn't believe that Kim could take her eyes out, did you? Bottom Right: The annual staff is not authorized to comment on this one!

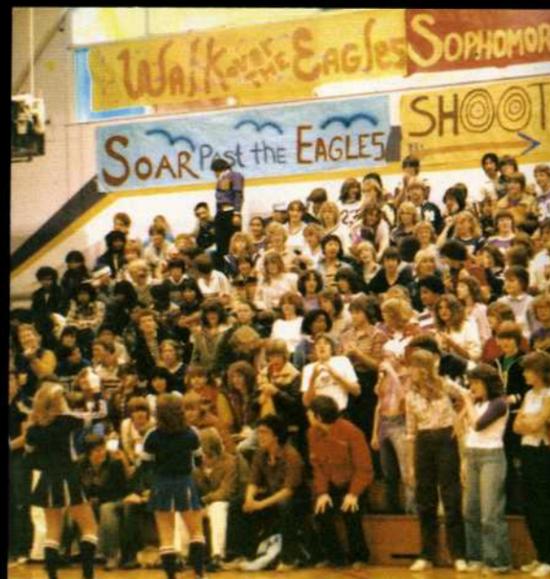

The 1981-82 Cheerstaff helped to make this school year the most spirited yet. With their roter buses, car caravans, and spirited cheers, they kept the crowds coming to the games and assemblies. Despite losing one of their guys (John Verhelst) before the football season was over, they did a great job cheering the Rams to Victory.

## IN MEMORY

Very few times in life do you find someone who gives all he has and never expects anything in return. Duke Johnson was a big part of North Thurston and a friend to everyone who knew him. He was kind, generous and thoughtful, and he will be greatly missed. The students of North Thurston offer their deepest sympathy to Duke's family.

Duke when we knew you  
You enriched all our lives  
Your laughter and kindness  
Had opened our eyes

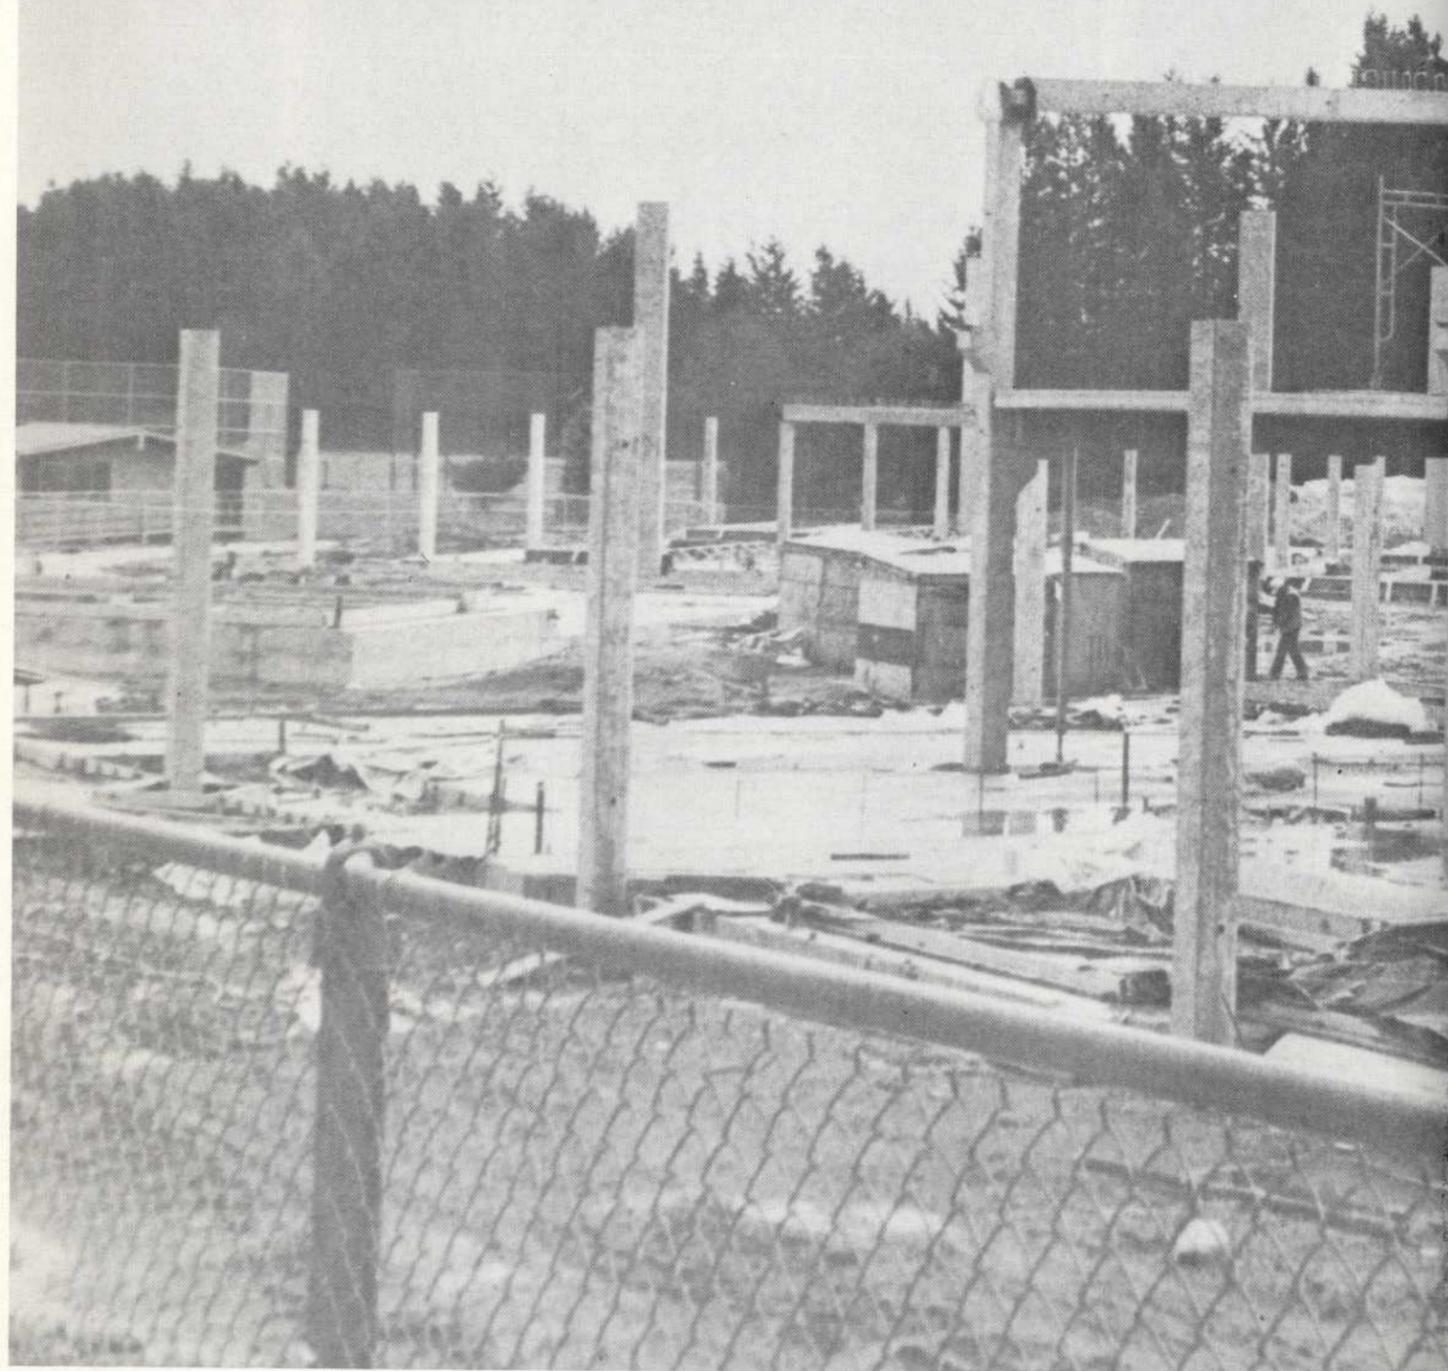

You made us feel wanted  
In just being you  
We hope you find peace  
Our prayers are with you

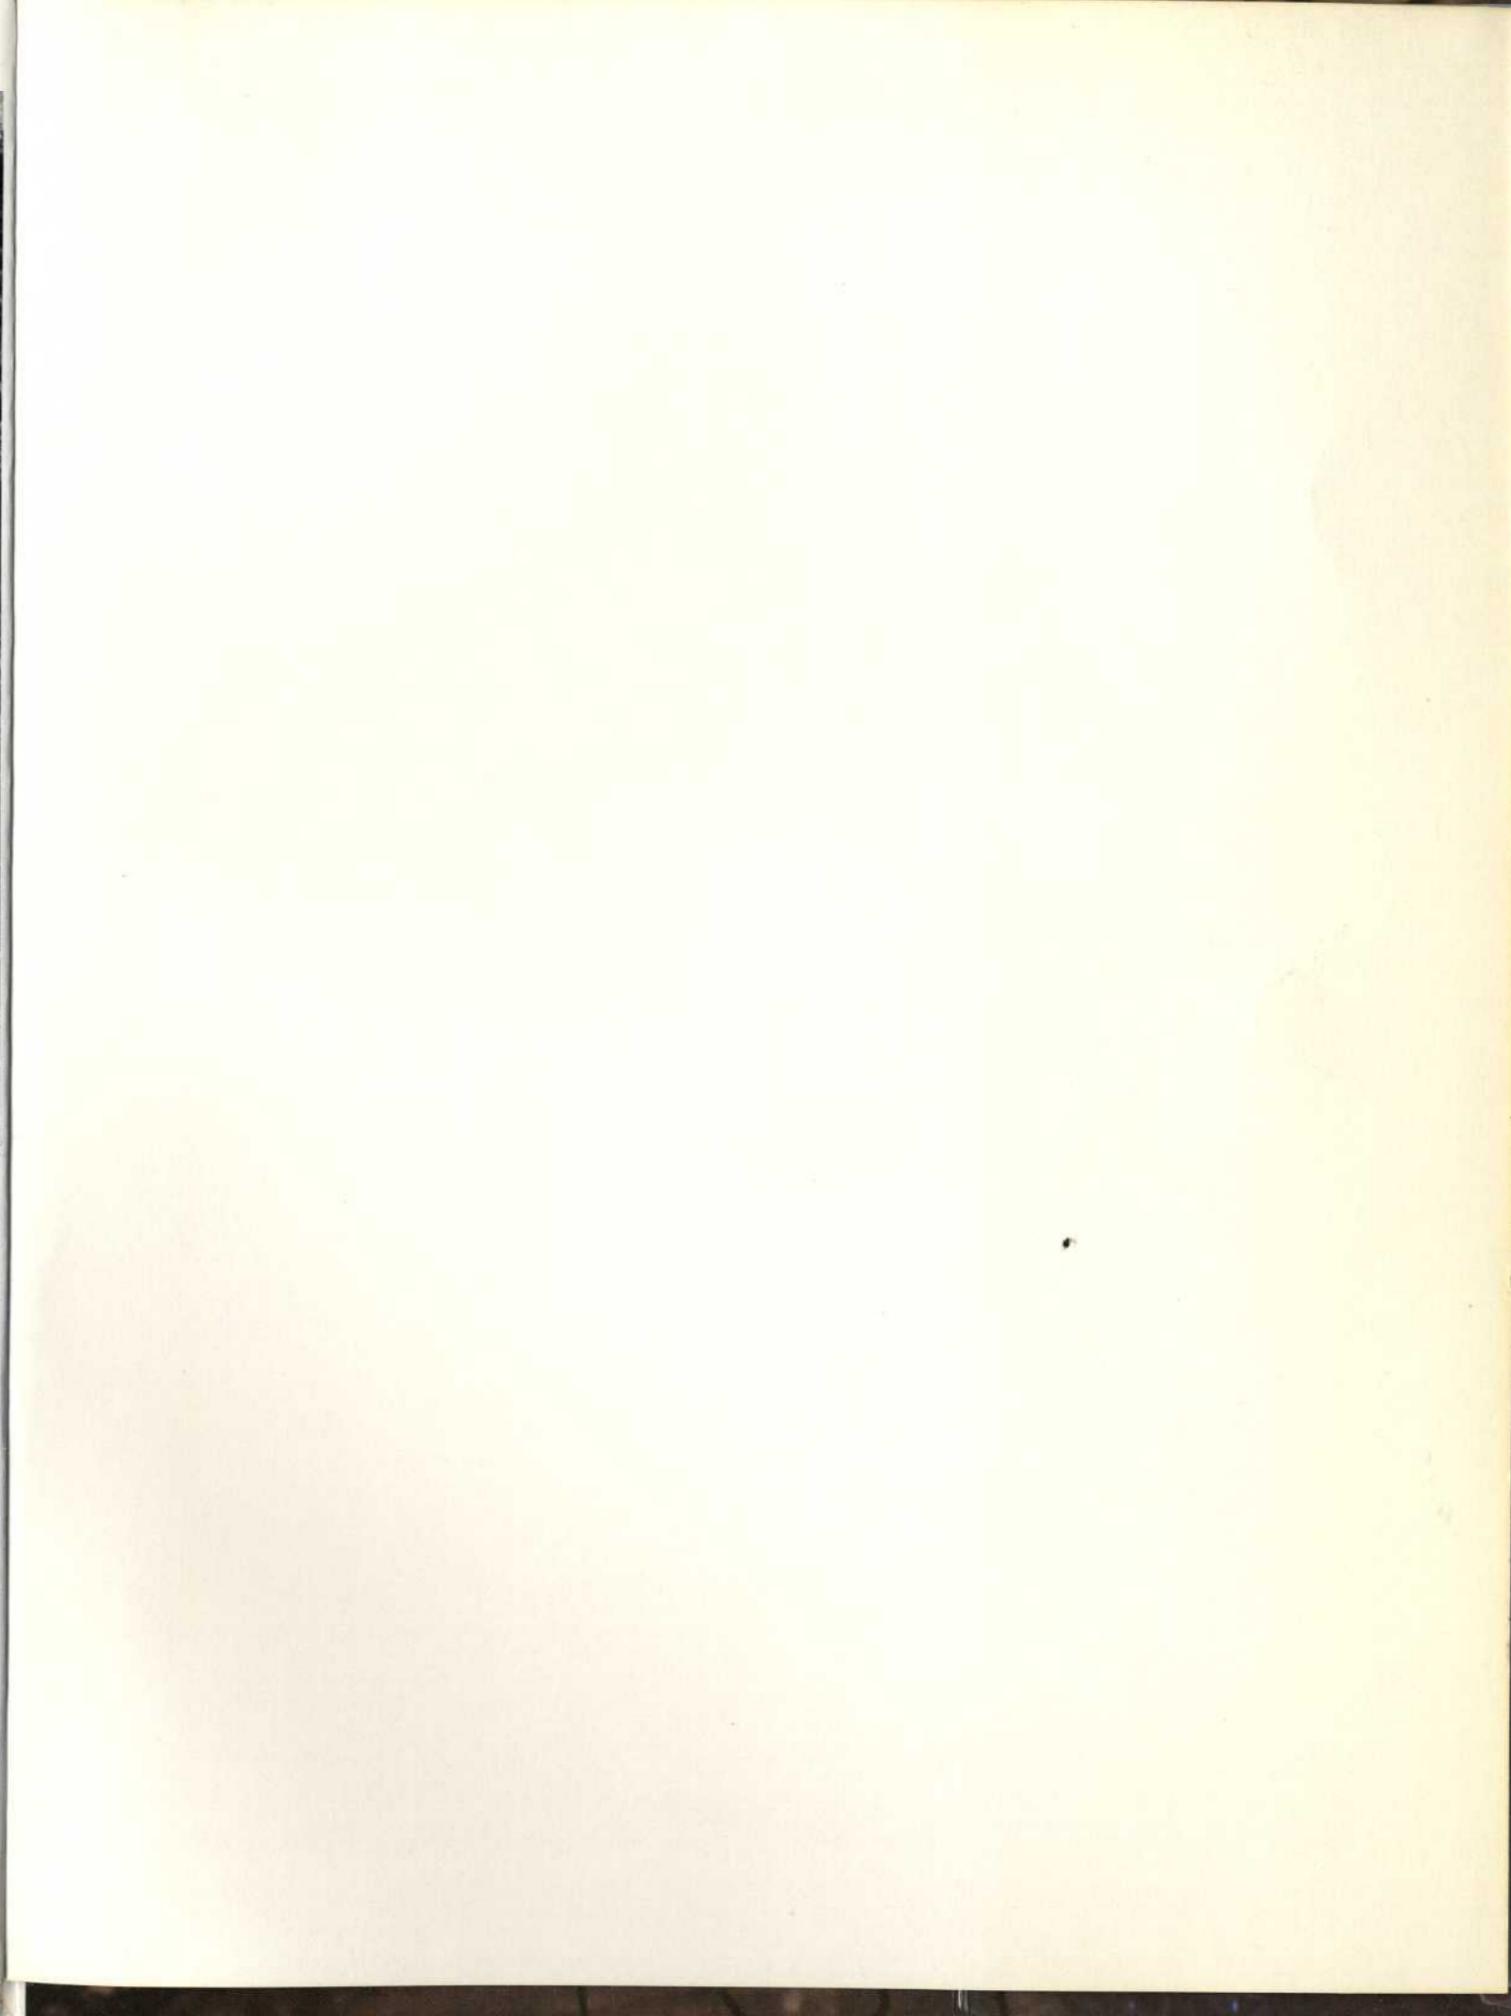

You left us with memories  
The hurt never ends  
WE LOVE YOU, Duke  
From all of your freinds

Written by the Junior Class  
1983

This school year was one of many changes. Everyday, right at our back door, we watched the growing new school develop much more quickly than we could believe. The school year sped by for us, and before we knew it people were counting off the days until summer vacation. So now, the seniors say goodbye to North Thurston, forever to the old school. Juniors will graduate from the new school next year, and the sophomores and freshmen still have a long way to go to reach their moment of glory. Good Luck to everyone and have a great "summer of '82."
