

GAIN CONFIDENCE

Free YMCA Swim Lessons

FREE
for OPSD
students

The YMCA, in partnership with the CDC foundation, is offering free swim lessons to Orchard Park School District students ages 5-12.

Swimming at the YMCA helps individuals of all ages thrive - in and out of water. Children build confidence learning how to set goals, learn water safety, and enjoy swimming as a form of exercise for years to come. YMCA swim lessons are held in 8-class sessions, by nationally certified YMCA swim instructors.

To sign-up for free, enroll online now using the promo code below. A free YMCA program member account is required in order to sign up for any YMCA programs.
