Second Semester Schedules

We are currently making a few adjustments to our master schedule to better balance class sizes and ensure the best learning environment for all students. As a result, student schedules will be updated, similar to the scheduling process used at the high school level. These adjustments allow us to provide the widest range of opportunities while meeting the needs of all students.

To allow time for these changes to be fully implemented, we ask that students and families refrain from requesting individual schedule changes at this time. Students will have the opportunity during the first week in January to request an exploratory (elective) change. Requests must be submitted using the designated form and include both student and parent signatures. Please note that schedule adjustments will be limited to exploratory classes only.

I would recommend that students check their schedule matrix found in Skyward after January 2nd as most classes will be changing.

Thank you to our parents, students, and community for a fantastic first semester at Mill Creek Middle School. The way our community supports students, celebrates growth, and works together for what's best for kids makes MCMS a special place to be. I'm incredibly grateful to serve such an amazing Mustang family.

Reminders

- **Always check the website if you have questions**
- **You must show your drivers license to enter the school**

- **If your child is sick, please keep them home. We are seeing a large influx of respiratory illnesses at this time.**

Thank you to our parents and community for the donations of pies and gift cards!! We are truly grateful for your generosity!

Happenings...

Let Us Know When Your Child Is Gone

There are now 3 ways you can notify us if your child will be gone!
1. Call the school and leave a message on our absence line.
2. Fill out the form found on our webpage
3. Enter the absence in Skyward yourself!

Athletics/Activities

Practice and competition calendars have been updated on the website for all fall sports.

Expanding Opportunity!
As part of our long-range facilities planning to address the evolving needs of our students and community, registered voters residing within USD 232 will have the opportunity to consider a **no tax rate increase** bond proposal by mail ballot election on March 3, 2026. If approved, the 2026 bond will allow USD 232 to **enhance safety**, **expand opportunities**, and **improve facilities** across the entirety of the district.
Learn more about the no tax rate increase bond: ***usd232.org/bond2026***
*There will be a community meeting held at MCMS on **January 8th 6:30 pm** in the library. Please join us to hear more about the opportunity!*
