Important note for 2019-2020: The summary reports typically include information on student growth, assessment results, and chronic absenteeism. Statewide assessment results were cancelled in spring 2020, so student growth and assessment results are not available for the 2019-2020 school year. Additionally, the requirement to report on chronic absenteeism was waived for the 2019-2020 school year so that data is not included. We encourage you to visit the detailed reports to see all the data that is available for the 2019-2020 school year and also to view the “Impact of COVID-19 on Data Availability” resource for a summary of how all data was impacted.
