

Happy Holidays from POB Schools

December 23, 2024

Dear POB School Community,

Today, all schools were treated to student carolers from JFKHS who filled our buildings with song. These moments served as a wonderful reminder of the learning, growth, and care that surround our children throughout the year. As we head into the holiday recess, I wish you a healthy and flu-free break filled with time to rest and enjoy moments together.

Please note that schools will be closed from Wednesday, December 24-Sunday, January 4, and will **reopen on Monday, January 5, 2026.**

While our schools are closed, staffing in buildings will be limited. If there is an immediate concern regarding student health or safety, or an emergency situation, please call 911 rather than using the Say Something App to ensure the fastest response.

On behalf of the Board of Education and the District, I wish you a happy holiday season and a healthy, joyful start to 2026.

Warmly,

Dr. Mary O'Meara

Superintendent of Schools
