

## **FLOYD COUNTY PUBLIC SCHOOLS SURPLUS PROPERTY NOTICE**

Floyd County Public Schools is accepting **SEALED BIDS** for the purchase of a 95'x55'x18' eave surplus **pre-engineered metal building**. The structure includes complete professionally engineered and stamped design drawings for building and concrete footers/piers, engineering schematics, and construction details.

### **BUILDING FEATURES INCLUDE:**

- Pre-engineered steel frame
- Super Span X roof & wall panel system with Silvercote R-19 insulation for walls & ceiling
- Purlin, bracing, and connection details
- Full engineering sheets available (E-series, P-series, F-series, etc.)
- Suitable for commercial, agricultural, or storage applications

The building is currently designed for up to (4) walk-in doors and (2) 10x10 roll-up door openings. \*\*Doors are not included as part of this package

Colors: Ash Gray side panels and trim with Galvalume roof panels

### **DESIGN PLANS AVAILABLE**

Full schematics and design documents are available upon email request to:  
boothed@floyd.k12.va.us

### **BID INFORMATION**

- Sealed bids only
- Bid deadline: 10am on Thursday, January 8, 2026
- Late or unsealed bids will not be considered
- FCPS reserves the right to accept or reject any/all bids

The winning bidder is responsible for pickup and transport of the building at their own expense. Removal must occur within 30 days of bid award

### **SEALED BIDS ACCEPTED IN PERSON ONLY TO:**
