Principal's Corner

Happy New Year, Rattlers!

We hope this message finds you well and ready for an exciting year ahead. This year, we focus on learning how to RISE UP as Rattlers. We invite you to click on the link to explore the principles of R.I.S.E with your child. We encourage everyone to think about Rising Up, whether at school or elsewhere, and whether in the presence of others or not.

Our upcoming assembly, led by 5th-grade students and teachers, will emphasize the importance of Integrity, the "I" in RISE. It is on January 14th at 8:15 if you would like to attend. Please be sure to sign in at the office. In addition to Integrity, we consistently emphasize the "S" in RISE, highlighting Safety.

At VVCM, our staff regularly reinforces the importance of keeping our hands to ourselves and using kind words. Empathy lessons are also integrated to help students understand different perspectives. One of our most significant examples was A Touch of Understanding's visit to our school.

Safety remains our top priority, and we kindly ask for your cooperation in driving cautiously and adhering to the guidelines outlined in our Traffic Brochure. Please remember to empathize with fellow drivers and students in the parking lot. We work closely with the Sheriff's Department, DOT, and CHP to ensure a safe environment for all. Please see our traffic and safety guidelines below.

We have an upcoming three-day weekend on January 19th as we celebrate Martin Luther King Jr.'s impactful legacy. Our commitment to the RISE values resonates with his profound teachings, exemplifying the principles of standing up for justice, equality, and nonviolence. It is key for our students to grasp the essence of Dr. King's vision—a society where individuals are judged on their character rather than skin color. We consistently emphasize the significance of treating everyone with fairness, kindness, and respect, encouraging all to uphold the values of RISE, regardless of their location. If you ever have thoughts, concerns, or questions, please email me, approach me on our campus, or schedule a meeting. Your input is invaluable as we always seek to cultivate an inclusive and positive learning community.

Wishing you a fantastic January, and Gooooooooooooooo Rattlers!!!!
