

POLICY: Curricular Credit for Extracurricular Activities

Approved by Governing Council On: 4/5/2023

Students at Siembra Leadership High School have the option to participate in extracurricular activities either 1) at Siembra, or 2) through the student's designated home school through the larger district. Student participation in extracurricular activities is recognized by the issuance of high school credit(s) per semester.

Credits for team sports are based on individual student need out of the following options:

- Physical Education
- Health
- Communication Exploration (1300)
- Communication Skills (1073)
- Leadership (0841)
- Team Sports
- Art

Students may earn credit each academic semester of sports participation.

Students must participate in the extracurricular activity 75% or more of the designated program.

- Students participating in extracurricular activities at their home district school will provide documentation from their coach demonstrating participation.
- Siembra Coaches and activity coordinators will coordinate with the school registrar to identify students earning credit for sports participation at the end of each season.
