

CONNECT WITH OWATONNA ADULT EDUCATION IN 2026!

Partnership Opportunities Include:

In-Class Lectures or Guest Speakers

- Provide immediate visibility for your company and help learners understand real workplace expectations, resulting in a more informed and better-prepared future applicant pool.

Branded Swag

- Positive brand visibility give learners quick familiarity with your organization.

Field Trips, Workplace Tours or Shadowing Experiences

- Spark immediate interest and help candidates understand job roles, leading to long-term recruitment benefits and stronger retention due to realistic expectations.

Custom Workplace Literacy Programs

- Improve recruitment, job performance, productivity and retention. Enhance communication and safety.

Volunteering Your Time & Skills

- Owatonna Adult Education is always looking for math and reading tutors to help our learners further their knowledge and skills. Even one hour per month leads to great success here at our center!

Sponsoring Learning Lab Experiences

- Create an engaging, low-barrier way to introduce your company while giving learners hands-on insights into real workplace skills. These sessions foster long-term connections with potential candidates who already understand your culture and expectations.
