Registration Directions

In addition to **Physical Education**, you should register for six courses plus two alternative courses. Keep in mind that 23 credits are required for graduation. No credit is given for study hall. **Your course selections will become final on March 3 for all courses including Area Career Center classes - CHANGES CANNOT BE MADE AFTER THESE DATES.**

Parents are encouraged to become actively involved in the course selection process. **Be sure to take your copy of this registration form home and discuss your course selection with your parents.** Anyone wishing to talk with a counselor is encouraged to call 815-223-1721.

The courses you choose should be appropriate in terms of your post-high school goals.
