Preschool Inclusion Program 2026-2027 Application Information Cover Letter

Dear Parent/Guardian:

The Harrison Township School District will be offering a preschool inclusion program for the 2026-2027 school year. There will be a morning session for three-year-old children and an afternoon session for four-year-old children. The Preschool Inclusion Program will provide our population of children with special needs the opportunity to be educated in the least restrictive environment along with their typically developing peers. The classes will be held at the Harrison Township Elementary School.

The morning classes of three-year-old children will be comprised of approximately fifteen (15) three-year-old children. The ratio of typically developing three-year-old children to students with special needs will not exceed 7 to 8. This is a half-day program, five days a week with a morning session from 8:30 - 11:00 a.m. **Children must have attained the age of 3 years, but will not attain the age of 4 years, on or before October 1, 2026 to apply.**

Each afternoon class of four-year-old children will be comprised of approximately sixteen (16) four-year-old children. The ratio of typically developing four-year-old children to students with special needs will not exceed 8 to 8. This is a half-day program, five days a week with an afternoon session from 12:30 - 3:00 p.m. **Children must have attained the age of 4 years, but will not attain the age of 5 years, on or before October 1, 2026 to apply.**

Children must be toilet trained, have up-to-date immunizations and should have age-appropriate skills in all areas of development. No transportation or child-care will be provided for typical children.
