ISSUE 12 DECEMBER 2025

The MakeWaves Monthly

We develop students to become the best versions of themselves, so they can transform the world.

Superintendents' Message

'Tis the season to **Be a Dolphin!** 🐬
We are incredibly proud to celebrate our school system earning **straight A's on the 2025 State Report Card for the third year in a row!** Congratulations to our outstanding **Teachers and Staff Members of the Year** who were showcased this month.
As we wrap up the first semester and embrace the season of giving, we would like to extend a heartfelt **thank you** to our students, employees, parents, and community members who help make our school system exceptional. A special **shout-out** goes to our parents who completed the Cognia Surveys in support of our upcoming accreditation.
GSCS is proud of the many accomplishments and awards earned by our students and employees throughout **Semester 1**, and we look forward to building on this success in the year ahead.
We hope you and your family had a **Happy Holiday**, and we are excited for all that **2026** will bring to our district.
School will resume on Tuesday, January 6th.
Let's **MakeWaves** in the New Year!

Dr. Matt Akin - Superintendent makin@gsboe.org
Dr. Stephanie Harrison - Assistant Superintendent sharrison@gsboe.org

Meet Our Student WaveMakers of the Month

Elementary School

Izzy Talantis

Grade: 5thGrade

Area of Recognition: Leadership

I'm a WaveMaker because…

It is my pleasure to recommend Izzy Talantis for Student WaveMaker. She truly represents what it means to be a Gulf Shores Dolphin. Izzy consistently demonstrates kindness, respect, and a strong work ethic in all areas. Izzy goes out of her way to help her classmates, whether it's explaining an assignment, encouraging a friend, or taking the lead in group work. She models the 7 Habits each day by being proactive, putting first things first, and thinking win-win. She listens to others with understanding, synergizes with her peers, and always strives to sharpen the saw by giving her best effort in all she does. Izzy's positive attitude, strong character, and cooperative spirit make her a true joy to have in class. I look forward to watching her continue to grow as both a student and a Gulf Shores Dolphin leader. Go Dolphins! Make Waves, Izzy!

~Nominated by Kelly Nelson (5th Grade Teacher)~

Middle School

Carleigh Robinson

Grade: 7th Grade

Area of Recognition: Character and Exemplary Leadership

I'm a WaveMaker because…

Carleigh is a WaveMaker because she consistently shows up with an eager-to-learn attitude – no small feat for someone who juggles as many responsibilities as she does with such grace. She inspires her peers on the softball field as well as on the basketball and volleyball courts. In addition, she serves as first chair in our beginning band, where she continually uplifts her classmates by celebrating their musical talents both in and out of class. Carleigh also represented our school as part of Girls Engaged in Math and Science (GEMS), spending her Saturdays cleaning oyster baskets and her afternoons preparing for our team's presentation in Huntsville–an event she couldn't even attend. If that's not selfless commitment, I don't know what is!

~Nominated by Anthony Schaff (Science)~

High School

Autumn Brandon

Grade: 11th Grade

Area of Recognition: Leadership /Marching Band/Color Guard

I'm a WaveMaker because…

I am honored to nominate Autumn Brandon, Color Guard Captain, for Gulf Shores City Schools' Wave Maker of the Month. Autumn is a leader of the highest caliber, selfless, forward-thinking, and deeply compassionate. She leads by example in every rehearsal and performance, inspiring her fellow students with her work ethic, positivity, and genuine care for others. Autumn consistently puts the needs of others before her own, stepping in to help, encourage, and guide without ever being asked. Her ability to balance high expectations with kindness has created a supportive environment where everyone feels valued and motivated to succeed. Autumn's leadership embodies what it means to be a Wave Maker, and our program is better every day because of her.

~Nominated by William Mixon (Fine Arts)~

What is a WaveMaker? Someone who incites action or activity.

Health & Wellness

GSHS JV & Varsity Girls Basketball Teams loved getting to participate in the Walking Bus with our GSES students! A huge shout out for visiting Meyer Park this morning for dribbles and baskets with the walkers! What a fun way to start this day!

Athletics

7th grade Basketball Boys baby dolphins are now 13-1 on the season!

Arts Education

Congrats to the GSMS choir on their winter holiday performance!! So much talent at GSMS!!

Teaching & Learning

Stir Fry Lab at GSHS with Madsen's Class!

Elementary School

Mrs. Terrell's 5th graders at GSES are learning about earth's rotation by tracing shadow movement!

Middle School

Congratulations to the five GSMS art students who were selected for publication in the national art contest Celebrating Art! This year's publication is especially meaningful, as it marks the final edition of the contest due to the retirement of its founder. Being chosen for this last publication is a truly special and prestigious honor.

High School

Mrs. Fleming's Environmental Science students and Mrs. Hamilton's Honors Biology students are continuing to learn about how our Gulf Coast environment impacts the survival of Monarch butterflies. Students planted native milkweed, the essential host plant for monarch caterpillars. With care and a little patience, these plants should be ready by spring—just in time to welcome the monarchs on their migration!
We're proud of our students for taking action and supporting this beautiful and important species.

Virtual Academy

The Christmas party was a blast!
Students kicked things off with a fun writing activity, enjoyed a tasty treat, and wrapped it up by decorating their very own gingerbread houses. So much holiday cheer!

Connect With Us! Stay informed on what's happening with Gulf Shores City Schools!

District/Schools Websites - Facebook - X - Instagram - You Tube - GSCS Mobile App

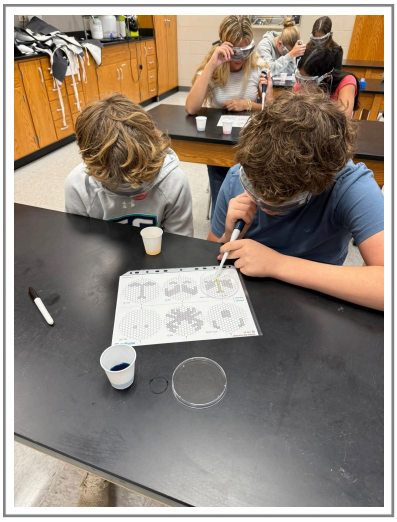

Huge thank you to our most recent partner joining Hyper Wave @collinsaerospace One of the greatest components of FIRSTRobotics is the connections we make with our local industry! Making waves as a community!! @gscityschools @gulfshoreshs @firstinalabama

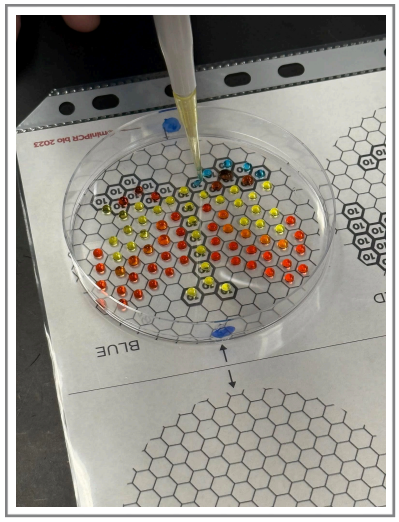

Congratulations to our newly Certified Patient Care Technicians at GSHS!

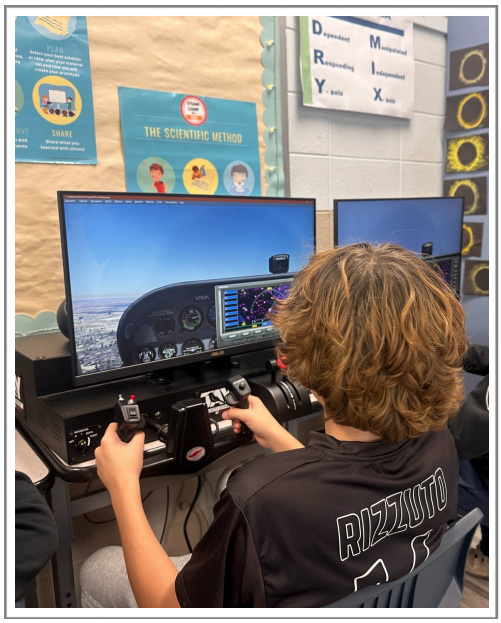

Hamilton's Honors Biology students dove into the genetics of taste this week using gel electrophoresis! We kicked things off with the "art of operating," where students practiced precision pipetting by creating colorful works of art using fixed volumes of food coloring in water. With those skills mastered, students loaded their unknown DNA samples and analyzed their gels to uncover the genetic patterns behind a family's ability to taste certain compounds. Science, creativity, and discovery all in one lesson – and these students absolutely crushed it!

Our 7th graders took to the skies! As part of our new Flight & Space class, Mrs. Coker's students hopped into the Redbird in-class flight simulators for their first hands-on flying lesson. They explores lift, thrust, drag, and weight from the pilot's seat - and their excitement was sky-high!We're so proud of their curiosity and confidence as they learned to navigate the skies above Gulf Shores!

GSCS Superintendent Dr. Akin is pictured with Pre-K teachers who are greeting their students on this rainy, Pajama Day morning.

The GSMS art students made Christmas cards for the residents of the Haven.

Mrs. Phillips and Ms. Weekley at GSES took the Student Lighthouse Team and K-Kids to Live Oak Village for caroling this holiday season!

Our GSMS kids got to go shopping with Gulf Shores Police Department on Friday!

Dolphins Smile had an excellent field trip today that provided meaningful, real-world learning experiences for our students. We had the opportunity to visit Beach Girl Coffee, where we are fortunate to support them with their laundry needs, and we appreciated the chance to spend time on-site. We also visited Gulf Shores International Airport, where staff graciously provided an engaging and informative tour for our students. We concluded the day by ordering food at McDonald's, which thoughtfully provided a braille menu so one of our students could independently place their order. Overall, these community-based experiences strengthened real-world connections to the classroom skills we have been developing, including recognizing community signs, ordering from a menu, money management, and social skills. We are extremely grateful for the continued support of our local community partners, whose generosity and willingness to engage with our students made this trip possible.

For the 3rd year all of the first grade classes at GSES planned an Outreach. This year's was entitled "The Gift of Friendship". We gathered supplies, necessities, and goodies for Sea Grass Nursing Home and Haven Memory Care. There are still a few donations rolling in, but this morning we had 100 pocket kleenex, 30 chapsticks, 12 pair of cozy socks, several lbs of soft peppermint candies, 50 hand sanitizers, 50+ personal care items, and 50 games, word searches, crossword books, etc. At GSES we are not just teaching academics, we are raising leaders!

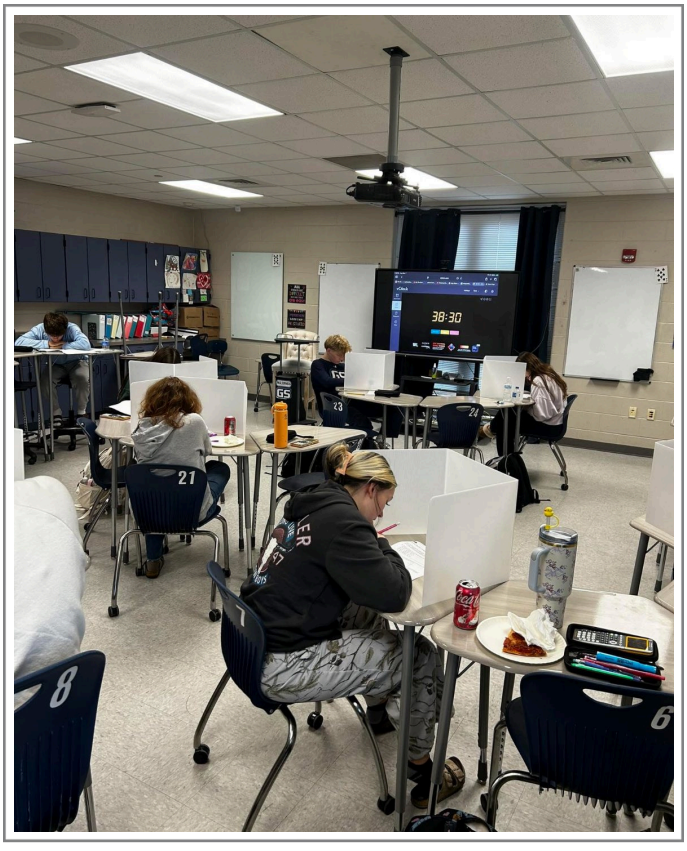

State Park crossing duty for walkers is not for the faint of heart on these very cold mornings! Ms. Dalton at GSES is bundled up for the occasion!

These greeters at GSES were likely cold in the 28 degree weather but you'd never know by their smiles!

What to do on a rainy Sunday afternoon at GSHS you ask! How about an AP Precalculus Mock Exam! Mrs. Jones's students came on a Sunday to take their mock. Now that is dedication.

Paws-ing by to wish everyone a Happy Holidays!
Phin, our school comfort dog, hopes your break is filled with peace, joy, and lots of warm moments.

Mrs. Freda from Southern Palms kindly visited our art classes to guide students in creating beautiful ornaments. These handmade pieces were used to decorate a tree for the Merry Memories Tinsel Trail, a meaningful event that supports the Garner C. Tampary Memorial Foundation. Because Garner was one of my former students, this cause is especially close to my heart, and I am truly thankful that our students were able to take part in such a special project. The Merry Memories Tinsel Trail is on display at the Coastal Arts Center in Orange Beach. To learn more about the Garner C. Tampary Memorial Foundation, please visit **https://www.lessonz.org/ https://www.gulfshoresnews.com/ornaments-of-hope-how-a...**

HELP FILL THE NEED

Tuesday Tour at Gulf Shores High School in January

Start the new year with the Tuesday Tour at Gulf Shores High School on Tuesday, January 20!
Gulf Shores City Schools is excited to offer community members, parents, and stakeholders the opportunity to tour our schools and see the wonderful things happening in our classrooms.
Our **Tuesday Tour** will take place on **Tuesday, January 20, from 9:00–10:30 a.m.** at **Gulf Shores High School**. Visitors will have the opportunity to step inside classrooms and experience firsthand the culture, innovation, and learning that define Gulf Shores City Schools. To sign up, click on the following link below:

Take The Tuesday Tour

3rd Grade parents - Please read the information about the Literacy Act Review informational session coming up on January 7th. Space is limited.

3rd Grade Parents

Literacy Act Review

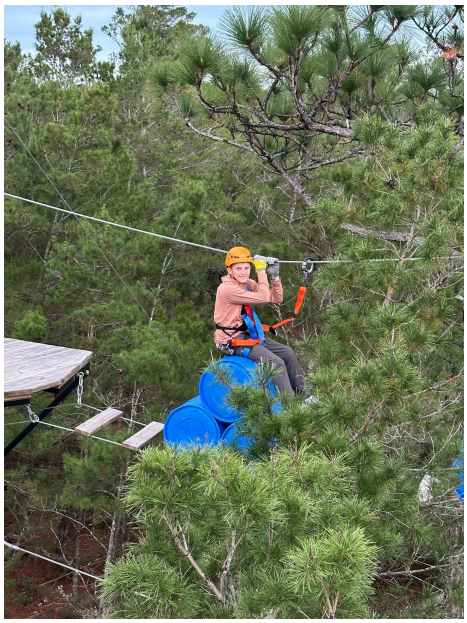

Gulf Shores Elementary School will host two informational sessions on January 7, 2026 to review the Literacy Act with any interested 3rd grade parents. Space is limited, and we can only accommodate the first 50 participants for each session. Please sign up for either the 8:30 am morning session or the 4:00 pm afternoon session. Please review the available slots using the QR code below. The sessions will be recorded and shared out at a later date for those that cannot attend.

Thank you!

Sustainability Club at GSMS celebrated winter break with some tree top fun! Thank you to the Gulf Coast Center for Ecotourism & Sustainability for hosting such a wonderful time on the ropes course for our kids!

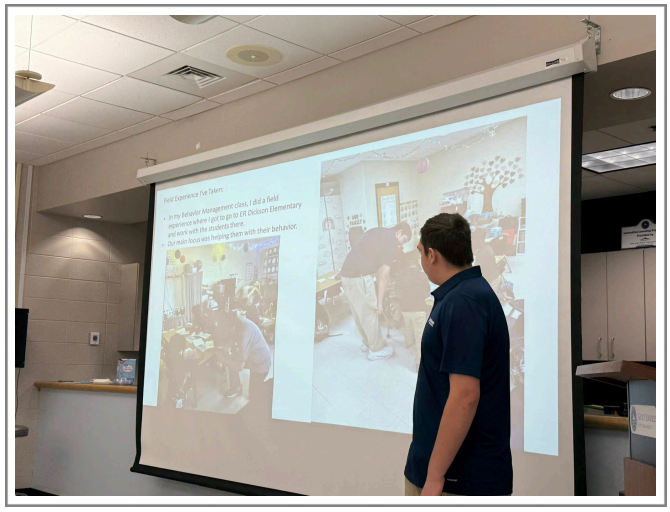

A proud moment at Gulf Shores High! One of our graduates returned today to share his experience with Passages USA and inspire current students with his college journey. Big thanks to Clawson Diehl for giving back and motivating the next wave of Dolphins!

FCCLA got into the holiday spirit this Wednesday at Christmas in the park, offering free face painting, Christmas tattoos, and reindeer food. Thanks for participating!

Shoutout to Our Amazing Gulf Shores City Schools Bus Drivers! Our buses just received an OUTSTANDING state inspection with ZERO major mechanical violations, all thanks to the exceptional attention to detail of our drivers! Every day, they ensure students ride safely, report any issues promptly, and go above and beyond to make each route smooth. Huge thanks to our mechanic for keeping buses in top shape all year, and to our Superintendent's office and the School Board for providing the tools and support that make it all possible. Bus drivers, you make safety and excellence look easy. We appreciate you!

Thank you to everyone who donated to our K-Kids' Annual Pajama Drive, which we partner with Scholastic for every year. With your help, we were able to collect 104 pairs of pajamas, doubling our goal for the year! Scholastic will also donate a book with every pair of pajamas.

2025 National Board Certified Teachers & New Cohorts Members

GSPD Sergeant Lambert is so appreciated by Meyer Park walking families…and the kids love the high fives!

GSMS choir members did an amazing job helping bring the Christmas spirit to Gulf Shores at the City of Gulf Shores Christmas Tree Lighting!

Gulf Shores Middle School Band delivered an outstanding performance at last night's Winter Concert! From the opening note to the final song, our students showcased incredible talent, hard work, and holiday spirit.
A huge thank-you to our band directors for their leadership and to our families and community members who came out to support our young musicians.

Gulf Shores City Schools celebrated nine new National Board Certified Teachers, and we couldn't be more proud! Congratulations to our newest NBCTs:
GSHS: Wendy Jones, Tera Cagle
GSMS: Roger Reetz, Martha Morales
GSES: Lindsay Grant, Lindsay Scogin, Megan Rogers, Mary Margaret Phillips, Sara Shaw
National Board Certification is one of the most rigorous professional learning journeys an educator can pursue, and research shows students taught by NBCTs achieve more and are more engaged. Our NBCTs also strengthen our schools through leadership, mentorship, and service.
A huge thank-you to the Dolphin Foundation for supporting our candidates every step of the way.
Help us congratulate our newest NBCTs!

Wendy Jones

Tera Cagle

Roger Reetz

Lindsay Grant

Martha Morales

Lindsay Scogin

Mary Margaret Phillips

Megan Rogers

Sara Shaw

Thank you @mygulfcoastchamber & @baldwinhealth for the invitation to the First Friday Forum! We loved being part of today's conversation, and it was such a pleasure speaking with Dr. Whiddon. Grateful for the partnership and the opportunities provided to our future healthcare professionals!

Community is everything! We are so thankful for the VERY generous donation given to The Dolphin Foundation for Education and Arts, by Mrs. Frances Holk Jones. We are blessed to have such a great State Representative. Thank you for helping us

Mrs. Jackie Smith, our wonderful nutrition expert, visited Mrs. Morales' 6th grade class to teach students about healthy choices to keep in mind during the upcoming holiday season.
Our students had a great time creating their very own Christmas Trail Mix, which they proudly shared with all GSMS staff and teachers.
A huge THANK YOU to Mrs. Smith for taking the time to visit our classroom and share your knowledge with us. We had an absolute blast!

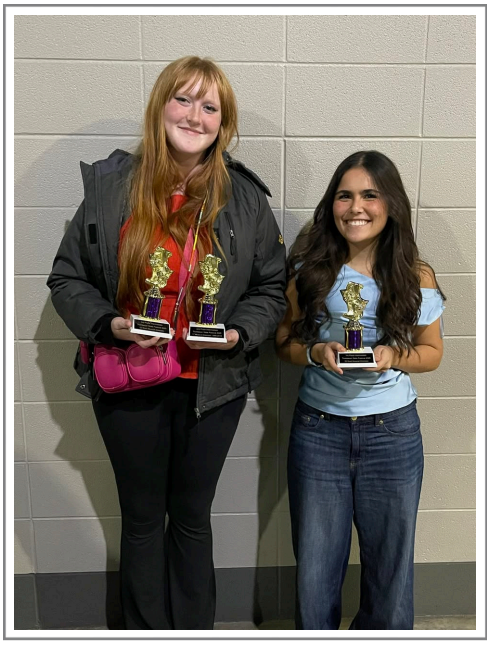

Make Waves Theatre made a splash at State Trumbauer Competition at UAB!
Out of 100+ schools and nearly 2,000 students, Gulf Shores High School proudly sent 18 talented Dolphins to compete in 20 different events — and they absolutely shined!
Here are our incredible results:

2nd Place in the State
• Fiona Douglas — Dramatic Musical Theatre 1980-2015 Solo (Intermediate)

3rd Place in the State
• Fiona Douglas & Luiza Espinheira — Dramatic Musical Theatre Duet (Intermediate)

Superior Ratings
• Grayson Godbee — Acting Novice
• Ana Guerra — Acting Novice
• Lauren Stewart — Musical Novice
• Owen Loper — Musical Novice
• Kate Garner — Musical Varsity
• Fiona Douglas — Musical Intermediate
• Fiona Douglas & Luiza Espinheira — Duet Musical Intermediate
• Kate Garner & Cy Dobbs — Duet Musical Varsity
• Alyssa Goff — Costume Design Novice
• Maddie Mattson — Scenic Design Varsity

Excellent Ratings
• Will Ferguson — Acting Varsity
• Ava Higgins — Acting Intermediate
• Hannah Garner — Acting Varsity
• M Lawley — Acting Intermediate
• Sarah Jane Stephenson — Original Works Novice
• Ana Guerra — Original Works Intermediate
• Alayna Lambrecht — Original Works Varsity
• Sophia Bauer — Musical Intermediate (x2)
• Mason Slater — Musical Intermediate
We are unbelievably proud of our students for their hard work, artistry, and dedication.

Make Waves Theatre continues to
MAKE WAVES!

On Friday, November 21st, @Austal USA hosted Gulf Shores High School students to tour the shipyard of the US Navy's top shipbuilding contractor. These students are interested in Austal's apprentice program which would pay for a two-year degree from Bishop State while gaining on the job experience in fabrication, pipe welding and fitting, electrical, and design. We are excited to initiate this partnership with Austal and look forward to exposing more of our students to these amazing career opportunities right after graduation.

Peer Helpers held their annual Turkey Take-Out Canned Food Drive, and our Dolphin Family truly stepped up! In total, GSMS collected 650 items — the highest amount of any school participating in the program. Dr. Bill Lawrence stopped by to pick up the donations, which were used to create Thanksgiving baskets for families in need. A big congratulations to Mrs. Arnold’s homeroom, who led the school with 122 donated items and enjoyed a well-earned donut party to celebrate their generosity. Thank you, Dolphin families, for your kindness and support!ide through the State Park last Thursday. The ride this time included going through some nice single track trails in the wildlife reserve.

GSHS juniors and seniors toured The University of Alabama to explore innovative opportunities in Business, Engineering and Nursing!

Defensive coordinator Brian Van Gorder confirms he will be returning to Gulf Shores in 2026!

BREAKING NEWS

Daily Beach

BREAKING NEWS

VOL. 10, NO. 4 DAILY BEACH GULF SHORES

GUESS WHO'S BACK, BACK AGAIN

HUDSPETH HAS THE DOLPHINS RIDING THE WAVES

This season, Coach Hudspeth led the Dolphins to their first-ever 6A playoff appearance in 2025, bringing his overall record at Gulf Shores to 41-18. During the past 5 years with Hudspeth as head coach, the Dolphins have been to the playoffs 3 times, including being 5A Region 1 Champions, along with a 15-0 undefeated 2023 5A State Championship. Tomorrow's signing day will bring the number of college signees to 27 who have gone on to the next level in the last 5 years under Hudspeth. The Dolphins are set to move into their new football facilities in the summer of 2026. The new facilities will include locker rooms, two team meeting rooms, coaches' offices and two staff rooms, a 9,000-square-foot weight room and refueling facility, and to top it off, a 120-yard covered practice facility."

VAN GORDER SET FOR ANOTHER RUN

Coach Hudspeth announced today: "The most experienced and decorated defensive coordinator at any level of football in the state of Alabama, including college, returns for his 5th year at Gulf Shores!".

GULF SHORES ✖ GULF SHORES ✖ GULF SHORES ✖ GULF SHORES

GSHS band welcomed the bus riders at GSES and GSMS to school.

CONGRATULATIONS TO THE FINS CO'26 SIGNING!

The upper-level Sports Medicine students had a great industry tour to the Pensacola Ice Flyers Stadium, the Blue Wahoos Stadium, and Andrew's Institute at The University of West Florida. Students were able to hear from Athletic Trainers and doctors within the field and learn around best education within the field. Thank you to **Pensacola Ice Flyers Pensacola Blue Wahoos Andrews Institute for Orthopaedics & Sports Medicine** for this new partnership and giving these students real connections to their learning experience!

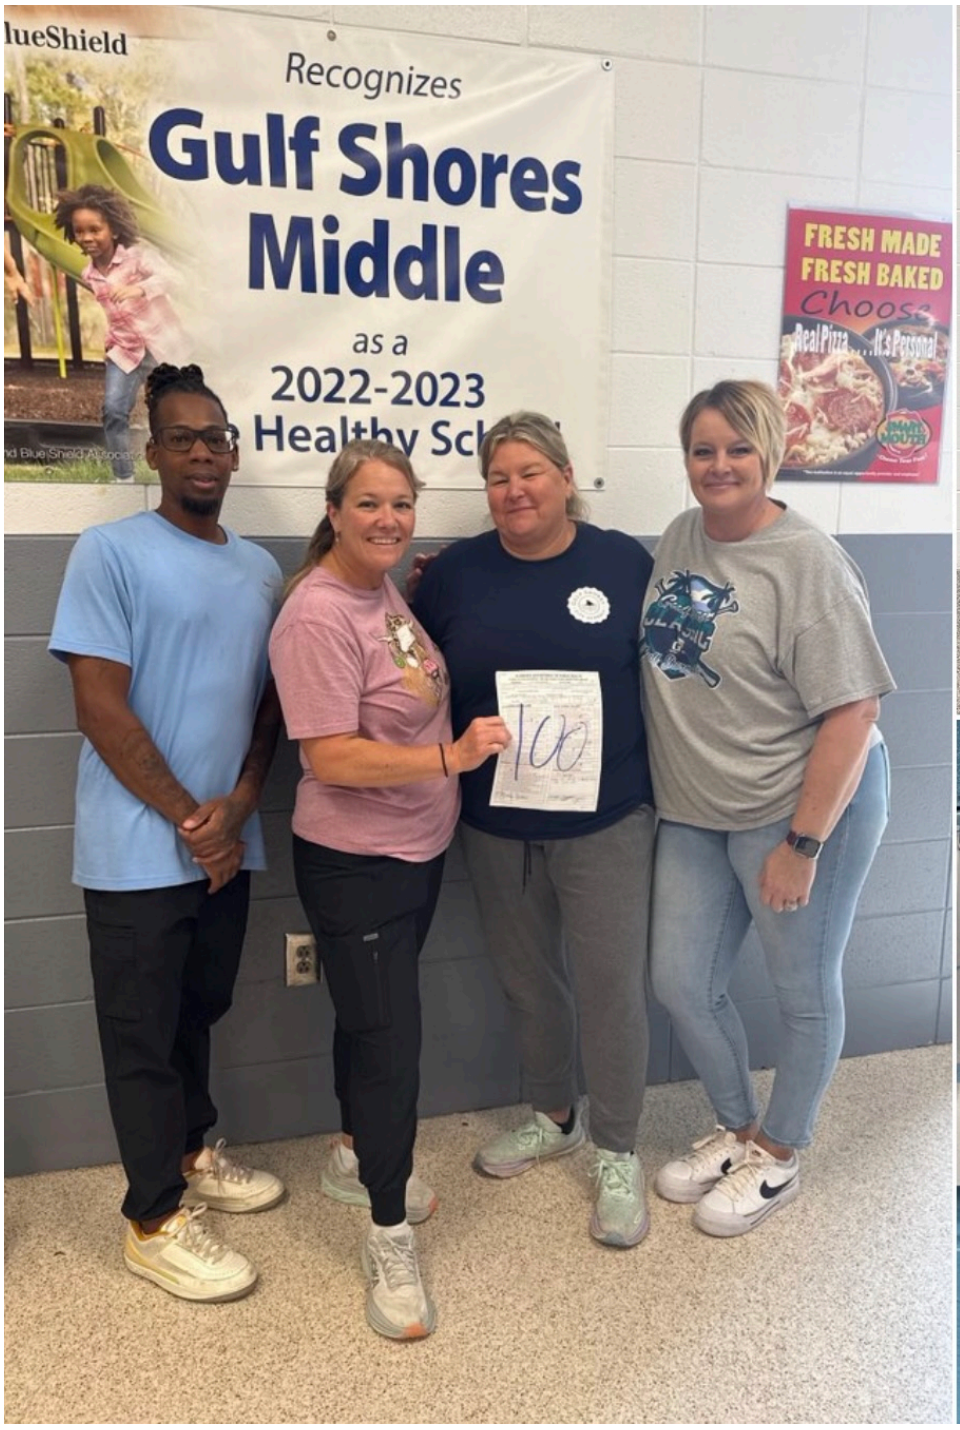

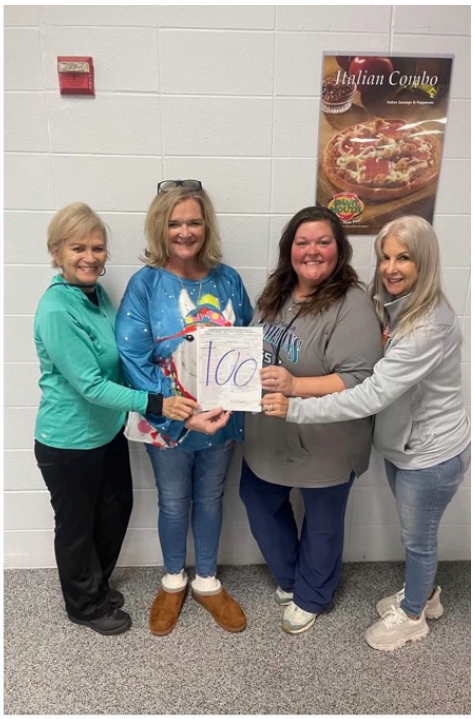

What an incredible honor it was to have State Representative Frances Holk Jones speak with our Junior City Council group today. Representative Holk Jones—who represents District 95, including Gulf Shores, Orange Beach, Ft Morgan, Foley, and Elberta—shared what it means to be our voice in Montgomery and how she works to make sure Baldwin County's needs are heard at the state level.
We're grateful for her time, insight, and her commitment to keeping our community engaged. Thank you, Representative Holk Jones, for inspiring our young leaders and reminding us how powerful it is to speak up for where we live!

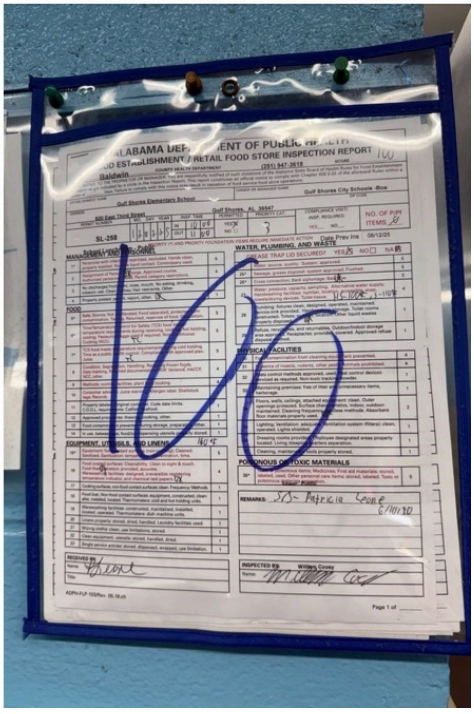

GSCS Cafeterias Retain Their 100% Scores

Congratulations and thank you to Tanya Hill, CNP Manager, and the entire GSCS CNP Team! The Health Department visited all three schools, and each one retained its outstanding 100% score.

GSCS Teachers Earns National Board Certification

Congratulations to Gulf Shores City Schools teachers Hilary McKinney, Deborah Whetstone, Angela Kirby, and Jason Hill, who were honored at a special reception at the Governor's Mansion celebrating their achievement of earning National Board Certification. With fewer than 3% of teachers nationwide holding this distinction, their accomplishment reflects exceptional dedication and professional excellence.

We are incredibly proud of these outstanding educators and grateful for the state-level recognition of their commitment to our students and community. We are also deeply appreciative of the Dolphin Foundation for their unwavering support of teachers throughout the National Board process—your investment in our educators makes achievements like this possible.

Growing Aviation Pathway

GSCS welcomed the Director of Aviation, Gillette Samms, and the Regional Workforce Director (South), Jennifer Hall, for the Alabama Community College System to our hangar labs and toured the Gulf Shores International Airport terminal with Airport Director, Jesse Fosnaugh; Superintendent Matt Akin; Academies and CTE Director, Jessica Sampley; Career Coach, Tyler Morgan; and lead aviation teacher, Haley Kellogg.

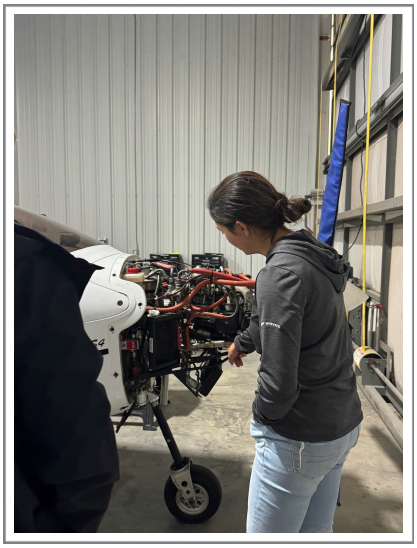

They spent time learning about our growing aviation pathway—how we're building authentic, hands-on experiences for students and intentionally bridging core academics and CTE in a space where learning feels real and future-focused.

What they saw was a program already doing the work. Our students have built and flown an aircraft, are currently working on a second plane build, and are engaged in a restoration project that teaches precision, patience, and pride in craft. In the coming months, we'll also begin in-house flight training, led by a dedicated CFI who is a Gulf Shores alum—a full-circle moment for all.

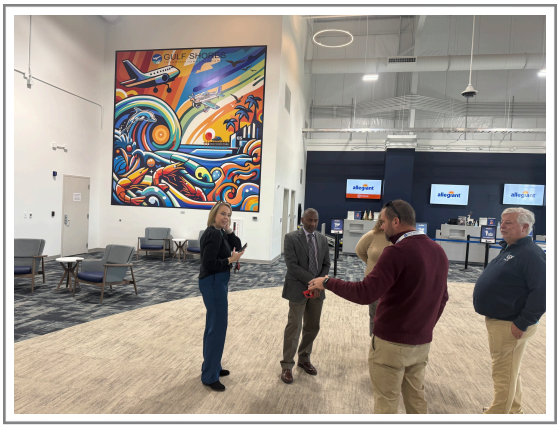

This visit opened the door to meaningful conversations about what could come next—stronger alignment, deeper collaboration, and future internship opportunities that keep students learning where aviation is lived, not just taught. We are so grateful for partners who are willing to show up, ask great questions, and imagine what's possible together.

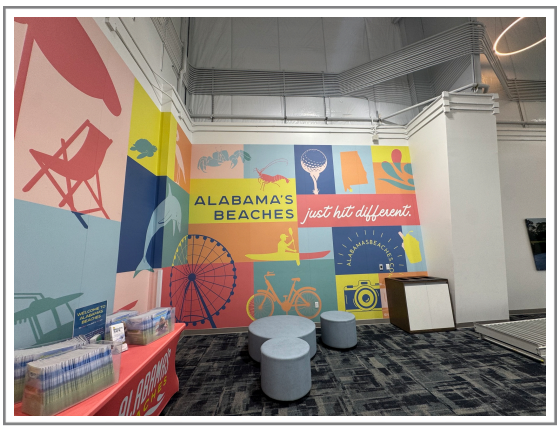

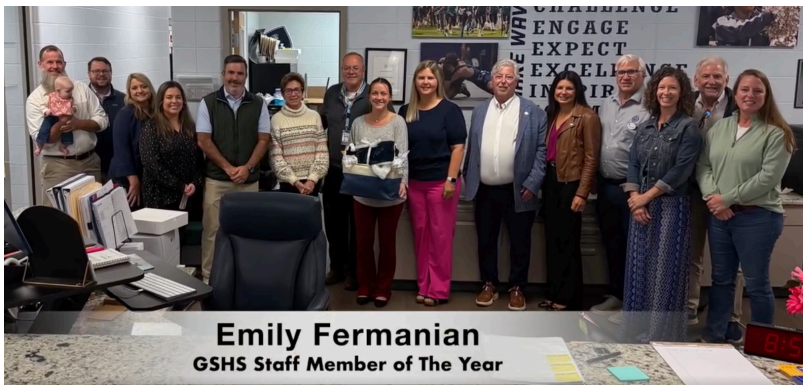

Congratulations Gulf Shores City Schools Teachers and Staff Members of The Year!

GSHS Teacher of the Year! Sandra Dempsey, High School ACT, High School Math, National Board Certified
GSHS Staff Member of The Year! Emily Fermanian, High School Receptionist/Attendance
GSMS Teacher of the Year! Cinthia Moore, Middle School Science, Working Towards National Board Certified, Middle School Athletics
GSMS Staff Member of The Year! Carolyn Moser, Middle School Athletics, Middle School Student Services, Paraprofessional
GSES Teacher of the Year! Kristy Phillips, Elementary School Fourth Grade Teacher
GSES Staff Member of The Year! Jesse Harrell, Elementary School System Tech
