

Firearms Safety

Field Day

April 4, 2026

The online firearms safety class (See DNR website) must be completed in advance of the field day. This can take several hours to complete - do not wait until the last minute to finish. Each participant must provide a hard copy of their field day voucher provided upon completion of the online firearm safety class.

To attend Field Day, you must contact Chris to be placed on the list.

For more information and to sign up for Field Day contact: Chris Keleher at Keleher.chris@yahoo.com or 712-898-5275
