WHO: Tyrone Area School District - Indoor Percussion, Color Guard, and Jazz Band

WHAT: Advertise in our competition program book & support our students

The Tyrone Band Boosters will again be hosting our annual competition on February 28, 2026. This competition features approximately 50 majorette, dance, color guard, and percussion units from across central PA. Over 1000 spectators will gather at the Tyrone High School gymnasium throughout a 12-hour day to watch these units perform in competition.

OUR GOAL is to raise money to help cover the many expenses of our competitive season, especially our annual May trip to the Atlantic Coast Championship festival in Wildwood, NJ.

How can you help? You can place an advertisement in our competition program book to help support one or more students. Please follow the information below to support us
