

# THE ROLE OF THE FAMILY/SCHOOL ENGAGEMENT LIAISON

Introduce  
department  
services, supports,  
and resources

Assist schools in  
developing and  
implementing effective  
family engagement  
strategies.

Provide school  
community  
asset mapping to  
assess and target  
needs.

Introduce, recommend,  
schedule, and coordinate  
University of Family  
Learning (UFL) workshops  
to address needs.

Provide information and  
community resources that  
build families' skills and  
confidence.

Ensure families  
understand how to  
navigate the educational  
system to advocate for  
their children.
