A Note from the Nurse

Help Us Stop the Flu! + cases of the flu are on the rise. Help us prevent the spread!

- ★ **Keep your child home** until they are **fever-free for 24 hours** *without fever-reducing meds* (Tylenol, ibuprofen) **and symptoms are improving**
- ★ **Cover coughs and sneezes** with a **tissue or elbow** — not hands
- ★ **Wash hands often** with soap and water for **at least 20 seconds**, especially after coughing or sneezing
- ★ **Avoid touching the face** (eyes, nose, mouth) — these are entry points for viruses
- ★ **Do not share personal items** (water bottles, chapstick, utensils, etc.)
- ★ **Rest, hydrate, and eat well** to keep immune systems strong

RESPECT EQUITY AND INCLUSION RESOURCES

To enhance our kindness corner and promote positive behaviors we have decided that every name provided in the [NMS Acts of Kindness](#) form will be posted on the Kindness Corner bulletin board along with a hand made Peace Crane. Students are making these cranes for a variety of reasons and as a way to put some good into the world. Our goal is to get 1,000 cranes to represent 1,000 acts of kindness. Here is a short video that describes the Peace Crane Project: [Sadako Susaki & the Peace Cranes](#)

Private School Application Process

Norwell Middle School counselors and staff are happy and willing to assist families and students who wish to submit applications to private school. In order to best assist families and manage the great volume of information that must be shared as part of this process, Norwell Middle School has instituted a standardized process for requesting school records and recommendations. We encourage families to communicate their intention to complete private school applications as early as possible. Please do not wait until the last minute to send out your recommendation requests as they may be submitted after deadlines have passed. We look forward to working with families through this process.

The process is as follows:

1. Families should notify NMS counselors and any teacher who will be asked to complete recommendations of intent to submit private school applications, in writing, as soon as possible or at least three weeks prior to the first deadline.
2. Students should speak to any teacher or send them a personal email prior to the teacher getting a request from the online portal. This gives the teacher an opportunity to speak with the student in an effort to provide a more personalized recommendation.
3. Families should complete and submit the signed Records Release Form to the assigned school counselor at least three school weeks prior to the first deadline.

Click [HERE](#) for access to the release.

1. Students should complete and submit the Private School Student Questionnaire (click [HERE](#) for access to the questionnaire) to their school counselor and all teachers completing recommendations at least three school weeks prior to the first deadline.
2. If you have questions about a recommendation and/or its status, please contact the teacher or private school directly.

Hey Parents!!!

Flex Friday

Reading Initiative

Every
Friday

Remind your student to pack a book for Flex Friday. During Flex Block, kids read a book they enjoy.

How else can I help?

1. Bring your student to the local library or go online to help them download high interest books and audiobooks.
2. Keep it going at home. Encourage reading as a daily habit.
