

Rochester Institute of Technology
Office of Project Lead The Way
137 Lomb Memorial Drive
Rochester, NY 14623

Greetings,

Enclosed, you will find your Rochester Institute of Technology Project Lead The Way Mini Grant. This mini grant has been generated from registrations received from your school for RIT PLTW college credit between January and December 2024, reflective of the 2023-2024 academic year.

As a reminder, schools receive \$20 per registered student, and these funds are intended to support your school's PLTW program. We are excited to share that this year, RIT will return over \$100,000 to over 260 partnering schools!

If you have questions regarding statistics specific to your school or district, please contact me.

Later this spring, we will send information for the current school year including important dates, deadlines, and resources for your teachers to share with your PLTW students and their families regarding our college credit program.

We appreciate our partnership with your school as well as the work done to help your students with this opportunity.

Please process this check within 180 days of receipt.

Best Regards,

Sarah

Sarah Pillittere
