Jillian Makris

Assistant Superintendent for Pupil Personnel Services

Dr. Marc Ferris
Superintendent of Schools

January 6, 2026

Dear Parents / Guardians:

Welcome to the UPK registration for the 2026-2027 school year. Please see the flyer **containing pertinent information** about the registration process for UPK. As noted on the flyer, the registration process for UPK will take place from January 26, 2026 to March 6, 2026. Registration will close on March 6th.

To begin the registration process, please complete all of the forms listed in the registration link. The next step will be setting an appointment via the **UPK Google Calendar link**, to come in with the above completed forms, 2 proofs of your Sayville residency, your child's birth certificate and immunization and health record. This is when you will receive your lottery number. Your child does not need to be present.

If your child has already been registered with the district for Early Intervention Services, you do not need to complete the forms again. However, you will still need to come in to review the paperwork we have on file and obtain your lottery number. So, please make an appointment.

On Wednesday, March 18, 2026 there will be a lottery drawing at 12 p.m. which parent/guardians can watch via live stream. If your child is selected for the UPK program, please note that he/she will be screened on either May 12th, 13th, 14th or 15th at the Sayville Public Library. **Please Save the Date**. More information will follow.

Thank you for your time and attention to this matter.

Sincerely,

Jillian Makris
