2.0

3.0 New Items

2.1 Review last meeting minutes

4.0 **General Discussion**

3.1 Budget- nothing to report this meeting, if there are any significant changes Mr Adams will bring those changes back to the SOT.

3.2 School Reopening

Overall people are happy to be back in the building, both students and staff. We are getting used to being back in school and the daily routines.

Buses are clearly an issue districtwide, we are 300 drivers short. After school many students have been left at school and busses have had to make multiple runs at the end of the day. Approx 100-15- students are here for a considerable amount of time (1 hour or more) at the end of the day.

3.3 Staffing-

3 AP openings
2 openings for Health and one Resource SPED
all new hires are on campus
a few custodial vacancies

a little below enrollment but our numbers are close to target.

3.4 CCSD Grading Reform

what is in our course expectations is what we will follow according to CCSD recommendations
75% Summative 25% Formative , minimum F
Reach out to feeder Middle schools to find out if they are using the same formula recommended by CCSD or are they moving the transition up sooner.

3.5 Title 1
Title I Plan - the funding will go into staffing this year.

3.5 discuss future meetings- Sept. TBA
Public Comment Period (20 **minutes maximum allotted)**

Dress code
hats, wave caps: is this acceptable
belly showing- short shirts
mask- defiant not wearing
disrespect of students when being asked to pull up their mask
Meeting to discuss these issues will be outside of SOT as this is not an SOT discussion.
